Title 13—DEPARTMENT OF SOCIAL SERVICES
Division 40—Family Support Division
Chapter 13—Blind Pension

13 CSR 40-13.020 Vision Re-examination

PURPOSE: This rule establishes the requirements to determine whether an individual previously eligible for a blind pension is required to submit to a re-examination of the individual’s vision every five (5) years.

(1) Scope: This rule specifies how and when an individual eligible for a blind pension is required to submit to a re-examination of the individual’s vision every five (5) years.

(2) An individual has “no usable vision” when—

(A) One (1) or both of the following two (2) conditions are met:
   1. The individual has no vision of any kind; or
   2. The individual’s vision, with or without proper adjusted glasses, or assistive technology, is determined to be up to, but not including, 5/200, or whose best visual field is five (5) degrees or less as tested with a five (5) millimeter target or perimeter; and
(B) The individual’s vision loss at this level is permanent; or is medically unlikely to return or improve, with or without glasses or assistive technology.

(3) Applicants for a blind pension and pensioners may apply to the Family Support Division for a waiver of the requirement that they submit to a re-examination of their vision every five (5) years as authorized in section 209.040, RSMo. To qualify for the waiver the individual shall have no usable vision as certified by an ophthalmologist, a physician skilled in diseases of the eye, or an optometrist, designated or approved by the Family Support Division after an examination.

The certification required by this section shall be in writing and shall comply with the requirements of section (5).

(4) The Family Support Division shall grant the waiver to applicants for a blind pension and blind pensioners upon receipt of the certification required in section (3).

(5) Blind pensioners who have been granted a waiver under this regulation shall notify the Family Support Division if they experience any improvement in their vision, with or without assistive technology, within sixty (60) days of the change in vision. The notification shall be in writing and shall comply with the requirements of section (5).

(6) Blind pensioners who have been granted a waiver of the vision re-examination shall certify that their vision has not improved at the time of their annual eligibility redetermination. The individual shall provide the following information when making the written certification:

(A) The name of the individual making the certification;
(B) The individual’s current physical address;
(C) Mailing address, if different from physical address;
(D) The individual’s department client number or Social Security number;
(E) A statement that the pensioner certifies, subject to penalty of perjury, that his or her vision has not improved, with or without glasses or assistive technology; and
(F) The certification shall be signed by the blind pensioner.

(7) Whenever the blind pensioner reports that his or her vision has improved or the Family Support Division otherwise has reasonable cause to believe that a blind pensioner’s vision has improved, the Family Support Division shall require the blind pensioner to submit to a vision re-examination to determine whether the individual is still qualified for the waiver or for blind pension benefits. The blind pensioner shall promptly submit to an eye re-examination by ophthalmologist, a physician skilled in diseases of the eye, or an optometrist, designated or approved by the Family Support Division when requested to do so by the division.

(8) The Family Support Division shall deny or terminate a waiver at any time the Family Support Division determines that a blind pensioner who has applied for, or who is under a waiver under this section—

(A) Is not eligible for the waiver;
(B) Has failed to timely notify the Family Support Division of any change in his or her vision, who fails to submit to a re-examination under section (6); or
(C) Who otherwise fails to comply with his or her responsibilities under this section.

(9) Any blind pension payment made to a pensioner under a waiver who was not qualified for the waiver shall be a debt immediately due to the state and collected as overpayment. The blind pensioner shall repay the sum of the blind pension payments that the individual was not entitled to receive. Repayment shall be in a lump sum, or may be deducted from the blind pensioner’s blind pension payment in equal installments over a period not to exceed sixty (60) months.

(10) Certifications submitted by mail, or any commonly available electronic means such as fax or e-mail, shall be accepted and treated the same as an in-person filing of a certification. A blind pensioner who submits a certification by electronic transmission certifies under penalty of perjury that the certification and the information contained therein is true, accurate, and authentic. The blind pensioner shall retain and provide the original certification to the Family Support Division upon request.

(11) Any blind pensioner who intentionally or knowingly submits, or causes to be submitted, false information to the Family Support Division in support of a waiver under this regulation shall not be deemed a person of good moral character and shall not be eligible for a blind pension.

(12) All information provided to the Missouri Department of Social Services, Family Support Division in the certification shall be true, accurate, and complete.

(13) A blind pensioner who is aggrieved by a
decision of the division under this regulation may appeal the division’s decision pursuant to section 209.110, RSMo.

13 CSR 40-13.030 Adjustment of Blind Pension Payments

PURPOSE: This regulation is to establish the procedures and methods by which the Department of Social Services will reduce pension payments to blind pensioners where the funds at the disposal of or may be obtained by the department for payment of blind pension payments are insufficient to pay the full pension payment to each person entitled to a blind pension payment as authorized in section 209.040.2, RSMo.

(1) Purpose and Scope. This regulation establishes the procedure and method by which the Department of Social Services will reduce pension payments to blind pensioners where the funds at the disposal of or may be obtained by the department for payment of blind pension payments are insufficient to pay the full pension payment to each person entitled to a blind pension payment as authorized in section 209.040.2, RSMo.

(2) Definitions. For the purposes of this section—

(A) “Budget reserve fund” means the budget reserve fund established in Art. IV, section 27(a) of the Missouri Constitution;

(B) “Cash operating transfers” means cash operating transfers as defined in Art. IV, section 27(a) of the Missouri Constitution.

(C) “Department” means the Missouri Department of Social Services;

(D) “Family Support Division” or “FSD” means the Family Support Division of the Department of Social Services;

(E) “Funds at the disposal of the department” means total actual or estimated revenues to the blind pension fund and any balance in the fund at the beginning of a fiscal year; and

(F) “The fund” means the Blind Pension Fund established under Art. III, section 38(b) of the Missouri Constitution and administered by the department pursuant to Chapters 207, 209, and 660, RSMo.

(3) Methodology.

(A) Within thirty (30) days of the effective date of this regulation and thereafter on an annual basis, no later than thirty (30) days after the beginning of each fiscal year, the department shall determine whether the total revenues and other revenues which the department knows or reasonably expects to be deposited in the blind pension fund minus known or anticipated obligations from the fund will be sufficient to pay the full amount of benefits to each blind pensioner until the end of the first calendar month following the current fiscal year. If the total amount of estimated, blind pension payments, calculated pursuant to section 209.040.4, RSMo plus other obligations from the fund, exceeds the funds at the disposal of or which may be obtained by the department for that purpose, then the department will calculate the amount of pro rata reduction for each pension payment. The department shall determine whether the total tax revenues and other revenues deposited in the fund minus obligations are sufficient to pay the full amount of benefits to each blind pensioner through the end of the first calendar month following the current fiscal year utilizing the following methodology:

\[ \text{Amount of pension payment reduction} = r = p (1-a/o) \]

Prorated maximum monthly blind pension payment = \( pp = p - r \) where:

\[ p = \text{the blind pension payment for the fiscal year in question calculated according to the formula set forth in section 209.040.4, RSMo}; \]

\[ a = \text{funds at the disposal of or which may be obtained by the department for payment of benefits for the time period under assessment minus any mandatory legal obligations of the fund other than pension payments}; \]

\[ o = \text{the total amount of blind pension payments obligated during the time period under assessment}. \]

If the department determines that there are insufficient monies in the fund to make a full pension payment to each pensioner each month through the end of the current fiscal year, the department shall reduce the amount of each pensioner’s pension payment to the prorated maximum monthly blind pension payment. The monthly, prorated, blind pension payment to each Supplemental Aid to the Blind (SAB) participant shall be calculated as follows:

\[ \text{Prorated maximum monthly SAB pension payment} = pp - s \]

Where:

\[ pp = \text{Prorated maximum monthly blind pension payment calculated above}; \] and

\[ s = \text{the individual blind pensioner’s monthly SSI payment}. \]

The amount of the pension payment reduction shall be rounded up to the nearest dollar.

Example 1: Calculation of pro rata reduction for State Fiscal Year 2014

FY 12 revenues = $29,500,000
FY 13 revenues = $29,980,000
FY 14 expected revenue = (fy2013-fy2012) + FY2013 = $30,460,000
Monthly maximum grant (p) calculated under section 208.040.4, RSMo = $711
Beginning fund balance for FY 14 = $1,000,000
FY 14 estimated expenditures = $32,240,000

Expected funds available as of August 1, 2013 = ($31,460,000-($32,240,000/12 months) = $28,773,333

Estimated expenditures for August 1, 2013 through June 30, 2014 = ($32,240,000/12 months x 11 months) = $29,553,333

Reduction (r) = $711(1-(32,773,333/29,553,333)) = $19

Prorated maximum monthly pension payment = $711 - $19 = $692

Example 2: SSI participant with an SSI grant of $500

Same facts as Example 1
Prorated maximum monthly SAB pension payment = $692 - $500 = $192

(B) If at any time the department determines that there will be insufficient funds in the blind pension fund to pay the full, prorated, blind pension payment to each pensioner that each pensioner is entitled to receive in a calendar month, the department shall prorate the monthly pension payment utilizing the methodology set forth in subsection (3)(A) until either the end of the first calendar month of the following fiscal year or the blind pension fund has a sufficient balance to pay all pensions due at the prorated amount in that month, whichever takes place first.
any month that pensions are not paid under this subsection any monies shall remain in the blind pension fund unless the treasurer sweeps the fund as authorized by Art. III, section 38(b), section 209.130, RSMo, or other applicable law.

(C) Cash operating transfers from the budget reserve fund shall not be considered funds at the disposal of the department or which may be obtained by the department for purposes of all calculations under this regulation.

(4) The department shall notify the blind pensioners when it implements a reduction of blind pension payments under this regulation. Notification shall be served on the pensioners no later than forty-five (45) days prior to the effective date of the reduction. The notification shall be mailed to each pensioner at his or her address of record with the blind pension program; or served on the pensioner by e-mail or some other secure, convenient means of electronic transmission if such means is available to the department. The notification shall specify the amount of the reduction in the payment and shall generally describe the reasons for the department’s decision. The notice may be provided separately, or it can be included as part of another notice.

(5) Any reduction in the blind pension payments under this regulation is a mass adjustment to the pension payments for all blind pensioners and is not a decision in an individual case. Individual pensioners shall not have the right to administrative review of the decision.
