NOTICE: The proposed amendment revises Article III of the Constitution by amending Section 39(e).

Be it resolved by the people of the state of Missouri that the Constitution be amended:

Section A. Article III of the Constitution is revised by amending Section 39(e) to read as follows:

Section 39(e). 1. The general assembly is authorized to permit upon the Mississippi and Missouri Rivers only, which shall include artificial spaces that contain water and that are within 1000 feet of the closest edge of the main channel of either of those rivers, lotteries, gift enterprises and games of chance to be conducted on excursion gambling boats and floating facilities. Any license issued before or after the adoption date of this amendment for any excursion gambling boat or floating facility located in any such artificial space shall be deemed to be authorized by the General Assembly and to be in compliance with this Section.

2. Notwithstanding any other provision of law to the contrary, lotteries, gift enterprises, and games of chance may be conducted on excursion gambling boats and floating facilities licensed by the Missouri Gaming Commission upon the portion of the Osage River from the Missouri River to the Bagnell Dam, which shall include artificial spaces that contain water and that are within 500 feet of the 100-year base flood elevation as established by the Federal Emergency Management Agency.

3. Notwithstanding any other provision of law to the contrary, in addition to such licenses as have been authorized prior to January 1, 2024, the Missouri Gaming Commission shall issue one additional excursion gambling boat license. Such license shall only be issued to an excursion gambling boat that will operate upon the portion of the Osage River from the Missouri River to the Bagnell Dam.

4. Notwithstanding any other provision of law to the contrary, all state revenues derived from the issuance of excursion gambling boat licenses issued after January 1, 2024 shall only be appropriated to early-childhood literacy programs in public institutions of elementary education and shall not be included within the definition of "total state revenues" in section 17 of article X of this constitution.

5. The state auditor shall perform an annual audit of the revenues received and appropriated pursuant to this section to ensure they are being used only for authorized purposes. The state auditor shall make such audit available to the public, the governor, and the general assembly.

[NOTICE: You are advised that the proposed constitutional amendment may be construed to change, repeal, or modify by implication Article III, Sections 39, 39(9), and 39(e).]
