Be it resolved by the people of the state of Missouri that the Constitution be amended:

One new section in Article X to be known as Section 27 is enacted as follows:

Section 27

1. This section shall be known as the “Local Voters’ Right and Option to Set Tobacco Taxes Initiative.”

2. Notwithstanding section 1 of this article or any other law to the contrary, local voters shall have the right and option to set tobacco taxes in counties.

3. Any tobacco tax approved by local voters under this initiative shall be used solely for education, health and mental health, crime prevention, job creation, veterans’ services, or other local use specifically approved by local voters, so long as the use is legal under Missouri law.

4. As used in this initiative, the following terms have the following meanings:

(1) “Local voters” shall not mean the General Assembly nor the local governing body in a county, but shall only mean a majority of the qualified voters casting ballots in an election in a county on a county-wide tobacco cigarette tax measure, whether submitted to local voters by the local governing body or by initiative petition.

(2) “Right and option to set tobacco taxes” means the right, power, and authority to set, control, impose, establish, levy, collect, fix, reduce, eliminate, or change the rate or dedicated use of a county excise tax on tobacco cigarettes.

5. All existing local tobacco taxes and any dedicated uses in place on the effective date of this initiative shall remain in effect provided, however, that the rate or dedicated use of such taxes may only be modified with the approval of local voters.

6. The provisions of this initiative are self-executing. Governing bodies in counties are authorized, but not mandated, to submit measures to local voters to set local tobacco taxes at authorized elections. In addition, the people are authorized, but not mandated, to submit measures to local voters by initiative petition to set local tobacco taxes at authorized elections occurring after the date this initiative is approved by voters. The people may submit measures under existing county initiative petition procedures where otherwise available or, under this subsection, by filing with the appropriate local election authority or authorities a petition signed by five percent of the qualified voters of the county as measured by the total number of votes cast for governor in such county at the last general gubernatorial election prior to the filing of the petition. Any initiative petition submitted under the process created by this subsection that has a deficient number of valid signatures shall have sixty days after notification of such deficiency to submit additional valid signatures and cure the adequacy of the petition. Initiative petitions submitted under the process created by this subsection shall include the rate and dedicated use of any tobacco tax revenue, along with related administrative provisions. The ballot title for initiative petitions submitted under the provisions created by this subsection shall be fifty words or less, excluding articles, shall be prepared by the county’s attorney, shall be limited to the tobacco tax rate change, if any, and the dedicated use of tobacco tax revenue, if any. Such ballot title shall be a true and impartial statement of any tobacco tax rate change and any dedicated use of tobacco tax revenue in language neither intentionally argumentative nor likely to create prejudice either for or against the proposed measure. Both the adequacy of signatures and the formulation of the ballot title shall be subject to judicial review. If approved by local voters, the proposal shall carry the force of law. For purposes of this subsection, “authorized election” means any election day after January 1, 2026. However, where the people submit a measure to set local tobacco taxes through the initiative petition provisions established under this subsection, the authorized election shall be the earliest available election day, whether a general, primary, general municipal, or other established election day, after sufficient valid signatures are submitted that is also after January 1, 2025.

7. All of the provisions of this initiative are severable. If any provision of this initiative is found by a court of competent jurisdiction to be unconstitutional or unconstitutionally enacted, the remaining provisions shall be and remain valid.
