Op. Atty. Gen. No. 42, Frappier, 3-20-74. With respect to the Solid Waste Management Law, Senate Bill No. 387, 76th General Assembly, sections 260.200–260.245, RSMo (Supp. 1973), cities and counties are required to provide for the collection and disposal of solid wastes including industrial wastes and may contract for this collection and disposal. Service charges may be imposed if not already imposed under some other law although these charges must be billed and collected directly by the cities or counties. General revenue of the city and federal revenue sharing funds may also be expended for such purposes.
