Title 20—DEPARTMENT OF COMMERCE AND INSURANCE
Division 2015—Acupuncturist Advisory Committee
Chapter 3—Standards of Practice, Code of Ethics, Professional Conduct

20 CSR 2015-3.010 Standards of Practice

PURPOSE: This rule establishes standards of practice for licensed acupuncturists.

(1) A licensed acupuncturist is strongly encouraged to maintain professional liability insurance coverage.

(2) Each acupuncturist shall—
(A) Practice within the scope of education and training as defined in section 324.475, RSMo;
(B) Disclose the acupuncturist’s legal name on all documentation regarding the practice of acupuncture and advertisements;
(C) When offering gratuitous services or discounts in connection with acupuncture, the offer shall clearly and conspicuously state whether or not additional charges may be incurred by related services as well as the range of such additional charges;
(D) Post the license at the place of work or provide the patient documentation of licensure. Patient is defined as any individual for whom the practice of acupuncture, as defined in section 324.475(1), RSMo is provided;
(E) Prior to performing initial acupuncture services, document in writing patient assessment information. Written patient assessment information shall include, but not be limited to the following:
1. Purpose of the visit;
2. Presence and location of pain and any preexisting conditions;
3. Allergies and current medication used and for what purpose;
4. If the patient is under the care of any health or mental health care professional;
5. Surgical history;
6. Signed consent for treatment and date signed;
7. Inform patient concerning fees and financial arrangements;
8. Update patient records at each session. Such updated patient record information shall include, and not be limited to, the following:
   1. Changes or additions regarding patient assessment;
   2. Date and type of acupuncture service provided;
   3. The signature of the acupuncturist and, when applicable, the name of the detox technician or acupuncture trainee that provided the acupuncture service;
   (G) Provide current information concerning anticipated course of treatment;
   (H) Safeguard the maintenance, storage, and disposal of records of patients so that unauthorized person(s) shall not have access to patient records; and
   (I) Inform a patient regarding the limits of confidentiality when providing services.

(3) An acupuncturist shall not delegate acupuncture duties to a person that is not qualified or licensed to perform acupuncture.

(4) For the purpose of this rule, an acupuncturist shall maintain patient records for a minimum of five (5) years after the date of service is rendered, or not less than the time required by other applicable laws or regulations, if that time is longer than five (5) years.

(5) If a licensed acupuncturist discontinues practice in Missouri, the licensee shall notify the patient in writing at least thirty (30) days in advance of discontinuing practice that the patient records are available to either the patient or another licensed acupuncturist of the patient’s choosing. The advisory committee may waive the thirty-(30)-day requirement if the licensee can make a showing of good cause for failing to comply.

(6) If services are to be provided by an acupuncturist trainee or detox technician the patient shall be advised in advance.

(7) Acupuncturists, auricular detox technicians, and acupuncturist trainees under the supervision of a licensed acupuncturist shall follow the standards for Clean Needle Technique (CNT) as published by the National Acupuncture Foundation in effect at the time the acupuncture service is performed, and follow universal precautions.

(A) For the purpose of this rule, “universal precautions” is an approach to infection control as defined by the Center for Disease Control (CDC). According to the concept of universal precautions, all human blood and certain body fluids are treated as if known to be infectious for Human Immunodeficiency Virus (HIV), Hepatitis B Virus (HBV), and other blood borne pathogens.

(B) All disposable needles shall be disposed of immediately after use and placed in a biohazard container pursuant to the U.S. Department of Labor, Occupational Safety and Health Administration (OSHA).

(9) When reusable needles are used, a basic, double sterilization procedure protocol shall be utilized. Specific procedures of the protocol are outlined in the Clean Needle Technique Manual published by the National Acupuncture Foundation.

(10) After each patient, an antibacterial product shall be used on all equipment that does not penetrate the skin, come into direct contact with needles, or is made of rubber or plastic.

20 CSR 2015-3.020 Code of Ethics

PURPOSE: This rule establishes the code of ethics for applicants and acupuncturists.

(1) All applicants and licensees shall—
(A) Demonstrate behavior that reflects integrity, supports objectivity, and fosters trust in the profession of acupuncture;
(B) Conduct business and activities relating to acupuncture with honesty and integrity;
(C) Respect and protect the legal and personal rights of the patient/client, including the right to informed consent, refusal of treatment, and refrain from endangering patient health, safety, or welfare;
(D) Refuse to participate in illegal or unethical acts, or conceal illegal, unethical, or incompetent acts of others;
(E) When conducting research, comply with federal, state, and local laws or rules and applicable standards of ethical procedures regarding research with human subjects;
(F) Comply with all state and federal laws and regulations regarding the practice of acupuncture;
(G) Not allow the pursuit of financial gain or other personal benefit to interfere with the exercise of sound professional judgment and skills;
(H) Within the limits of the law, report to the advisory committee all knowledge pertaining to known or suspected violations of the laws and regulations governing the practice of acupuncture.

(2) An acupuncturist shall not—
(A) Encourage unnecessary or unjustified
acupuncture services;

(B) Engage in any verbally or physically abusive behavior with a patient/client, detox technician or trainee;

(C) Exploit a patient/client, detox technician, or trainee for the purpose of financial gain. For the purpose of this rule exploitation is defined as any relationship between the acupuncturist, patient/client, technician, or trainee that may cause harm to the patient/client, technician, or trainee;

(D) Accept gifts or benefits intended to influence a referral, decision, or treatment that are primarily for personal gain;

(E) Engage in or exercise influence concerning sexual activity with a patient, trainee(s), or detox technician during an ongoing professional relationship with such person or within six (6) months after termination of such professional relationship:

1. For the purpose of this rule sexual activity includes and is not limited to kissing, touching, caressing by any person or between persons that is intended to erotically stimulate either person, or which is likely to cause such stimulation and includes sexual intercourse, sodomy, fellatio, cunnilingus, masturbation, oral copulation, and penetrating the anal or vaginal opening with anything. Sexual activity can involve the use of any device or object and is not dependent on whether penetration, orgasm, or ejaculation has occurred. For the purpose of this rule, masturbation means the manipulation of any body tissue with the intent to cause sexual arousal.
