(B) No contestant under the age of eighteen (18) years shall be permitted to participate in a boxing contest. No contestant participating in his/her professional debut shall be permitted to box more than six (6) rounds in length for the first ten (10) professional bouts. Contestants may have to present a birth certificate or picture identification to the office or inspector. False statements of age or other information shall be cause for discipline of the contestant’s license. Contestants must complete all forms prescribed by the office. All contestants, upon request of the office or inspector, must furnish the office with a boxing passport or an identification card (ID) issued from his/her home state and a federal identification card issued by the Association of Boxing Commissions.

(C) Contestants in all licensed professional boxing contests shall be examined by a licensed physician at a time approved by the office and physical examinations must be completed at least one (1) hour before the contest time. The weigh-in will be within forty-eight (48) hours prior to the contest. Contestants will then have two (2) hours to make weight. The weights of the contestants or the class in which they will box must be announced at the ringside. In case of a substitution in a bout, the substitute contestant shall be subject to the same physical examination as other contestants and must be approved by the physician and office. Contestants failing to appear at the appointed place and at the specified time to be examined and weighed, or who leave the area before weigh-ins or physical examinations are completed without permission of the office, may subject their license to discipline or may be denied the right to compete in the scheduled bout.
(6) If a contestant claims to be injured due to an accidental fall during the bout, the referee, at their discretion, may stop the bout and request the physician to make an examination. If the physician decides that the contestant has been injured and should not continue, s/he should advise the referee. If the physician decides that the injured contestant may be able to continue, s/he may order up to five (5)-minute recovery period, after which s/he will make another examination and again advise the referee of the injured contestant’s condition.

(7) If a contestant falls due to fatigue, or is knocked down by his/her opponent, s/he will be allowed ten (10) seconds to rise unassisted. Following a contestant’s fall, his/her opponent shall go to the farthest neutral corner and remain there during the count. The referee shall stop counting if the opponent fails to go to the neutral corner, then resume the count where it was left off when the opponent goes to the neutral corner. A contestant who is knocked out or falls out of the ring and on to the floor is allowed up to twenty (20) seconds to return to the ring.

(8) In case of a knockdown, the eight- (8-) count is mandatory.

The tape may cross the back of the hand twice but shall not extend within one inch (1”) of the knuckles when the hand is clenched to make a fist. Contestants shall use soft surgical bandage not over two inches (2”) wide, held in place by not more than two feet (2’) of surgeon’s adhesive tape for each hand. One (1) twenty- (20-) yard roll of bandage shall complete the wrappings for each hand. Bandages may be adjusted in the presence of an inspector and both contestants. Either contestant may waive the privilege of witnessing the bandaging of opponent’s hands.

(14) Gloves shall not be twisted or manipulated in any way by the contestants or their seconds. If a glove breaks or a string becomes untied during the bout, the referee will instruct the timekeeper to take time-out while the glove is being adjusted. All gloves shall be at least eight (8) ounces, with the thumb attached.

(15) Contestants must wear proper athletic attire and appropriate protective devices including mouthpiece and protective foul-proof cup. If the mouthpiece comes out during the fight, the referee may have the second replace the mouthpiece at the first lull in the action.

(17) Twenty (20) points may be the maximum number scored in any round. The round winner will receive ten (10) points and his/her opponent proportionately less. If the round is even, each contestant will receive ten (10) points.

(18) A boxer will be deemed down when any part of the body other than the feet is on the floor or when s/he is hanging helplessly over or on the ring ropes (but even then s/he is not officially down until so pronounced by the referee, who may count him/her out on the ropes, on the floor, or while rising from a down position).

(19) The following tactics or actions shall be fouls:
   (A) Hitting below the belt;
   (B) Hitting an opponent who is down or is getting up after being down;
   (C) Holding an opponent with one (1) hand and hitting with the other;
   (D) Holding or deliberately maintaining a clinch;
   (E) Wrestling or kicking;
   (F) Striking an opponent who is helpless as a result of blows but is supported by the ropes and does not fall;
   (G) Butting with the head or shoulder or using the knee;
   (H) Hitting with the open glove or with the butt of the hand, the wrist or the elbow, or backhand blows;
   (I) Purposely going down without being hit;
   (J) Deliberately striking the body over the kidneys;
   (K) Using the pivot blow or deliberately using the rabbit punch;

   (M) Using abusive language in the ring;
   (N) Using any unsportsmanlike trick or action;
   (O) Hitting on the break;
   (P) Hitting after the bell has sounded ending the round;
   (Q) Roughing at the ropes;
   (R) Pushing an opponent about the ring or into the ropes;
   (S) Spitting out the mouthpiece intentionally;
   (T) Biting; and
   (U) Any other actions that are deemed fouls by the referee that are not described above and approved by the inspector may be called by the referee.

(20) For the fouls listed in section (19), the referee may penalize a contestant by warning the contestant, taking a point(s), or disqualifying the contestant.

(21) Injuries sustained by fouls:
   (A) Intentional Fouls.
      1. If an intentional foul causes an injury, and the injury is severe enough to terminate a bout immediately, the boxer causing the injury shall lose by disqualification.
      2. If an intentional foul causes an injury and the bout is allowed to continue, the referee will notify the authorities and deduct two (2) points from the boxer who caused the foul. Point deductions for intentional fouls will be mandatory.
      3. If an intentional foul causes an injury and the injury results in the bout being stopped in a later round, the injured boxer will win by technical decision if s/he is ahead on the scorecards or the bout will result in a technical draw if the injured boxer is behind
or even on the scorecards.

4. If a boxer injures him/herself while attempting to intentionally foul his/her opponent, the referee will not take any action in his/her favor, and this injury will be the same as one produced by a fair blow.

5. If the referee feels that a boxer has conducted him/herself in an unsportsmanlike manner s/he may stop the bout and disqualify the boxer.

(B) Accidental Fouls.

1. If an accidental foul causes an injury severe enough for the referee to stop the bout immediately, the bout will result in a no contest if stopped before four (4) completed rounds.

2. If an accidental foul causes an injury severe enough for the referee to stop the bout immediately, after four (4) rounds have been completed, the bout will result in a technical decision, awarded to the boxer who is ahead on the scorecards at the time the bout is stopped. A partial or incomplete round will be scored. If no action has occurred, the round should be scored as an even round. This is at the discretion of the judges.

3. A fighter who is hit with an accidental low blow may continue after a reasonable amount of time but no more than five (5) minutes or s/he will lose the fight by technical knockout.

(22) In case of a cut, the referee may consult the physician to determine if the bout should be stopped or can continue. If the physician steps on the ring apron, the referee must have the injured contestant examined by the physician. Final authority rests with the referee. If the boxer who is cut by legal blows cannot continue, that boxer loses by technical knockout.

(23) The office may discipline the license of any contestant, matchmaker, judge, second, or any official who is guilty of unfair dealings, unsportsmanlike conduct, protesting the decisions of the officials in an unsportsmanlike manner, or violating any rules. Any boxing second who acts in an unsportsmanlike manner may immediately be removed from their contestant’s corner.

(24) Before a felled contestant resumes fighting after slipping, falling, or being knocked to the floor, the referee shall wipe the contestant’s gloves free of any foreign substance.

(20) CSR 2040-5.060 Rules for Professional and Amateur Kickboxing and Professional Full-Contact Karate

PURPOSE: This rule sets forth the official professional regulations of professional and amateur kickboxing and professional full-contact karate including kickboxing, or any form of martial arts.

(1) Gloves shall be leather and of the regular boxing type. No karate-type hand gear or any hand gear that does not fully cover the hand will be allowed. Glove weight shall be eight to sixteen (8–16) ounces.

(2) All male contestants are required to wear a groin protector. All female contestants may be required to wear plastic breast protectors and a protective pelvic girdle.

(3) All contestants are required to use a mouthpiece. If a contestant loses a mouth-piece during a round, the mouthpiece must be replaced when there is a lull in the action.

(4) Handwraps may not exceed the following restrictions: one (1) winding of surgeon’s adhesive tape, not over one and one-half inches (1 1/2") wide, placed directly on the hand to protect the hand near the wrist. The tape may cross the back of the hand twice but shall not extend within one inch (1") of the knuckles when the hand is clenched to make a fist. Contestants shall use soft surgical bandage not over two inches (2") wide, held in place by not more than two feet (2’) of surgeon’s adhesive tape for each hand. One (1) twenty- (20-) yard roll of bandage shall complete the wrappings for each hand. Bandages may be adjusted in the presence of an inspector and both contestants. Either contestant may waive the privilege of witnessing the bandaging of opponent’s hands.

(5) The weigh-ins for professional and amateur combined events will be conducted within forty-eight (48) hours before the contest. The weigh-ins may be more than forty-eight (48) hours prior to the contest with special permission from the office. A contestant who fails to make the weight will be given up to two (2) hours to make weight. Any contestant who fails to make the weight may be disqualified.

(6) For events that include amateur contestants only, all weigh-ins must be scheduled no earlier than 10:00 AM on the day of the event. There shall be no weight allowances for amateurs. Amateur contestants must compete within the weight classes listed in section (7) of this rule. No substitutes may be submitted after the weigh-in has begun unless approved by the office due to special circumstances.

(7) Professional contestants may only fight contestants in their own weight category unless permission is granted by the office. In no instance shall the office waive the weight category requirements, when the contestant’s weight span exceeds ten (10) pounds excluding the weight classifications in subsections (L) and (M) of this section. Following is the schedule of weight classification:

(A) Flyweights 108–111 lbs.
(B) Bantamweights 112–118 lbs.
(C) Featherweights 119–126 lbs.
(D) Jr. Lightweights 127–130 lbs.
(E) Lightweights 131–135 lbs.
(F) Jr. Welterweights 136–140 lbs.
(G) Welterweights 141–147 lbs.
(I) Middleweights 155–160 lbs.

(K) Light Heavyweights 169–175 lbs.
(L) Cruiserweights 176–200 lbs.
(M) Heavyweights over 200 lbs.

(8) The referee has general supervision of the bout. S/he enforces the rules, promotes safety of the contestants, and ensures fair play. Only the inspector may overrule the referee if the referee is not enforcing the rules. Before starting a bout the referee shall ascertain from each contestant the name of his/her chief second responsible for the conduct of the assistant seconds during the progress of the bout. The referee may call contestants together before each bout for final instructions, at which time each contestant may be accompanied by the chief second only.

(9) The three (3) judges shall be stationed at ringside, each at a separate side. The judges will score each round on a ten- (10-) point system and turn the scorecards over to the referee after each round. The referee will then hand the scorecards to the inspector. A final decision must be made before the judges may leave the area. Any erasures or changes on the card must be approved and initialed by
the judge and inspector.

(10) The attending physician will have an adequate room in which to make the physical examination. Whenever a contestant, because of illness or injuries, is unable to take part in a contracted bout, s/he or his/her second must immediately report the fact to the inspector. The contestant will then submit to an examination by a physician designated by the office. Contestants who have been knocked out will be kept lying down until they have recovered. When a contestant is knocked out, no one will touch him/her except the referee who will remove his/her mouthpiece, until the ringside physician enters the ring and personally attends to the contestant and issues necessary instructions to the contestant’s second(s).

(11) No professional bout may exceed twelve (12) rounds nor be less than three (3) rounds. Rounds shall be no more than three (3) minutes in length with a one (1) minute rest period in between rounds. Round lengths may be reduced to as low as one (1) minute in length with a one (1) minute rest period between rounds. The maximum number of rounds for an amateur kickboxing bout shall be five (5) rounds.

(12) Any contestant guilty of foul tactics in a round will be given an immediate warning or points may be deducted from the contestant’s total score, or both, as determined by the referee. The use of foul tactics also may result in the disqualification of the contestant. The following tactics are considered fouls:
   (A) Headbutts, knee strikes, elbow strikes, or clubbing blows with the hand;
   (B) Striking the groin, woman’s breast, the spine, throat, collarbone or any part of the body other than the feet touches the floor.
   The referee shall stop the bout for any of the following reasons:
   (A) The referee determines that one (1) of the contestants is clearly less experienced and/or skilled than his/her opponent to the extent that allowing the bout to continue would pose a substantial risk of serious harm or injury to the less-experienced/skilled contestant;
   (B) The referee decides that a contestant is not making his/her best effort; or
   (C) Any other reason the referee deems sufficient.

(14) A contestant who intentionally refuses to engage an opponent for a prolonged period of time may receive an immediate warning from the referee. If the contestant continues these tactics after a warning, a point will be deducted by the referee.

(15) The referee shall stop the bout for any of the following reasons:
   (A) The referee determines that one (1) of the contestants is clearly less experienced and/or skilled than his/her opponent to the extent that allowing the bout to continue would pose a substantial risk of serious harm or injury to the less-experienced/skilled contestant;
   (B) The referee decides that a contestant is not making his/her best effort; or
   (C) For any other reason the referee deems sufficient.

(16) In the event of serious cuts or injuries, the referee shall summon the physician who will be declared knocked down when, as a result of any legal blow or strike, any portion of the contestant’s body other than the feet touches the floor.

(17) If a contestant fails or refuses to resume fighting when the bell sounds starting the next round, the referee will award a technical knockout to his/her opponent as of the last completed round.

(18) Before a felled contestant resumes fighting after slipping, falling, or being knocked to the floor, the referee shall wipe the contestant’s gloves free of any foreign substance.

(19) When a contestant is knocked down, the referee shall order the opponent to retire to a neutral corner of the ring, point to the corner, and immediately begin the count over the downed contestant. The referee will pick up the count from the timekeeper and audibly announce the passing seconds, accompanying the count with arm motions. Any time a contestant is knocked down, the referee will automatically begin a mandatory eight (8) count and then, if the contestant appears able to continue, will allow the bout to resume. If a contestant who is down, rises before the count of ten (10) is reached and goes down immediately without being struck, the referee shall resume the count where it was left off. If the contestant is still down when the referee calls the count of ten (10), the referee will wave both arms to indicate that the contestant has been knocked out and will signal that the opponent is the winner. If a round ends before the referee reaches ten (10), the contestant must still rise before the count of ten (10) to avert a knockout. A contestant will be declared knocked down when, as a result of any legal blow or strike, any portion of the contestant’s body other than the feet touches the floor.

(20) The referee, at his/her discretion, may request that the attending physician examine a contestant during the bout. Should the examination occur during the course of a round, the clock shall be stopped until the examination is completed. The physician may order the referee to stop the bout. The referee will then render the appropriate decision.

(21) Injuries sustained by fouls include:
   (A) Intentional Fouls.
   1. If an intentional foul causes an injury, and the injury is severe enough to terminate a bout immediately, the contestant causing the injury may lose by disqualification.
   2. If an intentional foul causes an injury and the bout is allowed to continue, the referee will notify the authorities and deduct two (2) points from the contestant who caused the foul. Point deductions for intentional fouls will be mandatory.
   3. If an intentional foul causes an injury and the injury results in the bout being stopped in a later round, the injured contestant will win by technical decision if s/he is
20 CSR 2040-5.070 Fouls

PURPOSE: This rule defines prohibited conduct for mixed martial arts bouts/contests and establishes related penalties and/or sanctions.

(1) Fouls. The following actions in a mixed martial arts bout or contest are defined as fouls:

(A) Holding or grabbing the fence—a fighter may put their hands on the fence and push off of it at anytime. A fighter may place their feet onto the cage and have their toes go through the fencing material at any time. When a fighter’s fingers or toes go through the cage and grab hold of the fence and start to control either their body position or their opponent’s body position it is an illegal action. A fighter may not grab the ropes or wrap their arms over the ring ropes at any time. If a fighter is caught holding the fence, cage, or ring rope material the referee may issue a one- (1-) point deduction from the offending fighters scorecard if the foul caused a substantial change in position such as the avoidance of a takedown. If a point deduction for holding the fence occurs, and because of the infraction, the fouling fighter ends up in a superior position due to the foul, the fighters should be re-started by the referee, standing in a neutral position;

(B) Holding opponent’s shorts or gloves—a fighter may not control their opponent’s movement by holding onto their opponent’s shorts or gloves. A fighter may hold onto or grab their opponent’s hand as long as they are not controlling the hand only by using the material of the glove. It is legal to hold onto your own gloves or shorts;

(C) Butting with the head—any use of the head as a striking instrument whether head to head, head to body, or otherwise is illegal;

(D) Eye gouging of any kind—eye gouging by means of fingers, chin, or elbow is illegal. Legal strikes or punches that contact the fighter’s eye socket are not eye gouging and are legal attacks;

(E) Biting or spitting at an opponent—biting in any form is illegal. A fighter should recognize that a referee may not be able to physically observe some actions, and make the referee aware if they are being bitten during an exhibition of unarmed combat;
