No such change or modification will be made without the consent of the person submitting the application. If telephone contact is impossible, the application form and the tendered seller registration fee will be returned to the applicant with instructions for completing the form properly.

(4) The board office will accept seller registration applications even though certain information is not provided, if the application is accompanied by a statement that the information will be provided as soon as it is known to the applicant. If the information is not provided in a timely fashion, the registration will be cancelled.

(5) Each person seeking registration as a preneed seller will be required to submit a partial annual report at the time of registration, containing—1) the name and address of the financial institution in Missouri in which it will maintain the trust accounts required under Chapter 436, RSMo and the account numbers of those trust accounts, 2) a consent authorizing the state board to order an examination and, if necessary, an audit by the staff of the Division of Professional Registration who are not connected with the state board, of the trust account designated by depository and account number and 3) a consent authorizing the state board to order an examination and, if necessary, an audit by the staff of the Division of Professional Registration who are not connected with the state board, of its books and records relating to the sale of preneed contracts and name and address of the person designated by the seller as custodian of those books and records.

PURPOSE: Under Chapter 436, RSMo, the State Board of Embalmers and Funeral Directors is directed to register persons as preneed providers. (2) Applications for registration as preneed providers must be made on the forms provided by the board and must be accompanied by the applicable preneed provider registration fee.

(3) The board office will contact persons who have submitted applications for registration as preneed providers whenever it appears that a slight change or modification on the form is necessary to accomplish registration.
