Chapter 3—Preneed

20 CSR 2120-3.010 Preneed Sellers

PURPOSE: This rule outlines the provisions for the practice of preneed seller.

(1) Applications for a preneed seller license are to be made on the forms provided by the board and be accompanied by the applicable fees. At a minimum an applicant shall submit with the application—

(A) Evidence of being an individual resident of Missouri who is eighteen (18) years of age or older, or if a business entity, current registration of the entity name that reflects it is in good standing and, if applicable, current registration of fictitious name(s), both from the Missouri Secretary of State;

(B) Evidence if the applicant is a corporation, each officer, director, manager, or controlling shareholder, is eligible for licensure if they were applying for licensure as an individual;

(C) The name and address of a custodian of records responsible for maintaining the books and records of the seller relating to preneed contracts;

(D) The name and address of a trustee or, if applicable, the financial institution where any preneed trust or joint accounts will be maintained;

(E) The name and address of each insurance company that may be utilized for insurance funded preneed contracts;

(F) Have established, as grantor, a preneed trust, or an agreement to utilize a preneed trust with terms consistent with sections 436.400 to 436.510, RSMo. A trust shall not be required if the applicant certifies to the board that the seller will only sell insurance-funded or joint account-funded preneed contracts;

(G) The name, address, and license number of an individual designated to serve as manager in charge of the seller’s business;

(H) The name(s), address(es), and license number(s) of each preneed agent who is authorized to sell, negotiate, or solicit preneed contracts on behalf of the seller;

(I) The name(s) and address(es) of each preneed provider with whom the licensee will have a contractual agreement to be designated as a preneed provider;

(J) A written consent authorizing the state board to inspect or order an investigation, examination, or audit of the seller’s books and records which contain information concerning preneed contracts sold by or on behalf of the seller;

(K) A certificate of no tax due from the Missouri Department of Revenue, if applicable; and

(L) A Missouri Highway Patrol fee for each person that is an officer or who has at least a ten percent (10%) interest in the business.

(2) An applicant that does not meet the requirements of the board for licensure within ninety (90) days from the date the application is filed with the board and still desires to seek licensure shall file a new application and pay applicable fees.

(3) If the manager in charge changes, the seller shall provide written notice to the board within thirty (30) days of the change.

(4) The seller license issued by the board is effective for a specific name of a person or entity authorized to conduct business in Missouri and may include “doing business as” name(s). Whenever the ownership or name of the Missouri licensed seller changes, a new license shall be obtained.

(A) If a change of ownership is caused by a change in the majority of owners, for whatever reason (death, sale of interest, divorce, etc.) without the addition of any new owner(s), it is not necessary to obtain a new seller license. However, a new application for a seller license form shall be filed as an amended application within thirty (30) days prior to the change of ownership.

(B) If a corporation owns a Missouri licensed seller, it is not necessary to obtain a new seller license or to file an amended application for a seller license if the owners of the stock change.

(C) However, as a separate person, if a corporation begins ownership of a Missouri licensed seller or ceases ownership of a Missouri licensed seller, a new seller license shall be obtained regardless of the relationship of the previous or subsequent owner to the corporation.

(5) Except as otherwise provided in sections 436.400 to 436.510, RSMo, and any rules validly promulgated pursuant to those sections—

(A) The seller shall be obligated to collect and properly deposit and disburse all payments made by, or on behalf of, a purchaser of a preneed contract; and

(B) A purchaser may make payments on any preneed contract by making the payment directly to the trustee, the insurance company, or the financial institution where the joint account is held, as applicable, in lieu of paying the seller.

20 CSR 2120-3.020 Preneed Providers

PURPOSE: This rule outlines the provisions for the practice of preneed provider.

(1) Applications for licensure as preneed providers are to be made on the forms provided by the board and be accompanied by the applicable fees. At a minimum an applicant shall submit with the application—

(A) Evidence, if a business entity, current registration of the entity name that reflects it is in good standing and, if applicable, current registration of fictitious name(s), both from the Missouri Secretary of State;

(B) Evidence if applicant is a corporation, each officer, director, manager, or controlling shareholder is eligible for licensure if they were applying for licensure as an individual;

(C) The name and address of a custodian of records responsible for maintaining the books and records of the provider relating to preneed contracts sold for or on behalf of a seller or in which the applicant is named as a provider;

(D) The name(s) and address(es) of each seller authorized by the provider to sell preneed contracts in which the provider is designated or obligated as the provider;

(E) A written consent authorizing the state board to inspect or order an investigation, examination, or audit of the provider’s books and records which contain information concerning preneed contracts sold for or on behalf of a seller or in which the applicant is named as a provider;

(F) A certificate of no tax due from the Missouri Department of Revenue, if applicable; and

(G) A Missouri Highway Patrol fee for each person that is an officer or who has at least a ten percent (10%) interest in the business.

(2) An applicant that does not meet the requirements of the board for licensure within ninety (90) days from the date the application is filed with the board and still desires to
seek licensure shall file a new application and pay applicable fees.

(3) The provider license issued by the board is effective for a specific name of a person or entity authorized to conduct business in Missouri and may include “doing business as” name(s). Whenever the ownership or name of the Missouri licensed provider changed, a new license shall be obtained.

(A) If a change of ownership is caused by a change in the majority of owners, for whatever reason (death, sale of interest, divorce, etc.) without the addition of any new owner(s), it is not necessary to obtain a new provider license. However, a new application for a provider license form shall be filed as an amended application within thirty (30) days prior to change of ownership.

(B) If a corporation owns a Missouri licensed provider, it is not necessary to obtain a new provider license or to file an amended application for a provider license if the owners of the stock change.

(C) However, as a separate person, if a corporation begins ownership of a Missouri licensed provider or ceases ownership of a Missouri licensed provider, a new provider license shall be obtained regardless of the relationship of the previous or subsequent owner to the corporation.

(4) As defined by section 333.011(10), RSMo, the provider of services under any preneed contract pursuant to sections 436.400 to 436.525, RSMo, shall include any licensed funeral establishment that has agreed to undertake the obligations of a preneed contract pursuant to sections 436.400 to 436.525, RSMo.

(5) Any provider who is a licensed funeral establishment who has agreed to undertake the obligations of a preneed contract pursuant to sections 436.400 to 436.525, RSMo, must meet all requirements of both a licensed funeral establishment and a preneed provider pursuant to Chapter 333, RSMo, and sections 436.400 to 436.525, RSMo.

(6) After initial application, if there is a change in seller affiliation, the provider shall provide written notice to the board, pursuant to section 436.420.3, RSMo, that the provider has authorized a new seller to designate the provider on the seller’s preneed contracts. This notice shall be provided to the board within fifteen (15) days after the provider authorizes the seller to act, and the notice shall contain, at least:

(A) Name and address of the provider;

(B) License number of the provider;

(C) Name, address, and license number of the seller; and

(D) Effective date of the authorization or agreement.

**20 CSR 2120-3.030 Notification of Intent to Sell Assets or Cease Doing Business (Seller or Provider)**

**PURPOSE: This rule outlines the procedures for preneed sellers and preneed providers to notify the board when selling or disposing of all or a majority of its business assets or its stock, or ceasing to do business.**

(1) Notification of intent to sell assets or cease doing business must be made on the forms provided by the board.

(2) As part of the notification, each licensed seller must inform the board of the actions it has taken or will take to ensure that the assets of the seller will be set aside and used to serve outstanding preneed contracts sold by the seller and each licensed provider must inform the board of the actions it has taken or will take to ensure that the provider’s obligations under preneed contracts will be satisfied.

(3) If a seller ceases business, the seller shall assign all active preneed contracts to another licensed seller and transfer the funds held either in trust or in joint accounts to that licensed seller. In that assignment, the receiving seller shall agree to assume all obligations under the preneed contracts or in lieu of such complete assumption, the assignment shall set forth the obligations that the new seller is assuming.

**20 CSR 2120-3.105 Filing of Annual Reports and License Renewal**

**PURPOSE: This rule prescribes the board’s process for the filing of annual reports and license renewal under Chapter 333 and sections 436.400 to 436.525, RSMo.**

   1. The number of preneed contracts sold in the reporting year (including those written that were cancelled, fulfilled, transferred, or serviced in the same reporting year);

   3. If a consumer has one (1) preneed contract with multiple funding sources the contract should be identified on the annual report and one (1) per contract fee is to be submitted;

(D) For the seller annual report, if the seller is unable to validate the status and face value of the insurance policy and unable to obtain the certification from the insurance company, the following information will meet the requirements of section 436.460.4, RSMo, for the reporting requirements for insurance funded preneed contracts:

   1. The name and address of the company issuing the policy or annuity funding the preneed;
