20 CSR 2235-7.010 Continuing Education

PURPOSE: This rule implements the continuing education mandates.

1. Every psychologist licensed in Missouri shall complete for each two- (2-) year reporting cycle at least forty (40) hours of accredited “continuing education credits” (herein CE credits) relevant to the practice of psychology. The continuing education reporting cycle is the twenty-four- (24-) month period beginning on December 1 of odd numbered years and ending on November 30 of odd numbered years. Continuing education credits earned after November 30 for the immediately preceding reporting cycle shall not be applied to the next two- (2-) year reporting cycle.

2. At least fifteen (15) of the forty (40) CE credits must be completed within Category A (i.e., formal programs which meet the requirements of 20 CSR 2235-7.030(1)(A)); and the remaining twenty-five (25) CE credits must be completed in either Category A or in Category B (i.e., informal programs or hours which meet the requirements of 20 CSR 2235-7.030(1)(B)).

   A. Three (3) of the forty (40) CE credits are to be in ethics (ethics credits). The three (3) ethics credits can be in either Category A or in Category B.

   B. A psychologist who becomes licensed during the middle of a reporting cycle shall be entitled to receive a “pro-rata” reduction in the number of required credits at the rate of five (5) hours for every three (3) full months between the date of licensing and what would be the normal date of commencement for the reporting cycle.

   C. If in any two- (2-) year cycle, the number of continuing education credits earned from Category A in 20 CSR 2235-7.030 exceeds forty (40) credits, the excess credits over forty (40) may be carried over to the next two- (2-) year cycle, up to a maximum of fifteen (15) hours.

20 CSR 2235-7.020 Continuing Education Reports

PURPOSE: This rule establishes the criteria for maintaining record of continuing education claimed.

1. Every psychologist shall maintain for a period of four (4) years from the completion of each reporting cycle full and complete records of all accredited continuing education (CE) programs attended or accredited continuing education credit hours earned during the immediately preceding two (2)-year reporting cycle.

2. Such records shall be made available, upon reasonable request during regular business hours, to the committee or to such authorized representative as the committee may hereafter appoint from time-to-time for inspection, photocopying, or audit.

3. For all Category A programs, such records shall, at a minimum, contain a listing of all programs attended by course name and for all accredited programs information showing either that the program sponsor is an accredited CE sponsor or that such individual program had been properly accredited, the number of CE hours awarded or earned for each such program or activity, and a copy of the program agenda, outline, or other course description.

4. For the license renewal period commencing February 1, 2001 and every renewal period each two (2) years thereafter every psychologist shall attest on the license renewal application form, compliance with 20 CSR 2235-7.010. The committee may audit as deemed necessary.

20 CSR 2235-7.030 Categories of Continuing Education Programs and Credits

PURPOSE: This rule implements the continuing education mandates.

(1) The committee recognizes the following categories of continuing education programs, seminars or activities and established credit hours.

(A) Category A formal activities, a minimum of fifteen (15) credits per reporting cycle. Category A activities are defined as—

1. Formal continuing education programs that may consist of programs, seminars, or activities accredited by any accredited or identified sponsor listed in 20 CSR 2235-7.005(1). The number of continuing education credits assigned by an association as defined in these rules will be accepted.

2. Regularly scheduled postgraduate courses offered by a “recognized educational institution” as defined in 20 CSR 2235-7.005(7), which are relevant to the practice of psychology. One (1) credit hour or the equivalent of academic credit constitutes fifteen (15) continuing education credits.

3. Writing or speaking, including a paper or other presentation at a formal professional meeting, a paper published in a professional journal, or a book or an original chapter in an edited book in the area of psychology or a related field. Credit will be granted for the year of publication or presentation in the case of a paper. Continuing education credits will be granted at the rate of two (2) per presentation, eight (8) for each published journal article or chapter in a published book, ten (10) for editing a published book, and fifteen (15) for the authorship of a published book.

4. Preparation and teaching a graduate level course at a recognized educational institution where the contents of which are primarily psychological. Continuing education credits will be granted at the rate of five (5) hours per class with a maximum of ten (10) per reporting cycle. No single course shall be reported more than one (1) time per reporting cycle.

(B) Category B other programs, seminars, or activities, a maximum of twenty-five (25) credits per reporting cycle of Category B activities may count towards the two (2)-year, forty (40) continuing education credit hour requirement in 20 CSR 2235-7.010. Category B programs, seminars, or activities are defined as—

1. The categories of continuing education experiences and the number of hours of continuing education for each category are as follows:

   A. Meetings. Registered attendance at relevant professional meetings (international, national, regional, state, local). Three (3) hours per day;

   B. Workshops, seminars and courses. Registered attendance at relevant nonaccredited workshops, seminars, colloquium, grand rounds or academic courses. Number of actual attendance hours;

   C. Preparation and teaching of an undergraduate level course at a recognized educational institution where the contents of which are primarily psychological, three (3) hours per class, nine (9) maximum per reporting cycle. No single course shall be reported more than one (1) time per reporting cycle; and

   D. Individual study. Self-study of professional material including relevant books, journals, periodicals, other forms of media, and other materials and preparation of relevant lectures and talks to public groups. Preparation credit may not be claimed under this category for presentations credited under paragraph 1. of this subsection. The committee will accept a maximum of ten (10) hours continuing education credits in individual study.

(2) Experience Not Acceptable for Continuing Education. The committee will not consider personal psychotherapy, workshops for personal growth, services to professional associations, providing supervision or case conference as meeting the requirements for continuing education.

20 CSR 2235-7.040 Verification of Continuing Education Credits and Programs

PURPOSE: This rule implements the continuing education mandates.

(1) At the end of each two (2)-year reporting cycle, each licensee shall attest on the license renewal application provided by the committee the continuing education requirements by the first of February immediately following the completion of the recording cycle.

(2) The licensee need not submit the specific verification of each continuing education experience claimed, but the individual licensee shall maintain records of continuing education credits as would substantiate meeting these regulations for five (5) years following the submission of the reporting form.

(3) The committee may require the licensee to submit documents for proof of compliance. Upon receipt of the notification requesting said documents the licensee shall forward documents to the committee's office within thirty (30) days.

(4) Failure to provide the committee with proof of compliance with the continuing education credit requirement when requested will be considered a violation of the practice act and shall be cause for discipline pursuant to section 337.035, RSMo.

20 CSR 2235-7.050 Variances

PURPOSE: This rule implements the continuing education mandates.

Variances will be granted on a case-by-case basis upon written petition to the committee. The committee will review requests at the next regularly scheduled quarterly meeting following receipt of the request for a variance.
