(A) It is unlawful for a title insurer, title agency or title agent to accept an order for title services from any producer with an affil-

iated business arrangement, unless contemporaneous with the referral, the title insurer, title agency or title agent discloses the affiliated business arrangement or has taken reasonable steps to verify that the producer has disclosed the arrangement. Title agencies shall update and resubmit this Form T-5A within thirty (30) days of any material change to the information submitted regarding the agency’s financial interests, parties with financial interests in the agency, or parties with financial interests in the insurer, agency, or agent who are producers or associates of producers.

2. Information related to material transactions collected pursuant to Form T-5A will be treated by the department as a trade secret as defined by section 417.453(4), RSMo, inasmuch as such information possesses economic value by virtue of its confidential status; the same or like information is unavailable through other sources; and insurers have made reasonable efforts to maintain the confidentiality of the data. As such, all information submitted pursuant to Form T-5A, shall be considered confidential communications and immune from requests made under Chapter 610, RSMo, nor shall such information otherwise be made available to the public or unauthorized individuals except in response to a valid court order.

20 CSR 500-7.080 Insurer's Annual On-site Review

PURPOSE: This regulation prescribes requirements for the minimum threshold level of review, standards of review, and the approved review report to the director for the insurer's annual on-site review of title agencies or title agents. This report to the director is a review report and is not intended to limit the actions of insurers in performing more detailed reviews.

(1) Annual On-site Review Required Under Certain Circumstances.

(A) Insurers must conduct in each calendar year, after the initial contract year, an on-site review of agent/agency practices for each agent or agency that is currently appointed as a policy issuing agent. A report of such review shall be made to the director pursuant to subsection (2)(A) of this rule.

(B) The on-site review required under this rule constitutes minimum insurer review levels.

(2) Standards of Annual On-site Review. Insurer shall conduct an annual on-site review of underwriting, claims, and escrow practices of agencies where commitments and/or policies of the insurer have been issued that is reasonably designed to detect violations of Chapter 381, RSMo, compliance with the Issuing Agency Agreement and compliance with the underwriting standards and guidelines as established by the insurer. The insurer annual on-site review shall provide, at a minimum, for the following:

(A) Underwriting Practices and Claims. The title insurer shall review the agency's adherence to its established underwriting standards. The title insurer shall review the agency's procedures for notification of claims according to the terms of the Issuing Agency Contract between the title agency or agent and the insurer and the terms contained in the insurer's policies of title insurance;

(B) Insurer Remittances. Each on-site review shall verify that the funds held on behalf of the insurer are reasonably ascertainable from the books of account and records of the title agency or agent and are sufficient to satisfy the obligations of the title agency or agent to the insurer. Each on-site review shall verify that remittances are being paid to the insurer by the policy issuing agent in a timely manner in accordance with section 381.038.3, RSMo;

(C) Insurer-Agency Contract. Each on-site review shall include a review of the title insurer and title insurance agency/title insurance agent contracts to ensure a) the contract sets forth the responsibilities of each party and, when both parties share the responsibility for a particular function, specifies the division of responsibilities, and b) the contract is up-to-date and properly executed;

(D) Annual Statement. The title insurer shall obtain from the title insurance agent, or from the title insurance agency if the title insurance agent is employed by a title insurance agency, a statement of financial condition of the title insurance agent or title insurance agency as required pursuant to section 381.023.2(2), RSMo, which includes an income statement and balance sheet or federal tax return showing the condition of the title insurance agent/agency affairs as of December 31 of the preceding year, or fiscal year. This statement of financial condition shall be certified by the title insurance agent or the title insurance agency's designated agent as being a true and correct representation of the financial condition. The title insurer shall document its receipt of the title insurance agent's or title insurance agency's statement of financial condition in the title insurer's on-site review report and shall maintain the documentation provided by the agent/agency in support of such statement for a period of at least four (4) years;

(E) Affiliated Business. The title insurer shall review the title insurance agent's affiliated business arrangements for conflicts of interest and regulatory compliance;

(F) Orders. Each on-site review shall reconcile the title agency or agent's orders with commitments, title searches, and title policies of the insurer, and collection of premiums on behalf of the insurer;

(G) Commitments. Each on-site review shall include a review of:

1. The title insurance agent's procedure for tracking issued commitments of the insurer;

2. The title insurance agent's practices relating to cancellation of commitments of the insurer on transactions that do not close; and

3. The title insurance agent's procedures for follow-up after closing to track status of outstanding conditions required for timely issuance of policies of the insurer;

(H) Voiding Policies. Each on-site review shall include a review of the title insurance agent's procedure for voiding policies of the insurer according to the terms of the Issuing Agency Contract and other guidelines as may be established from time-to-time by the insurer;

(I) Escrow, Security, and Settlement File Tracking. Each on-site review shall include a review of the title insurance agent's tracking of its open escrow files, security settlement, or closing files where commitments or policies of the insurer have been issued;

(J) Policy Register. Each on-site review shall include a reconciliation of policy jackets provided to the title insurance agent by the insurer, compared to existing outstanding inventory and policies of the insurer issued by the title insurance agent;

(K) Policy Issuance. Each on-site review shall include a review of the title insurance agent's files, where commitments or policies of the insurer have been issued, to determine the average length of time between the issuance of the title policy and either all of the requirements to insure have been met or special circumstances for policy delay as contained in 20 CSR 500-7.090 have been met; and

(L) Escrow Practices and Account Reconciliation. For those agents performing escrow, security settlement, or closing services pursuant to section 381.022, RSMo, the title insurer shall review the title insurance agent's closing procedures and shall include a sample of escrow closing files where commitments or policies of the title insurer have been issued, and based upon the findings of a review of the monthly reconciliations of all of the fiduciary trust accounts, as certified by the title agent or agency to the insurer, prepared by the title agent or agency. The review shall include a determination of compliance with the following: a) use of escrow agreements; b) adherence to the "good funds" requirements; c) deposit practices; d) disbursement of funds in compliance with written instructions; and e) recording of all deeds, releases, and other documents required of the title insurance agent.

(3) Insurer's On-site Review Report (Form T-6A and T-6B).

(A) Insurers conducting an annual on-site review are required under section 381.023.4, RSMo, to report the findings to the director. This report shall be made utilizing the Insurer's On-site Review Report form (Form

T-6A) and Title Insurer's On-site Review Sampling Methods (Form T-6B), or any form that substantially comports with the specified form.

(B) Review Reports T-6A and T-6B shall be submitted to the director within one hundred twenty (120) days of the completion of the review, except that findings relating to Section 14, Escrow Practices and Account Reconciliation, of Form T-6A, that do not comply with the escrow standards of the insurer, shall be submitted to the director within ten (10) days of verification of such findings.

(C) The title insurer shall complete Form T-6B for each title insurance agent on-site review report. Form T-6B shall be deemed by the department to be a trade secret as defined by section 417.453(4), RSMo, inasmuch as such data possess economic value by virtue of its confidential status, the same or like information is unavailable through other sources, and insurers have made reasonable efforts to maintain the confidentiality of the data. As such, Form T-6B shall be considered confidential communications and immune from requests made under Chapter 610, RSMo, nor shall such data otherwise be made available to the public or unauthorized individuals except in the manner and form prescribed by this rule.

20 CSR 500-7.090 Special Circumstances for Policy Delay

PURPOSE: This regulation prescribes the special circumstances which may delay compliance with the requirement that title policies be issued within forty-five (45) days after compliance with the requirements of the commitment.

(1) "Meeting the requirements," means the receipt of documents or completion of tasks set out in the requirements section of the commitment or Schedule B-1; or, if the commitment does not have requirements, then receipt of documents and/or completion of tasks required by the closing instructions to create the estate to be insured.

(2) A title policy must be issued within forty-five (45) days after meeting the requirements of the commitment, except in the following circumstances:

(A) The title insurer, title agency or title agent has filed, in the office of the recorder of deeds, the deed and/or security instruments, but the deed and/or security instruments have not yet been recorded; or

(B) Commitment, policy, recording costs, and other fees have not been paid to the title agent or agency; or

(C) Commitment, policy, recording costs, and other fees have not been paid to the insurer if the policy is to be issued directly by the insurer.

(3) A title insurer, title agency or title agent has the burden of proving any exception under this rule.

AUTHORITY: section 374.045, RSMo 2000 and sections 381.038 and 381.042, RSMo Supp. 2007. Emergency rule filed Jan. 16, 2008, effective Jan. 28, 2008, expired July 14, 2008. Original rule filed Jan. 16, 2008, effective Sept. 30, 2008.*

20 CSR 500-7.100 Rate Schedules

PURPOSE: This regulation prescribes procedures to be followed by title insurers when filing rate schedules with the director.

(1) Definitions. As used in this regulation, the following terms shall mean:

(A) Charge means any fee charged to the insured, or paid for the benefit of the insured, for the performance of title-related services other than the risk rate charged for title insurance. This charge shall include, but not be limited to, fees for abstracts, title search and examination and handling of escrows, settlements, or closings; and

(B) Risk rate means the total consideration paid by or on behalf of the insured for a title insurance policy. Risk rate shall include the title insurance agent's commission but shall not include any charge as defined in subsection (1)(A).

(2) Filing of Rates.

(A) Title Insurance Rates. Every title insurer licensed in Missouri shall file with the director as required by section 381.181, RSMo 1994, a completed title insurance rate reporting form for the risk rates it proposes to use in each county of this state and each city

not within a county in this state. Rate schedules filed under this rule must comply with section 381.171, RSMo 1994. The effective date for these rates shall be no earlier than the thirtieth day following the receipt of the form by the director.

(B) Filing Form. The Uniform Premium (Risk Rate) Report form (Form T-7) sets forth a risk rate reporting format to be utilized by title insurers in this state for the respective types of title insurance contracts. When computing insurance premiums on a fractional thousand of insurance (except as to minimum premiums), multiply those fractional thousands by the rate per thousand applicable, considering any fraction of one hundred dollars (\$100) as a full one hundred dollars (\$100). The form can be accessed at the department's website at www.insurance.mo.gov or at the department offices.

(C) Closing Protection Rates. Every title insurer shall file with the director rates for closing protection letters applicable to residential real estate transactions. Rates for closing protection letters in residential real estate transactions shall meet the following standards:

1. Rates shall not be excessive or inadequate;

2. Rates are excessive if, in the aggregate, they are likely to produce a long run profit that is unreasonably high in relation to the risk of the business or if expenses are unreasonably high in relation to the services rendered;

3. Rates are inadequate if they are clearly insufficient, together with investment income attributable to them, to sustain projected losses and expenses or if continued use of such rates will have the effect of substantially lessening competition or the effect of tending to create a monopoly;

4. Rate filing standards apply separately to closing protection letters issued under section 381.058.3(2)-(3), RSMo;

5. The rate filing shall document the anticipated losses, expenses, and profits underlying the rates and provide appropriate actuarial support for the data, methods, and assumptions;

6. Expected losses for rates do not include losses that result in a title insurance claim; and

7. Rates shall reflect expected fiduciary practices under current law and losses incurred in another state or under prior fiduciary practices may only be used if adjusted to reflect prospective Missouri fiduciary practices.

AUTHORITY: section 374.045, RSMo 2000 and sections 381.042 and 381.058, RSMo

20 CSR 500-7.200 Standards for Policy Issuance

PURPOSE: This rule implements section 381.071, RSMo 2000 relating to the duties of a title insurance company before writing a title insurance policy.

(1) Examination of Title. Before a title insurance policy is written, the title insurer or its licensed agent shall cause a search of the title which is to be insured. The search of the title shall be based upon evidence prepared from a current set of records maintained in order to show all matters affecting the title to the property or interest which is to be insured for a continuous period of not less than the immediate past forty-five (45) years, except for the time table allowed by section 381.071.1(1), RSMo (Cum. Supp. 1989) for a gradual compliance. The set of records used in the search of the title shall be indexed geographically and shall encompass all properties in the county for which the set of records is maintained.

(2) Exceptions.

(A) An attorney licensed to practice law in this state is not required to base an examination of title upon a set of records geographically indexed if s/he personally inspected the best title evidence available.

(B) If a set of records geographically indexed is not in existence in the county where the property subject to examination of title is located, the title insurance policy shall

be based upon the best title evidence available.

(C) If evidence for an examination of title cannot be obtained from a set of records geographically indexed at a reasonable charge or within a reasonable period of time, the title insurance policy shall be based upon the best title evidence available.

(D) The best title evidence available is that evidence which a reasonable and prudent person would depend upon in the conduct of his/her own affairs as determined by the circumstances in existence in the county where the subject property is located.

(3) Documentation.

(A) The individual who performed the examination of title on behalf of the title insurer shall verify in a written statement where s/he obtained the evidence used in the examination of title. If the title examiner followed any of the exceptions as stated in section (2) of this regulation, s/he shall state in the written statement, in clear and specific terms, the reasons for following any exception.

(B) The written statement required by subsection (3)(A) of this regulation shall be placed in and made a part of the title insurance company's files or that of its agent or agency for a period of not less than fifteen (15) years after the title insurance policy has been issued.

(C) The director shall maintain a Missouri title plant registry. Any entities which can be defined as a title plant pursuant to section 381.031(22), RSMo Cum. Supp. 1989, shall annually file with the director a registration statement in a Title Plant Registration form (Form T-12), or any form that substantially comports with the specified form.
