PURPOSE: This rule establishes guidelines for price verification examination procedures.

PUBLISHER’S NOTE: The secretary of state has determined that the publication of the entire text of the material which is incorporated by reference as a portion of this rule would be unduly cumbersome or expensive. This material as incorporated by reference in this rule shall be maintained by the agency at its headquarters and shall be made available to the public for inspection and copying at no more than the actual cost of reproduction. This note applies only to the reference material. The entire text of the rule is printed here.

SUMMARY: The section of NIST Handbook 130 pertaining to examination procedure for price verifications was developed by National Conference on Weights and Measures (NCWM) in response to public concern about price accuracy in retail stores. The procedure applies to all retail stores, including food, hardware, general merchandise, drug, automotive supply, convenience, and club or other stores. It was adopted by the National Conference on Weights and Measures at the 80th annual meeting in 1995.

(1) The Division of Weights, Measures and Consumer Protection shall follow the examination procedure for price verification incorporated by reference in the section of NIST Handbook 130, 2020 edition, entitled “Examination Procedure for Price Verification.” NIST Handbook 130, 2020 Edition, is published by the Superintendent of Documents, U.S. Government Publishing Office. A copy of this material can be obtained free of charge online at NIST.gov or a hard copy may be purchased from the National Conference on Weights and Measures at NCWM.net. This regulation does not include any later amendments or additions to NIST Handbook 130.
