Chapter 200—Board for Certification of Interpreters

5 CSR 100-200.010 General Organization

PURPOSE: This rule describes the composition, primary duty, record keeping, and meeting procedures of the Board for Certification of Interpreters.

(1) The Missouri Commission for the Deaf and Hard of Hearing (MCDHH) is established and governed by sections 161.400 through 161.410, RS Mo, and these rules.

(2) The Board for Certification of Interpreters (BCI) is established and governed under the MCDHH by the relevant provisions of sections 209.285 through 209.339, RS Mo, and these rules.

(3) The public may obtain information from, as well as make submissions to, the BCI by submitting their requests or materials in writing to the executive director of the MCDHH. All requests for information or materials shall be in writing to the MCDHH. MCDHH shall maintain a record of all inquiries and requests received from the public. The MICS has two basic components: a written test of English proficiency and a performance test. A person is required to obtain a passing score on the written test taken before being allowed to take the performance test.

(4) All meetings of the BCI not closed pursuant to the provisions of section 610.021, RS Mo, shall be open to any person in the general public.

(5) Individuals wishing to make a presentation at a BCI meeting must submit their requests in writing to the executive director of the MCDHH a minimum of three working days prior to the meeting.

5 CSR 100-200.030 Missouri Interpreters Certification System

(Rescinded September 30, 2014)

PURPOSE: This rule describes the Missouri Interpreters Certification System (MICS) coordinator at the MCDHH office.

(A) All public records of the BCI shall be open for inspection and copying by persons in the general public during normal business hours as required by Chapter 610, RS Mo. However, records closed pursuant to section 610.021, RS Mo, compiled in connection with the investigation of a complaint against the certification process, or compiled for the purpose of processing applications for certification are confidential and therefore not subject to inspection by the public.

(B) A fee may be charged by the BCI for making copies of its records. See 5 CSR 100-200.150 Fees.

(C) It shall be improper for any BCI member, MCDHH member, or MCDHH staff member to discuss with any person, except members of the BCI, MCDHH, staff of the MCDHH, State Committee of Interpreters, staff of the State Committee of Interpreters, or counsel for any of these agencies, any matter which is confidential, including complaints against the certification process, that is pending before the BCI, MCDHH, State Committee of Interpreters, or the Administrative Hearing Commission.

(D) All meetings of the BCI not closed pursuant to the provisions of section 610.021, established in 5 CSR 100-200.150, in addition to collecting and forwarding the fee charged by the other certifying entity.

(E) The MICS has two basic components: a written test of English proficiency and a performance test. A person is required to obtain a passing score on the written test taken before being allowed to take the performance test.

(F) The performance test is the measurement tool used to analyze the performance skills and determine the applicant’s ability to facilitate communication between deaf or hard of hearing people and persons who are hearing. The MICS performance evaluation standards shall be based upon the testing materials used by Texas Board for Evaluation of Interpreters (BEI).

(G) The types and levels of interpreter certification granted by the MICS are Basic, Advanced, Master, Restricted Certification in Education (K–6), Restricted Certification in Education (7–12), Provisional Certificate in Education, Provisional Certification (aka Learner’s Permit), and the Intern/Practicum Certification.

(H) The Provisional Certificate in Education is issued for a term determined by statute.

(I) The Intern/Practicum Certification is issued for a term specified pursuant to 5 CSR 100-200.085.

(J) The Provisional Certification (aka Learner’s Permit) is issued for a term determined by section 209.309, RS Mo.

(K) All other certifications are permanent, subject to annual renewal.

(L) To obtain a MICS Basic Certification, an applicant must meet the eligibility and application requirements of 20 CSR 100-200.050, pass the written test of English proficiency, and pass the Basic Performance Test.

(M) To obtain a MICS Advanced Certification, an applicant must meet the eligibility and application requirements of 20 CSR 100-200.050, pass the written test of English proficiency, and pass the Advanced Performance Test.

(N) To obtain a MICS Master Certification, an applicant must meet the eligibility and application requirements of 20 CSR 100-200.050, pass the written test of English proficiency, and pass the Master Performance Test.

(O) All MICS certifications except for the Intern/Practicum Certification, the Provisional...
Certificate in Education, and the Provisional Certification (aka Learner’s Permit) are subject to renewal annually pursuant to 5 CSR 100-200.125, provided that the holder commits no violation of any provision of the Revised Statutes of Missouri or the Missouri Code of State Regulations pertaining to interpreter certification or licensure.

(10) Transitional Provisions.

(A) The following MICS certifications issued based on performance tests taken prior to September 30, 2014 have been converted to the certifications established in this rule:

1. Comprehensive to Master;
2. Advanced to Advanced; and
3. Intermediate to Basic.

(B) The conversion of prior MICS certifications pursuant to 5 CSR 100-200.035(10)(A) to the new certification levels does not certify that the holder passed the written test of English proficiency or the corresponding level’s performance test. It does not entitle the holder to reciprocity with another BEI certifying entity.

(C) All other certifications issued prior to the effective date of this rule shall remain in full force and with the same rights, restrictions, and limitations as existed previously. Any person, who takes the written test and the performance evaluation under 5 CSR 100-200.030 prior to the effective date of the rule and earns a Comprehensive, Advanced, or Intermediate certification, shall be issued a Master, Advanced, or Basic, respectively, as set forth in subsection (A) of this section.

5 CSR 100-200.040 Restricted Certification in Education

PURPOSE: This rule outlines how individuals may be granted a Restricted Certification in Education which will allow the holder to interpret only in elementary and secondary educational settings.

(A) The RCED (K-6) shall be valid only for interpreting in kindergarten through grade six (6) as set forth in 5 CSR 100-200.170.

(2) An RCED may be obtained only by conversion pursuant to rule 5 CSR 100-200.100.

(A) The RCED (K-6) shall be issued to each applicant for conversion pursuant to rule 5 CSR 100-200.100 who receives a score of 4.0 or higher on the Educational Interpreter Performance Assessment (EIPA) examination (K-6).

(B) The RCED (7-12) shall be issued to each applicant for conversion pursuant to rule 5 CSR 100-200.100 who receives a score of 4.0 or higher on the EIPA examination (7-12).

(A) American Sign Language (ASL)
(B) Pidgin Signed English (PSE)
(C) Signing Exact English (SEE)/Manually Coded English (MCE)

(4) An applicant may obtain both RCED certifications, with different formats and/or communication mode endorsements, but for each RCED the applicant must submit a new application, and pay the appropriate fee(s).

PURPOSE: This rule provides information concerning the written test in the Missouri Interpreter Certification System.

(1) The form, content, method of administration, passing standards, and method of scheduling of written tests in the Missouri Interpreters Certification System (MICS) shall be determined by the Board for Certification of Interpreters (BCI).

(2) MICS written tests for groups of applicants shall be offered offsite throughout the state of Missouri as often as feasible. In addition, the MICS written test may normally be taken by individual applicants at the office of the Missouri Commission for the Deaf and Hard of Hearing (MCDHH) on any weekday if it is scheduled with the coordinator at least three (3) days in advance.

(3) All applicants will, upon request, be informed of approved offsite locations for taking the MICS written test.

(4) The written test fee must be received at the MCDHH office prior to applicants being allowed to take the written test.

(5) All applicants failing to appear for a scheduled written test without reasonable prior notice, except in emergencies, will forfeit both their application and their application fee. When reasonable prior notice is given, or failure to appear is due to an emergency, the applicant will be allowed to reschedule their written test for some future time.

(6) All applicants will be notified of their test results in writing.

(7) All applicants must have a passing score as defined by the Texas Board for Examination of Interpreters (BEI) on the written test of English proficiency in order to qualify for taking the performance test.

(4) Any certification that is not renewed will become invalid on December 15.

(5) Any renewal application not containing the required number of CEUs, earned by November 2, or application submitted after the December 2 deadline shall submit proof of completion of CEUs and the late fee. Any application submitted after December 15 must also be accompanied by the reinstatement fee.

5 CSR 100-200 Certification Validation

PURPOSE: This rule provides information regarding the minimum requirements for certification maintenance in the Missouri Interpreters Certification System.

(1) Annual participation in a continuing education program is required for interpreters certified in the Missouri Interpreters Certification System (MICS). This program involves study and performance options which must have prior approval from the Board for Certification of Interpreters (BCI) and which fulfill the requirements for certification maintenance in the MICS. This program may include seminars, lectures, conferences, workshops, extension study, correspondence courses, teaching, mentorship, self-study, and other options, all of which must be approved by the BCI and must be related to interpreting.

(A) Program options may provide for evaluation methods to assure satisfactory completion by participants.

(B) The BCI shall ensure that persons responsible for the delivery or content of program options are qualified in the subject matter by education, experience, and expertise.

(C) Presentations or program options offering MICS Continuing Education Units (CEUs) may be approved through any of the following methods:

1. All presentations and workshops offered by an Interpreter Training Program (ITP) recognized by the BCI and in an accredited institution of higher education will automatically be approved for MICS CEUs;
2. All presentations and workshops that give attendees CEUs approved by the Registry of Interpreters for the Deaf (RID) will automatically be approved for MICS CEUs;
3. MICS CEUs will be given for undergraduate or graduate studies related to interpreting in any regionally accredited institution of higher education. Satisfactory proof of course completion, as required by the BCI, must be submitted in order for CEUs to be granted. The following hourly equivalents will be used by the BCI in issuing course-related MICS CEUs:
   A. 3 college credit hour course = 45 contact hours;
   B. 2 college credit hour course = 30 contact hours; and
   C. 1 college credit hour course = 15 contact hours.

4. The BCI may approve continuing education presentations and program options other than those offered by an ITP or the RID if they meet the following criteria prior to the event:
   A. Application should be submitted not less than thirty (30) days prior to the event. Applications received less than thirty (30) days in advance cannot be guaranteed notification of approval; and
B. Application to the BCI for approval shall be made on forms developed by the BCI. The application shall require detailed information relating to administration and organization, teaching staff, education content and development, methods of delivery, length of education activities, targeted skill level of interpreters, facilities, and method of evaluation;

(D) With adequate documentation to the BCI, any interpreter whose primary responsibility is not the education of interpreters who leads, instructs or lecturers to groups of interpreters or others on related to interpreting in organized continuing education or in-service programs shall be granted MICS CEUs for the time expended during actual presentation. Approval must be requested using procedures outlined in paragraph (1)(C)4. above. MICS CEUs for the same presentation in the same town will be allowed only once during a year; and

(E) Any interpreter whose responsibility is the education of interpreters shall be granted MICS CEUs only for time expended in leading, instructing, or lecturing to groups of interpreters or others on related to interpreting in an organized continuing education or in-service program outside his/her formal responsibilities in a learning institution. Approval must be requested using procedures outlined in paragraph (1)(C)4. above. MICS CEUs for the same presentation in the same town will be allowed only once during a year.

(2) One (1) contact hour earns one-tenth (0.1) MICS CEU, except in the case of mentoring, whether as a mentor or a mentee, where one (1) contact hour earns five-hundredths (0.05) MICS CEU.

(3) An interpreter shall be required to earn two (2.0) CEUs annually for certification maintenance in the MICS, with three-tenths (0.3) specifically focused on Ethics. An interpreter may earn up to one (1.0) MICS CEU per year through mentoring, whether as a mentor or as a mentee. Contact hours earned in another state will be accepted by the BCI provided that the hours acquired can be documented. The twelve- (12-) month period for annually earning CEUs will end ninety (90) days prior to the licensing deadline. This section will become effective for the CEU cycle beginning November 3, 2015 and ending November 2, 2016.

(4) Providers will give evaluation forms to participants to be submitted with final reports.

(5) Proof of completion of continuing education requirements shall be provided by interpreters to the BCI by submitting annually a completed CEU form approved by the BCI, proper documentation, and the CEU processing fee, on or before December 2. Proper documentation shall include one (1) or more of the following:

(A) Certificate(s) of completion;
(B) Letter(s) from providers stating date of attendance and program; and
(C) Transcript(s) (if available).

(6) The BCI will review and verify all MICS CEUs claimed on the CEU forms submitted. After verification, the BCI will notify the State Committee of Interpreters of the number of CEUs interpreters have earned for the year. Failure to submit a CEU form with verifiable MICS CEUs, proper documentation, and the CEU processing fee by the December 2 CEU deadline will result in an interpreter’s certification not being renewed, effective December 15. The State Committee of Interpreters will be appropriately notified of the interpreter’s failure to renew certification upon the interpreter’s failure to meet the December 2 certification renewal paperwork postmark deadline.

(7) The BCI may elect to audit any interpreter to assess the authenticity and validity of contact hours submitted.

(8) CEUs may be earned in any area or for any activity related to interpreting, with the prior approval of the BCI, including, but not limited to, the following:

(A) Culture:
1. Sociolinguistics;
2. Deaf culture;
3. American culture;

(9) A “mentorship” is defined as a focused learning relationship between two (2) individuals with pre-approved goals and learning objectives for the enhancement of interpreting skills. The mentor shall be a licensed interpreter in the state of Missouri certified at an equal or higher level than the mentee.

(A) All forms must be submitted per paragraph 5 CSR 100-200.130(1)(C)4.

(B) MICS will automatically accept mentoring hours from relationships that have already been approved by—
1. RID; or
2. Missouri State Committee of Interpreters.
