Title 7—MISSOURI DEPARTMENT OF TRANSPORTATION
Division 10—Missouri Highways and Transportation Commission
Chapter 1—Organization; General Provisions

7 CSR 10-1.010 Description, Organization, and Information

PURPOSE: This rule updates the department’s organizational structure consistent with the department’s current business practices as required by section 536.023, RSMo.

(1) History and Authority. The Highways and Transportation Department was formed when voters approved Constitutional Amendment 2 in November 1979, merging the previously separate Highways and Transportation Departments. Constitutional Amendment 3, approved by voters in 2004, changed the name of the Highways and Transportation Department to the Missouri Department of Transportation (MoDOT or department). Per Article IV, Section 29, Missouri Constitution, MoDOT is governed by the Missouri Highways and Transportation Commission (commission). The commission has authority over all state highways and transportation programs and facilities as provided by Article IV, Sections 29, 30(a), 30(b), and 30(c) of the Missouri Constitution. The number, qualifications, compensation, and terms of the members of the commission are fixed by law. Under Chapter 226, RSMo, the bi-partisan commission is comprised of six (6) members. Commission members are appointed by the governor, by and with the consent of the senate, for terms of six (6) years. Not more than three (3) commissioners can be members of the same political party. The director of MoDOT, as the chief executive officer, and secretary, as record keeper for the commission, are appointed by the commission under Chapter 226, RSMo. MoDOT is responsible for the location, design, construction, and maintenance of the state’s highway system including accommodation for non-motorized transportation. MoDOT coordinates and cooperates with the owners and operators of transportation facilities and services, which include transit, air, rail, ports, and waterborne commerce. MoDOT works with these groups in the development and improvement of public and special transit systems, airports, rail facilities, and ports. MoDOT administers federal and state funds for various transportation programs as these funds become available. In carrying out these functions, MoDOT works closely with local governments and citizens of the state in the planning and development of these programs, services, and facilities.

(2) Organization.

(A) General Management.

1. The director is the chief executive officer and is appointed by, and serves at the discretion of, the commission. The director appoints a deputy director/chief engineer, assistant chief engineer, chief administrative officer, chief counsel (with the consent of the commission), chief financial officer, chief safety and operations officer, and other leaders and employees as the commission may designate and deem necessary. Under the direction of the commission, the director is responsible for the overall operations and performance of the department and prescribes the duties and authority of employees. The selection and removal of all employees is without regard to political affiliation. The duties of the deputy director/chief engineer, assistant chief engineer, chief administrative officer, chief counsel, chief financial officer, and chief safety and operations officer are as follows:

A. The deputy director/chief engineer serves as MoDOT’s primary advisor regarding engineering issues. This position is responsible for providing general oversight of all planning, design, construction, and maintenance work for the department as determined by the director, including preparation and approval of all engineering documents, plans, and specifications. The chief engineer reports to the director and provides input on overall department decisions;

B. The assistant chief engineer provides leadership and oversight to the department’s technical engineering functions;

C. The chief administrative officer provides leadership and oversight to the department’s administrative business functions;

D. The chief counsel advises and represents the commission and the director in all actions and proceedings to which either may be a party or in proceedings under Chapters 226 and 227, RSMo, or with respect to any law administered by the commission or any order or proceeding of the commission. The chief counsel is responsible for drafting all contracts, conveyances, agreements, or other documents affecting the commission, property held or acquired by it, and any action taken by the commission. The chief counsel, with the director’s approval, appoints assistant counsel(s) as necessary to represent the commission and the department;

E. The chief financial officer provides leadership and oversight to the department’s accounting, finance, fleet, facilities, procurement, and information systems functions; and

F. The chief safety and operations officer provides leadership and oversight to the department’s safety and operations functions.

2. The secretary to the commission is responsible for maintaining records of all proceedings of the commission and is the custodian of all records, documents, and papers filed with the commission, department, and other public governmental bodies established by the commission.

(B) Divisions. MoDOT pursues its mission through the following divisions:

1. Audits and Investigations is responsible for conducting audits of department operations, external contracts, grant agreements, motor carrier fuel tax returns, and appurtenant registrations. The division also investigates fraud, waste, and abuse; employee grievances; Equal Employment Opportunity complaints; and conducts mediations. The division analyzes competitive bidding practices, assesses the potential for fraud in construction contracts, and conducts reviews of construction contracts;

2. Bridge is responsible for the structural design and detailed plans production for all state highway bridges, including cost estimates and site-specific job special provisions. Additional responsibilities include maintaining the National Bridge Inventory, recommending load posting limits for both state and non-state bridges, bridge inspection, and analyzing structures for special superload overweight permit loads traveling within the state;

3. Communications is responsible for disseminating information on the activities of the commission and MoDOT to the public and to MoDOT personnel. Communications coordinates customer comments to MoDOT through public involvement meetings, customer service representatives, and surveys. Communications helps MoDOT communicate with news media through news releases and personal contact. Communications creates strategies statewide and through MoDOT’s districts that educate and inform stakeholders through the web, social media, presentations, video, publications, displays, and other mediums;

4. Construction and Materials is responsible for administering construction contracts awarded by the commission. Contracts are awarded through the competitive bid or design build selection process, and then work is assigned to project offices geographically located throughout the state. Engineers and technicians make owner/engineering decisions, verify contract compliance through testing and inspection, and complete and review documentation necessary to authorize
payment. Construction and Materials is responsible for testing to ensure the materials used for maintenance and construction of our transportation system meet the quality standards and specifications;

5. Design is responsible for the location, environmental, and cultural resource studies required for initial evaluation of proposed projects; detailed route studies, ground surveys, and aerial photography; and design and plan preparation including cost estimates for the state transportation projects. Design advertises and makes all preparations for receiving bids for transportation project contracts including the development of specifications and cost estimates prior to advertising for bids. Design is also responsible for acquisition of right of way required for the construction and maintenance of all state highways in addition to properties incidental to the system of state highways in Missouri, and provides relocation assistance for all persons displaced by the commission’s right of way acquisition. Design administers the disposal or lease of land considered excess to commission needs and the regulation of outdoor advertising billboards and junkyards adjacent to regulated state highways. Design administers the Scenic Byway Program;

6. Equal Opportunity and Diversity is responsible for directing the department’s Affirmative Action Program and other initiatives aimed at achieving and maintaining a diverse workforce;

7. External Civil Rights is responsible for directing the department’s external affirmative action, equal opportunity, and nondiscrimination programs, which include the Disadvantaged Business Enterprise Program, On-the-Job Training Program, Equal Employment Opportunity, Title VI, Americans with Disabilities Act (ADA), and all other nondiscrimination or affirmative action programs related to federal-aid contracting activities;

8. Financial Services is responsible for providing administrative support to MoDOT in accounting, financial reporting, and policy development, building and maintaining an effective system of internal controls, and cost accounting. Financial Services is also responsible for coordinating financial resources and spending plans through forecasting, analysis, and training. Financial Services also performs financial planning and fiscal analysis, budget, federal aid management, innovative finance administration, and claims management functions for the department;

9. General Services is responsible for supporting MoDOT activities by providing guidance and support services in the areas of facilities management, procurement, inventory management, fleet management, and equipment repair;

10. Governmental Relations is responsible for acting as MoDOT’s liaison between Missouri’s congressional delegation, the Missouri Legislature, and local political subdivisions. Staff members review and analyze proposed transportation-related legislation affecting MoDOT and provide either support or options for improving the legislative proposals and public policies impacting the traveling public. Governmental Relations staff also serve as a liaison between MoDOT and national transportation associations;

11. Highway Safety and Traffic is responsible for leading a comprehensive approach to reduce fatalities and serious injuries on Missouri roadways by combining infrastructure improvements with efforts to change driver behavior. This includes guiding the deployment of data-driven engineering strategies and working closely with safety partners to administer federal safety grants for educational programs, traffic enforcement activities, public awareness campaigns, training/certifications, and more. The division also provides direction and support for traffic management and operations across the state, including signing, striping, traffic signals, lighting, intelligent transportation systems (ITS), roadway access, work zones, and traveler information services;

12. Human Resources is responsible for developing and administering the department’s statewide personnel program. The division conducts recruiting for civil engineering positions and manages statewide efforts related to employment; work-life support; classification, pay, and employee training; development and assessment. Human Resources also develops personnel policy, maintains personnel records for employees, and provides support for all personnel activities within the central office location;

13. Information Systems is responsible for providing information technology products, services, and support to the department and coordinates its information technology activities. Information Systems staff provide technical expertise in the areas of application development, collaboration tools, computing systems, data service management, network management, cyber security, and other technical support areas;

14. Maintenance is responsible for assisting and supporting maintenance activities for the preservation and operation of the state highway system;

15. Motor Carrier Services provides information, credentials, and permits and enforces safety for businesses and individuals interested in commercial property and passenger-carrying operations on public highways in and through Missouri;

16. Multimodal Operations is responsible for administering state and federal programs that support and develop non-highway passenger and freight transportation, which include aviation, railroads, transit, and waterways. Major programs include capital improvements, operating support, technical assistance, safety outreach, and identifying freight efficiencies/opportunities; and

17. Transportation Planning is responsible for planning and coordinating a long-range, total transportation system for MoDOT. This includes developing the long range transportation plan; developing, coordinating, and tracking the five- (5-) year Statewide Transportation Improvement Program; mapping; collecting, managing, and analyzing data to provide a single source of information to support MoDOT’s decision process related to maintenance, construction, and reconstruction of the state transportation system; leading organizational performance management, including the production of MoDOT’s quarterly performance management document, Tracker; and facilitating process improvement, customer satisfaction, and problem-solving teams to improve operational performance.

(C) Units. Units have a smaller scope than the department’s divisions—

1. Employee Health and Wellness is responsible for the management and implementation of the medical and life insurance plans for department employees and retirees, ensuring employees are fit for duty to include the management of worker’s compensation claims and the fit for duty process, and administering the department’s drug and alcohol testing programs, including ensuring compliance with federally mandated drug and alcohol testing programs; and

2. Safety and Emergency Management is responsible for leading, managing, developing, and organizing the department’s employee safety and health, security, emergency management, traffic incident management, and safety and technical training programs; collaborating with districts and divisions to develop and implement policies and procedures to eliminate or reduce employee exposure to hazards in the department’s various work environments; implementing security protocols for the protection of employees and assets; monitoring industrial hygiene; developing safety and technical training programs; and overseeing the department’s emergency management preparedness, prevention, mitigation, response, and administration of federal disaster recovery programs. Safety and Emergency Management is
also responsible for leading the emergency support function for transportation during state or federal emergency operations center disaster activations, and staffing the recovery support function for infrastructure following state disaster declarations.

(D) Districts. Missouri is geographically divided into seven (7) districts. Each district is led by a district engineer who is responsible for supervising all activities of MoDOT within that particular district. The following counties are included in the indicated districts: Northwest District includes Andrew, Atchison, Buchanan, Caldwell, Carroll, Chariton, Clinton, Daviess, DeKalb, Gentry, Grundy, Harrison, Holt, Linn, Livingston, Mercer, Nodaway, Putnam, Sullivan, and Worth; Northeast District includes Adair, Audrain, Clark, Knox, Lewis, Lincoln, Macon, Marion, Monroe, Montgomery, Pike, Ralls, Randolph, Schuyler, Scotland, Shelby, and Warren; Kansas City District includes Cass, Clay, Jackson, Johnson, Lafayette, Pettis, Platte, Ray, and Saline; Central District includes Boone, Callaway, Camden, Cole, Cooper, Crawford, Dent, Gasconade, Howard, Laclede, Maries, Miller, Moniteau, Morgan, Osage, Phelps, Pulaski, and Washington; St. Louis District includes Franklin, Jefferson, St. Charles, St. Louis, and the City of St. Louis; Southwest District includes Barry, Barton, Bates, Benton, Cedar, Christian, Dade, Dallas, Greene, Henry, Hickory, Jasper, Lawrence, McDonald, Newton, Polk, St. Clair, Stone, Taney, Vernon, and Webster; Southeast District includes Bollinger, Butler, Cape Girardeau, Carter, Douglas, Dunklin, Howell, Iron, Madison, Mississippi, New Madrid, Oregon, Ozark, Pemiscot, Perry, Reynolds, Ripley, St. Francois, Ste. Genevieve, Scott, Shannon, Stoddard, Texas, Wayne, and Wright.

(E) Assigned Entities. Although assigned to the commission or MoDOT by law for organizational purposes, the following commissions, authorities, and districts operate independently of MoDOT: the Bi-State Metropolitan Development District; the Missouri-St. Louis Metropolitan Airport Authority; the Kansas City Area Transportation Authority District; and the Mississippi River Parkway Commission. The Mississippi River Parkway Commission was established by section 226.440, RSMo. All the other entities are authorized by section 14 of the Omnibus State Reorganization Act of 1974 and section 226.007, RSMo.

(3) How to Obtain Information. The official residence of the commission, as well as the offices of the director, chief counsel, commission secretary, and divisions of MoDOT, is the Missouri Department of Transportation Building in Jefferson City, Missouri. Written inquiries by the public should be addressed to the Commission Secretary, Missouri Department of Transportation Building, PO Box 270, Jefferson City, MO 65102. The general information telephone number is (573) 751-2551. Inquiries may be made via email to comments@modot.mo.gov. Information from any district office of the department may be obtained in person, by writing, or by telephoning the District Engineer, Missouri Department of Transportation: Northwest District, 3602 North Belt Highway, St. Joseph, MO 64506-1399, (816) 387-2350; Northeast District, 1711 South Highway 61, Hannibal, MO 63401, (573) 248-2490; Kansas City District, 600 NE Colbern Rd., Lee’s Summit, MO 64086, (816) 622-6500; Central District, 1511 Missouri Boulevard, PO Box 718, Jefferson City, MO 65102, (573) 751-3322; St. Louis District, 1590 Woodlawn Drive, Chesterfield, MO 63007, (314) 275-1500; Southwest District, 3025 East Kearney, PO Box 868, Springfield, MO 65801, (417) 895-7600; and Southeast District, 2675 N. Main Street, PO Box 160, Sikeston, MO 63666, (573) 472-5333.

AUTHORITY: section 536.023, RSMo 2016. *

7 CSR 10-1.020 Subpoenas

PURPOSE: Senate Bill 1202, 91st General Assembly, 2nd Regular Session, 2002, transferred to the commission and MoDOT all powers, duties, and functions of the Division of Motor Carrier and Railroad Safety, including those specifically provided for under section 622.360, RSMo, to issue subpoenas to compel the attendance of witnesses and the production of documents and other evidence in furtherance of investigations into alleged unlawful activity within its jurisdiction. This rule provides the procedure for requesting such subpoenas.

(1) A request for a subpoena as authorized by section 622.360, RSMo, requiring a person to appear and give sworn testimony, or to appear and produce documents, records, or other physical evidence, shall be, by signed writing, directed to either the director, chief engineer, chief financial officer, assistant chief engineer, director of motor carrier services, or director of multimodal operations. The signed, written request shall include the name and address of the witness to be served, propose a suitable time and place for the witness’s appearance, and reasonably describe the documents, records, or other physical evidence to be produced. In the case of corporate entities, the request may name the corporation and its registered agent for service of process, and defer to the corporation the designation of an informed corporate officer or safety designee to appear to so testify or produce the particular documents, records, or other physical evidence to be produced.

(2) Upon receipt of a request under section (1) of this rule, the director, chief engineer, chief financial officer, assistant chief engineer, director of motor carrier services, or director of multimodal operations may sign and issue a subpoena. A subpoena may be served by Missouri Department of Transportation (MoDOT) employees and such other persons authorized by law to serve process. Service shall be by personal service on the named witness or service on the registered agent of any named corporation. Within ten (10) days of service of a subpoena, a return of service shall be made to the individual that signed and issued the subpoena.

(3) A subpoena may be enforced by application by the chief counsel to the circuit court of Cole County or any other county in this state where the named witness or corporation shall reside or be found.

AUTHORITY: section 226.008, RSMo 2016. *
