12 CSR 10-24.010 Form Filing

PURPOSE: This rule complies with section 544.045, RSMo which provides for a form to be approved by the director of revenue to be used by judicial officers and law enforcement as a receipt for a Missouri driver’s license accepted in lieu of bail.

(1) The attached form is filed to establish a uniform driver’s license deposit receipt in lieu of bail for use by Missouri courts and law enforcement.

AUTHORITY: section 544.045, RSMo 1994.*

12 CSR 10-24.020 Trial De Novo
Procedures and Parties

PURPOSE: This rule establishes the proper procedures and parties necessary for a trial de novo in the circuit court following an administrative hearing sustaining the suspension or revocation of a person’s driving privilege pursuant to section 302.530, RSMo.

(1) Upon the filing of a petition for trial de novo, process shall be served personally or by certified mail upon the Director of Revenue, Harry S Truman State Office Building, Room 670, 301 West High Street, Jefferson City, MO 65105.

(2) The case shall be decided by the judge sitting without a jury.

(3) A restricted driving privilege issued pursuant to section 302.535.2, RSMo shall not be issued until the petitioner for the trial de novo has completed the first thirty (30) days of the administrative suspension.

(4) The department shall not issue a restricted driving privilege to a petitioner whose driving record shows any prior alcohol-related enforcement contact during the immediately preceding five (5) years.

(5) The director of revenue shall be represented at trials de novo under section 302.535.1, RSMo by attorneys from the Department of Revenue, Office of the General Counsel.

12 CSR 10-24.030 Hearings

PURPOSE: This rule sets forth the procedures used by the director in holding hearings following the suspension or revocation of a person’s driving privilege pursuant to section 302.530, RSMo.

(1) Individuals shall make a written request for a review of the director’s determination. At the time of such request the individual must indicate whether the request is for an in-person hearing. If an in-person hearing is not requested the individual will be scheduled for a telephone hearing and will waive any further opportunity for in-person hearing. The request must actually be filed with the department on or before the effective date of the suspension or revocation. The effective date shall be fifteen (15) days after the date of issuance of the notice of suspension if the notice is hand delivered or eighteen (18) days from the date of mailing if the notice of suspension is mailed from the department. If any request for a hearing is delivered by United States mail postage prepaid after the effective date of suspension or revocation, the date of the United States postmark stamped on the envelope shall be deemed to be the date of filing. The request shall be sent to: Missouri Department of Revenue, Drivers and Vehicle Services Bureau, PO Box 3700, Jefferson City, MO 65105-3700. If the effective date falls on a Saturday, Sunday or legal holiday in this state, the request for hearing shall be considered timely if it is filed on the next succeeding day which is not a Saturday, Sunday or a legal holiday as specified in 12 CSR 10-24.340.

(2) If the person is a holder of a valid driver’s license issued by this state, and if the person’s driver’s license has not been previously surrendered, it must be surrendered at the time the request for hearing is made. Failure to surrender the license shall be deemed a waiver of the right to an administrative hearing absent good cause shown in writing at the time a request for hearing is made.

(A) If the person’s license has been lost, destroyed or stolen, and s/he is not currently suspended or revoked for any reason, s/he must apply for a duplicate license and surrender the sixty (60)-day driving receipt with the hearing request.

(B) If the person’s license has been lost, destroyed or stolen, and s/he is currently suspended or revoked, s/he must submit a notarized affidavit of lost, destroyed or stolen license with the hearing request.

(3) Failure to properly request a hearing shall be considered a waiver of the right to an administrative hearing and shall make the director’s determination final.

(4) Individuals requesting hearings may request one (1) continuance for good cause shown. The decision to grant a continuance shall be at the discretion of the department.

All requests for continuances should be in writing, state the factual basis for continuance and be signed by the individual making the request or his/her attorney. All requests for continuance must be filed not later than six (6) days prior to the date of the scheduled hearing. The following events or conditions shall constitute good cause to continue a hearing:

(A) Death of a party, representative or attorney of a party, or witness to an essential fact;

(B) Incapacitating illness of a party or representative, or attorney of a party, or witness to an essential fact. The request must contain a written statement by an attending physician reciting the nature and probable duration of the illness; and

(C) Unavailability of a party, representative or attorney, or material witness due to an unavoidable emergency.

(5) Any delay in a hearing which is caused or requested which is not for good cause shall not result in a stay of the suspension or revocation during the period of delay.

(6) Based upon the type of hearing requested by the individual in the written request for review the director will schedule a hearing. The party arrested/stopped may be represented by an attorney during any telephonic or in-person hearing. Notice of the hearing, place, date and time shall be sent to the party arrested/stopped and to the attorney of record, if known, at the time of notice. Suspension or revocation shall be stayed until a final order is issued following the hearing. The hearing shall be conducted by department examiners who are licensed to practice law in Missouri.

(7) The sole issue at the hearing shall be whether, by the preponderance of the evidence, the person was arrested/stopped upon probable cause to believe the alcohol concentration in the person’s blood exceeded the limits provided in section 302.505, RSMo. The provisions of Chapter 536, RSMo shall apply when not inconsistent with Chapter 302, RSMo.

(8) Subsequent to the hearing, the director shall render a final decision separately stating findings of fact and conclusions of law. The party shall be mailed a copy of the findings of fact and conclusions of law by certified mail. The attorney of record shall be mailed a copy of the findings of fact and conclusions of law by regular mail.

(9) At the hearing the party may present any facts which show the party was not driving a motor vehicle while the alcohol concentration...
in the person’s blood exceeded the limits provided in section 302.505, RSMo. A party may subpoena witnesses in accordance with the procedures of section 356.077, RSMo. A party may subpoena witnesses, including the law enforcement officer or blood alcohol concentration analyzer to attend the hearing or participate in a telephonic hearing, by requesting a subpoena from the Department of Revenue at least five (5) working days prior to the hearing. If a witness fails to appear or participate in the hearing, after proper service of the subpoena, the Department of Revenue will continue the hearing to enforce the subpoena including enforcement action as provided in section 356.077, RSMo. In the case of death or total incapacity of the witness, where enforcement action is not feasible, the department may consider written testimony of the witness prepared at or near the time of the incident in lieu of the actual appearance of such witness and the party may make any objection or argument to such written testimony of the witness.

(10) The party may examine all available evidence before the hearing. Any witness may be cross-examined during the hearing.

(11) The party aggrieved by the decision of the director may appeal to the circuit court of the county in which the arrest occurred. This appeal must be filed within fifteen (15) days after the date of the final decision of the director.

**12 CSR 10-24.050 Deletion of Traffic Convictions and Suspension or Revocation Data From Missouri Driver Records**

**PURPOSE:** This rule clarifies procedures to be followed for expungement from a Missouri driver record of previously recorded traffic violations or suspensions or revocations of a driving privilege.

2. Railroad-highway grade crossing violations, as described in 49 CFR 384.223 and 49 CFR 383.51 occurred more than four (4) years ago and did not cause a suspension, revocation, or disqualification of a driving privilege;

3. Driving while out-of-service traffic violations, as described in 49 CFR 384.222 and 49 CFR 383.51 occurred more than fifteen (15) years ago;

4. Major traffic violations, as described in 49 CFR 383.51 occurred more than fifty-five (55) years ago;

5. All other traffic violations occurred more than three (3) years ago and did not cause a suspension, revocation, or disqualification of a driving privilege;

(D) The conviction did not involve an alcohol- or drug-related driving offense or enforcement contact;

(E) The suspension or revocation on the driver record was reinstated more than five (5) years previously, did not involve the failure to maintain financial responsibility as provided in section 303.041, RSMo, and did not involve a CDL holder or a commercial motor vehicle violation;

(F) The suspension or revocation on the driver record did not involve an alcohol-related offense or enforcement contact; except when the offense was committed by a person under the age of twenty-one (21), who had a blood alcohol content of .02 or more and an expungement of the records is provided for in section 302.545, RSMo;

(G) The suspension on the driver record did not involve the theft of motor fuel as provided in section 302.286, RSMo;

(H) The suspension on the driver record was not imposed as a result of a person’s failure to stop before reaching a school bus that was receiving or discharging school children;

(I) The failure to appear suspension involving a CDL holder or commercial motor vehicle was reinstated and no longer supported by any of the violations described in (1)(C)1. through (1)(C)5;

(J) The disqualification on the driver record was reinstated and/or restored and no longer supported by any of the violations described in (1)(C)1. through (1)(C)5;
(K) The driver record does not contain information regarding the mental or physical competence of the individual to retain a driver's license; and

(L) The driver record is not currently under investigation.

(2) Items deleted from a driver record pursuant to this rule shall be available to courts, administrative agencies and law enforcement agencies for purposes of prosecution, litigation, sentencing and determination of driving privileges. However, nothing contained in this rule shall be construed to prevent the obtaining of information as specified in section 302.120, RSMo.

12 CSR 10-24.060 Delegation of Authority to Administer Missouri Drivers License Examinations

(A) The written examination shall consist of twenty-five (25) questions, including, but not limited to, an understanding of highway signs, proper turning, backing and signaling, and practical knowledge of the traffic laws of this state.

(B) Successful completion of a written examination requires the applicant for a Class F license to correctly answer twenty (20) out of twenty-five (25) questions.

(C) Successful completion of a written examination requires the applicant for a Class E license to correctly answer twenty (20) out of twenty-five (25) questions relative to commercial motor vehicle laws in addition to twenty (20) out of twenty-five (25) questions as for a Class F license.

(D) Successful completion of a written examination requires the applicant for a Class M license to correctly answer twenty (20) out of twenty-five (25) questions as for a Class F license and twenty (20) out of twenty-five (25) questions relative to the operation of a motorcycle.

(E) If an applicant for a Class E or Class M license has successfully completed the written examination for a Class F license or has a valid Class F license, and submits a copy of the test paper to the examiner, this portion of the examination for a Class E or Class M license shall be waived.

(2) The director authorizes the Missouri State Highway Patrol to administer a driving skills examination, approved by the director, to assist the director of revenue in determining an applicant’s ability to operate a motor vehicle safely.

I AM NOT SUSPENDED OR REVOKED IN MISSOURI OR ANY OTHER STATE.

APPLICANT SIGNATURE
PURPOSE: This rule establishes the one license concept for any person applying for a Missouri drivers license.

1. A new resident applying for a Missouri drivers license shall surrender any license in his/her possession. If the new resident has either lost or had the license(s) issued in any prior state of residence stolen, the Missouri State Highway Patrol may approve a letter of clearance issued by the prior licensing state or request the Drivers License Bureau to conduct an inquiry through the National Driver Register in order to determine the applicant’s eligibility for a Missouri drivers license. If a letter of clearance is approved by the Missouri State Highway Patrol, it should accompany the license application.

2. A new resident between the ages of sixteen (16) and eighteen (18) who surrenders a valid license from another state, shall receive an intermediate license if all other licensing requirements are met.

12 CSR 10-24.080 Drivers License Instruction Permit
(Rescinded January 13, 1992)

12 CSR 10-24.090 Missouri Driver License or Permit Vision Test Guidelines

PURPOSE: This rule establishes the vision reading requirements necessary to receive a Missouri drivers license and the restrictions imposed when a person’s vision is less than 20/40.

1. The director shall require any person applying for a new driver license or permit or a person renewing a license or permit to submit to an examination of his/her vision.

2. The vision examination shall be conducted with the use of the Snellen Vision Chart or other vision device of the same standard. Vision examinations may be conducted by any person employed by the Department of Revenue, fee office employees to whom the director has delegated authority and members of the Missouri State Highway Patrol. This person shall administer the vision test without cost to the applicant. Upon notification to the department, a registered optometrist or physician may conduct the vision examination at the applicant’s own expense.

3. The director may issue a license or permit with restrictions as described in sections (5)–(8) or may deny a license or permit to any applicant as described in section (9).

(1) The vision reading completed by a registered optometrist or physician shall not be required if the right eye reading cannot be improved to 20/40 or better by corrective lenses; and
(2) The vision reading completed by a registered optometrist or physician shall not be required if the left eye reading cannot be improved to 20/40 or better by corrective lenses; and
(3) The vision reading completed by a registered optometrist or physician shall not be required if the right eye reading cannot be improved to 20/40 or better by corrective lenses; and
(4) The vision reading completed by a registered optometrist or physician shall not be required if the left eye reading cannot be improved to 20/40 or better by corrective lenses; and
(5) Any person whose naked vision is less than 20/40 with either eye or both eyes may receive a conditional license or permit based upon compliance with the following standards:
(A) 20/40 or better with either eye or both eyes with corrective lenses shall be subject to the following restriction:
1. Corrective lenses;
(B) 20/41–20/59 with either eye or both eyes with corrective lenses shall be subject to the following restriction:
1. Corrective lenses; and daylight driving only; and
(C) 20/60–20/74 with either eye or both eyes with corrective lenses shall be subject to the following restriction:
1. Corrective lenses; daylight driving only; and operating a motor vehicle at no more than forty-five miles per hour (45 mph).

(6) Any applicant whose vision does not meet the 20/40 reading with corrective lenses and has been referred to a registered optometrist or physician may receive a conditional license or permit based upon compliance with the following standards:
(A) 20/40 or better with either eye or both eyes with corrective lenses shall be subject to the following restriction:
1. Corrective lenses;
(B) 20/41–20/59 with either eye or both eyes with corrective lenses shall be subject to the following restriction:
1. Corrective lenses; and daylight driving only; and
(C) 20/60–20/74 with either eye or both eyes with corrective lenses shall be subject to the following restriction:
1. Corrective lenses; daylight driving only; and operating a motor vehicle at no more than forty-five miles per hour (45 mph).

(7) Any applicant for a driver license whose vision reading is 20/75–21/160 with either eye or both eyes with corrective lenses shall be referred to the department. The department shall require the applicant to submit to an examination to determine his/her ability to operate a vehicle safely upon the public streets and highways of this state in spite of the vision infirmity. If the department is satisfied that the person safely can operate a motor vehicle, a conditional license restricting the applicant to points of operation, times of operation or any other driving conditions deemed necessary may be issued. The examination is not required prior to issuance of a permit.

(8) A restriction may be removed or waived from the driver license or permit under the following circumstances:

motor vehicle carrying passengers or property for hire, or regularly drives a commercial motor vehicle of another person in the course of or as an incident to his/her employment, but whose principal occupation is not the driving of that motor vehicle, may drive any of the described vehicles. A holder of a Class E license shall not be entitled to drive any vehicle whose operation requires the driver to hold a Class A, Class B or Class C license. A holder of a Class E license may drive all vehicles which may be driven by a holder of a Class F license, but not motorcycles or vehicles which require an endorsement(s) unless the proper endorsement(s) appears on the license.

(6) Class F—The holder of a Class F license may drive any motor vehicle other than one requiring the driver to hold a Class A, Class B, Class C or Class E license, including any recreational vehicle being used solely for personal use, except that the holder of a Class F license may not drive motorcycles or vehicles which require an endorsement(s) unless the proper endorsement(s) appears on the license. Nothing in this section shall be construed to prevent operators of recreational motor vehicles for personal use from operating those vehicles with a Class F license. The holder of a Class F intermediate license may drive the same types of vehicles as those driven by the holder of a Class F driver license except that the holder of a Class F intermediate license cannot operate a motor vehicle on the highways of this state between the hours of 1:00 a.m. and 5:00 a.m. unless accompanied by a person who is at least twenty-one (21) years of age. The licensee is not required to be accompanied by someone twenty-one (21) years of age or older if the travel is to or from a school or educational program or activity, a regular place of employment or in emergency situations. An emergency situation is defined as any sudden or unexpected event in which a potential injury or death may occur to a living being that requires the operation of a motor vehicle.

(7) Class M—The holder of a Class M license may drive only a motorcycle or motortricycle, however, the holder of a Class M license with a W restriction may drive only a motortricycle.

(8) In addition to holding the appropriate class of license as prescribed, a driver of a motor vehicle used to transport hazardous material in a type, quantity, or both, as to require placarding under the Hazardous Material Transportation Act (46 U.S.C. section 1801) and the Hazardous Materials Regulations (49 CFR part 172, subpart F) must have qualified for and obtained an H endorsement. Any applicant for a commercial driver license requiring a hazardous material endorsement shall be at least twenty-one (21) years of age.

(9) In addition to holding the appropriate class of license as prescribed, a driver of a motor vehicle designed to transport any liquid or gaseous material in bulk having a rated capacity of one thousand gallons (1,000 gal.) must have qualified for and obtained an N endorsement.

(12) In addition to holding the appropriate class of license as prescribed, a driver of a motor vehicle in any combination with double or triple trailers must have qualified for and obtained a T endorsement.

(14) If the holder of a Class A, Class B, Class C, Class E or Class F license desires to drive a motorcycle or motortricycle upon the highways of this state, the holder must have qualified for and obtained an M endorsement.

(15) In addition to holding the appropriate class of license as prescribed, the driver of a school bus owned by or under contract with a public school or the State Board of Education, must have qualified for and obtained a school bus permit in accordance with the requirement of section 302.272, RSMo.

(16) In addition to any other restrictions prescribed by the director, the holder of a Class A, Class B or Class C license who has not qualified to drive a motor vehicle equipped with air brakes shall have a restriction L shown on the license. The restriction L does not allow the holder of a license to drive a commercial motor vehicle equipped with air brakes.

(B) Decertification—the director of revenue’s removal of authority or certification from a third party tester or examiner. Such removal shall be for a minimum period of one (1) year after which time a new application may be made; and

The department recommendations for sanctions are listed in the Department’s Third Party Testing Program Sanctions for Examiners and Testers in this rule.

(3) The department shall notify the tester or examiner of its proposed action to deny, refuse to issue or renew, suspend, revoke or decertify a third party tester or examiner certification by mailing via certified mail, notice to the party’s last known address in the department’s records.

(4) The department’s notice of proposed action shall state that the party may request a hearing on the denial, refusal to issue or renew, suspension, revocation or decertification by the department within thirty (30) days of the mailing of such notice.

(5) Failure to request a hearing shall result in the proposed action of the director becoming effective thirty (30) days from the date of mailing of notice.

(6) Upon receipt of a written request for a hearing, the director shall set a hearing date, a time and location designated by the director. Notice of hearing shall be mailed to the tester or examiner at the last known address for such entity within the department’s records. Notice shall be complete upon mailing and shall state the time, date and place of hearing and the reason or reasons for the proposed action. If a hearing is requested, the action of the director shall be stayed until a hearing is held and an order entered thereon.

(7) Such hearings shall be conducted by the director or the director’s designated hearing officer. Such hearings shall be heard in substantially the same manner as provided in Chapter 536, RSMo.

(8) The director shall enter a written hearing decision and mail that decision to the party requesting the hearing at the last known address for such party in the department’s records.

(9) Further review of the action of the director as a result of an administrative hearing may be taken pursuant to section 302.311, RSMo.

(10) Notwithstanding the provisions of section (5) of this rule the department may summarily revoke or suspend the certificate of a third party tester, without opportunity for stay, provided that the department finds that the public safety requires emergency action and it incorporates its findings to that effect in its notice of suspension or revocation. If so requested, a hearing to review the summary action and the underlying cause shall be held in an expedited time frame not to exceed thirty (30) days and the summary suspension or revocation shall be promptly determined.
