Ellsworth Freight Lines, Inc. v. Missouri Highway Reciprocity Commission, 568 SW2d 521 (Mo. banc 1978). *Trucking companies seeking refund of motor vehicle registration fees must exhaust administrative remedies before seeking judicial review, despite assertion by companies of "federal rights" violation.*

John Calvin Manor Inc. v. Aylward, 517 SW2d 59 (1974). *While the decisions of the tax commission are subject to judicial review, the circuit court does not have the authority to substitute its opinion as to value for the opinion of the administrative agency upon record evidence under which different conclusion might be drawn in the exercise of administrative discretion.*

St. Louis County v. State Tax Commission, 515 SW2d 446 (1974). *Court here adhered to the general rule that technical rules of pleading are not applied to applications for relief filed with the State Tax Commission and if a petition fairly presents the claimed error or illegality it will be deemed sufficient for the purpose.*

State ex rel. Wilson Chevrolet, Inc. v. Wilson, 332 SW2d 867 (1966). *Upon appeal from a decision of a local board of equalization to the State Tax Commission, the hearing is de novo as a contested case with a record necessarily made of the evidence adduced and of which decision of the State Tax Commission upon such appeal, a judicial review may be had.*

Op. Atty. Gen. No. 33, Otto (4-20-78). *The State Tax Commission has the statutory authority to appoint hearing examiners for conducting initial investigations and making advisory recommendations in appeals taken under section 138.430(2), RSMo (1969).*

AUTHORITY: sections 137.022 and 137.023, RSMo 1994. Original rule filed May 17, 1994, effective Sept. 30, 1994. Rescinded: Filed Sept. 20, 1999, effective May 30, 2000.

12 CSR 30-2.018 Method of Administering the Ad Valorem Taxation of the Private Railcar Industry and Applying for the Freight Line Company Tax Credit

PURPOSE: This rule sets forth the precise method of administering the ad valorem tax for the private railcar industry and the procedure for applying for the tax credit for eligible expenses.

(1) The commission will determine the statewide average rate of property taxes levied for the preceding year from reports filed by the railroad and street railway companies operating within the state. This information will be filed with the Director of Revenue along with the current year's taxable distributable assessed valuation of each freight line company on or before the first of October. In addition, this report shall include the current total main line track mileage of the railroad and street railway companies within each county to the aggregate total of the state. This report will also include the following information:

(A) Name and mailing address of each freight line company;

(B) Assessed valuation of the distributable property for each freight line company;

(C) Statewide average rate of property taxes levied the preceding year; and

(D) Amount of ad valorem tax due from each freight line company.

(2) Each freight line company applying for the tax credit authorized in subsection 137.1018.4, RSMo, shall submit a completed Form 50, Schedule 1, Schedule 3PC, and Schedule 20PC to the State Tax Commission on or before May 1 of the tax year for which

the credit is sought, and no such credit shall be given to any company filing the form after that date. The method for determining whether the form is submitted within the time prescribed by this rule will be the same method used for determining the timeliness of complaints filed with the State Tax Commission as set out in 12 CSR 30-3.010(1)(C).

(3) In any year in which the general assembly appropriates insufficient funds to fully finance the tax credit authorized in subsection 137.1018.4, RSMo, the State Tax Commission, based upon the funds appropriated, shall allocate the credit proportionately among the freight lines timely requesting the tax credit for that year. The tax credit each individual freight line company will receive shall be calculated by multiplying the percentage that each company's claim (not to exceed their tax liability) represents of the total credit claims of all freight line companies (who timely submitted the required form and schedule for that tax year) multiplied by the amount of funds actually appropriated for that tax year.

12 CSR 30-2.020 Original Assessment by State Tax Commission and Appeals
(Rescinded September 14, 1984)

AUTHORITY: section 138.420, RSMo 1978. Original rule filed Aug. 7, 1975. Amended: Filed Aug. 15, 1983, effective Nov. 14, 1983. Rescinded: Filed April 23, 1984, effective Sept. 14, 1984.

Op. Atty. Gen. No. 88 Lehr (2-28-75). The State Tax Commission has the authority and is obligated to equalize the assessments of property among the various counties and the City of St. Louis pursuant to section 138.090, RSMo and has the duty to order any county in which valuations of property are below 33 1/3% of true value to raise the valuations of property to 33 1/3% of true value and to order any county in which valuations of property are above 33 1/3% of true value to lower the valuation of such property to 33 1/3% of true value. The State Tax Commission has no authority to equalize the assessments among various parcels of property within a county as such, but individual assessments can be

raised or lowered pursuant to sections 138.380, 138.460 and 138.470, RSMo. The state auditor has no authority to compel the State Tax Commission to require the equalization of assessments among the various counties of the City of St. Louis at 33 1/3% of true value.

12 CSR 30-2.021 Original Assessment by State Tax Commission and Appeals

PURPOSE: This rule sets a precise method for appealing final decisions of the State Tax Commission as regards public utilities and those taxpayers coming under the original assessment of the commission.

(1) Every railroad, telegraph, telephone, express company and other and similar public utility corporations, companies and firms (afterwards referred to as company) doing business in Missouri, unless otherwise provided, shall proceed before the State Tax Commission as follows:

(A) Each company shall file its report with the State Tax Commission on or before April 1 of each year. Upon receipt of the report, the commission shall certify a tentative assessment to the company. The commission shall set a date upon which an informal hearing will be conducted for the company. At the hearing, the company shall be permitted to submit to the commission evidence and exhibits indicative of the value of the subject property;

(B) Subsequent to the proceedings set out in subsection (1)(A), the commission shall certify a final assessment to the company. The commission shall have the authority to amend a certified final assessment which it deems to be erroneous, or pursuant to section 155.040.3, RSMo, certify the value of commercial aircraft not owned by an airline company, but no such amendment or certification shall be made after September 1 of the tax year in question. Such erroneous assessments shall not include disagreements over valuation, classification, or exemption, which must be addressed through the appeal process. Upon receipt of the final assessment, the company, if dissatisfied, shall file a petition for a rehearing, which shall be decided as a contested case, after hearing on the record;

(C) The petition shall be directed to the State Tax Commission. It shall state that the appeal is from the original assessment entered by the commission; the date of the assessment; the name of the taxpayer appealing; the business address of the taxpayer to which notice of hearing may be mailed; a

brief statement of why the commission should change or modify the original assessment; and a brief statement of the relief to which complainant may feel entitled. The petition shall be sworn to by the complainant or his/her attorney;

(D) The petition for rehearing shall be filed not more than thirty (30) days after the company receives notice of the original assessment. The petition shall be served upon the commission by delivery, personally, to any commissioner or to the secretary of the commission or by registered mail, postage prepaid, addressed to the State Tax Commission at Jefferson City, Missouri. If personal service is made, it may be proven by the affidavit of any person competent to testify or by the official certificate of any officer authorized under the laws of Missouri to execute process. If the petition is served by mail, it shall be filed as of the date of its delivery by the postal authorities, to the office of the State Tax Commission in Jefferson City, Missouri;

(E) Discovery in appeals shall be as in other contested cases pursuant to 12 CSR 30-3.040;

(F) An assistant attorney general will assist the commission at the hearing and in preparing the decision. The commission's staff attorneys will assist commission staff in presentation of the case; and

(G) The State Tax Commission shall set the matter for hearing at the office of the State Tax Commission, Jefferson City, Missouri, within a reasonable time after that, and notify the complainant and the proper state officer of the date. The notice shall be given to the complainant by first-class mail, postage prepaid, addressed to the complainant's place of business as given the petition filed.

12 CSR 30-2.030 Appeals from the Local Board of Equalization
(Rescinded March 12, 1984)

AUTHORITY: section 138.430, RSMo 1978. This version of rule filed Aug. 7, 1975, effective Aug. 17, 1975. Amended: Filed June 10, 1976, effective Sept. 11, 1976. Amended: Filed Jan. 30, 1978, effective May 11, 1978. Amended: Filed April 12, 1979, effective July 16, 1979. Amended: Filed Oct. 11, 1979,

effective Jan. 12, 1980. Amended: Filed Jan. 14, 1980, effective April 14, 1980. Amended: Filed April 10, 1981, effective July 13, 1981. Amended: Filed May 13, 1982, effective Aug. 13, 1982. Rescinded: Filed Dec. 13, 1983, effective March 12, 1984.

Richmond Heights v. Board of Equalization of St. Louis County, 586 SW2d 338 (Mo. banc 1979). Property owner on appeal to the board of equalization received a reduction in assessment. City attempted to appeal to the State Tax Commission and sought circuit court appeal from the board's reassessment and from State Tax Commission's refusal to accept appeal of board reassessment. Held, proceedings before boards of equalization are not chapter 536 "contested cases," and so are not appealable by the city to circuit court under section 536.100, RSMo. Since there is no express statutory provision to allow city's appeal to the State Tax Commission from board's reassessment, city is bound by board's determination.

Op. Atty. Gen. No. 292, State Tax Commission of Missouri (9-16-64). Neither a county, an officer of the court nor a school district has a right to appeal to the State Tax Commission from a decision of a county board of equalization, determining the assessed valuation of an individual property.

Op. Atty. Gen. No. 27, Evans (11-21-50). A taxpayer may appeal from the assessment of a county assessor to the county board of equalization and from their decision to the State Tax Commission. A taxpayer has no right of appeal from the assessment of county assessor directly to the State Tax Commission.
