**Title 12—DEPARTMENT OF  
REVENUE**

**Division 10—Director of Revenue  
Chapter 26—Dealer Licensure**

**12 CSR 10-26.010 Bona Fide Established  
Place of Business**

*PURPOSE: The department must determine that applicants/licensees such as boat dealers, boat manufacturers, motor vehicle dealers, wholesale motor vehicle dealers, motor vehicle manufacturers, public motor vehicle auctions and wholesale motor vehicle auctions maintain a bona fide established place of business. This rule establishes criteria that may be used in determining if this requirement has been met.*

(1) In order to constitute a bona fide established place of business, hereinafter referred to as a “business location,” for boat dealers, boat manufacturers, motor vehicle dealers, motor vehicle manufacturers, wholesale motor vehicle dealers, public motor vehicle auctions and wholesale motor vehicle auctions—

(A) The business location must be a permanently enclosed building or structure either owned or leased. The business location must be actually occupied and primarily used in whole, or in clearly designated and segregated part, as a place of business by the licensee for the manufacturing, selling, auctioning, bartering, trading or exchanging of motor vehicles, trailers or boats.

1. Example: An applicant for a motor vehicle dealer license maintains a building or structure primarily used in the operation of a business other than the sale or exchange of motor vehicles. As a sideline, the applicant desires to engage in the business of selling motor vehicles. The building or structure used primarily for some other business, other than the selling or exchanging of motor vehicles, does not qualify as a bona fide established place of business for the selling of motor vehicles unless an area is clearly designated and segregated and records are separately maintained for the purpose of selling, bartering, trading or exchanging of motor vehicles or trailers;

(B) The business location must be open regular business hours during which the public and the department are able to contact the licensee. Regular business hours for purposes of this rule shall be a minimum of twenty (20) hours per week, at least four (4) of the six (6) days of Monday through Saturday each week. Only hours falling between 6 a.m. and 10 p.m. will be considered by the department in the twenty (20) hour minimum. The busi-

ness hours shall be posted at the business location. The business location must contain a working telephone (other than a mobile or cellular phone) in the licensee’s name with an advertised public number that must be maintained during the entire period of licensure;

(C) The licensee must maintain at the business location the books, records, files and other items required and necessary to conduct the business. Such items shall be accessible for inspection during regular business hours. If a licensee is also licensed as an auction, the auction records must be kept separately from the dealer records;

(D) Unless otherwise specified, the business location of a licensee other than a wholesale dealer or boat dealer must also contain an area or lot which shall not be a public street upon which one (1) or more vehicles may be displayed.

1. The display area or lot must be of sufficient size to physically accommodate vehicles of the type which the licensee is licensed to sell.

2. The display area or lot must be used exclusively for display by the licensee and must be situated to prevent confusion or uncertainty concerning its relationship to the licensee.

3. The display area or lot must provide unencumbered visibility from the nearest public street of the vehicles being sold by the licensee.

4. Auctions that are also licensed as dealers must maintain a display area or lot separate from the dealership lot for auction vehicles.

5. A licensee in more than one (1) class of business may use the same building and display area for all classes so long as each use is separately and clearly marked. Records must be maintained separately and separate signs as specified in subsection (1)(E), must be displayed;

(E) A licensee must display an exterior sign, if applicable.

1. A licensee except a wholesale motor vehicle dealer must display an exterior sign that shall be of a permanent nature, erected on the exterior of the structure or on the display area, constructed or painted and maintained to withstand reasonable weather conditions and the sign must be readable. The sign must:

A. Contain the name of the licensee. The name does not need to be identical to the name appearing on the licensee’s license, so long as it is registered as a fictitious name with the secretary of state, is approved in writing by the line-make manufacturer, if applicable, and a copy of the fictitious name registration is provided to the department;

B. Have letters at least six inches (6”) in height;

C. Be clearly visible to the public; and

D. Comply with local sign ordinances, if any.

2. A temporary sign may suffice during the period of time required to obtain a permanent sign provided the order for construction, purchase or painting has in fact been placed. A copy of the sign order must be submitted with the application along with a picture of the temporary sign.

3. A public motor vehicle auction licensee shall display, in a conspicuous manner, two (2) additional signs, each of which shall bear the following warning in letters at least six inches (6”) high: “Attention Buyers: Vehicles sold at this auction may not have had a safety inspection.” The dimensions of each sign shall be at least two feet by two feet (2’ × 2’); and

(F) A new motor vehicle franchise dealer’s business location shall include adequate facilities, tools and personnel necessary to properly service and repair motor vehicles and trailers under the franchiser’s warranty.

(2) The bona fide established place of business of a licensee must be maintained for the entire licensure period. If the bona fide established place of business is not maintained, the licensee must notify the department within ten (10) days and surrender at that time the licensee’s temporary permits, license and license plates/certificates of number. If the licensee intends to relocate prior to the expiration of the license, the department must be informed of such intent at the time the license is surrendered. If the business is then certified at a new location, the department will return the temporary permits, license plates/certificates of number and issue a new license reflecting the new location for no additional fee. The department or its representative reserves the right to determine the existence of a bona fide established place of business at any time.

(3) A licensee who changes its business location during the licensure year must notify the department of that change prior to operating at the new site. The following must be submitted to the department:

(A) A new application certified by authorized law enforcement that the new location meets the requirements of a bona fide established place of business. “Change of Address” must be indicated at the top of the application.

1. If the business changes locations ninety (90) days or less before the expiration

of the current license, a renewal application reflecting the new address should be filed instead of a change of address.

2. If the location change is not effective immediately upon filing the renewal application, a letter indicating the effective date of the address change must accompany the renewal application; and

(B) A photograph of the business location that meets the specifications required of new applicants.

(4) If a licensee changes the business name during the licensure year, the licensee must notify the department of the name change prior to operating under the new name. The following must be submitted to the department:

(A) A new application properly completed that indicates "Name Change Only" at the top of the application. The application is not required to be certified by authorized law enforcement;

(B) A photograph of the business location that meets the specifications required of new applicants and that clearly shows the business sign displaying the new business name; and

(C) A corporate surety bond, bond rider, or revision to the irrevocable letter of credit that reflects the licensee's new business name.

(5) When a licensee changes its business name and/or location, it must also file the change with the Office of the Secretary of State.

(6) Each business location where a licensee auctions, manufactures, sells or displays motor vehicles, trailers or boats must be licensed separately with the department. However, when a licensee has more than one (1) location in the same city or with the same city mailing address, the licensee may operate under the same name and license number by filing a proper application for each business location with the department and maintaining a bona fide place of business at each location. No additional fees are required for the additional locations in these two (2) cases.

(7) A licensee may store cars at a storage lot location other than at the licensed business location, provided the department is notified of the storage location and no sales activity occurs on the storage lot.

*AUTHORITY: sections 301.553, RSMo 2000 and 301.560, RSMo Supp. 2002.\* Original rule filed Nov. 1, 1999, effective May 30, 2000. Amended: Filed Aug. 23, 2002, effective Feb. 28, 2003.*

*\*Original authority: 301.553, RSMo 1988, amended 1989, 1993, 1995, 1997; and 301.560, RSMo 1988, amended 1989, 1993, 1995, 1997, 2002.*

**12 CSR 10-26.020 License Requirements for Auctions, Dealers and Manufacturers**

*PURPOSE: The department must determine whether applicants who apply for a license as a boat dealer, boat manufacturer, motor vehicle dealer, motor vehicle manufacturer, public motor vehicle auction or wholesale motor vehicle auction pursuant to sections 301.550 to 301.562, RSMo, have met the requirements outlined in the law. This rule clarifies these requirements.*

(1) A separate license is required for each of the following categories of licenses:

(A) Motor vehicle dealers and/or motor vehicle manufacturers;

(B) Boat dealers and/or boat manufacturers; however, a motor vehicle dealer may purchase and sell up to five (5) vessels during each licensure period without licensing as a boat dealer;

(C) Wholesale motor vehicle dealers;

(D) Wholesale motor vehicle auctions; and

(E) Public motor vehicle auctions.

(2) An applicant must complete in full the designated application for a license.

(A) If the applicant is a partnership or corporation and is doing business under another name (d/b/a), the applicant must list its partnership or corporate name and its d/b/a name. For example, John Smith Brothers Incorporated d/b/a Smith Brother's Used Cars. If the applicant is an individual, the business name must also be listed on the application.

(B) The business location name and address must be recorded on the application. A post office box number is not acceptable as a business location address.

(C) A separate "Mail to" address may only be listed on the application if the local postal authorities confirm, in a letter signed by an authorized representative of the post office, that it cannot or will not deliver mail to the business address due to security reasons such as theft or vandalism. The lack of a proper mail receptacle is not justification for the use of a "Mail to" address.

(D) Applicants obtaining a manufacturer's license must submit a letter that lists the makes of all motor vehicles/trailers/boats they will manufacture. If licensing as a "final stage" manufacturer/converter, the makes of all vehicle bodies, i.e., dump, hoist, coach, etc., they will manufacture and a brief

description of the business must accompany the application.

(E) Each applicant, officer or owner for a license must list on the application his or her driver's license number, birthdate, home address, Social Security number and/or Federal Employee Identification Number.

(F) The application must be certified by an authorized law enforcement agency/officer. Applicants who are licensed within two (2) months of the license expiration period shall not be required to have his or her renewal application certified by a law enforcement agency/officer provided the renewal is filed before the present license expires.

(3) The corporate surety bond or an irrevocable letter of credit required in section 301.560.1(4), RSMo, shall be filed with the application and shall be maintained for the entire licensure period. The bond or letter of credit must either be irrevocable for the entire licensure period or by its terms require that the bonding company or entity issuing the bond or letter of credit to notify the department at least thirty (30) days prior to the cancellation or revocation date. Failure of the licensee to submit a valid bond or irrevocable letter of credit to the department prior to the date of cancellation/revocation shall result in immediate cancellation and revocation of the license, which shall not be stayed by a request for review.

(4) The photograph of the bona fide established place of business may be either a black and white or color photograph and must be at least four inches by six inches (4" x 6") but shall not exceed eight inches by ten inches (8" x 10"). Digitized photographs are not acceptable. If more than one (1) photograph is necessary to show the building, lot and sign, if applicable, a statement, signed by the applicant, must accompany the photograph explaining that all photographs were taken at the same address.

(A) A temporary sign may be used (as set forth in 12 CSR 10-26.010(1)(E)2.). If this is the case, a copy of the sign order and a picture of the temporary sign must be submitted with the application.

(5) For purposes of the franchise agreement requirement in section 301.559, RSMo, a letter of appointment or similar document signed by an authorized representative of the manufacturer will satisfy this requirement. The document must include the name and address of the franchise, the effective date of the franchise agreement, the expiration date of the franchise agreement, if applicable, and the make(s) of vehicle(s) the franchisee is

authorized to sell. The letter must provide for notification to the department at least thirty (30) days prior to cancellation of the franchise. A manufacturer's letter of intent shall not suffice as proof of franchise.

(6) A new applicant must complete and submit the appropriate form(s) requesting a criminal record check directly to the Missouri State Highway Patrol's General Headquarters along with the appropriate fee. The patrol shall provide the director with the results of the applicant's criminal record check to assist the director in determining the applicant's qualifications as provided in sections 301.559 and 301.562, RSMo.

(7) If any of the owners, partners, or principal officers (if a corporation) are residents of a state other than Missouri or another country, they must obtain a current criminal record check from their state highway patrol or corresponding law enforcement agency and submit that record check with new and renewal applications.

(8) The applicant must submit appropriate fees as prescribed in 12 CSR 10-26.040.

(A) Renewal applications received by the department less than sixty (60) days prior to the license expiration date must include an additional twenty-five dollar (\$25) processing fee. New applicants who are approved during the last ninety (90) days of the licensure period are not subject to the twenty-five dollar (\$25) additional processing fee at the time of renewal.

(B) Applications received after the license expiration date must include a fifty dollar (\$50) late fee.

(2) The department will mail all licenses

issued to the registered business address of the licensee. The licenses must be prominently displayed at the place of business.

(3) For renewal of a license of a motor vehicle dealer or a boat dealer, an applicant must submit all previous monthly sales reports that document at least six (6) sales made during the last year licensed, if the applicant was licensed for the full calendar year. For licensure less than one (1) year, the department will prorate the six (6) sales requirement provided in section 301.550, RSMo, by requiring one (1) sale for each full two (2)-month period licensed.

(2) A certificate of number issued to a boat dealer shall be displayed on a vessel or vessel trailer owned and held for resale by the licensee. In addition to obtaining a certificate of number, a boat dealer or manufacturer may obtain a boat dealer trailer license plate solely for the purpose of demonstrating a vessel trailer. A certificate of number or boat dealer trailer license plate may be displayed on a vessel trailer which is transporting a vessel for demonstration or to an exhibit or show as long as both units are for resale.

(3) Dealer license plates or certificates of number may only be used by an employee, owner or officer of the licensee or customer test driving the motor vehicle, trailer or vessel. If a licensee dies or becomes incapacitated, the heirs or estate of the licensee or legal guardian may retain these items for no more than one hundred eighty (180) days after death or incapacitation, or until the license expires, whichever comes first, in which to settle the affairs of the licensee or to apply for a new license in the name of the successor.

#### **12 CSR 10-26.090 Regulation of Off-Premises Shows and Tent Sales**

*PURPOSE: This rule specifies the requirements a motor vehicle dealer must meet in order to participate in a show or sale conducted away from their bona fide established place of business as provided in section 301.566, RSMo.*

(1) For purposes of this rule, dealers shall be divided into classes, as provided in section 301.550.3, RSMo, as follows:

(A) Classic motor vehicle dealer—A dealer of motor vehicles at least five (5) years of age that were produced in limited numbers or otherwise have special value unrelated to basic transportation, excluding recreational motor vehicles, historic motor vehicles, motorcycles, motortricycles and all terrain vehicles;

(B) Franchised new motor vehicle dealer—A dealer of new motor vehicles, excluding recreational motor vehicles, motorcycles, motortricycles and all terrain vehicles, and of used motor vehicles for sale. The term “franchised new motor vehicle dealer” is not synonymous with the term “new motor vehicle franchise dealer” as defined in section 301.550.1, RSMo. It is a narrower term that excludes dealers of recreational motor vehicles, motorcycles, motortricycles and all terrain vehicles;

(C) Historic motor vehicle dealer—A dealer of motor vehicles that are at least twenty-five (25) years old, excluding recreational motor vehicles, classic motor vehicles, motorcycles and motortricycles;

(D) Powersport dealer—A dealer who sells, either pursuant to a franchise agreement or otherwise, primarily motor vehicles including but not limited to motorcycles, all-terrain vehicles and personal watercraft as those terms are defined in Chapters 301 and 306, RSMo;

(E) Recreational motor vehicle dealer—A dealer of new or used motor vehicles designed, constructed or substantially modified for use as temporary housing quarters, including sleeping and eating facilities which are either permanently attached to the motor vehicle or attached to a unit which is securely attached to the motor vehicle;

(F) Used motor vehicle dealer—A dealer of used motor vehicles, provided that the majority of units sold are not motorcycles, motortricycles, personal watercraft or recreational motor vehicles. The term “used motor vehicle dealer” as used in section 301.550.3, RSMo is not synonymous with the term as used in section 301.550.1, RSMo. As used in this rule, the term is a narrower term that excludes dealers of historic motor vehicles, classic motor vehicles and wholesale motor vehicles; and

(G) Wholesale motor vehicle dealer—A dealer of motor vehicles only to new motor vehicle franchised dealers or other used motor vehicle dealers or via auctions limited to other dealers of any class.

(2) For the purpose of determining pursuant to section 301.566.1, RSMo, whether a majority of the motor vehicle dealers within a class of dealers in a city or town participate or are invited and have the opportunity to participate in an off-premises show or sale, any dealers whose official mailing address is in the city or town shall be included.

(3) If motor vehicle dealers from more than one city or town are to participate in the same off-premises show or sale, a majority of the dealers in each such city or town must participate or be invited and have the opportunity to participate.

(4) Show, as used in section 301.566, RSMo, shall be deemed to include the stationary display of all or any part of a motor vehicle dealer’s inventory at any location other than the dealer’s usual, bona fide established place of business, regardless of whether sales agents or other dealership employees or owners are present to promote the sale of or to sell the displayed vehicle(s) or to otherwise transact business concerning the dealership, except:

(A) Promotions or contests, conducted by a person or business who is not a licensed motor vehicle dealer, which involve the sta-

tionary display of a dealer’s motor vehicle as a means of attracting attention to and participation in the promoter’s event, service or product. The dealer providing the motor vehicle must remove all items identifying the dealership from the motor vehicle prior to its display, with the exception of such information as may be required by federal or state law to be displayed on the vehicle. The promoter, not the dealer, may identify the dealer only by means of a notation on its promotional material stating “vehicle provided courtesy of (name of dealer)” or similar language;

(B) The display of motor vehicles at meetings of organizations which are open only to members of the organization and not to the general public;

(C) The display of motor vehicles at the Missouri State Fair; and

(D) Parades in which one (1) or more local dealerships provide motor vehicles from their inventory to be driven as part of the parade.

(5) Trailers and vessels, including personal watercraft, are excluded from the provisions of this rule.

*PURPOSE: This rule establishes procedures for review of a license denial or the imposition of discipline.*

(1) The department shall determine the qualifications of applicants and shall investigate violations of applicable statutes and rules by licensees. Upon a finding of grounds, as set forth in section 301.562, RSMo, the department may refuse to issue or renew a license or may impose disciplinary action on the licensee. Such disciplinary action may include private reprimand, probation for a period of one (1) day to five (5) years, suspension of license from one (1) day to six (6) days or revocation of license.
