PURPOSE: The director of the Department of Revenue is charged with the responsibility of receiving dealers’ monthly sales reports and securing power of attorney forms. This rule establishes time limits and guidelines concerning the submission of those reports.

(1) Every motor vehicle and boat dealer shall file a monthly sales report on a form prescribed by the director of revenue in accordance with section 301.280, RSMo. This report shall be completed in full and actually received by the Department of Revenue on or before the fifteenth day of the month following the month for which the sales are being reported. (Example: Sales occurring during the month of July must be filed on or before August 15.)

(A) If any due date for filing the report falls on a Saturday, Sunday or legal holiday in this state, the report shall be considered timely if it is filed on the next day which is not a Saturday, Sunday or legal holiday.

(B) If any monthly sales report required to be filed on or before a prescribed date is delivered after that date by United States mail, postage prepaid and addressed to the Department of Revenue, the date of the United States postmark stamped on the envelope shall be deemed to be the date of filing. Official United States postmarks will suffice as proof of mailing. Reports may also be submitted by certified mail, registered mail or the dealer may obtain a validated certificate of mailing or receipt from the United States Post Office to establish date of mailing.

(2) If no sales occur in any given month, a report must be submitted for that month indicating no sales.

(3) No motor vehicle or boat dealer, his/her agent or representative shall willfully or knowingly make a false statement in any monthly sales report required by section 301.280, RSMo and this rule; nor shall s/he, his/her agent or representative omit any information requested or fail to report any sale made by the dealership.

(4) Every motor vehicle and boat dealer shall retain copies of the sales reports submitted to the Department of Revenue as part of the records to be maintained at the dealership location as provided in section 301.560.1., RSMo and shall hold them available for inspection by appropriate law enforcement officials, officials of the Department of Revenue and the Motor Vehicle Commission.

(5) Every motor vehicle dealer shall submit the original secure power of attorney form (see 12 CSR 10-23.420) in which the dealer is listed as purchaser and a copy of the corresponding certificate of title with the dealer’s monthly sales reports as provided in 12 CSR 10-23.420. Secure power of attorney forms and copies of the corresponding titles received by a dealer in a particular month should be submitted with the sales report completed for that month.

Burtrum Brothers Motor Co., Inc. v. Director of Revenue, Case No. RV-86-0650 (A.H.C. II/10/87). The Administrative Hearing Commission upheld the Department of Revenue’s determination that petitioner failed to make the requisite number of sales. The Administrative Hearing Commission found that the “sales” reported by petitioner were sham transactions in that the buyer never took possession of the vehicles, titles remained in the petitioner’s possession and the titles were not assigned to the alleged purchaser. Furthermore, the commission rejected the argument that respondent’s only remedy when insufficient sales are made is to refuse to renew registration for the following year. The Administrative Hearing Commission held that the Department of Revenue may revoke a registration for petitioner’s attempt to conceal its ineligibility by reporting sham transactions.

12 CSR 10-23.070 Regulation of Dealer License Plates

PURPOSE: The director of the Department of Revenue is charged with the responsibility of regulating the license plates issued to dealers. This rule establishes safeguards to prevent unauthorized use of dealer plates.

(1) Whenever a dealer is no longer entitled to registration pursuant to section 301.251, RSMo through voluntary cessation of business, abandonment of a bona fide established place of business, failure to make four (4) sales per year, suspension or revocation of its registration, sale of the business, declaration of bankruptcy or for any other reason, the dealer license plates issued to that dealer immediately shall be surrendered to the director regardless of the unexpired time remaining in the registration period applicable to that license plate.

(2) Dealer license plates are issued primarily for the purpose of allowing a potential buyer to test drive a motor vehicle owned and held for resale by a dealer. A secondary purpose is to allow the transportation of vehicles owned by a dealer or manufacturer and held for the purpose of resale. Therefore, dealer plates may be displayed only on a motor vehicle or trailer that is—

(A) Owned by the manufacturer/dealer; and
(B) Held for resale.

(3) Vehicles on which the plates are displayed may be operated by—

(A) A customer who is test driving the motor vehicle;
(B) An owner, officer or employee of the manufacturer/dealer;
(C) A buyer as provided in section 301.140.3., RSMo; or
(D) A customer who is test driving a truck or a trailer under loaded conditions provided a written demonstration agreement signed by the prospective customer and the dealer is present in the vehicle. The motor vehicle or trailer may be test driven for no more than twenty-four (24) hours if the vehicle is being operated in Missouri or for one (1) round trip only if being test driven outside Missouri. The written demonstration agreement must be on the dealership’s stationery and include the following items:

1. A statement that the vehicle is being used for demonstration purposes only;
2. A description of the vehicle; that is, year, make and vehicle identification number;
3. The name of the person or company demonstrating the vehicle;
4. The dealer number;
5. A statement of the type of property being transported;
6. The date and time the demonstration began; and
7. If the vehicle is being demonstrated on a round trip outside Missouri, the estimated date the vehicle will be returned to the dealership.

(4) Section 301.253, RSMo provides that dealer plates may be displayed on any motor vehicle used by an employee or officer and owned by the manufacturer, distributor or dealer, but shall not be displayed on any motor vehicle or trailer hired or loaned to others or upon any regularly used service or wrecker vehicle. Therefore, dealer license plates may not be displayed on the following:

(A) Motor vehicles or trailers that are rented or leased;
(B) Motor vehicles or trailers that are loaned to someone other than an owner, officer or employee of the dealership (for example, a dealer may not loan a motor vehicle displaying a dealer license plate to his/her customer while the customer’s vehicle is being serviced or repaired);
(C) Motor vehicles or trailers that are used for hauling or towing;
(D) Motor vehicles or trailers used by anyone who is not an officer or employee of the manufacturer/dealer, this includes relatives of employees and officers;
(E) Motor vehicles or trailers that are not for resale; and
(F) Any boat or vessel.

(5) Dealer plates displayed on all motor vehicles, other than motorcycles and motortricycles, must be twelve inches by six inches (12" × 6") in size.

PURPOSE: This rule establishes categories of specialized personalized license plates as well as the procedure for application for and issuance of the personalized license plates.

Example: No personalized license plate containing numbers only will be issued with more than four (4) characters and no personalized license plate will be issued containing one (1) letter followed by more than three (3) numbers and no plates will be issued containing a number immediately preceded by the letter D as the first character in the combination.

(7) No refunds will be made on the unused portion of any license plates surrendered for personalized license plates, including collegiate license plates.

This includes any request for transfer by gift, trust, will or judicial proceeding.

(17) Upon approval of an application for personalized license plates, including collegiate license plates, the Department of Revenue will contact the applicant with instructions as to the date and location at which the personalized plates may be obtained and the outstanding plates exchanged.

(18) An applicant may request that personalized license plates, including collegiate license plates, be issued to any particular motor vehicle which s/he owns, other than a commercial vehicle licensed for more than twelve thousand pounds (12,000 lbs.), provided that the vehicle is of a category for which the personalized plates were manufactured.

(19) Once an owner obtains personalized license plates, including collegiate license plates, s/he shall have first priority on those plates for each of the following years that s/he makes timely and appropriate reapplication (renewal) for those plates and pays the annual fee of fifteen dollars ($15) and any special plate fee required by law, in addition to the regular registration fees and for collegiate license plates, submits a new emblem-use authorization statement.
