(1) By April 1 of each year, the board shall mail an application for renewal of license, to the last recorded address on file, to every person to whom a license was issued or renewed during the current year.

(2) As a requirement for renewal of license, a licensee shall provide the board, on the annual application form for license renewal, satisfactory evidence of twenty (20) clock hours of board-approved continuing education obtained during the current licensure year or carried from the preceding year. A minimum of five (5) clock hours must be in patient-care related offerings, as defined in 13 CSR 73-2.031(2)(A)—(F) and must be obtained during the current licensure year.

(A) A minimum of fifteen (15) clock hours toward the twenty (20) required shall be obtained through attendance at board-approved continuing education programs or academic courses, as defined in 13 CSR 73-2.031(2)(A)—(K), and must meet the following criteria:

1. Be prior approved by the board. In the case of academic courses, the licensee must submit a course description from the college for board review. 4. An administrator lecturing at a board-approved seminar may receive credit equal to each hour or quarter hour of presentation time with a maximum of three (3) hours credit earned per licensure year. This credit may be in addition to actual hours of attendance at the seminar but credit shall be granted for only one (1) presentation of the same seminar.

(C) Applicants who are initially licensed between January 1 and April 30 in any year need only to complete ten (10) clock hours of board-approved continuing education, at least two and one half (2 1/2) of which must be in patient care-related offerings, for their first renewal period.

The licensee shall submit a completed application within the thirty (30)-day period or the board may refuse to renew the license. The notarized renewal application, fee and supporting documentation must all be submitted to the board office prior to June 30 to avoid the late penalty fee of twenty-five dollars (\$25).

(4) When the required information, documentation and fee are received and approved by the board within the specified time period, the board shall issue the annual license.

The passing score shall be based upon the scale score passing point of one hundred thirteen (113) on the federal portion of the examination and seventy-five percent (75%) on the state portion of the examination.

(7) If an applicant fails to make a passing grade on one or both of the required examinations, the applicant may make application for reexamination and pay the required fees. If an applicant fails only one of the required examinations and then fails to retake and pass the examination within a twelve (12)-month period, the applicant shall be required to take and pass both examinations before the board will issue the applicant a license.

(8) If an applicant fails the examination a third time, the applicant must complete a course of instruction prescribed and approved by the board. After completion of the board-prescribed course of instruction, the applicant may reapply for board-approved examination(s). No applicant shall be licensed by the board after a third licensure examination failure unless the applicant successfully completes the board-prescribed course of instruction and passes the board-approved examination(s). With regard to any nationally certified examination required for licensure, no examination scores from other states shall be recognized by the board after the applicant has failed for a third time to pass the examination.

### 13 CSR 73-2.085 Public Complaints

*PURPOSE:* This rule establishes a procedure for receipt, handling and disposition of public complaints by the board of nursing home administrators.

(1) The State Board of Nursing Home Administrators shall receive and process each complaint made against any licensed nursing home administrator, or other person or entity, which complaint alleges certain acts or practices which may constitute one (1) or more violations of the provisions of Chapter 344, RSMo. Any member of the public or the profession, or any federal, state or local official, may make and file a complaint with the board. Complaints received from sources outside Missouri will be processed in the same manner as those originating within Missouri. No members of the State Board of Nursing Home Administrators shall file a complaint with this board while s/he holds that office, unless that member excuses him/herself from further board deliberations or activity concerning the matters alleged within that complaint. Any staff member or employee of the board may file a complaint pursuant to this rule in the same manner as any member of the public.

(2) Complaints should be mailed or delivered to the following address: State Board of Nursing Home Administrators, P. O. Box 1337, 615 Howerton Court, Jefferson City, MO 65102. However, actual receipt of the complaint by the board at its administrative offices in any manner shall be sufficient. Complaints may be based upon personal knowledge, or upon information and belief, reciting information received from other sources.

(3) All complaints shall be made in writing and shall fully identify their maker by name and address. Complaints may be made on forms provided by the board, which shall be available upon request. Complaints need not be made by affidavit, but oral or telephone communications will not be considered or processed as complaints. Any person attempting to make an oral or telephone complaint against an individual will be provided with a complaint form and requested to complete it and return it to the board. Any staff member or employee of the board may make and file a complaint based upon information and belief, in reliance upon oral, telephone or written but unsigned communications received by the board, unless those communications are believed by that staff member or employee to be false.

(4) Each complaint received under this rule shall be logged in a book maintained by the

board for that purpose. Complaints shall be logged in consecutive order as received. The logbook shall contain: a record of each complainant's name and address; the name and address of the subject(s) of the complaint; the date each complaint is received by the board; a brief statement of the acts complained of, including the name of any person injured or victimized by the alleged acts or practices; a notation whether the complaint resulted in its dismissal by the board or in formal charges being filed with the Administrative Hearing Commission; and the ultimate disposition of the complaint. This logbook shall be a closed record of the board.

(5) Each complaint logged pursuant to this rule shall be acknowledged in writing. The acknowledgment shall state that the complaint is being investigated and shall be referred to the board or an appropriate board subcommittee for consideration following the investigation. The complainant may be notified of the ultimate disposition of the complaint, excluding judicial appeals, and may be provided with a copy of the decisions (if any) of the Administrative Hearing Commission and the board. The provisions of this section shall not apply to complaints filed by staff members or employees of the board, based upon information and belief, acting in reliance on third-party information received by the board.

(6) Both the complaint and any information obtained as a result of the complaint investigation shall be considered a closed record of the board and shall not be available for inspection by the public.

(7) This rule shall not be deemed to limit the board's authority to file a complaint with the Administrative Hearing Commission or with a court, charging a licensee, permittee or other person or entity with any actionable conduct or violation, whether or not this complaint exceeds the scope of the acts charged in a preliminary public complaint filed with the board and whether or not any public complaint has been filed with the board.

(8) The board interprets this rule, which is required by law, to exist for the benefit of those members of the public who submit complaints to the board. This rule is not deemed to protect or to inure to the benefit of those licensees, permit holders, registrants or other persons or entities against whom the board has instituted or may institute administrative or judicial proceedings concerning possible violations of the provisions of Chapter 344, RSMo.
