niles**

*PURPOSE: The purpose of this rule is to outline the procedures to be followed in implementing the operation of the Interstate Compact on Juveniles (section 210.570, RSMo (1986)). This law states: "That juveniles who are not under proper supervision and control, or who have absconded, escaped or run away, are likely to endanger their morals and welfare, and the health, morals and welfare of others." Article XII of the compact provides that the governor of each state party to this compact shall designate an officer who, acting jointly with like officers of other party states, shall promulgate rules to carry out more effectively the terms and provisions of this compact. By executive order dated July 16, 1974, the governor transferred authority for the administration of the compact to the Division of Youth Services and its director. The compact administrators, acting jointly as an association, with the cooperation and assistance of the Council of State governments, have promulgated such rules which have been incorporated into the **Juvenile Compact Manual**. A copy of this manual is on file with the secretary of state and at the headquarters of the Division of Youth Services, Fifth Floor, Broadway Building, P.O. Box 447, Jefferson City, Missouri, (314) 751-3324.*

Editor's Note: The secretary of state has determined that the publication of this rule in its entirety would be unduly cumbersome or expensive. The entire text of the rule has been filed with the secretary of state and is summarized here by the agency adopting it. The entire text of the rule may be found at the headquarters of the agency and is available to any interested person at a cost not more than the actual cost of reproduction.

(1) The *Juvenile Compact Manual* establishes rules and procedures with respect to—

(A) The cooperative supervision of delinquent juveniles on probation and parole who have been placed in another state;

(B) The return from one state to another state of delinquent juveniles who have absconded from the jurisdiction of juvenile

courts or state agencies having acquired jurisdiction from juvenile courts;

(C) The return from one state to another of nondelinquent juveniles who have run away from home; and

(D) Additional measures for the protection of juveniles and of the public which any two (2) or more of the party states may find desirable to undertake cooperatively.

(2) Missouri along with all other states and the District of Columbia has ratified the Interstate Compact on Juveniles. Section 210.580, RSMo (1986) makes the compact binding upon this state. Section 210.590, RSMo (1986) mandates all courts, departments of the state and its political subdivisions, police and law enforcement agencies and other proper officers of the state and its political subdivisions, to cooperate with the compact administration and to act appropriately in effecting the purpose and intent of the compact in those activities which rightfully fall within their respective jurisdictions.
