**Title 19—DEPARTMENT OF  
HEALTH****Division 40—Division of Maternal,  
Child and Family Health  
Chapter 2—Chronic Diseases**

*Original rule filed Nov. 8, 1984, effective  
Feb. 11, 1985.*

**19 CSR 40-2.010 Requirements for Par-  
ticipating in the Hemophilia Program**

*PURPOSE: This rule establishes the requirements for participation in the Missouri Hemophilia Program as a patient and as a provider of diagnosis, treatment or blood products for patients in the program.*

*Editor's Note: The secretary of state has determined that the publication of this rule in its entirety would be unduly cumbersome or expensive. The entire text of the rule has been filed with the secretary of state. The entire text of the rule may be found at the headquarters of the agency and is available to any interested person at a cost established by state law.*

(1) To be eligible to receive assistance from the Missouri Hemophilia Program —

(A) The individual must be diagnosed as having a hereditary disorder of blood coagulation;

(B) The individual shall have on file with the Missouri Hemophilia Program a completed application and verification of his/her own income or, if the individual is under twenty-one (21) years of age, the income of his/her parents or guardian. An Internal Revenue Service Form 1040 or a valid substitute shall be submitted upon request of the program administrator;

(C) The individual shall show that all benefits of insurance coverage and other assistance programs have been exhausted, as required in section 191.335, RSMo (1986); and

(D) The individual may be required to make payments for charges after insurance and other assistance. These charges are determined by a sliding percentage scale matched against the individual's income.

(2) Providers of diagnoses, treatment or blood products to persons participating in the Missouri Hemophilia Program shall be under contract with the Department of Health. Any facility under contract with the Department of Health to provide comprehensive treatment shall meet the criteria of a hemophilia treatment center as established by the Department of Health with the counsel of the Hemophilia Advisory Committee in *Hemophilia Diagnostic and Treatment Center Criteria*.
