1 CSR 40-1.050 Procedures for Solicitation, Receipt of Bids, and Award and Administration of Contracts

PURPOSE: This rule prescribes procedures for soliciting and receiving bids and for awarding contracts.

(1) When the procurement is estimated to be less than twenty-five thousand dollars (\$25,000), an informal method of solicitation may be utilized. Informal methods of procurement may include Request for Quotation (RFQ), telephone quotes, etc.

(A) The division will establish a target date and time for submission of informal bids.

(B) The division may proceed with the evaluation and award anytime after the expiration of the target date and time. Bids received after the target date and time but before the award of a contract may be included in the evaluation at the discretion of the division.

(2) When the procurement is estimated to be twenty-five thousand dollars (\$25,000) or more, a formal method of solicitation must be utilized. Formal competitive bidding may be accomplished by utilizing an Invitation for Bid (IFB).

(A) Formal bids should be received in the division or a secured electronic database in a sealed format by the time set for the opening of bids.

(B) Formal bids received after the time set for the opening of bids shall be considered late and will not be opened.

(C) Under extraordinary circumstances, the director or designee, may authorize the opening of a late bid. In such cases, the bid must have been turned over to the physical control of an independent postal or courier service with promised delivery time prior to the time set for the opening of bids. All such decisions are at the sole discretion of the

director or designee. The following guidelines may be utilized to determine the criteria for an extraordinary circumstance:

1. State offices were closed due to inclement weather conditions;

2. Postal or courier services were delayed due to labor strikes or unforeseen "Acts of God";

3. Postal or courier service did not meet delivery time promised to the bidder. In such a case, the bidder must provide written proof that promised delivery time was prior to the time set for the opening of bids.

(D) Bids received in response to an IFB shall be available for public review after the bid opening during regular working hours.

(E) When the division decides that all bids are unacceptable and circumstances do not permit a rebid, negotiations may be conducted with only those bidders who submitted bids in response to the IFB. No additional bidders may be solicited. Upon determination that negotiations will be conducted, the bids and related documents will be closed to public viewing in accordance with section 610.021, RSMo.

(3) When the procurement requires the utilization of competitive negotiation, the formal Request for Proposal (RFP) solicitation method should be utilized.

(A) Formal proposals should be received in the division or a secured electronic database in a sealed format by the time set for the opening of the proposals.

(B) Formal proposals received after the time set for the opening of bids shall be considered late and will not be opened.

(C) Under extraordinary circumstances, the director or designee, may authorize the opening of a late bid. In such cases, the bid must have been turned over to the physical control of an independent postal or courier service with promised delivery time prior to the time set for the opening of bids. All such decisions are at the sole discretion of the director or designee. The following guidelines may be utilized to determine the criteria for an extraordinary circumstance:

1. State offices were closed due to inclement weather conditions;

2. Postal or courier services were delayed due to labor strikes or unforeseen "Acts of God";

3. Postal or courier service did not meet delivery time promised to the offeror. In such a case, the offeror must provide written proof that promised delivery time was prior to the time set for the opening of proposals.

(D) Proposals received in response to an RFP shall not be available for public review

until after a contract is executed or all proposals are rejected.

(E) Offerors who obtain information concerning a competitor's proposal may be disqualified for consideration for a contract award.

(4) When the supplies meet the criteria delineated in section 34.044, RSMo, the division may elect to utilize the Single Feasible Source procurement method. The following delineates additional guidelines and examples to determine satisfaction of the criteria:

(A) The following guidelines may be utilized to determine if supplies may be purchased as a single feasible source due to being proprietary:

1. The parts are required to maintain validity of a warranty;

2. Additions to a system must be compatible with original equipment;

3. Only one (1) type of computer software exists for a specific application; or

4. Factory authorized maintenance must be utilized in order to maintain validity of a warranty;

5. The materials are copyrighted and are only available from the publisher or a single distributor; and

6. The services of a particular provider are unique, e.g. entertainers, authors, etc.;

(B) If past procurement activity indicates that only one (1) bid has been submitted in a particular region, a single feasible source procurement may be authorized. In these situations the division will monitor the market for developing competition; and

(C) The following guidelines will be utilized to determine if supplies may be purchased as a single feasible source due to being available at a discount for a limited period of time:

1. The discounted price must be compared to a price established through a reasonable market analysis; and

2. The discounted price should normally be at least ten percent (10%) less than the current contract or other comparable price. A discount of less than ten percent (10%) may be acceptable under appropriate market conditions. The discount should be compared to a price which, where feasible, should be no more than twelve (12) months old.

(5) When conditions meet the criteria outlined in section 34.045, RSMo, emergency procurement procedures may be utilized. The requirement for formal competitive bids or proposals may be waived. However, the emergency procurement should be made with as much informal bidding as practicable.

Emergency procedures should only be utilized to purchase those supplies which are necessary to alleviate the emergency.

(6) When circumstances dictate that it would be most advantageous, the state may purchase supplies from or in cooperation with another governmental entity.

(A) Supplies purchased from another governmental entity should be limited to those supplies which are provided directly by such entity.

(B) Supplies purchased in cooperation with another governmental entity may be purchased based on contracts established in accordance with that entity's laws and regulations.

(7) Regardless of the solicitation method utilized, the following procedures shall apply:

(A) The division shall develop standardized terms and conditions to be included with the solicitation documents;

(B) The division may request bids/proposals for new equipment employing the trade-in of used equipment. The solicitation document may request pricing with a trade-in and without a trade-in;

(C) The division may require bid/proposal security and/or performance security.

1. The acceptable form and amount of the bid/proposal security shall be stipulated in the solicitation document.

2. The bid/proposal securities of unsuccessful vendors may be returned after the finalization of the award. If the successful vendor fails to accept the contract, the amount of the bid/proposal security may be forfeited to the state.

3. If a performance security is required, the bid/proposal security of the successful vendor may be returned after the receipt of the performance security. The acceptable form and amount of the performance security will be stipulated in the solicitation document. If the contractor fails to submit the performance security as required, the bid/proposal security may be forfeited to the state and the contract shall be void;

(D) In the event that the division receives a container which is not identifiable as a specific bid/proposal, an authorized person within the division may open the container to determine the contents. If the contents are determined to be a bid/proposal, the container will be resealed and the solicitation number, opening date, and time will be noted on the outside. The container will then be filed until the official time for opening;

(E) After the bid/proposal opening, a vendor may be permitted to withdraw a bid/proposal prior to award at the sole discretion of

the division if there is a verifiable error in the bid/proposal and enforcement of the bid would impose an unconscionable hardship on the vendor. This withdrawal will be considered only after receipt of a written request and supporting documentation from the vendor. Withdrawal shall be the vendor's sole remedy for an error other than an obvious clerical error. Withdrawal of a bid/proposal may result in forfeiture of the bid/proposal security;

(F) For bids/proposals with a value of twenty-five thousand dollars (\$25,000) or more, bidders/offerors who can certify that goods or commodities to be provided in accordance with the contract are manufactured or produced in the United States or imported in accordance with a qualifying treaty, law, agreement, or regulation shall be entitled to a ten percent (10%) preference over bidders whose products do not qualify. Failure to provide a certification may result in forfeiture of any preference;

(G) Bids/proposals submitted for products and services manufactured, produced or assembled in qualified nonprofit organizations for the blind or in sheltered workshops holding a certificate of approval from the Missouri Department of Elementary and Secondary Education shall be entitled to five (5) bonus points in addition to other points awarded during the evaluation process. Bidders should notify the division if the products or services included in the bid meet these qualifications for bonus points;

(H) In addition to cost, subjective judgment may be utilized in the evaluation of bids/proposals provided that the method is published in the solicitation document;

(I) The division may request samples for evaluation purposes. Any samples requested must be provided free of charge. Samples which are not destroyed by testing will be returned at the vendor's expense if return of the samples is stipulated in the vendor's bid/proposal. Samples submitted by a vendor who receives the award may be kept for the duration of the contract for comparison with shipments received;

(J) During the course of a solicitation, vendors may be required to demonstrate proposed products. Such demonstration shall be coordinated by the division;

(K) When bids are equal in all respects, any preferences shall be applied in accordance with applicable statute. If all such bidders or none qualify for the statutory preference, the contract shall be awarded by a formal drawing of lot. Whenever practical, the drawing will be held in the presence of the vendors who are considered equal. If this

is not practical, the drawing will be witnessed by a disinterested person;

(L) The division may make multiple awards from a single solicitation document when such awards are in the best interest of the state;

(M) After an award is made, the solicitation file or facsimile thereof shall be made available to the public for inspection at any time during regular working hours;

(N) Neither a contractor nor a state agency shall assign any interest in a contract to another party without written permission from the division;

(O) Unless otherwise specified in the contract, substitution of items, personnel or services shall require the approval of the division prior to shipment or performance; and

(P) Employees of the division, evaluators, and any other persons involved in procurement decisions shall not accept for personal benefit gifts, meals, trips or any other thing of significant value or of a monetary advantage, directly or indirectly, from a vendor.

(8) Contracts awarded as the result of a competitive solicitation may be amended when such an amendment is in the best interest of the state and does not significantly alter the original intent or scope of the contract.

(9) The division will encourage participation in the procurement process and fairness in consideration of bids/proposals submitted by Minority Business Enterprises (MBEs) and Women Business Enterprises (WBEs). Programs/procedures designed to accomplish these objectives may include: inclusion of MBE/WBE subcontractor requirements in solicitation documents, close review of requirements for bonding, targeted notice of procurement opportunities, utilization of minority and women personnel on evaluation committees, etc.

(10) A bid or proposal award protest must be submitted in writing and must be received by the division within ten (10) calendar days after the date of award. If the tenth day falls on a Saturday, Sunday or state holiday, the period shall extend to the next state business day. A protest submitted after the ten (10) calendar day period shall not be considered. The written protest should include the following information:

(A) Name, address, and phone number of the protester;

(B) Signature of the protester or the protester's representative;

(C) Solicitation number;

(D) Detailed statement describing the grounds for the protest; and

(E) Supporting exhibits, evidence, or documents to substantiate claim.

1 CSR 40-1.060 Vendor Registration, Notification of Bidding Opportunities, Suspension and Debarment

PURPOSE: This rule describes procedures for vendor registration, vendor notification of bidding opportunities and procedures for suspension and debarment of vendors.

(1) Any individual, business or organization may complete a vendor registration in order to be added to the official vendor data base. It is the vendor's sole responsibility to update their vendor registration information.

(2) A person, business or corporation contracting with the state shall be considered as an independent contractor and shall not be considered nor represent him/herself as an employee or agency of the state. A corporation must be authorized to do business in Missouri by registering with the Office of the Secretary of State before proceeding with work under a contract unless specifically exempt pursuant to section 351.572, RSMo.

(3) The Division of Purchasing and Materials Management will institute an annual fee to allow registered vendors the ability to receive automatic e-mail notification of bidding opportunities for their selected commodity/service codes through the online registration system and the ability to submit electronic bids.

(4) E-mail notification and online bidding capabilities will be limited to those vendors that have properly registered and paid the annual fee.

(5) The director, or designee, may suspend a vendor for cause. The vendor shall be mailed a formal notice of suspension outlining the reasons for, the specific conditions of, and the effective period of the suspension. Upon completion of the suspension period it shall be the responsibility of the vendor to request reinstatement if desired. A request for reinstatement should be made in writing.

(A) Any bids/proposals submitted by the suspended vendor shall not be considered.

(B) The suspension of a vendor may be for a period of up to one hundred eighty (180) days for a first violation, and for not more than a year for subsequent violation(s).

(C) The vendor may appeal suspension by submitting a written request to the director or commissioner within fourteen (14) calendar days after receipt of the formal notice. The vendor must provide specific evidence and reasons why suspension is not necessary. On the basis of this information, the suspension may be modified, rescinded, or affirmed. The decision shall be final and mailed to all parties.

(6) The director may debar a vendor whenever, in the director's sole discretion, it is in the best interest of the state to do so. A vendor may be debarred for a single incident of serious misconduct or after multiple less serious incidents. The director shall notify the vendor of the reason for debarment and any action the vendor must take in order to be found eligible to contract again.

(A) Any bids/proposals submitted by the debarred vendor shall not be considered.

(B) The vendor may appeal the debarment by requesting that the determination be reviewed by the commissioner of administration or the commissioner's designee. Any request for review must be in writing and filed with the commissioner within fourteen (14) calendar days after the date of receipt of the notice of debarment. The request must set forth specific evidence and reasons why debarment should be reversed. The commissioner's determination shall be final and shall be mailed to all parties involved.

(7) The following shall be sufficient cause for suspension or debarment. The list is not meant to be all inclusive but shall serve as a guideline for vendor discipline and business ethics.

(A) Failure to perform in accordance with the terms and conditions and requirements of a contract/purchase order;

(B) Violating any federal, state or local law, ordinance or regulation in the performance of a contract/purchase order;

(C) Providing false or misleading information on an application, in a bid/proposal, or in correspondence to the division or a state agency;

(D) Failing to honor a bid/proposal for the length of time specified;

(E) Colluding with others to restrain competition;

(F) Obtaining information, by whatever means, related to a proposal submitted by a

competitor in response to a Request for Proposal in order to obtain an unfair advantage during the negotiation process;

(G) Contacting proposal/bid evaluators or any other person who may have influence over the award, without authorization from the division, for the purpose of influencing the award of a contract; or

(H) Giving gifts, meals, trips or any other thing of value or a monetary advantage for personal benefit, directly or indirectly, to an employee of the division or to any evaluator of bids/proposals.
