*PURPOSE: This rule determines the requirements a school must meet to qualify for the instructor training program.*

(2) All schools in Missouri approved by the board for instructor training shall provide a minimum of six hundred (600) hours of training over a period of not less than six (6) months in a curriculum defined by section 329.080, RSMo. Instructor trainee applicants desiring credit for college courses in teaching methodology or for practical experience as a licensed Class CA, Class CH, Class MO and Class E shall submit a request to the board in accordance with 4 CSR 90-12.020.

(3) Curriculum for instructor training shall include both theory and practical clinic training to include the following:

(A) Two hundred (200) hours—basic principles of student teaching to include: teaching principles, lesson planning, curriculum planning and class outlines, teaching methods, teaching aids, testing and evaluation;

(B) Fifty (50) hours—psychology, as applied to cosmetology, personality and teaching; teacher evaluation, counseling, theories of learning; and speech;

(C) Fifty (50) hours—business experience or management including: classroom management, record keeping, buying and inventorying supplies, and state law; and

(D) Three hundred (300) hours—practice teaching in both theory and practical application.

(4) It shall be the responsibility of the school to submit instructor trainee enrollment forms to the board at least two (2) weeks prior to the anticipated commencement of an instructor trainee's studies. The application shall be properly completed on a form supplied by the board and shall be accompanied by the following: proof of successful completion of a twelfth grade education (diploma or general educational development (GED) certificate), a sworn statement by the applicant that s/he is

in good physical and mental health, two (2) bust photographs measuring two inches by two inches (2" × 2") taken within the last two (2) years and the enrollment fee. No instructor trainee shall receive any credit for training received at a school until the application is received and approved by the board and the instructor trainee is returned to the school. The instructor trainee license is not transferable and shall be conspicuously displayed within the school with a photograph taken within the last two (2) years.

(5) Every school which teaches all the classified occupations of cosmetology in Missouri shall employ and have present in the school a minimum of one (1) licensed instructor for every twenty-five (25) students and every three (3) instructor trainees enrolled and scheduled to be in attendance for a given class period. Instructor trainees shall not be considered students for purposes of this requirement. Any school which has been approved for instructor training by the board shall submit proof to the board that a substitute instructor will be available to that school to assume continuous, uninterrupted instruction. Satisfactory proof will be demonstrated by a contract of agreement, an affidavit or other evidence found to be adequate and trustworthy.

(6) Within two (2) weeks of the termination of training of any instructor trainee, it shall be the responsibility of the holder of the license to operate a school to submit to the board a properly completed termination form for the trainee. The form shall be approved by the board and shall contain or be accompanied by the following information:

ing items: video recorder, overhead projector, film projector, educational films and screen;

(B) One chalk board, at least size four feet by six feet (4' × 6');

(C) A reference library for instructor trainees containing the following suggested materials: cosmetology textbooks, instructor's manual, textbook on histology and trade publications; and

(D) Other equipment as deemed necessary and reasonable by the State Board of Cosmetology.

(8) All schools' training instructors are required to provide each instructor trainee with an identifying badge designating "Instructor Trainee" to be worn by the instructor trainee at all times during his/her training course.

(9) Under no circumstances shall instructor trainees be allowed to practice cosmetology for compensation during training hours. Every school shall allow its instructor trainees to perform only bona fide demonstrations on members of the general public. A bona fide demonstration is one performed for the instruction of students where one (1) or more students actually observe or participate in the work being performed by the instructor trainee.

(10) No portion of an instructor trainee's minimum training requirements may be obtained in course work or demonstrations outside the school of his/her enrollment unless a specific request for this program of instruction is submitted to the board by the school on a form supplied by the board no fewer than ten (10) working days prior to the next regular meeting of the board and approval is given by the board prior to the requested program. Requests received fewer than ten (10) working days prior to the next meeting shall be placed on the agenda for the following meeting. The required ratio of instructor supervision shall be maintained and instructor trainee attendance at the activity verified. Credit shall not be given for time in transit to and from the activity.

(11) Every school shall provide continuous and adequate supervision of its instructor trainees by a licensed instructor. Under no circumstances shall an instructor trainee be left solely in charge of a school.

(12) Every school licensed by the board shall be open to inspection by members or representatives of the board during normal working hours or at reasonable times as requested by the board.

**20 CSR 2090-12.020 Registration of Instructor Trainees**

*PURPOSE: This rule determines the requirements an applicant shall meet to qualify for an instructor training program.*

(1) Any person desiring to enroll as an instructor trainee shall contact the school of intended enrollment and complete an instructor trainee enrollment form supplied by the board. At least two (2) weeks prior to the anticipated commencement of the instructor trainee's program of instruction, the properly completed form shall be submitted by the school to the board and shall include or be accompanied by the following: proof of successful completion of a twelfth grade education (diploma or general educational development (GED) certificate), a sworn statement by the applicant that s/he is in good physical and mental health, two (2) bust photographs measuring two inches by two inches (2" x 2") that have been taken within the last two (2) years and the enrollment fee.

(2) No person shall be given credit for any training received in a school until a properly completed instructor trainee enrollment form has been received and approved by the board and an instructor trainee license is returned to the school. The applicant shall only be eligible for an instructor trainee license for the classified occupation(s) of cosmetology for which the applicant is currently licensed as an operator. If the enrollment school is not licensed to teach and instruct in all classified occupations of the trainee, the instructor trainee shall be limited to the instructor license classification of the school. The instructor trainee license shall expire on the

expiration date. The expiration date will be calculated from the scheduled hours of attendance per week plus an additional fifty percent (50%) of the scheduled attendance period.

(3) Change of Status. For any instructor trainee desiring to make a change to his/her original enrollment application, continue training at the time application is made for examination or continue training beyond the expiration of the instructor trainee license, an application for change of status shall be made to the board on a form supplied by the board. The form shall be accompanied by the instructor trainee license and the enrollment fee and shall be postmarked no later than three (3) days from the effective date of the change of status. The change of status application shall include an interim certificate which shall be good for twenty (20) days from the date of application and shall be retained by the school to serve as the training license for the instructor trainee until the amended license is received from the board.

(4) Any instructor trainee applicant requesting credit for college courses in teaching methodology must submit to the board a certified transcript together with a course description certified by the administrating education institution as being primarily directed to teaching methodology. Four and one-half (4 1/2) college credit hours in teaching methodology may be substituted for three hundred (300) hours of training one hundred (100) hours for each three (3) college credit hour course). The three hundred (300) hours will be partially reduced in proportion to college credit hours in teaching methodology of less than four and one-half (4 1/2) hours.

(5) Any instructor trainee applicant requesting credit for full-time work experience as a licensed Class CA, Class CH, Class MO or Class E shall submit to the board an affidavit of work experience completed by each employer on a form supplied by the board. Three (3) years of experience may be substituted for three hundred (300) hours of training. The three hundred (300) hours will be partially reduced in proportion to experience greater than six (6) months but less than three (3) months.

(6) After completing six hundred (600) hours of instructor training and successfully passing the instructor examination, an instructor may teach any of the classifications of cosmetology provided s/he possesses a current operator and instructor license in the appropriate classification(s) for which s/he desires to teach.
