**20 CSR 2263-2.030 Supervised Licensed
Social Work Experience**

PURPOSE: This rule defines supervised licensed social work experience and sets out the supervised experience requirements for licensed clinical social workers and licensed baccalaureate social workers.

(1) The supervisor must have met the requirements for an acceptable supervisor at the time the supervision was performed. Supervision of the applicant for licensure shall not begin, and will only be acceptable to the committee, after the satisfactory completion of the educational requirements as set forth in the rules promulgated by the committee.

(2) Acceptable supervised licensed social work experience has the following characteristics:

(A) A minimum of two (2) hours every two (2) weeks of individual face-to-face supervision by the supervisor at the rate of no

fewer than forty-eight (48) weeks per calendar year. However, individual face-to-face supervision may be consolidated for up to four (4) weeks for a total of four (4) hours of individual face-to-face supervision per four (4)-week period. These hours shall be included in the total number of supervised hours required in subsection (2)(B). Fifty percent (50%) of supervision may be group supervision. For the purpose of this rule, group supervision may consist of at least three (3), and no more than six (6) supervisees. The use of electronic communications is acceptable for meeting supervision requirements of this rule only if the ethical standards for confidentiality are maintained, and communication is verbally and visually interactive between the supervisor and the supervisee;

(B) The minimum acceptable supervised experience shall be three thousand (3,000) hours obtained in no less than twenty-four (24) and no more than forty-eight (48) consecutive calendar months. The forty-eight (48)-month time frame may include periods of nonemployment and/or part-time employment. The total time frame is calculated in consecutive months, not the employment within that period. Supervised experience toward the three thousand (3,000) required hours which is not within a consecutive forty-eight (48)-month period, is not eligible for submission toward licensure; and

(C) The practice of clinical or baccalaureate social work of the supervisee shall be performed under the oversight, guidance, control and full professional responsibility of the supervisor, preapproved by the committee, in compliance with all laws and regulations relating to the practice of social work. In the event the applicant fails to pre-approve their supervisor(s), or are applying through reciprocity, the committee may review the supervision for compliance and consideration for licensure.

(3) Upon completion of twenty-four (24) months and three thousand (3,000) hours of supervised social work experience, an application for licensure must be submitted pursuant to the rules promulgated by the committee. All applicants for licensure must remain under approved supervision until the license is approved by the committee.

20 CSR 2263-2.031 Acceptable Supervisors and Supervisor Responsibilities

PURPOSE: This rule defines an acceptable supervisor and supervisor responsibilities.

(1) An acceptable supervisor for clinical social worker licensure is a Missouri licensed clinical social worker or licensed clinical social worker from another state whose licensure laws, as determined by the committee, are equivalent to Missouri. An acceptable supervisor for baccalaureate social worker licensure is a Missouri licensed clinical social worker or licensed clinical social worker from another state, or a Missouri licensed baccalaureate social worker or licensed baccalaureate social worker from another state, whose licensure laws, as determined by the committee, are equivalent to Missouri. The acceptable supervisor cannot be a relative of the supervisee.

(A) A relative is defined as spouse, parent, child, sibling of the whole or half-blood, grandparent, grandchild, aunt or uncle of the supervisee or one who is or has been related by marriage or has any other dual relationship.

(B) A licensed clinical social worker or licensed baccalaureate social worker whose license has been subject to probation, suspension or revocation may be prohibited from providing supervised social work experience in Missouri. The licensed social worker shall not supervise during the period the license is under discipline.

(C) A licensed clinical social worker holding an equivalent license in another state may supervise Missouri provisional licensed clinical social workers, registrants and applicants for licensure in that state but may not do so in Missouri since supervision is the practice of clinical social work according to sections 337.600–337.639, RSMo.

(D) A licensed clinical social worker, or a licensed baccalaureate social worker holding an equivalent license in another state may supervise Missouri provisional licensed

social workers, registrants and applicants for baccalaureate licensure in that state but may not do so in the state of Missouri.

(2) The practice of clinical or baccalaureate social work of the supervisee shall be performed under the supervisor's control, oversight, guidance and full professional responsibility. This shall include all applicable areas of practice including but not limited to:

(A) General orientation of the setting's policies and procedures;

(B) Providing strategies for professional social work practice;

(C) Preliminary screening of all potential clients of the supervisee to determine if the supervisee is capable of successful assessment, intervention and referral;

(D) Thorough knowledge of the supervisee's entire workload;

(E) Thorough knowledge of each assignment or case, including assessment, diagnosis and intervention;

(F) Ongoing evaluation and modification of the supervisee's workload as necessary;

(G) A minimum of two (2) hours every two (2) weeks of individual face-to-face supervision by the supervisor at the rate of no fewer than forty-eight (48) weeks per calendar year. However, individual face-to-face supervision may be consolidated for up to four (4) weeks for a total of four (4) hours of individual face-to-face supervision per four (4)-week period. These hours shall be included in the total number of supervised hours required as set forth in the rules promulgated by the committee. Fifty percent (50%) of supervision may be group supervision. For the purpose of this rule, group supervision may consist of at least three (3), and no more than six (6), supervisees. The use of electronic communications is acceptable for meeting supervision requirements of this rule only if the ethical standards for confidentiality are maintained, and the communication is verbally and visually interactive between the supervisor and the supervisee;

(H) A contract will be negotiated by supervisor and supervisee and a copy furnished to the Missouri State Committee for Social Workers within thirty (30) days of the beginning of supervision. Should the contract be terminated before completion of the minimum number of hours required, the supervisee is responsible for negotiating a new contract and obtaining all evaluation and termination forms required to document prior supervision;

(I) Such a contract shall not be valid if the supervisor and supervisee have a relationship that could affect the employment or benefits of the supervisor, and the relationship could,

in any way, bias or compromise the supervisor's evaluation of the supervisee;

(J) When the proposed supervisor is not a staff member of the supervisee's agency, social work ethics demand that the proposed supervisor insure that the agency administration (or its representative) is in accord with the arrangements for supervision by a qualified licensed social worker supervisor. This is essential whether these arrangements are made by the agency or the supervisee and regardless of whether the agency contributes to financial compensation of the supervisor. The supervisor is responsible for securing agreement from the agency administration as to the purpose and content of the desired supervision and the supervisor's specific role, responsibilities and limitations. The supervisor is also responsible for learning agency functions and policies so that any supervisory suggestions are constructive and realistic within agency purposes and resources; and

(K) If supervision is terminated by either party, the supervisor is responsible for notifying the committee and submitting a termination form to the committee. Such termination form must be received by the Missouri State Committee for Social Workers within fourteen (14) days of termination.

(3) Upon completion of the supervised experience, the supervisor shall complete an Attestation of Supervision Form, provided by the committee, attesting to the supervisee's performance and level of compliance with the requirements for supervised social work experience.

(4) A licensed social worker assuming the role of supervisor may employ the supervisee in the supervisor's private practice setting. In those instances, the supervisor may bill clients for services rendered by the supervisee but under no circumstances shall the supervisee bill the clients directly for services rendered by the supervisee. The professional setting shall not include private practice in which the supervisee operates, manages or has an ownership interest in the private practice.

PURPOSE: This rule outlines the requirements for registering clinical social work experience.

(1) Supervised social work experience shall be registered for approval by the committee within thirty (30) days of the beginning of supervision. This will ensure that the supervision is acceptable to the committee prior to applying for licensure. In the event the applicant fails to pre-approve their supervisor(s), or are applying through reciprocity, the committee at its discretion, may review the supervision for compliance and consideration of licensure.

(2) Registration of supervision for social workers beginning the practice of clinical social work experience or the practice of baccalaureate social work under supervision in another state and intending to apply for licensure in Missouri is accepted by the committee if the supervisor holds a license in the other state, determined by the committee, to be equivalent to Missouri's.

(4) The applicant for registration of supervision shall provide clinical or baccalaureate social work under the order, control, oversight, guidance, and full professional responsibility of the approved registered supervisor at the setting(s) approved by the committee.

(7) The committee shall notify both the supervisee and registered supervisor, in writing, of the committee's approval or refusal of the registration of supervision. A registration of supervision will not be reviewed until all items required by section (3) of this rule are received.

(8) Supervised social work experience of the supervisee in an exempt setting (any agency or department of Missouri) shall meet the requirements as set forth in the rules promulgated by the committee.

(3) Each licensee shall notify the committee in writing within thirty (30) days of any change relating to rules promulgated by the committee occurring during the renewal period.

(4) Any licensee who fails to timely renew shall not perform any act for which a license is required during the expired, lapsed or inactive period.

20 CSR 2263-2.082 Continuing Education

PURPOSE: This rule sets continuing education requirements for renewal of licenses to practice as a licensed social worker and establishes the basic continuing education standards. The goal of continuing education is to ensure quality social work services to clients. The requirements for continuing education are grounded in the ethical principle to develop and enhance professional expertise and increase competence in service and delivery.

(1) As a condition for renewing a license to practice, all licensed social workers shall be required to have completed acceptable continuing professional education courses prior to the renewal of the license.

(A) For the purpose of this rule, hours are considered the same as clock hours.

(B) Baccalaureate social workers shall annually complete fifteen (15) hours of continuing education units.

(C) The annual periods for baccalaureate social workers are—

1. The twelve (12)-month period immediately preceding the license renewal date (the first day of which is the renewal midpoint date), but not including any time prior to licensure; and

2. The twelve (12)-month period immediately preceding the renewal midpoint date, if licensed during this period.

(D) All other licensed social workers shall complete thirty (30) clock hours of acceptable continuing professional education courses prior to the renewal of their license.

(2) As part of the thirty (30) continuing education hours required for each renewal cycle, each applicant for renewal or reinstatement of a license shall complete three (3) clock hours of ethics presented by a social worker who has graduated from an accredited school of social work or by a professional who has knowledge of ethics as it relates to the practice of clinical or baccalaureate social work.

(3) The committee shall have authority to make exceptions to the continuing professional education requirement for reasons of health, military service, foreign residency or other good cause.

(4) The overriding consideration in determining whether a specific activity is acceptable is that it shall be a formal curriculum of learning which contributes directly to the advancement, extension and enhancement of professional skills and scientific knowledge of a licensed individual.

(5) A licensee who is not a baccalaureate social worker or becomes licensed during a renewal cycle shall be required to obtain continuing education at the rate computed by the following formula:

(A) Formula: Number of months licensed during renewal cycle divided by the total number of months in the reporting cycle then multiplied by the number of continuing education required for renewal during the reporting cycle resulting in the total number of continuing education hours required to complete for renewal this reporting cycle. When applicable, this total will then be rounded to the nearest whole number by applying the following rounding rule: round down to the nearest whole number if the digit to the right of the decimal is four (4) or less, round up to the nearest whole number if the digit to the right of the decimal is five (5) or more.

1. Example: A social worker becomes licensed on January 1, 2005, the reporting cycle is twenty-four (24) months, ending September 30, 2005, and thirty (30) hours of continuing education is required. (Note: Licensed baccalaureate social workers annual requirement is fifteen (15) hours per year.)

$8 \text{ months} \div 24 \text{ months} \times 30 = 9.9$ or round up to ten (10) hours (Licensee must have completed ten (10) continuing education hours to renew.)

(6) The required continuing education hours may be satisfied through any combination of the following activities:

(A) University or college courses that the licensee successfully completes for credit. Each semester hour credit shall equal fifteen (15) hours of continuing education and each quarter-hour credit shall equal ten (10) hours. Non-credit hours shall be measured in classroom hours;

(B) A maximum of fifteen (15) hours for the completion of self-study programs (i.e., audio or video recordings, electronic, computer or interactive materials or programs);

(C) Three (3) hours for the publication of an article in a non-peer reviewed publication;

(D) Five (5) hours for publication of an article in a peer-reviewed professional publication;

(E) Five (5) hours for the publication of one chapter in a social work related professional book;

(F) Ten (10) hours for the publication of an entire book related to the practice of clinical or baccalaureate social work;

(G) A maximum of five (5) hours for the initial one (1)-time preparation and presentation of a social work course, seminar or workshop during a renewal period. Credit for

preparation and presentation shall not be granted for repetitious presentations;

(H) A maximum of three (3) hours during a renewal period for supervision performed for any of the following: social work applicants, impaired licensees, licensees under disciplinary sanction or peer review of another licensee's therapy skills which includes consultation, conference and critique; undergraduate and graduate practicum students; or specialty applicants; or

(I) Attending workshops or seminars approved by or sponsored by the following:

5. Accredited college or university;

6. Continuing education hours used to satisfy the continuing education requirements of another state may be submitted to fulfill the requirements of this state if the other state's continuing education requirements are substantially equal to or greater than the requirements of this state.

(7) Continuing education hours cannot be carried over into another or the next reporting period and shall not be awarded for regular work activities, administrative staff meetings, case staffing or reporting, membership in or holding office in, or participation on boards or committees, business meetings of professional organizations, or training specifically related to policies and procedures of an agency.

(8) Continuing education activities shall—

(A) Be presented by a qualified individual who is an instructor, consultant or trainer whose documented background, training, education or experience is appropriate for leading a discussion on the subject matter;

(B) Specify the level of knowledge participants should have upon entering (basic, intermediate, advanced) and the educational objectives obtained upon completing the activity; and

(C) Provide a mechanism for evaluation by the participants. The evaluation may be completed on-site immediately following the activity or an evaluation questionnaire may be distributed to participants to be completed and returned by mail.

(9) With the exception of any of the previously mentioned organizations in section (6), any other organized group that wants to sponsor a workshop or seminar shall submit an application for approval at least thirty (30) days prior to the date of the program. Applications shall be submitted on forms provided by the committee. The committee shall notify the sponsor in writing of approval or denial. The committee will not consider requests for approval of any program submitted after it has already been presented.

(10) Once an application for approval has been granted by the committee, reapproval shall not be required for each subsequent presentation of the educational activity so long as the educational activity has not changed. If any portion of the activity has changed, reapplication must be made.

(11) A licensee shall be responsible for maintaining records of continuing education activities. Each licensee shall retain documentation of the continuing education verified on the renewal form for two (2) years following license renewal. The committee may conduct an audit of licensees to verify compliance with the continuing education requirements.

(13) Continuing education required by the committee as part of discipline imposed on a licensee shall not count toward compliance with the continuing education requirement of this rule.

20 CSR 2263-2.090 Inactive Status

PURPOSE: This rule outlines the process of requesting inactive status to maintain a license as a licensed social worker.

(1) A licensee may request in writing that his/her license be placed on an inactive status. An inactive license shall be renewed biennially. Failure to receive a renewal notice shall not relieve the licensee of the obligation to renew the inactive license and pay the required fee prior to the expiration date of the inactive license. Renewals shall be post-marked no later than the expiration date of the license to avoid the late renewal penalty fee as defined in rules promulgated by the committee.

(2) Each inactive licensee shall provide the committee, at the time of application for renewal of the inactive license, with a completed renewal form issued by the committee that shall contain updated information since the preceding application/renewal period.

(3) The licensee shall not practice, as a clinical or baccalaureate social worker in the state of Missouri while the license is inactive.

(4) Licensees granted an inactive license by the committee shall place the word "inactive" adjacent to their Licensed Clinical or Baccalaureate Social Worker title on any business card, letterhead or any other document or device.

(5) If an inactive licensee wishes to return a license to active status the licensee shall complete a Licensed Clinical or Baccalaureate Social Worker renewal form and pay the renewal fee as stated in the rules promulgated by the committee. In addition the licensee shall:

(A) Furnish evidence of completion of at least thirty (30) hours of continuing education within the prior two (2) years, or agree to complete thirty (30) hours within one (1) calendar year from the date of reactivation; or

(B) Successfully complete the examination required for licensure as referenced to in 20 CSR 2263-2.050(3)(D) for clinical social workers or 20 CSR 2263-2.052(3)(D) for baccalaureate social workers.

(6) In addition to the requirements set forth in section (5) above, a licensee whose license is inactive for five (5) years or more and has not completed sixty (60) hours of continuing education within five (5) years shall be required to successfully complete the examination required for licensure as referenced to in 20 CSR 2263-2.050(3)(D) for clinical social

workers or 20 CSR 2263-2.052(3)(D) for baccalaureate social workers.
