20 CSR 2010-2.005 Definitions

PURPOSE: This rule defines terms used in the rules of the Missouri State Board of Accountancy.

PUBLISHER'S NOTE: The secretary of state has determined that the publication of the entire text of the material which is incorporated by reference as a portion of this rule would be unduly cumbersome or expensive. Therefore, the material which is so incorporated is on file with the agency who filed this rule, and with the Office of the Secretary of State. Any interested person may view this material at either agency's headquarters or the same will be made available at the Office of the Secretary of State at a cost not to exceed actual cost of copy reproduction. The entire text of the rule is printed here. This note refers only to the incorporated by reference material.

Incidental financial data to support recommendations to a client or in documents for which the reporting is governed by Statements on Standards for Attestation Engagements, which is incorporated by reference in this rule, and tax returns and supporting schedules do not, for this purpose, constitute financial statements. The statement, affidavit, or signature of preparers required on tax returns neither constitutes an opinion on financial statements nor requires a disclaimer of such opinion. Statement on Standards of Attestation Engagement are documents included in the American Institute of Certified Public Accountants (AICPA) Code of Professional Conduct, which is incorporated by reference in this rule. A printed copy or copy on CD-Rom or other electronic copies of the Rules of Professional Conduct may also be obtained from the American Institute of Certified Public Accountants, PO Box 2209, Jersey City, New Jersey 07303-2209 or <http://www.aicpa.org>.

(C) Credit granted for passing accounting theory prior to May 1994 shall be retained as credit for financial accounting and reporting—business enterprises (FARE) until either remaining sections are passed or credit expires under this rule;

(D) Credit granted for passing accounting practice prior to May 1994 shall be retained as credit for accounting and reporting—taxation, managerial and governmental and not-for-profit organizations (ARE) until either remaining sections are passed or credit expires under this rule; and

(E) Candidates who passed the practice section prior to May 1994 shall be considered to have passed two (2) parts for the purpose of determining conditioning.

(2) A candidate shall be deemed to have passed the certified public accountant examination when he or she has been granted credit for all four (4) parts of the examination.

(3) A score of at least seventy-five percent (75%) is required to pass any part.

(4) Transfer-of-credit of parts passed in another state will be allowed provided the candidate met the requirements of that state for granting credit at the time the examination section was passed.

(5) Candidates who have attained conditional status as of the launch date of the computer-based Uniform CPA Examination will be allowed a transition period to complete any remaining sections of the CPA examination. The transition period is the period of time or maximum number of opportunities (whichever is first exhausted) the candidates who have conditioned under the paper-and-pencil examination have remaining, at the launch of the computer-based CPA examination, to complete all remaining sections.

(6) If a previously conditioned candidate does not pass all remaining sections during the transition period, conditioned credits earned under the paper-and-pencil examination will expire and the candidate will lose credit for the sections earned under the paper-and-pencil examination. However, any section passed during the transition period is subject to the conditioning provisions of the computer-based examination as indicated in the following conditioning recommendation, except that a previously conditioned candidate will not lose conditional credit for a section of the computer-based examination that is passed during the transition period, even though more than eighteen (18) months may have

elapsed from the date the section is passed, until the end of the transition period.

(7) After April 5, 2004 a candidate who initially passes one (1) or more sections of the CPA examination must pass any remaining sections within eighteen (18) months. In the event all four (4) sections of the Uniform CPA Examination are not passed within the rolling eighteen (18)-month period, credit for any section(s) passed outside the eighteen (18)-month period will expire and that section(s) must be retaken.

(8) No information pertaining to grades or passing or failing of candidates shall be given to anyone by telephone.

(9) The provisions of this rule are declared severable. If any provision of this rule is held invalid by a court of competent jurisdiction, the remaining provisions of this rule shall remain in full force and effect, unless otherwise determined by a court of competent jurisdiction to be invalid.

20 CSR 2010-2.150 Examination Procedures

PURPOSE: This rule provides the applicant with information regarding the actual examination procedures. All candidates are advised to read the Candidate Bulletin at www.nasba.org for complete instructions.

(1) After a candidate has submitted an application pursuant to 4 CSR 10-2.130 and eligibility to take the examination is determined as prescribed in 4 CSR 10-2.041, an Authorization To Test (ATT) will be sent to the National Candidate Database (NCD), and a Notice To Schedule (NTS) will be issued the applicant (now known as a candidate). These notices will be issued by the National Association of State Boards of Accountancy

(NASBA), examinations department (CPAES).

(2) The NTS will be sent to the candidate by the method of notification indicated on the candidate's application. The NTS will be valid for a six (6)-month period and will include the expiration date of that NTS. Once an NTS has been issued, an eligible candidate has six (6) months from the date of the NTS to schedule and take the approved examination section(s). If the candidate's NTS expires prior to their taking the examination section(s), the candidate will not be able to reschedule or receive a refund on any of the fees they have paid and the candidate will have to reapply for the examination and pay the appropriate application and examination fees.

(3) Upon receipt of the NTS, candidates are required to contact Prometric, Inc. (Prometric) to schedule their examination. Candidates can view the bulletin on-line at www.nasba.org for complete instructions on how to schedule the examination. Candidates can take their examination at any board approved testing center. Candidates can find a complete list of these centers on-line at www.nasba.org, www.prometric.com, or by calling 1 (800) 272-3986.

(4) The board and CPA examination services do not control space availability or location of the test centers. Candidates who need to reschedule or cancel must contact Prometric. Complete instructions on how to schedule or cancel the examination can be found in the candidate bulletin. Candidates should note that they may be required to pay a penalty and/or forfeit their examination fees, depending on when they notify Prometric of the change or cancellation.

(5) Candidates should arrive at least thirty (30) minutes prior to their scheduled testing appointment, with their required identification and NTS, and should have read the candidate bulletin for detailed instructions. If a candidate arrives for their scheduled appointment anytime after the scheduled start time it may result in the candidate being denied permission to test, and the candidate will not receive a refund of application or examination fees.

(6) Once a candidate has taken the examination, the testing center will forward their examination to the American Institute for Certified Public Accountants (AICPA) for grading. The AICPA will forward the advisory scores and performance information to

NASBA, and NASBA then will forward the advisory scores to boards of accountancy for approval and subsequent distribution to candidates. Each board of accountancy sets its own schedule for score approval and release.

(7) The provisions of this rule are declared severable. If any provision of this rule is held invalid by a court of competent jurisdiction, the remaining provisions of this rule shall remain in full force and effect, unless otherwise determined by a court of competent jurisdiction to be invalid.
