PURPOSE: This regulation explains insurance agents’ licensing standards and procedures. This regulation is promulgated pursuant to section 374.045, RSMo and implements sections 375.012–375.027, RSMo.

(1) Examination Procedures.
(A) Before an individual may be licensed to sell certain classes of insurance, s/he must first take and pass an examination testing both the individual’s knowledge regarding the class(es) of insurance the individual proposes to sell and the individual’s knowledge of the insurance statutes and regulations. The examination must be taken and passed prior to submitting an application for a license to the Department of Insurance. The classes of insurance for which an examination is required prior to licensure are life insurance, accident and health insurance, fire and allied lines insurance and general casualty insurance.

(B) The Insurance Testing Corporation administers the examinations referred to in subsection (1)(A). In order to take an examination, an individual must register and pay the appropriate fee to the Insurance Testing Corporation. Instructions may be obtained from the corporation or the Department of Insurance.

(C) Once an individual has passed an examination, s/he has one (1) year from the date of the examination in which to submit an application for licensure to the Department of Insurance. Failure to submit an application within this time period will necessitate the individual taking and passing the examination again before s/he may be licensed.

(2) Application Required.
(A) The application required by section 375.018, RSMo shall be completed on the form approved by the director of insurance by each applicant for licensure before any license permit is issued.

(B) Each application shall be accompanied by an application fee of twenty-five dollars ($25).

(C) All fees must be paid by money order cashier’s check, company check or agency check. No fee shall be refundable.

(D) A license will be issued only when the applicant has satisfactorily completed the requirements of sections 375.016–375.018, RSMo and of this regulation and the director has not refused to issue the license pursuant to section 375.141.2, RSMo.

(3) Special Licenses.
(A) Variable Contracts. Any licensed life insurance agent may be licensed to sell variable annuities and variable life insurance policies upon the submission of an application for same and a copy of the agent’s National Association of Securities Dealers registration or Securities and Exchange Commission certification, and the twenty-five dollar ($25) application fee.

(B) Title. A license to sell title insurance shall be issued to any natural person pursuant to section 375.018, RSMo upon receipt of a completed application and the twenty-five dollar ($25) application fee.

(C) Credit. A license to sell credit life, credit accident and health, credit property and credit casualty shall be issued pursuant to section 375.018, RSMo to any natural person upon receipt of a completed application and a twenty-five dollar ($25) application fee.

(D) Travel. A license to write insurance policies covering the risk of travel shall be issued pursuant to section 375.018, RSMo to any natural person upon receipt of a completed application and a twenty-five dollar ($25) application fee.

(4) Natural persons who are not residents of Missouri may be licensed as agents in this state upon receipt of a completed application and the twenty-five dollar ($25) application fee.

(5) The biennial renewal fee for an agent’s license is twenty-five dollars ($25). An agent’s license shall be renewed biennially on the anniversary date of issuance and continue in effect until refused, revoked or suspended by the director in accordance with section 375.141, RSMo. If the biennial renewal fee for the license is not paid within ninety (90) days after the biennial anniversary date, the license terminates as of ninety (90) days after the biennial anniversary date.

(2) Profit Sharing Permitted. Commission agreements may contain a provision for varying the amount of commission paid an agent, agency or broker with the loss experience of the policies s/he has written, provided the company is directly liable for and does pay claims and the agent, agency or broker has no authority to deny or refuse to pay or compromise any claim.

PURPOSE: This regulation effectuates and aids in the interpretation of the provisions of section 375.141.1(4), RSMo, which relates to the competence and trustworthiness of agents, brokers and agencies. The regulation
requires insurance agents, agencies and brokers to comply with certain minimum requirements in transactions involving personal insurance policies. It is promulgated pursuant to the provisions of section 374.045, RSMo and implements the provisions of sections 375.141, RSMo.

(1) Definitions.
   (A) Every agent, agency or broker shall comply with the following standards of conduct and premium handling standards. No agent, agency or broker shall knowingly misinform the insured, as in the case of any unearned premium payments, the life insurance or accidental death policy, annuity product or any other insurance product if said licensee receives or will receive any commission, fee or compensation from the sale of the product. Such a prohibition would not apply if there exists a relationship between the insured or prospective insured and the licensee which gives rise to an insurable interest in the life of the insured or prospective insured.

   (F) No licensee shall obtain or solicit for a loan or any type of ownership interest in any life insurance or accidental death policy, or any annuity product, or any other type of insurance product, from any insured or prospective insured “if” the licensee has received any commission, fee or other compensation from the sale of the product. This prohibition shall not apply—

   1. When it is the usual occupation or trade of the insured or prospective insured to receive and process loan applications and to provide loans to the public as an owner, officer, director or employee of an institution in the business of providing such loans; or

   2. When there exists a relationship between the insured or prospective insured and the licensee which gives rise to an insurable interest in the life of the insured or prospective insured.

   (B) Whenever an insurer requires additional information prior to issuing a new personal insurance policy, or prior to renewing, continuing or amending an existing policy, the agent, agency or broker through whom the policy is issued or prospective applied for or procured the coverage shall inform, at the earliest reasonable opportunity, the insured or prospective insured of the need for the additional information from the insured or prospective insured.

   (C) Every agent, broker or agency shall provide such additional information as is reasonably possible to the insured or prospective insured at the time coverage is bound or the policy is issued. In no event shall the time coverage is bound or the policy is issued after more than thirty (30) days after the date at which the policy is renewed or amended.

   (D) Licensee means a person licensed by Missouri to act as an insurance agent, agency or broker. The term may be used in this regulation as an alternative to the terms insurance agent, agency and broker whenever the provision in question applies to all three (3) types of license holders.

   (E) Premium means any amount of money which is paid by the insured or prospective insured to a licensee for coverage under a personal insurance policy. The term shall also mean any amount which must be returned to the insured, as in the case of any unearned premium due the insured upon the termination of coverage.

(2) Document and Premium Handling Standards. When dealing with any personal insurance policy, every agent, agency and broker shall comply with the following standards of promptness regarding securing and amending coverage, providing written evidence of insurance transactions and handling premiums, except to the extent these actions are the responsibility of the insurer. Where it is the insurer’s responsibility to take these actions, this responsibility shall be delineated in a written document, a copy of which shall be retained by the licensee and available for examination by the department.

   (A) Every agent, agency or broker shall handle every application for new coverage under a personal insurance policy and every request for amendments to an existing policy in a manner which will secure the new or amended coverage as soon as is reasonably possible, unless a longer time is permitted under a written agreement between the licensee and the insured or prospective insured. If within thirty (30) days of the original application for insurance the licensee has not yet secured an insurer willing to provide coverage, the licensee shall inform the prospective insured of this fact in writing.

   (B) Whenever an insurer requires additional information prior to issuing a new personal insurance policy, or prior to renewing, continuing or amending an existing policy, the agent, agency or broker through whom the insured or prospective applied for or procured the coverage shall inform, at the earliest reasonable opportunity, the insured or prospective insured of the need for the additional information from the insured or prospective insured.
use of premium payment books for debit plans, shall be deemed to satisfy this section only if their use for this purpose has been approved in writing by the director.

(C) A copy of the cash premium receipt shall be given to the person making the cash premium payment. An additional copy shall be retained by the licensee for the insurer and the insurer document the information required under subsections (3)(A) and (D) of this rule for purposes of inspections or examinations by the director.

(D) No agent, agency or broker shall accept a cash premium payment for new coverage under a personal insurance policy where the licensee has not selected an insurer with whom to place the coverage unless the cash premium receipt bears a comment indicating that an insurer has not yet been selected and that coverage currently does not yet exist.

(4) Minimum Recordkeeping Requirements for all Agents, Agencies and Brokers.

(A) Every agent, agency or broker shall maintain a complete set of records for each personal insurance policy applied for or procured through the licensee, except to the extent the maintenance of these records is, in whole or in part, the responsibility of the insurer. Where it is the insurer’s responsibility to maintain these records, this responsibility shall be delineated in a written document(s), a copy of which shall be retained by the licensee. The records which must be maintained shall include, but not be limited to, the following:

1. Any policy applications, declaration pages, endorsements, riders or binders associated with the policy;
2. Any written correspondence or copies of records transmitted to or received by the licensee concerning the policy;
3. Any documents associated with any claims filed with the licensee under the policy; and
4. Any receipts or other documents associated with any premium payments made to the licensee under the policy, including receipts for cash premium payments required under section (3) of this regulation.

(B) The records required to be maintained under this section shall be open to the inspection or examination of the director of insurance or his/her agents, and shall be maintained in an orderly manner so that the information in the records is readily available during the inspection or examination. The requirement of this subsection shall be deemed satisfied whenever a requested record can be retrieved from its storage location within five (5) business days of a request by the director or the director’s designee.

(C) An agent operating under an exclusive contract with an insurer, including one (1) insurer and its subsidiaries or affiliates, upon termination of the agency appointment, shall be required to maintain only those records as the contract authorizes him/her to retain, provided that the insurer shall bear responsibility for maintaining all other records which otherwise would have been required to be maintained by the agent.

(D) All records required to be maintained under this section shall be maintained for as long as the personal insurance policy in question is in force and for at least three (3) years thereafter.

(5) Discipline. Violation by an agent, agency or broker of the provisions of this regulation shall be deemed incompetent or untrustworthy behavior under section 375.141.1(4), RSMo and shall constitute grounds for discipline of the licensee under that section or other applicable laws.
