Chapter 4—Continuing Education Requirements

20 CSR 2010-4.010 Effective Dates and Basic Requirements

PURPOSE: This rule sets forth the continuing education requirements for renewal of license to practice.

(1) The following requirements of continuing professional education apply to the renewal of licenses pursuant to section 326.286, RSMo:

(A) An applicant seeking renewal of a license shall have completed no less than one hundred twenty (120) hours of continuing professional education, complying with these rules during the three (3)-year period preceding renewal. Commencing on January 1, 2004, a minimum of twenty (20) hours of continuing professional education (CPE) is required in each calendar year. Also commencing on January 1, 2004, a minimum of two (2) hours of the required twenty (20) hours per calendar year of CPE shall be in the area of ethics. An applicant seeking renewal of a license shall demonstrate participation in a program of learning meeting the standards set forth in the Statement on Standards for Continuing Professional Education (CPE) Programs jointly approved by National Association of State Boards of Accountancy (NASBA) and American Institute of Certified Public Accountants (AICPA), as provided in 20 CSR 2010-4.020, or such other standards acceptable to the board;

(B) An applicant seeking reinstatement of their license, and who has not been practicing public accounting, shall submit evidence to the board that he or she has completed forty (40) hours of continuing professional education (CPE) during the twelve (12) months previous to making application for reinstatement of the license; or

(C) The applicant agrees to obtain forty (40) hours of continuing professional education within sixty (60) days of applying for reinstatement;

(D) A nonresident licensee seeking renewal of a license in this state shall be determined to have met the CPE requirement of this rule by meeting the CPE requirements for renewal of a license in the state in which the licensee’s principal office is located;

(E) Nonresident applicants for renewal shall demonstrate compliance with the CPE renewal requirements of the state in which the licensee’s principal office is located by attesting on an application provided by the board;

(F) If a nonresident licensee’s principal office state has no CPE requirements for renewal of a license, the nonresident licensee must comply with all CPE requirements for renewal of a license in this state.

20 CSR 2010-4.020 Qualifying Programs

PURPOSE: This rule establishes the criteria to be satisfied in order for a continuing education program to be considered acceptable by the board.

(1) Programs Qualifying for Continuing Professional Education Credit.

(A) Standards. Effective January 1, 2003 a program qualifies as acceptable continuing professional education for purposes of section 326.286, RSMo and these rules if it is a program of learning that contributes to the growth in the professional knowledge and professional competence of a licensee. The program must meet the minimum standards of quality of development, presentation, measurement, and reporting of credits set forth by the board or contained in the Statement on Standards for Continuing Professional Education (CPE) Programs jointly approved by the National Association of State Boards of Accountancy (NASBA) and the American Institute of Certified Public Accountants (AICPA). Responsibility for documenting the acceptability of the program and the validity of the credits rests with the applicant who should retain such documentation for a period of five (5) years following completion of each learning activity.

(B) The board may verify information submitted by applicants for licensure. In cases where the board determines that the requirement is not met, the board may grant an additional period of time in which the deficiencies can be cured. Failure to comply with CPE requirements and/or fraudulent reporting of CPE is basis for disciplinary action.

20 CSR 2010-4.035 Inactive Licenses

PURPOSE: This rule sets forth the requirements and restrictions for an inactive license.

(1) Inactive License. A licensee who received a license after August 28, 2001, and who is not practicing public accounting in any setting...

(2) The inactive licensee may return to active status by applying for reinstatement of license as defined in 20 CSR 2010-2.075.

20 CSR 2010-4.041 Continuing Professional Education (CPE) Exceptions and Waivers
