### Title 3—DEPARTMENT OF CONSERVATION

#### Division 10—Conservation Commission Chapter 5—Wildlife Code: Permits

#### 3 CSR 10-5.205 Permits Required; Exemptions

*PURPOSE: This rule establishes requirements for hunting, fishing and trapping permits, and certain exceptions to those requirements.*

(1) Any person who chases, pursues, takes, transports, ships, buys, sells, possesses or uses wildlife in any manner must first obtain the prescribed hunting, fishing, trapping or other permit, or be exempted under 3 CSR 10-9.110, with the following exceptions:

(A) A resident landowner or lessee, as defined in this Code, may hunt, trap or fish as prescribed in Chapters 6, 7 and 8 without permit (except landowner deer hunting permit and migratory bird hunting permit as prescribed), but only on land s/he owns or, in the case of the lessee, upon which s/he resides, and may transport and possess wildlife so taken.

(B) Any resident of Missouri sixty-five (65) years of age or older may take fish, live bait, clams, mussels, turtles and frogs as provided in Chapter 6 without permit (except trout permit or daily tag in areas where prescribed); provided, while fishing s/he carries a valid Missouri motor vehicle operator's license, notarized affidavit or similar official document proving his/her eligibility based on residency and age, and shall submit documentation for inspection by any agent of the department on request.

(C) Any resident of Missouri sixty-five (65) years of age or older may take wildlife as provided in Chapter 7 without permit (except all special hunting permits and the Migratory Bird Hunting Permit as prescribed); provided, while hunting s/he carries a valid Missouri motor vehicle operator's license, notarized affidavit, or similar official document proving his/her eligibility based on residency and age, and shall submit documentation for inspection by any agent of the department on request.

(D) Any person fifteen (15) years of age or younger may take fish, live bait, clams, mussels, turtles and frogs as provided in Chapter 6 without permit (except trout permit or daily tag in areas where prescribed); except that fish may be taken only by gig, longbow, crossbow, snagging, snaring, grabbing and by pole and line.

(E) Any person fifteen (15) years of age or younger may take wildlife (except deer and

turkey) as provided in Chapter 7 without permit; provided, s/he is in the immediate presence of a properly licensed adult hunter or has in his/her possession a valid hunter education certificate card. Persons under eleven (11) years of age may not purchase firearms deer and turkey hunting permits except as provided in subsection (1)(F) of this rule (see 3 CSR 10-5.215(4)).

(F) Any person at least six (6) and under sixteen (16) years of age may purchase a Youth Deer and Turkey Hunting Permit without display of a hunter education certificate card, and may take one (1) deer of either sex statewide, during the firearms deer hunting seasons except that only an antlerless deer may be taken in seasons open only to antlerless deer; one (1) male turkey or turkey with visible beard during the spring turkey hunting season; and one (1) turkey of either sex during the fall firearms turkey hunting season; provided, s/he is hunting in the immediate presence of a properly licensed adult hunter who has in his/her possession a valid hunter education certificate card. Youth Deer and Turkey Hunting Permit holders attaining the age of eleven (11) during the prescribed permit year, and who have a valid hunter education certificate card, may surrender unused portion(s) of the Youth Deer and Turkey Hunting Permit and purchase other firearms deer and turkey hunting permits. Deer and turkeys taken under the Youth Deer and Turkey Hunting Permit must be included in the total season limits.

(G) Any hospital patient may fish without permit on the grounds of the hospital where under treatment.

(H) The director may issue special fishing permits for specified dates without cost to supervised groups involved in rehabilitation programs or groups of hospital patients or persons with disabilities under therapy.

(I) The director may issue special fishing permits authorizing persons assigned as trainees to a training or rehabilitation unit performing organized conservation or agricultural work under governmental supervision on federal, state, county or municipal lands to take fish by gig and pole and line methods and to take frogs by fishing methods on the public lands where such conservation or agricultural work is being performed, under regulations applicable to the area. Any person while exercising such privileges shall carry identification, issued by the training agency, showing current assignment to the training or rehabilitation unit.

(J) For educational purposes, the director may waive fishing permit or tag requirements for specified periods at specified sites and may authorize fishing in restricted waters.

(K) Any resident of Missouri having a visual acuity not exceeding 20/200 in the better eye with maximum correction, or having twenty degrees (20°) or less field of visual concentric contraction, and any resident who is so severely and permanently disabled as to be unable to move freely without the aid of a wheelchair, may take fish, live bait, clams, mussels, turtles and frogs as provided in Chapter 6 without permit (except trout permit or daily tag in areas where prescribed); provided, while fishing s/he carries a certified statement of eligibility from a licensed ophthalmologist or optometrist or from a licensed physician.

(L) Any resident of Missouri with cerebral palsy or mental retardation as defined in section 630.005, RSMo, and who is so severely disabled that s/he cannot fish alone, may take fish, live bait, clams, mussels, turtles and frogs as provided in Chapter 6 without permit (except trout permit or daily tag in areas where prescribed); provided, while fishing s/he is accompanied by a licensed adult fisherman and possesses a certified statement of eligibility from a licensed physician qualified to evaluate and treat the developmentally disabled.

(N) Any Missouri resident who is the owner of land that wholly encloses a body of water, or any member of his/her immediate household, may fish without permit in those waters. In the case of corporate ownership, this privilege shall apply to those corporate owners whose domicile is on such corporate-owned land.

### **3 CSR 10-5.210 Permits to be Signed and Carried**

**PURPOSE:** *This rule establishes procedures for identifying persons who have complied with requirements for wildlife permits.*

All permits and method exemptions shall be signed and carried by the permittee. Permits, or temporary permit authorization number(s), and method exemptions shall be exhibited to any officer charged with the enforcement of this Code, or to any transportation company or postal employee when presenting wildlife for shipment.

**AUTHORITY:** *sections 40 and 45 of Art. IV, Mo. Const. This version of rule filed Sept. 19, 1957, effective Dec. 31, 1957. Amended: Filed June 20, 1995, effective Jan. 1, 1996. Amended: Filed June 11, 1998, effective March 1, 1999. Amended: Filed Aug. 11, 1999, effective March 1, 2000.*

### **3 CSR 10-5.215 Permits and Privileges: How Obtained; Not Transferable**

**PURPOSE:** *This rule establishes methods of obtaining permits, restrictions on use, obligations and validity.*

(1) Permits may be obtained only upon satisfaction of all requirements imposed by this Code, including payment of fees, at the time of application. The Missouri Conservation Heritage Card, Social Security number, Driver License number, or a Missouri Conservation identification number shall be required to purchase all permits except daily tags.

(2) A permit for the taking of wildlife may be issued only to an individual and may be used only by the individual to whom it is issued. No permit, application for permit, method exemption, Missouri Conservation Heritage Card or special hunting or fishing tag may be loaned, predated, falsified, altered or misrepresented in any manner, except that a Missouri Conservation Heritage Card may be presented by another to purchase permits on behalf of the person named thereon. No firearms hunting permit shall be issued without containing the hunter education certificate card number; except that a Youth Deer and Turkey Hunting Permit may be issued to persons at least six (6) and under sixteen (16) years of age without requiring display of a hunter education certificate card.

(3) The acceptance of a permit or privilege or method exemption shall constitute an acknowledgement of the duty to comply with the provisions of the Wildlife Code and to pursue wildlife in a safe manner, and all permits and privileges are conditioned upon such compliance.

(4) Any person born on or after January 1, 1967, shall obtain and display an approved hunter education certificate card prior to purchase of any firearms hunting permit, except as exempted in 3 CSR 10-5.205. Any person purchasing a firearms hunting permit for another person who is required to be hunter education certified must display a valid hunter education certificate card bearing the name of the person for whom the permit is being purchased. A hunter education card need not be displayed if certification can be verified through direct access to computer data files. The hunter education certificate card number shall be entered by permit vendors on all firearms hunting permits, except as exempted in 3 CSR 10-5.205. Hunter education certification shall be limited to persons eleven (11) years of age or older. The Missouri Conservation Heritage Card will be issued as a replacement for lost or damaged hunter education certificate cards (fee: two dollars (\$2)).

(5) Permits are nontransferable and are valid from date of purchase through the last day of February of the prescribed permit year; except the Migratory Bird Hunting Permit shall be valid through June 30, and the Resident Trapping Permit and Nonresident Furbearer Hunting and Trapping Permit shall be valid through April 10. Except as provided for permits purchased by telephone or through the Internet, no affidavit, receipt or other document may be issued or used in lieu of the required permit. Temporary permit authorization number(s) allowing immediate use of permit privileges may be provided for permits (except deer and turkey permits) purchased through the department's authorized telephone or Internet sales service provider. The temporary permit authorization number(s) and picture identification must be carried at all times while hunting, fishing or trapping until the actual permit(s) is received. Any permit issued or obtained by false statement or through fraud, or while privileges are revoked or denied by the commission, shall be invalid.

### 3 CSR 10-5.216 Permits and Privileges: Revocation

*PURPOSE: This rule sets out the statutory authority of the commission to suspend, revoke or deny a permit or privilege, in addition to its constitutional authority, and provides a uniform procedure for administrative hearings when a hunter inflicts injury to another person mistaken for game.*

(1) The commission may suspend, revoke or deny a permit or privilege for cause, but not until an opportunity has been afforded for a hearing before the commission or its authorized representative. The hearings under this section shall be noncontested cases unless the permittee is entitled by law to a contested case hearing.

(2) The commission may suspend, revoke or deny a permit or privilege to any hunter who mistakes another person for game and injures that person by firearm or other weapon. Suspension, revocation or denial shall not occur until an opportunity has been afforded for an appeals hearing before the commission pursuant to section 252.043,

RSMo and the procedures for contested cases under this section.

(A) To hear appeals, the commission shall appoint one (1) or more hearing examiners, subject to supervision by the commission. At its discretion, the commission may reserve appeals as it deems fit to be heard and decided by the full commission; in those cases, the decision of the commission shall be final and subject to judicial review as provided in Chapter 536, RSMo.

(B) Any person whose hunting permit or privilege may be suspended, revoked or denied by the commission for inflicting injury to another person mistaken for game shall be entitled to a hearing on the commission's determination by filing a written request for a hearing with the director. The request for hearing must be received by the director within fifteen (15) days after receipt of notification of the proposed suspension, revocation or denial by the appellant. The request for hearing must be sufficient to identify the person requesting the hearing. No answer or other response by the commission is necessary. Upon receipt of a request for hearing, the director shall forward it to the hearing examiner.

(C) The hearing examiner is authorized to dismiss any request for a hearing and terminate further proceedings when the appellant—

1. Withdraws the request for a hearing. The appellant must submit the withdrawal in writing to the hearing examiner.

2. Fails to appear at the scheduled time and place for a hearing.

(D) If the hearing examiner determines at any state of the proceeding that s/he has prior knowledge of specific facts of a case that would prevent him/her from rendering an objective report and order to the commission, s/he immediately shall cease to act and the commission shall provide an alternate hearing examiner.

(E) The hearing examiner shall give written notice of hearing to the appellant and the director, fixing a time and place at which the appellant and the director may appear and present evidence. This notice shall be issued by the hearing examiner not fewer than fifteen (15) days prior to the hearing date.

(F) After a request for a hearing is filed with the director, no person shall sign any pleading or brief or shall appear at any hearing in a representative capacity for another individual unless that person is a licensed attorney in good standing in Missouri.

(G) Any party may take and use depositions under section 536.073, RSMo. The hearing examiner shall rule on all matters concerning discovery.

(H) Witnesses may be summoned to appear to give testimony or to give testimony and produce documents at the hearing by a subpoena issued by the hearing examiner or by a notary public at the request of any party.

(I) Any hearing which is scheduled by the hearing examiner may be continued at his/her discretion pursuant to Supreme Court Rule 65.

(J) The sole issue in a hearing is whether the appellant, while hunting, inflicted injury by firearm or other weapon to another person mistaken for game. The commission shall present its evidence first at the hearing in support of its suspension, revocation or denial of a hunting permit or privilege. Then any appellant may present evidence. Any party shall have the right of cross-examination. Oral or written evidence must be received in the record to be considered by the commission in reaching its final decision. Any party shall be entitled to present oral arguments at the hearing. If oral arguments are presented, they shall be preserved and transcribed in the record for use of the commission in reaching a final decision. Any party may file a written brief or the hearing examiner may require written briefs to be filed within the time set by the hearing examiner for use of the commission in reaching a final decision. The hearing examiner may rule on all objections and motions to facilitate submission of the case to the commission for its final decision.

(K) At the conclusion of the hearing, the hearing examiner shall cause the entire record to be transcribed in sufficient quantities that the original may remain a permanent part of the record. Any party may obtain a copy of the record at the party's expense.

(L) As soon as practical after receipt of the transcript and briefs of the parties, if any, the hearing examiner shall submit to the commission a suggested report and order for consideration.

(M) As soon as practical after receipt of the suggested report and order, the commission shall read the full record and render a final decision. If briefs or oral arguments are submitted, the commission, in lieu of reading the entire record, may consider those portions of the record cited or referred to in the arguments or briefs to arrive at a final decision. The commission shall render its final decision in writing which shall be supported by competent and substantial evidence upon the whole record and which shall be subject to judicial review under section 536.100, RSMo.

(3) The commission shall suspend hunting and/or fishing permits of individuals identi-

fied as not in compliance with applicable child support laws under a cooperative agreement between the Division of Child Support Enforcement of the Department of Social Services, the Department of Conservation and the Conservation Commission pursuant to section 454.1027, RSMo. Suspension of hunting and/or fishing permits shall occur under the procedures set out in this section.

(A) The Division of Child Support Enforcement shall be responsible for determining whether an individual's hunting and/or fishing permit should be suspended under the applicable law, after ensuring the individual has been provided appropriate due process, including appropriate notice and the opportunity for administrative hearing.

(B) When the Division of Child Support Enforcement has determined suspension is warranted, a notice shall be provided to the Department of Conservation. The notice shall include the individual's name, current address, social security number and a statement from the director of the Division of Child Support Enforcement that all legal requirements for suspension have been met.

(C) Upon receipt of the stipulated notice, the Department of Conservation shall verify that the named individual possesses a current hunting and/or fishing permit, and shall then recommend suspension of that hunting and/or fishing permit to the Conservation Commission. The commission, at its next regular meeting, shall act on the recommendation.

(D) Suspension of hunting and/or fishing permits under this section shall remain in effect until the Department of Conservation receives notice from the Division of Child Support Enforcement that the suspension should be stayed or terminated because the individual is now in compliance with applicable child support laws.

(4) Suspension, revocation or denial of a permit or privilege for cause under sections (1) and (2) of this rule shall include the concurrent revocation of any method exemption.
