PUBLISHER’S NOTE: The secretary of state has determined that the publication of the entire text of the material which is incorporated by reference as a portion of this rule would be unduly cumbersome or expensive. This material as incorporated by reference in this rule shall be maintained by the agency at its headquarters and shall be made available to the public for inspection and copying at no more than the actual cost of reproduction. This note applies only to the reference material. The entire text of the rule is printed here.

(1) The annual Fall Deer & Turkey Hunting Regulations and Information booklet is hereby adopted as a part of this Code and by this reference herein incorporated. A printed copy of this booklet can be obtained from the Missouri Department of Conservation, PO Box 180, Jefferson City, MO 65102-0180 and is online at www.missouriconservation.org.

An area is considered baited for ten (10) days following complete removal of bait. Hunters can be in violation even if they did not know an area was baited.
