Title 3—DEPARTMENT OF CONSERVATION

Division 10—Conservation Commission Chapter 9—Wildlife Code: Confined Wildlife: Privileges, Permits, Standards

3 CSR 10-9.105 General Provisions

PURPOSE: This rule establishes general provisions for the chapter, to be consistent with the format of other chapters.

Any person holding wildlife in captivity in any manner shall have in his/her possession the prescribed permit or evidence of exemption. Renewal of permits is conditioned on compliance with provisions of the Wildlife Code.

AUTHORITY: sections 40 and 45 of Art. IV, Mo. Const. Original rule filed June 9, 1993, effective Jan. 1, 1994. Amended: Filed April 25, 1996, effective March 1, 1997.

3 CSR 10-9.110 General Prohibition; Applications

PURPOSE: This rule prohibits the pursuit, taking, possession or any use of wildlife except as provided in the Code.

(1) A maximum of five (5) specimens of any native wildlife not listed in 3 CSR 10-4.110(3) or 3 CSR 10-9.240, except endangered species, bats, hellbenders and alligator snapping turtles, may be taken and possessed alive by a resident of Missouri without permit, but these animals shall not be bought or sold. Bones, skins, shells and other parts of such wildlife may be possessed for personal use without permit, but these wildlife parts in any form shall not be bought or sold.

(2) Except for federally-designated endangered species and species listed in 3 CSR 10-9.240, the following may be bought, sold, possessed, transported and exhibited without permit: bison; amphibians, reptiles, and mammals not native to Missouri; and those birds (except ring-necked and Korean pheasants and gray partridges) not native to the continental United States.

(3) Fish, crayfish and salamanders may be bought, sold, transported, propagated, taken and possessed by any person without permit throughout the year in any number or size and by any method providing—

(A) That person has in his/her possession a dated, written statement showing the number or quantity of each species as proof that such animals were obtained from other than

waters of the state or from a licensed commercial fisherman, provided that animals from outside the state were legally obtained from a commercial source.

(B) That person is in compliance with all provisions of the *Wildlife Code of Missouri* pertaining to importation, purchase, or sale of endangered species, and importation of live fish or viable fish eggs of the family *Salmonidae*.

(C) That the privileges of this section do not apply to taking or possession in, on or from waters of the state, waters stocked by the state, or waters subject to movements of fishes into and from waters of the state, except that animals defined as live bait and possessed under provisions of this section may be possessed on the waters of the state for use as live bait.

(D) That the privileges of this section apply only to species listed in the Approved Aquatic Species List (including all subspecies, varieties and hybrids of the same bought, sold, transported, propagated, taken and possessed for purposes of aquaculture), species frozen or processed for sale as food products, species incapable of surviving in fresh water, species held only in aquaria or other closed containers having water discharged only into approved municipal waste treatment facilities or on-site waste treatment systems that include sand filtration or chlorination, or with written authorization of the director.

1. Fishes.

- A. Shovelnose sturgeon (*Scaphirhynchus platyrhynchus*)
- B. Paddlefish (*Polyodon spathula*)
- C. Spotted gar (*Lepisosteus oculatus*)
- D. Longnose gar (*Lepisosteus osseus*)
- E. Shortnose gar (*Lepisosteus platostomus*)
- F. Bowfin (*Amia calva*)
- G. Gizzard shad (*Dorosoma cepedianum*)
- H. Threadfin shad (*Dorosoma petenense*)
- I. Rainbow trout (*Oncorhynchus mykiss*)
- J. Golden trout (*Oncorhynchus aquabonita*)
- K. Cutthroat trout (*Oncorhynchus clarkii*)
- L. Brown trout (*Salmo trutta*)
- M. Brook trout (*Salvelinus fontinalis*)
- N. Coho salmon (*Oncorhynchus kisutch*)
- O. Northern pike (*Esox lucius*)

- P. Muskellunge (*Esox mas quinongy*)
 - Q. Goldfish (*Carassius auratus*)
 - R. Grass carp (*Ctenopharyngodon idella*)
 - S. Common carp (*Cyprinus carpio*)
 - T. Golden shiner (*Notemigonus crysoleucas*)
 - U. Bluntnose minnow (*Pimephales notatus*)
 - V. Fathead minnow (*Pimephales promelas*)
 - W. Bigmouth buffalo (*Ictiobus cyprinellus*)
 - X. Black bullhead (*Ameiurus melas*)
 - Y. Yellow bullhead (*Ameiurus natalis*)
 - Z. Brown bullhead (*Ameiurus nebulosus*)
 - AA. Blue catfish (*Ictalurus furcatus*)
 - BB. Channel catfish (*Ictalurus punctatus*)
 - CC. Flathead catfish (*Pylodictis olivaris*)
 - DD. Mosquitofish (*Gambusia affinis*)
 - EE. White bass (*Morone chrysops*)
 - FF. Striped bass (*Morone saxatilis*)
 - GG. Green sunfish (*Lepomis cyanellus*)
 - HH. Pumpkinseed (*Lepomis gibbosus*)
 - II. Warmouth (*Lepomis gulosus*)
 - JJ. Orangespotted sunfish (*Lepomis humilis*)
 - KK. Bluegill (*Lepomis macrochirus*)
 - LL. Longear sunfish (*Lepomis megalotis*)
 - MM. Redear sunfish (*Lepomis microlophus*)
 - NN. Smallmouth bass (*Micropterus dolomieu*)
 - OO. Spotted bass (*Micropterus punctulatus*)
 - PP. Largemouth bass (*Micropterus salmoides*)
 - QQ. White crappie (*Pomoxis annularis*)
 - RR. Black crappie (*Pomoxis nigro maculatus*)
 - SS. Yellow perch (*Perca flavescens*)
 - TT. Walleye (*Stizostedion vitreum*)
 - UU. Bighead carp (*Hypophthalmichthys nobilis*)
- ##### 2. Crustaceans.
- A. Northern crayfish (*Orconectes virilis*)
 - B. White river crayfish (*Procambarus acutus*)
 - C. Red swamp crayfish (*Procambarus clarkii*)

3. Amphibians.

A. Tiger salamander larvae (*Ambystoma tigrinum*)

(4) Live fish, their eggs and gametes of the family *Salmonidae* (trouts, char, salmon) may be imported to the state only by the holder of a fish importation permit and any other appropriate state permit. This importation permit shall be issued at no charge, for each shipment, to a person who has applied upon a special form furnished by the department, if this application is received not less than fifteen (15) nor more than eighty (80) days prior to the shipment, and if the shipment is considered not detrimental to the fisheries resources of the state. This permit will be issued only if the immediate source of the importation is certified negative for Viral Hemorrhagic Septicemia, Infectious Pancreatic Necrosis, Infectious Hematopoietic Necrosis, *Myxobolus cerebralis*, or other diseases which may threaten fish stocks within the state. Certification will only be accepted from federal, state or industry personnel approved by the department and only in accordance with provisions on the permit application form. Fish, eggs and gametes imported under this permit are subject to inspection by authorized agents of the department and this inspection may include removal of reasonable samples of fish or eggs for biological examination.

Filed April 27, 1994, effective Jan. 1, 1995. Amended: Filed May 30, 1995, effective Jan. 1, 1996. Amended: Filed April 25, 1996, effective March 1, 1997. Amended: Filed June 5, 1996, effective Dec. 30, 1996. Amended: Filed July 9, 1997, effective March 1, 1998. Amended: Filed May 6, 1998, effective March 1, 1999.

AUTHORITY: sections 40 and 45 of Art. IV, Mo. Const. This rule was previously filed as 3 CSR 10-4.110(5), (6) and (10). Original rule filed June 26, 1975, effective July 7, 1975. Amended: Filed July 15, 1976, effective Dec. 31, 1976. Amended: Filed April 20, 1978, effective Aug. 15, 1978. Amended: Filed July 15, 1978, effective Oct. 12, 1978. Amended: Filed July 30, 1979, effective Jan. 1, 1980. Amended: Filed Aug. 1, 1980, effective Jan. 1, 1981. Amended: Filed July 31, 1981, effective Jan. 1, 1982. Amended: Filed July 27, 1982, effective Jan. 1, 1983. Amended: Filed Aug. 1, 1983, effective Jan. 1, 1984. Amended: Filed Aug. 6, 1985, effective Jan. 1, 1986. Amended: Filed Aug. 7, 1986, effective Jan. 1, 1987. Amended: Filed July 30, 1987, effective Jan. 1, 1988. Amended: Filed Aug. 8, 1989, effective Jan. 1, 1990. Amended: Filed May 10, 1990, effective Jan. 1, 1991. Amended: Filed May 10, 1991, effective Jan. 1, 1992. Amended: Filed April 28, 1992, effective Feb. 26, 1993. Emergency amendment filed Dec. 29, 1992, effective Jan. 9, 1993, expired May 8, 1993. Amended: Filed Dec. 29, 1992, effective June 7, 1993. This version of rule filed June 9, 1993, effective Jan. 31, 1994. Amended:

**Missouri Department of Conservation
Application for Importation of Salmonid Fishes**

Date of Application _____

Applicant _____

Address _____

Phone Number _____

Source of Fish: Name _____

(Address) (City) (State) (Zip Code)

Phone Number _____

Species to be Imported _____

Check: Fish _____ Eggs _____ Number _____

Date of Arrival _____

Estimated Time of Arrival _____

Destination _____

Carrier: Name _____

The above application should be mailed to the Springfield Fish Disease Diagnostic Laboratory, Missouri Department of Conservation, 2630 N. Mayfair, Springfield, MO 65803. The application must be received not less than 15 nor more than 30 days prior to the date of shipment. A current letter of disease certification for the source of fish or eggs must accompany this application. (The applicant should request a copy of the letter of certification/inspection from the source.) The importation permit (issued by the Missouri Department of Conservation) must accompany the shipment into Missouri.

3 CSR 10-9.220 Wildlife Confinement Standards

PURPOSE: This rule establishes standards to be followed by those holding wildlife in captivity to assure the animals are confined in humane and sanitary conditions and in ways that prevent escape.

(1) Cages, pens or other enclosures for confining wild animals shall be well braced, securely fastened to the floor or ground, covered with a top as required and constructed with material of sufficient strength to prevent escape. Animals must be confined at all times in cages, pens or enclosures except in lead or drag races or birds held under a falconry permit. Except for unweaned young, Class II wildlife and bobcat, American badger, coyote, red fox and gray fox may not roam freely anywhere within a residence or inhabited dwelling.

(2) Cages, pens or other enclosures for Class I wildlife shall meet the following standards:

Species	Enclosure Space (sq. ft.)	Space Per Each Additional Animal (sq. ft.)	Enclosure Height (ft.)
(A) American Badger	30	6	4
(B) Beaver	40	8	5
(C) Bobcat	32	8	6
(D) Coyote	80	25	6
(E) E. Cottontail Rabbit	15	3	3
(F) Fox Squirrel	9	3	4
(G) Gray Fox	40	8	5
(H) Gray Squirrel	9	3	4
(I) Mink	9	3	2
(J) Muskrat	12	5	3
(K) Nine-Banded Armadillo	12	4	2
(L) Otter	36	6	4
(M) Raccoon	24	6	5
(N) Red Fox	40	8	5
(O) Virginia Opossum	12	3	3
(P) Weasel	9	3	2
(Q) White-Tailed Deer	500	125	8
(R) Woodchuck	12	3	5

(3) Cages, pens or other enclosures for confining Class II wildlife shall be constructed to prevent direct physical contact with the public. At a minimum, this may be accomplished by a secondary barrier of wire mesh no smaller than eleven and one-half (11 1/2) gauge with openings of no more than nine (9) square inches, with a minimum distance of three feet (3') between animal cage and public and a minimum height of six feet (6'). Doors shall remain locked at all times with appropriate locks and chains. Enclosures shall be constructed with a den, nest box or connected housing unit that can be closed off

and locked with the animal inside, or be a divided cage with a door between the compartments, to allow servicing and cleaning. The enclosure mesh size or spacing of bars shall be sufficient to prevent escape. A barrier system of wet or dry moats or structures, as approved by the American Association of Zoological Parks and Aquariums, will meet these requirements. Restraint by tethering only is prohibited for Class II animals.

(A) Class II wildlife shall be confined in cages, pens, enclosures or in buildings of sufficient strength with restraints affixed to all windows, doors or other means of entry or exit.

(B) Cages, pens or other enclosures for Class II wildlife shall meet the standards outlined in Appendix A of this rule.

(C) Mobile temporary exhibit and exotic animal auction/sale facilities used to confine Class II wildlife for no more than fourteen (14) days shall meet the following criteria:

1. Facilities shall be designed to prevent direct physical contact by the public and constructed of steel or case hardened aluminum of sufficient size to ensure that each animal or compatible groups of animals can stand erect, turn about freely and lie naturally. The structural strength of the facility shall be sufficient to contain the wildlife and to withstand the normal rigors of transportation. Doors shall be locked, but easily accessible at all times for emergency removal of the wildlife.

2. Facilities shall be designed to provide fresh air, free from injurious drafts and engine exhaust fumes, with adequate protection from the elements, and with emergency removal openings.

3. Venomous reptiles shall only be transported in a strong escape-proof enclosure capable of withstanding a strong impact. Enclosures shall be locked and prominently labeled with the owner's full name, address, telephone number, list of species being transported, and a sign labeled VENOMOUS.

(4) In addition the following requirements shall be met:

(A) Clean drinking water shall be available in adequate amounts at all times. Semiaquatic animals, such as beaver and muskrat, shall be provided a pool of sufficient water depth for the animal to completely submerge.

(B) A shelter shall be provided for security and protection from inclement weather. Shade or an overhead structure shall be provided in warm seasons.

(C) Captive mammals and birds shall be fed daily with a diet appropriate to the species and the age, size and condition of the animal. Feeding containers shall be kept

clean and uneaten food removed within a reasonable time.

(D) Animal wastes shall be removed daily and disposed of properly. If bedding is provided, it shall be cleaned out and replaced every two (2) weeks.

(5) Other wildlife native to Missouri not listed in sections (2) and (3) and in rule 3 CSR 10-9.110, and birds native to the continental United States, shall be confined in facilities that provide adequate space, comparable to requirements listed in sections (2) and (3) for similar size animals, and shall be provided requirements set out in section (4).

(6) Care of captive turtle shall meet requirements set out in section (4). At least ten (10) gallons of water shall be provided for each adult aquatic turtle over four inches (4") in shell length, and three (3) gallons of water shall be provided for each hatchling or turtle under four inches (4") in shell length. At least four (4) square feet of ground space shall be provided for each box turtle over three inches (3") in shell length and one (1) square foot of ground space shall be provided for each hatchling or turtle under three inches (3") in shell length.

(7) Requirements of this rule shall not apply to wildlife under the care of a veterinarian or rehabilitation center, or to animals legally held in circuses, publicly-owned zoos, bona fide research facilities or on fur farms whose sole purposes are to sell pelts or live animals to other fur farms and whose facilities meet generally accepted fur farming industry standards and adhere to provisions of sections (3) and (4) of this rule. Variations from requirements of this rule shall be only as specifically authorized by the director.

AUTHORITY: sections 40 and 45 of Art. IV, Mo. Const. This rule was previously filed as 3 CSR 10-3.020. Original rule filed Nov. 2, 1984, effective Feb. 11, 1985. Amended: Filed Aug. 6, 1985, effective Jan. 1, 1986. Amended: Filed May 10, 1991, effective Jan. 1, 1992. Amended: Filed June 2, 1992, effective Feb. 26, 1993. Amended: Filed June 9, 1993, effective Jan. 31, 1994. Amended: Filed June 13, 1994, effective Jan. 1, 1995. Amended: Filed Oct. 12, 1994, effective March 30, 1995. Amended: Filed May 30, 1995, effective Jan. 1, 1996. Amended: Filed June 5, 1996, effective Dec. 30, 1996. Amended: Filed May 6, 1998, effective March 1, 1999.

APPENDIX A

CAGE, PEN OR OTHER ENCLOSURE STANDARDS FOR CLASS II WILDLIFE
3CSR10-9.220 (3) (B) (Revised 05/24/96)

Page 1

Species	Enclosure Space (sq. ft.)	Space Per Each Additional Animal	Enclosure Height (feet)	Cage Material
Black Bear or hybrids	150	50% larger	8 or 10	Not smaller than 9 gauge steel chain link; top required for 8-foot enclosure; 3-foot lean-in on top of fence acceptable for 10-foot enclosure.
Mountain Lion or hybrids	200	50% larger	8	Not smaller than 9 gauge steel chain link for leopards; 11 gauge steel chain link for all other species; top required.
Wolf or hybrids	200	50% larger	6	Not smaller than 9 gauge steel chain link; 4-inch concrete floor or non-rust 9 gauge chain link buried 2 feet and angled underground toward enclosure interior; for pens anchored flush with ground, 3-foot interior dig-out panel required at ground surface; top required, except 8-foot fence with 3-foot lean-in acceptable for wolves.
Venomous Snakes	(Perimeter must be 1 1/2 times length of longest snake)	25% larger		When on public display outside approved confinement facility, any side of exhibit cage exposed to the public shall have a double glass or escape-proof double mesh barrier designed to prevent contact between venomous reptile and the public.

3 CSR 10-9.230 Class I Wildlife

PURPOSE: This rule establishes a new category for certain wildlife—wildlife inherently dangerous to humans and the provisions for private ownership of these species.

Class I wildlife shall include bullfrogs and green frogs and birds (including ring-necked and Korean pheasants and gray partridges) native to the continental United States, and mammals (except bison and those listed in 3 CSR 10-9.240) and nonvenomous reptiles and amphibians native to Missouri.

AUTHORITY: sections 40 and 45 of Art. IV, Mo. Const. Original rule filed June 9, 1993, effective Jan. 31, 1994. Amended: Filed June 5, 1996, effective Dec. 30, 1996.

3 CSR 10-9.240 Class II Wildlife

PURPOSE: This rule identifies those species that can only be held under provisions of a Class II wildlife breeder permit.

Class II wildlife shall include copperhead snakes, cottonmouth snakes, timber rattlesnakes, pygmy rattlesnakes, massasauga rattlesnakes, mountain lions or mountain lion-hybrids, wolves or wolf-hybrids and black bears or black bear-hybrids.

AUTHORITY: sections 40 and 45 of Art. IV, Mo. Const. Original rule filed Oct. 6, 1993, effective Jan. 31, 1994. Amended: Filed June 5, 1996, effective Dec. 30, 1996.

3 CSR 10-9.350 Class I Wildlife Breeder Permit

PURPOSE: This rule establishes a permit for wildlife breeders.

To exercise the privileges of a Class I wildlife breeder. Fee: fifty dollars (\$50).

AUTHORITY: sections 40 and 45 of Art. IV, Mo. Const. This rule previously filed as 3 CSR 10-10.750. Original rule filed Aug. 18, 1970, effective Dec. 31, 1970. Amended: Filed May 22, 1978, effective Sept. 15, 1978. Amended: Filed Aug. 29, 1980, effective Jan. 1, 1981. Emergency amendment filed Nov. 2, 1992, effective Jan. 1, 1993, expired Jan. 15, 1993. Amended: Filed June 2, 1992, effective Jan. 15, 1993. Amended: Filed June 9, 1993, effective Jan. 1, 1994.

3 CSR 10-9.351 Class II Wildlife Breeder Permit

PURPOSE: This rule establishes a new permit for holders of wildlife classified as inherently dangerous to humans.

To exercise the privileges of a Class II wildlife breeder. Fee: one hundred fifty dollars (\$150).

AUTHORITY: sections 40 and 45 of Art. IV, Mo. Const. Original rule filed June 9, 1993, effective Jan. 31, 1994.

3 CSR 10-9.353 Privileges of Class I and Class II Wildlife Breeders

PURPOSE: This rule establishes privileges and requirements for wildlife breeders.

(1) Class I and Class II wildlife as defined in 3 CSR 10-9.230 and 3 CSR 10-9.240, may be exhibited, propagated, reared or held in captivity by the holder of the appropriate Class I or Class II wildlife breeder permit at a specific location indicated on the permit. A permit may be granted after satisfactory evidence by the applicant that stock will be secured from a legal source other than the wild stock of this state; that the applicant will confine the wildlife in humane and sanitary facilities that meet standards specified in 3 CSR 10-9.220; and that the applicant will prevent other wildlife of the state from becoming a part of the enterprise. The wildlife may be used, sold, given away, transported or shipped; provided, that state- and federally-designated endangered species may not be sold without the written approval of the director; that skunks may not be imported, bought, sold, transported, given away or otherwise disposed of; that live raccoons, foxes and coyotes may not be imported; and that wildlife may be sold or given away only to the holder of the appropriate permit, where required, except as provided in section (3) of this rule. Cities, towns and counties may establish ordinances further restricting or prohibiting ownership of Class II wildlife, with approval of the department. In instances where prohibitions apply, no permit will be issued by the department. No Class I or Class II wildlife breeder permit is required for wildlife legally held by circuses, publicly-owned zoos or bona fide research facilities; however, those wildlife may not be held for personal use. Physical contact between humans and Class I and Class II wildlife in circuses must be restricted to the handlers, performers or other circus employees.

(2) Any sale, shipment or gift of wildlife by a Class I or Class II wildlife breeder shall be accompanied by a written statement giving his/her permit number and showing the number of each species and the name and address of the recipient. No wildlife of any kind may be liberated unless specific permission has been granted on written application to the conservation agent in the district where the release is to be made.

(3) Wildlife, except skunks, foxes, coyotes and raccoons may be shipped, transported or consigned to a wildlife breeder by nonresidents without a Missouri wildlife breeder permit, but that wildlife shall be accompanied by appropriate permit or other proof of legality in the state of origin. Persons purchasing wildlife at consignment sales shall obtain a wildlife hobby or appropriate wildlife breeder permit prior to the purchase, except nonresidents may possess and transport purchased wildlife without permit for forty-eight (48) hours following close of the sale.

(4) Notification of the date and place of any public sale of consigned wildlife shall be provided the conservation agent of the county in which the sale will be held not less than thirty (30) days prior to the sale.

(5) The holder of a Class I or Class II wildlife breeder permit may exhibit wildlife at locations other than those listed on the permit.

(6) None of these privileges shall extend to permitting the act of hunting for such stock except that big game mammals may be shot for purposes of herd management by the permit holder or his/her agents, but only by written authorization of the director.

(7) No state permit shall be required of individuals holding migratory waterfowl under valid federal authorization.

(8) No state permit shall be required for the propagation, sale or display of birds of prey by persons holding a valid federal permit; provided, that these birds may be used to take or attempt to take wildlife only by persons holding a valid falconry permit.

(9) The holder of a Class II wildlife breeder permit shall report escaped animals immediately to an agent of the department.

(10) The holder of a Class I wildlife breeder permit may sell legally-acquired dressed or processed quail, pheasants, partridges and game bird eggs at retail and to commercial

establishments under provisions of 3 CSR 10-10.743, provided all sales are accompanied by a valid invoice and the required records are maintained by the wildlife breeder.

1993, effective Jan. 31, 1994. Amended: Filed June 11, 1997, effective March 1, 1998.

AUTHORITY: sections 40 and 45 of Art. IV, Mo. Const. This rule was previously filed as 3 CSR 10-10.755. Original rule filed Aug. 18, 1970, effective Dec. 31, 1970. Amended: Filed July 20, 1977, effective Jan. 1, 1978. Amended: Filed May 22, 1978, effective Sept. 15, 1978. Amended: Filed Feb. 28, 1980, effective June 12, 1980. Amended: Filed Aug. 29, 1980, effective Jan. 1, 1981. Amended: Filed April 6, 1981, effective July 11, 1981. Amended: Filed July 31, 1981, effective Jan. 1, 1982. Amended: Filed July 27, 1982, effective Jan. 1, 1983. Amended: Filed Nov. 28, 1983, effective April 12, 1984. Amended: Filed Aug. 3, 1984, effective Jan. 1, 1985. Amended: Filed Aug. 6, 1985, effective Jan. 1, 1986. Amended: Filed Aug. 7, 1986, effective Jan. 1, 1987. Emergency amendment filed Nov. 2, 1992, effective Jan. 1, 1993, expired Feb. 26, 1993. Amended: Filed June 2, 1992, effective Feb. 26, 1993. Amended: Filed June 9, 1993, effective Jan. 31, 1994. Amended: Filed April 27, 1994, effective Jan. 1, 1995. Amended: Filed Sept. 29, 1994, effective July 1, 1995. Amended: Filed May 30, 1995, effective Jan. 1, 1996. Amended: Filed June 5, 1996, effective Dec. 30, 1996. Amended: Filed June 11, 1997, effective March 1, 1998. Amended: Filed May 6, 1998, effective March 1, 1999.

3 CSR 10-9.359 Class I and Class II Wildlife Breeder: Records Required

PURPOSE: This rule requires each wildlife breeder to submit a report of his/her activities.

Each Class I and Class II wildlife breeder shall maintain a current record of all transactions showing the place of origin and the numbers and species of wildlife which were possessed, propagated, bought, sold, transported, shipped, given away or used. These records shall be on forms provided by the department and shall be subject to inspection by an authorized agent of the department at any reasonable time.

AUTHORITY: sections 40 and 45 of Art. IV, Mo. Const. This rule was previously filed as 3 CSR 10-10.753. This version of rule filed Aug. 16, 1973, effective Dec. 31, 1973. WILDLIFE BREEDER RECORD

Rule 3CSR10-9.359 — Each Class I and Class II wildlife breeder shall maintain a current record of all transactions showing the place of origin and the number and species of wildlife which were possessed, propagated, bought, sold, transported, shipped or used by him. Such records shall be on forms provided by the department and shall be subject to inspection by an authorized agent of the department at any reasonable time.

Any sale or gift of wildlife must be accompanied by a written statement in compliance with 3CSR10-9.353 (2) of the Missouri Wildlife Code.
