Rules of
Department of Economic Development
Division 90—State Board of Cosmetology
Chapter 5—Apprentices

Title  
4 CSR 90-5.010 Apprentices .................................................................3
PURPOSE: This rule explains qualifications and requirements for apprentices.

(1) Same Qualifications as Students. All persons desiring to enter a program of apprenticeship training in Missouri shall satisfy all general requirements of students as set forth in Chapter 3 of these regulations (except where noted otherwise in these regulations).

(2) In order for an apprentice to be enrolled for training by a qualified supervisor the following criteria must be met:

(A) Complete an apprentice enrollment application. Apprentice applicants must comply with 4 CSR 90-3.010;

(B) Submit the apprentice enrollment application to the board at least two (2) weeks prior to the anticipated commencement of the apprentice’s training. No apprentice shall receive credit for training received at the apprentice shop until the apprentice enrollment application is approved and received by the board and both the apprentice license and the apprentice supervisor certificate are received and conspicuously posted in the apprentice shop;

(C) All apprentices shall be under the supervision of the approved apprentice supervisor except as provided in 4 CSR 90-4.010(6)(A);

(D) Subjects of apprenticeship study shall conform to columns B, C and D in 4 CSR 90-2.010(5)(A); and

(E) The apprentice license shall have a photograph attached which has been taken within the last two (2) years and shall be conspicuously posted. The apprentice license is not transferable.

Op. Atty. Gen. No. 223, Casey (6-1-67). A registered cosmetology school cannot require its students to pass a final examination before releasing the students’ hours and allowing the students to take their state board examination. The right to a state license is not dependent upon the completion of any school’s course, but only upon having the qualifications required by section 329.050, RSMo (Supp. 1965) as determined by the board.

Op. Atty. Gen. No. 58, McBrayer (10-5-59). A person who trains an apprentice in any of the classified occupations governed by the cosmetology laws of this state is not required to obtain an instructor’s license to teach the classified occupations. To train an apprentice, one need only be a registered operator.
