(1) The State Committee for Social Workers is a public governmental body as defined in Chapter 610, RSMo and adopts the following as the written policy for compliance with the provisions of that chapter. This policy is open to public inspection and implements Chapter 610, RSMo provisions regarding the release of information of any meeting, records or votes of the committee which are not closed under the chapter or any other applicable state or federal law.

(2) All public records of the committee shall be open for inspection and copying by any member of the general public during normal business hours except for those records closed pursuant to the provisions of sections 610.021 and 620.010.14(7), RSMo or any other applicable state or federal law. PURPOSE: This rule establishes a procedure for the receipt, handling and disposition of public complaints pursuant to the mandate of section 620.080.15(6), RSMo Supp. 1997.

(1) The Division of Professional Registration, in coordination with the State Committee for Social Workers, will receive and process each complaint made against any licensed clinical social worker, provisional licensed clinical social worker, temporary permit holder, registrant, applicant, individual or entity, in which the complaint alleges certain acts or practices may constitute one (1) or more violations of the provisions of sections 337.600–337.633, RSMo Supp. 1997 or the administrative rules. No member of the State Committee for Social Workers may file a complaint with the division or committee while holding that office unless that member is excused from further committee deliberation or activity concerning the matters alleged within that complaint. Any division or committee member or the committee may file a complaint pursuant to this rule in the same manner as any member of the public.

(3) All complaints shall be made in writing on a form provided by the committee and shall fully identify the complainant by name and address. Verbal or telephone communication will not be considered or processed as a complaint, however, the person making such communication will be asked to supplement the communication with a written complaint on a form provided by the committee. This log shall be a closed record of the committee.

(5) Each complaint received under this rule shall be acknowledged in writing. The complainant and licensee shall be notified of the ultimate disposition of the complaint.

(7) The division interprets this rule, which is required by law, to exist for the benefit of those members of the public who submit complaints to the committee. PURPOSE: This rule outlines the requirements and procedures for notifying the committee of name and address changes.
