PURPOSE: This rule explains the licensing procedure and requirements for beauty shops.

(1) New Shops.
(A) Any person desiring to open a beauty shop in Missouri shall submit an application to the board at least thirty (30) days prior to the anticipated opening of the shop. The application shall be submitted on a form approved by the board, be accompanied by the biennial shop fee and, in addition, state the following information:
1. The name and address of the owner(s) or lessor(s) and lessee(s) where appropriate;
2. The shop’s name and complete mailing address;
3. A copy of the proposed/existing facility’s floor plan, including the approximate dimensions and square footage; and
4. Other information as the board shall deem necessary, relevant and reasonable.
(B) Upon receipt of a properly completed application, the board, within a reasonable time, will make a decision to approve or deny the application. In the event the board shall deny an application, the applicant shall be notified, in writing, of the specific reasons for denial.
(C) No beauty shop shall be opened in Missouri until an application on a form supplied by the board and the biennial shop fee have been received by the board and the shop facility has been inspected and approved by the board.

(2) Any licensed cosmetologist practicing the profession of cosmetology in a barber shop or in a licensed cosmetology shop other than as a shop employee must possess a current shop license as well as an operator license and shall make application in accordance with the provisions and requirements defined in sections (1), (3) and (4).

(3) License.
(A) Original Licensure. Each certificate of registration (license) for a shop issued by the board shall be valid only for the premises located at the address provided in the initial application for the shop. If at any time during the license period the physical plant or operation of the shop is moved to a new address, if ownership is transferred or a co-owner(s) added, the license for the shop shall become void.

1. Change of location. No shop shall be opened at a new location in Missouri until a new application is received by the board accompanied by the biennial fee and the facility has been inspected and approved by the board.
2. Change of ownership. For ownership to be transferred or a co-owner(s) added, a license shall not be issued by the board until a new application has been received by the board, accompanied by the biennial fee and the shop facility has been inspected and approved by the board.
3. Deleting a co-owner. If a co-owner(s) ceases ownership of a shop, it shall be the responsibility of the shop’s co-owner(s) to notify the board of this change in writing. The written notice shall serve as documentation of the change and a new application shall not be required.
(B) Duplicating Fee. A duplicating fee shall be assessed in addition to the biennial fee if a shop is opened prior to inspection and licensing by the board.
(C) Additional Operators. The minimum biennial fee for a shop shall license the shop for up to three (3) operators, including apprentices, students with temporary permits, or both. An additional fee is required for each additional operator working in the shop.
If at any time during the license period the number of operators working in the shop exceeds the number of operators for which the shop is licensed, it is the responsibility of the holder(s) of the shop license to submit written notification to the board along with the fee for each additional operator.

(D) Duplicate License. If a shop license has been destroyed, lost, mutilated beyond practical usage or was never received, the holder(s) of the shop license may obtain a duplicate without a fee upon the submission of an affidavit to the board on a form provided by the board. If a shop has a name change or the owner has a name change during the license period and a revised license is desired, the holder(s) shall submit a request in writing to the board, along with the shop license currently in his/her possession and the duplicate license fee.
(E) Display of License. Shop licenses shall be posted in plain view within the shop or establishment at all times. Operator licenses, apprentice licenses or student temporary permits shall either be posted at each respective assigned work station or all posted together in one (1) conspicuous, readily accessible, central location within the shop area that will allow easy identification of the persons working in the shop by clients, board representatives or the general public. Photographs taken within the last five (5) years shall be attached to operator licenses. Photographs taken within the last two (2) years shall be attached to apprentice licenses and student temporary permits.

(F) Renewal of License. All existing shops in Missouri currently possessing a shop license, on or before the renewal date, shall submit an application to the board for renewal of the license accompanied by the biennial renewal fee and in addition, provide the information required by paragraphs (1)(A)1., 2. and 4. of this rule. Renewal notices are sent out by the board as a courtesy. Failure to receive a renewal notice does not relieve the holder(s) of this responsibility.

(G) Reinstatement of License. The holder(s) of a shop license which has not been renewed by the renewal date shall be required to submit a late fee in addition to the biennial renewal fee in order to reinstate the license. The holder(s) of the license for a shop which continues to operate although the license has not been renewed shall be subject to disciplinary action if the license is not reinstated within ten (10) working days following the mailing of a notice to the holder(s) or sixty (60) days from the renewal deadline, whichever is later, for operating a shop without a license.

(4) Shop Inspections. It shall be the responsibility of the holder(s) of the license for a shop to make sure the shop is available for inspection by the board or its representative. Shops that do not have regular business hours must keep the board apprised of those times during which the shop is open and may be inspected. Failure to respond to a request by the board for a list of times during which the shop is open and available for inspection constitutes grounds for disciplinary action against the holder(s) of the salon license pursuant to section 329.140, RSMo.

(5) Apprentice Shops.
(A) Any person desiring to initiate a program of apprenticeship training in a shop shall provide to the board the following information at the same time as the necessary application for the apprentice supervisor listed in subsection (6)(A):
1. The name and address of the apprentice shop;
2. The floor plan of the apprentice shop;
3. The contract, if any, between the apprentice supervisor and the apprentice;

5. Two (2) additional letters of reference from licensed cosmetologists affirming the apprentice supervisor’s competence as a cosmetologist; and

6. An affidavit attesting that the apprentice supervisor shall personally supervise the apprentice during the apprenticeship.

(B) It shall be required for the apprentice shop to be duly inspected and approved by the board or its authorized representative prior to commencement of apprentice training.

(C) Any shop advertising the services of an apprentice, in addition, shall provide notice, in print one-half (1/2) the size of the shop name, that the apprentice is a student of cosmetology and/or manicuring.

(D) The apprentice shop shall not hold itself out as a school and shall not train/supervise more than one (1) apprentice at a time. The apprentice shop shall not accept any fee from the apprentice or any representative of the apprentice.

(E) Subjects of apprenticeship study shall conform to Columns B, C and D in 4 CSR 90-2.010(5)(A).

(F) The apprentice license shall be conspicuously posted at the appropriate station at all times and shall have a photograph attached which has been taken within the last two (2) years. The apprentice license is not transferable.

6. Apprentice Supervisors.

(A) Any person desiring to practice as an apprentice supervisor shall have been licensed as a cosmetologist and/or manicurist in Missouri for not less than two (2) years immediately prior to application as an apprentice supervisor. Said person shall provide to the board—

1. The name and address of the apprentice to be supervised;
2. Apprentice supervisor application properly completed on a form supplied by the board;
3. Two (2) letters of character reference for the apprentice supervisor;
4. Two (2) additional letters of reference from licensed cosmetologists affirming the applicant’s competence as a cosmetologist and/or manicurist;
5. Proof of successful completion of a twelfth grade education (diploma or General Educational Development (GED) certificate);
6. Two (2) bust photographs measuring two inches square (2” × 2”) taken within the last two (2) years;
7. An affidavit attesting that the apprentice supervisor shall be physically present at all times that his/her apprentice is receiving credited hours toward the required minimum for testing. For emergency purposes one (1) secondary licensed cosmetologist/manicurist from the apprentice shop shall be named as acting apprentice supervisor. The acting supervisor shall not be responsible for more than a total of five percent (5%) or one hundred fifty (150) hours of supervision for a cosmetology apprentice. The acting supervisor shall not be responsible for more than a total of five percent (5%) or thirty-five (35) hours of supervision for a manicuring apprentice. The designation of an acting supervisor is limited to cases of sickness, vacation, or emergencies of the apprentice supervisor and any misuse of this privilege shall result in said supervisor’s certificate revocation. The acting apprentice supervisor shall hold a current license consistent with the training of the apprentice and must be named and approved;
8. Application for a board-approved training session emphasizing teaching methodology. The session shall be eight (8) hours in length. Those apprentice supervisor applicants who currently are licensed instructors in the state of Missouri may forego the training session for becoming a supervisor; and

9. The training session fee.

A. Upon the receipt by the board of all items required by subsection (6)(A), the board shall schedule the applicant for seminar training as an apprentice supervisor.

B. Upon the successful completion of the seminar, the board shall issue the applicant a certificate as an apprentice supervisor. The apprentice supervisor certificate shall expire upon the apprentice’s completion of training hours. The apprentice supervisor certificate is nontransferable and nonrenewable, unless an extension of the certificate is necessary for the apprentice to complete his/her hours. The apprentice supervisor certificate shall be conspicuously displayed within the apprentice shop with a photograph taken within the last two (2) years.

C. The apprentice supervisor shall not hold him/herself out as a school and shall not train/supervise more than one (1) apprentice at a time. The apprentice supervisor shall not accept any fee from the apprentice or any representative of the apprentice for instruction, rent, supplies, equipment or any other necessary tools for instruction.

D. The apprentice supervisor must provide the following equipment: dressereuse, mannequin, manicure table and supplies, current textbook on theory, facial equipment, thermal iron, hairdressing supplies and other equipment as deemed necessary and reasonable by the board.

E. The apprentice supervisor shall submit monthly reports by the tenth day of the following month for the apprentice in training on forms supplied by the board. Upon termination of training by the apprentice, submit to the board within two (2) weeks a properly completed termination form supplied by the board. The form shall list the total number of training hours completed by the apprentice, allocated by subject area, the date the apprentice terminated training, and shall be accompanied by the apprentice’s license and any unused materials supplied by the board.

F. All previously approved apprentice supervisors applying to supervise an apprentice after September 1, 1995, shall comply with all regulations for apprentice supervisors as set forth in 4 CSR 90-4.010.

G. The apprentice supervisor has thirty (30) days to begin training of apprentice subsequent to attending the board-approved training session as referenced in 4 CSR 90-4.015.

H. The board shall grant a waiver of the training session fee and completion of a board-approved training session provided—

(I) Within the first six (6) months of the date of issuance of the apprentice supervisor certificate either party terminates the training; and

(II) The apprentice supervisor reappliess to supervise a new apprentice within the same six (6) months.

IMPORTANT INFORMATION

All salon facilities must be inspected and approved by the STATE BOARD OF COSMETOLOGY before start of business to ensure sanitary conditions and compliance with Missouri laws, rules and regulations before a certificate of registration can be issued. Anyone who owns and operates a salon without a certificate of registration is in violation of the provisions of Section 329.045, RSMo. State Regulation 4 CSR 90-13.010 provides for a $100.00 delinquent fee to be assessed in addition to the regular fee if a salon is opened prior to inspection and registration. Also Section 329.140, RSMo, allows the Board to file a complaint with the Administrative Hearing Commission provided by Chapter 621 requesting denial, revocation or suspension of a certificate for violation of Section 329.045, RSMo.

The biennial salon registration fee is $30.00 for one to three operators, and $10.00 for each additional operator or apprentice over three. The fee must accompany the completed application.

Licensed operators renting or leasing space in a salon must also obtain a salon registration. They are subject to the same inspection and the same laws, rules and regulations.

If at any time during the license period, the physical plant or operation of a salon is moved to a new address, or if ownership is changed, the certificate of registration for the salon shall become void. A new fee and application for salon registration is required and the salon will require inspection and approval by the Board before opening.

### Important Information

Before beginning practice outside of or away from a licensed salon all salon facilities and portable kits must be inspected and approved by the STATE BOARD OF COSMETOLOGY to ensure sanitary conditions and compliance with Missouri laws, rules and regulations before a Certificate of Identification can be issued. Anyone who owns and operates a salon without a certificate of registration is in violation of the provisions of Section 329.045, RSMo. 4 CSR 90-13.010 provides for a $100.00 delinquent fee to be assessed in addition to the regular fee if a salon is opened prior to inspection and registration. Also Section 329.140, RSMo. allows the Board to file a complaint with the Administrative Hearing Commission provided by Chapter 621 requesting denial, revocation or suspension of a certificate for violation of Section 329.045, RSMo.

In order to be eligible to work on a Certificate of Identification you must be employed and sponsored by the registered shop as your principal (51% of the time) place of business. The Certificate of Identification is only valid for the original location and applicant and is not transferable. The required biennial fee of $30.00 must accompany the completed application and affidavits.

If at any time during the license period, the physical plant or operation of a salon is moved to a new address, or if ownership is changed, the Certificate of Identification shall become void. MO 418-0058 (4-91)
90-4.020 Practice Outside of or Away from Beauty Shops.

PURPOSE: This rule explains the licensing procedure and requirements for the practice of a licensee practicing one of the classified occupations of cosmetologist, hairdresser, or manicurist outside of or away from his or her principal office, place of business, or employment as authorized in § 329.110.2, RSMo (1986).

(1) As used in this rule, the following terms shall mean:

(A) "Sponsor Shop" means a licensed shop, principal office, or place of business or employment, employing the services of, or responsible for appointments for services of, or where the operator license of the holder of a Certificate of Identification is displayed, and where the portable kit is available for inspection by the Board.

(B) "Licensed Shop" means a bona fide principal office, place of business or employment, licensed by the Board, which is regularly operated for the purpose of engaging in the practice of Cosmetology.

(C) "Principal", as used in the preceding two (2) definitions, means the place where the licensee is employed the majority of the time (no less than 51% of total hours per week employed).

(2) Certificate of Identification.

(A) Issuance: Upon written request to the office, a licensee may be issued a Certificate of Identification authorizing his/her lawful practice in a place other than a licensed shop. To obtain the certificate the licensee shall:

(1) Be the holder of a current license issued by the State Board of Cosmetology in accordance with § 329.020, RSMo (1986);

(2) Provide documentation of current employment in a shop licensed by the State Board of Cosmetology in accordance with § 329.045, RSMo (1986); and

(B) Retention: The Certificate of Identification shall remain with the Sponsor Shop owner or manager at all times, except when work is being performed outside the shop. It is the Sponsor Shop’s manager/owner’s responsibility to ensure that the licensee who holds this certificate conforms to all health and safety precautions.
