Title 4—DEPARTMENT OF ECONOMIC DEVELOPMENT
Division 240—Public Service Commission
Chapter 51—Water Service Territorial Agreements

4 CSR 240-51.010 Schedule of Fees

PURPOSE: This rule establishes a schedule of fees for commission review of proposed territorial agreements between water service providers.

(1) An application for commission review of a proposed territorial agreement between water service providers shall be accompanied by an initial fee for staff review of the agreements in the amount of four hundred dollars ($400).

(2) In addition to the filing fee, the fee for commission review of an application for approval of a proposed territorial agreement between water service providers is set at one hundred dollars ($100) per hour of hearing time, subject to a minimum charge for hearing time of one hundred dollars ($100). There is an additional charge of three dollars and fifty cents ($3.50) per page of transcript. These fees are in addition to the fees authorized by section 386.300, RSMo.

(3) The applicants shall be responsible for payment of any remaining fees on and after the effective date of the commission’s report and order relating to the water territorial agreement. The executive secretary shall send an itemized billing statement to the applicants on or after the effective date of the commission’s report and order. All fees under this rule shall be prorated among the applicants in a manner such that each applicant shall be responsible for the payment of an equal dollar amount.

(4) An application for commission review of proposed amendment(s) to an existing territorial agreement between water service providers shall not be subject to the fee of four hundred dollars ($400) specified in section (1) of this rule. However, the applicants shall be responsible for the payment of a fee which reflects necessary hearing time (including the minimum hearing time charge) and the transcript costs as specified in section (2) of this rule.
