Title 5—DEPARTMENT OF ELEMENTARY AND SECONDARY EDUCATION
Division 100—Missouri Commission for the Deaf
Chapter 200—Board for Certification of Interpreters

5 CSR 100-200.010 General Organization

PURPOSE: This rule describes the composition, primary duty, record keeping, and meeting procedures of the Board for Certification of Interpreters.

(1) There is established within the Missouri Commission for the Deaf (MCD) a “Board for Certification of Interpreters” (BCI), which shall be composed of five (5) members. The executive director of the MCD or his/her designee shall be a nonvoting member of the BCI.

(2) The members of the BCI shall be appointed by the governor with the advice and consent of the senate from a list of recommendations from the MCD. The BCI shall elect from its membership a chairperson and a secretary. A quorum of the BCI shall consist of three (3) of its members.

(3) The BCI shall meet not less than two (2) times per year.

(4) By the authority established in sections 209.292(1) and 209.292(2), RSMo, the BCI is the only entity in the state of Missouri with the power to officially evaluate and certify interpreters in order that they may meet the requirements for licensing by the Missouri State Committee of Interpreters. Other powers and duties of the BCI are detailed in section 209.292, RSMo.

(5) The coordinator of the Missouri Interpreter Certification System (MICS) shall be hired by the executive director of the MCD, and shall be responsible for implementing policies and decisions of the BCI, maintaining the BCI’s records, and responding to all requests for access to the BCI’s public records.

(6) The public may obtain information from, as well as make submissions to, the BCI by submitting their requests or materials in writing to the MICS coordinator at the MCD office.

(A) All public records of the BCI shall be open for inspection and copying by persons in the general public during normal business hours. However, records closed pursuant to section 610.021, RSMo, compiled in connection with the investigation of a complaint against the certification process, or compiled for the purpose of processing applications for certification are confidential and therefore not subject to inspection by the public.

(B) A fee may be charged by the BCI for making copies of its records. See 5 CSR 100-200.150 Fees.

(C) It shall be improper for any BCI member, MCD member, or MCD staff member to discuss with any person, except members of the BCI, MCD, staff of the MCD, State Committee of Interpreters, staff of the State Committee of Interpreters, or counsel for any of those agencies, any matter which is confidential, including complaints against the certification process, that is pending before the BCI, MCD, State Committee of Interpreters, or the Administrative Hearing Commission.

(7) All meetings of the BCI not closed pursuant to the provisions of section 610.021, RSMo, shall be open to any person in the general public.

(8) Individuals wishing to make a presentation at a BCI meeting must submit their requests in writing to the executive director of the MCD a minimum of three (3) working days prior to the meeting.

5 CSR 100-200.030 Missouri Interpreter Certification System

PURPOSE: This rule describes the basic components of the Missouri Interpreter Certification System, as well as the types and levels of certification issued by the Board for Certification of Interpreters.

(1) Any individual who practices interpreting in the state of Missouri as defined in 209.285 and 209.321, RSMo, must be certified in the Missouri Interpreter Certification System (MICS).

(2) The Missouri Commission for the Deaf (MCD) authorizes the Board for Certification of Interpreters (BCI) to purchase or develop materials to be used as the most appropriate testing materials for certifying interpreters in the state of Missouri.

(3) The MICS has two (2) basic components—a written test and a performance test. A person is required to obtain a passing score on the written test before being allowed to take the performance test.

(A) The written test may cover, but is not limited to:

1. Knowledge of general interpreting procedures and situations;
2. Knowledge of issues and situations facing interpreters;
3. Knowledge of Ethical Rules of Conduct for interpreters; and
4. Knowledge of issues pertaining to deaf and hard of hearing individuals.

(B) The performance test may cover, but is not limited to:

1. Interpreting from spoken English to American Sign Language;
2. Interpreting from American Sign Language to spoken English;
3. Transliterating from spoken English to an English-based sign system; and
4. Transliterating from an English-based sign system to spoken English.

(4) The performance evaluation is the measurement tool used to analyze the performance test and determine the applicant’s ability to facilitate communication between deaf or hard of hearing people and persons who are hearing by means of one (1) or more of the skills detailed in subsection (3)(B) above. The MICS performance evaluation standards shall be based upon the testing materials used.

(5) The types and levels of interpreter certification granted by the MICS are Novice, Apprentice, Intermediate, Advanced, Comprehensive, Restricted Certification in Education (K-6), Restricted Certification in Education (7-12), Restricted Certification in Education (General) and the Intern/Practicum Certification.

(A) The Novice and Apprentice certifications are issued for terms of three (3) years.

(B) The Intern/Practicum Certification is issued for a term specified pursuant to 5 CSR 100-200.085.

(C) All other certifications are permanent.

(6) All MICS certifications are subject to renewal annually pursuant to 5 CSR 100-200.125, provided that the holder commits no violation of any provision of the Revised Statutes of Missouri or the Missouri Code of State Regulations pertaining to interpreter certification or Licensure, with the following exceptions:

(A) The Intern/Practicum Certification;
(B) When the three (3)-year term of a Novice or Apprentice certification expires on or before the annual renewal date.

(7) At this time, the BCI is not issuing a provisional certification as authorized in 209.309, RSMo.

5 CSR 100-200.040 Restricted Certification in Education

**PURPOSE:** This rule outlines how individuals may be granted a Restricted Certification in Education which will allow the holder to interpret only in elementary and secondary educational settings.

(1) The Restricted Certification in Education (RCED) shall be issued in one (1) of three (3) different formats, an RCED (K–6), RCED (7–12), and RCED (General).

(A) The RCED (K–6) shall be valid only for interpreting in kindergarten through grade six (6) as set forth in 5 CSR 100-200.170.

(6) Applicants desiring to take the written test will be responsible for scheduling the date, time and location of their written test with the coordinator. The written test will be waived for individuals requesting reevaluation. See 5 CSR 100-200.075 and 5 CSR 100-200.070.

(7) Applicants not available for the written examination within twelve (12) months of the date of their application will forfeit both their application and application fee. Any such applicants will have to reapply as outlined above, and submit a new application along with the appropriate application fee.

5 CSR 100-200.050 Application for Interpreter Certification in Missouri

**PURPOSE:** This rule provides information regarding application procedures for interpreter certification in Missouri.

(1) To be eligible for certification in the Missouri Interpreter Certification System (MICS), each applicant must:

(A) Be eighteen (18) years of age or older; and

(B) Hold a high school diploma or its equivalent.

(2) An application for certification must be obtained only through performance testing in the Missouri Interpreter Certification System (MICS) as set forth in 5 CSR 100-200.070.

(3) All RCED certificates shall be issued with an appropriate endorsement showing the communication mode in which the recipient is qualified. The communication mode endorsement shall be one (1) of the following:

(A) American Sign Language (ASL)

(B) Pidgin Signed English (PSE)

(C) Signing Exact English II (SEE II)

(D) Convert certification.

(4) The RCED (General) shall be given based on the applicant’s ability to meet the minimum criteria for the Intermediate Certification level in either:

(A) Interpreting from spoken English to American Sign Language and from American Sign Language to spoken English; or

(B) Transliterating from spoken English to an English-based sign system, such as PSE or SEE II, and from an English-based sign system to spoken English.

(5) An applicant may obtain more than one (1) RCED, with different formats and/or communication mode endorsements, but for each RCED the applicant must submit a new application, pay the appropriate fee(s), and, if required, take the appropriate performance test.

5 CSR 100-200.060 Written Test

**PURPOSE:** This rule provides information concerning the written test in the Missouri Interpreter Certification System.

(1) The form, content, method of administration, passing standards, and method of scheduling of written tests in the Missouri Interpreter Certification System (MICS) shall be determined by the Board for Certification of Interpreters (BCI).

(3) MICS written tests for groups of applicants shall be offered at proctor sites throughout the state of Missouri as often as feasible,
but not less than two (2) times a year. In addition, the MICS written test may normally be taken by individual applicants at the office of the Missouri Commission for the Deaf (MCD) on any weekday if it is scheduled with the coordinator at least three (3) days in advance.

(3) All applicants will upon request be notified of the date, time, and place of the next written test to be offered at a proctor site.

(4) The written test fee must be received at the MCD office prior to applicants being allowed to take the written test.

(5) All applicants failing to appear for a scheduled written test without reasonable prior notice, except in emergencies, will forfeit both their application and their application fee. When reasonable prior notice is given, or failure to appear is due to an emergency, the applicant will be allowed to reschedule their written test for some future time.

(6) All applicants will be notified of their written test results by letter.

(7) All applicants must have a passing score of eighty-five percent (85%) correct or better on the written test in order to qualify for taking the performance test.

(8) Any applicant unable to obtain a passing score on the written test must refrain from retesting for a period of at least six (6) months from the date of their last written test. Any such applicant may reapply to take the written test by submitting a new application form along with the appropriate application fee.

5 CSR 100-200.075 Voluntary Recertification

PURPOSE: This rule outlines the process whereby an interpreter seeking either to recertify as a Novice or Apprentice or to obtain a higher level of certification in the Missouri Interpreter Certification System can volunteer to be reevaluated.

(1) An interpreter in the Missouri Interpreter Certification System (MICS) can volunteer to have his/her performance retested and reevaluated in order to recertify as Novice or Apprentice or to obtain a higher certification level.

(A) An interpreter can apply for retesting and reevaluation by contacting the coordinator and scheduling the reevaluation performance test.

(B) A reevaluation performance test fee must be submitted at least thirty (30) days prior to the date of the performance test.

1. If no fee is received, an applicant scheduled for a reevaluation performance test will not be allowed to take the reevaluation performance test, and will have to reschedule a new date and time for their performance test.

2. If the appropriate reevaluation performance test fee has been received, then failure to appear for a scheduled performance test without reasonable prior notice, except in emergencies, will result in forfeiture of an applicant’s performance test fee. When reasonable prior notice is given, or failure to appear is due to an emergency, the applicant will be allowed to reschedule their performance test for some future time.

(4) The coordinator of the MICS will inform all applicants of their evaluation results by letter after the completion of their performance evaluation.

(A) Included with the letter will be a wallet-sized certificate bearing the signature of the executive director of the MCD indicating the type or level of certification granted by the evaluators.

(B) A larger certificate suitable for framing and hanging on a wall may be issued if the applicant so desires and pays the appropriate fee.

(5) If the applicant is unable to obtain the minimum score necessary for certification, no certification will be issued. In such an instance:

(A) The applicant may apply to take the performance test again and be reevaluated by scheduling a new performance test date with the MICS coordinator and submitting the proper reevaluation fee;

(B) The applicant may not retake the performance test until at least six (6) months have passed from the date of his/her last performance test; and

(C) In all such cases of reevaluation, the written test will be waived.

certification showing the same or higher level of certification achieved.

(2) An interpreter in the MICS may not retake the performance test and be reevaluated unless the applicant has submitted completion of continuing education requirements as set forth in 5 CSR 100-200.130.

(3) An interpreter in the MICS shall not be retested and reevaluated unless the interpreter has submitted completion of continuing education requirements as set forth in 5 CSR 100-200.130.

5 CSR 100-200.085 Intern/Practicum Certification

PURPOSE: This rule outlines the criteria necessary to obtain Intern/Practicum Certification by students currently enrolled in an accredited Interpreter Training Program.

(1) Intern/Practicum Certification (IPC) will be granted to a student applicant upon verification of registration in an interpreting practicum or internship course in an Interpreter Training Program (ITP) that is recognized by the Board for Certification of Interpreters (BCI) and housed in a regionally accredited institution of higher education.

(2) The applicant’s ITP director/coordinator is responsible for notifying the BCI regarding the effective start and end dates of the IPC.

(3) If the requirements of sections (1) and (2) above are met, a student applicant need only submit the appropriate application form and fee in order to obtain the IPC.

(4) A student with an IPC must follow the established guidelines and requirements of their ITP during their interpreting practicum or internship course.

(5) Should a student with an IPC either withdraw from or be denied admission to their interpreting practicum or internship course for any reason, their ITP director/assistant is responsible for immediately notifying the BCI so that the student’s IPC may be revoked.

5 CSR 100-200.130 Certification Maintenance

PURPOSE: This rule provides information regarding the minimum requirements for certification maintenance in the Missouri Interpreter Certification System.

(1) Annual participation in a continuing education program is required for interpreters certified in the Missouri Interpreter Certification System (MICS). This program involves study and performance options which must have prior approval from the Board for Certification of Interpreters (BCI) and which fulfill the requirements for certification maintenance in the MICS. This program may include seminars, lectures, conferences, workshops, extension study, correspondence courses, teaching, mentorship, self-study and other options, all of which must be approved by the BCI and must be related to interpreting.
   (A) Program options may provide for evaluation methods to assure satisfactory completion by participants.
   (B) The BCI shall ensure that persons responsible for the delivery or content of program options are qualified in the subject matter by education, experience and expertise.
   (C) Presentations or program options offering MICS Continuing Education Units (CEUs) may be approved through any of the following methods:
      1. All presentations and workshops offered by an Interpreter Training Program (ITP) recognized by the BCI and housed in an accredited institution of higher education will automatically be approved for MICS CEUs;
      2. All presentations and workshops that give attendees CEUs approved by the Registry of Interpreters for the Deaf (RID) will automatically be approved for MICS CEUs;
      3. MICS CEUs will be given for undergraduate or graduate studies related to interpreting in any regionally accredited institution of higher education. Satisfactory proof of course completion, as required by the BCI, must be submitted in order for CEUs to be granted. The following hourly equivalents will be used by the BCI in issuing course-related MICS CEUs:
         A. 3 college credit hour course = 10 contact hours;
         B. 2 college credit hour course = 6 contact hours; and
         C. 1 college credit hour course = 3 contact hours.
      4. The BCI may approve continuing education presentations and program options other than those offered by an ITP or the RID if they meet the following criteria prior to the event:
         A. Application should be submitted not less than thirty (30) days prior to the event. Applications received less than thirty (30) days in advance cannot be guaranteed notification of approval.
         B. Application to the BCI for approval shall be made on forms developed by the BCI. The application shall require detailed information relating to administration and organization, teaching staff, education content and development, methods of delivery, length of education activities, targeted skill level of interpreters, facilities and method of evaluation;
         (D) With adequate documentation to the BCI, any interpreter whose primary responsibility is not the education of interpreters who leads, instructs or lectures to groups of interpreters or others on topics related to interpreting in organized continuing education or in-service programs shall be granted MICS CEUs for the time expended during actual presentation. Approval must be requested using procedures outlined in paragraph (1)(C)4 above. MICS CEUs for the same presentation in the same town will be allowed only once during a year;
   (E) Any interpreter whose responsibility is the education of interpreters shall be granted MICS CEUs only for time expended in leading, instructing, or lecturing to groups of interpreters or others on topics related to interpreting in an organized continuing education or in-service program outside his/her formal responsibilities in a learning institution. Approval must be requested using procedures outlined in paragraph (1)(C)4 above. MICS CEUs for the same presentation in the same town will be allowed only once during a year.
   (2) One (1) contact hour earns one-tenth (0.1) MICS CEU.

(3) An interpreter shall be required to earn one and two-tenths (1.2) CEUs annually for certification maintenance in the MICS. Contact hours earned in another state will be accepted by the BCI provided that the hours acquired can be documented. The twelve (12) month period for annually earning CEUs will end ninety (90) days prior to the licensing deadline.

(4) Providers will give evaluation forms to participants to be submitted with final reports.

(5) Proof of completion of continuing education requirements shall be provided by interpreters to the BCI by submitting annually a completed CEU form approved by the BCI, proper documentation, and the CEU processing fee, on or before sixty (60) days prior to the licensing deadline. Proper documentation shall include one (1) or more of the following:
   (A) Certificate(s) of completion;
   (B) Letter(s) from providers stating date of attendance and program; and
   (C) Transcript(s) (if available).

(6) The BCI will review and verify all MICS CEUs claimed in the CEU forms submitted. After verification, the BCI will notify all applicants, as well as the State Committee of Interpreters, of the number of CEUs interpreters have earned for the year.

(A) Failure to submit a CEU form with verifiable MICS CEUs, proper documentation, and the CEU processing fee by the sixty (60) days CEU deadline will result in an interpreter's certification not being renewed, and the State Committee of Interpreters will be appropriately notified of the interpreter’s failure to renew certification.
(B) If an interpreter’s certification is not renewed because of failure to obtain adequate MICS CEUs, the interpreter may apply for reinstatement by submitting a completed CEU form, proper documentation, the CEU processing fee, and the reinstatement fee.

(7) The BCI may elect to audit any interpreter to assess the authenticity and validity of contact hours submitted.

(8) CEUs may be earned in any area or for any activity related to interpreting, with the prior approval of the BCI, including, but not limited to, the following:
