5 CSR 30-660.065 Definition of Nonathletic, Classroom, Instructional Facilities and Classroom Instructional Capital Outlay

PURPOSE: Subsection 165.011.5., RSMo applies only to the leasing of buildings, or structures, and defines the eligibility criteria for local districts to transfer funds from the incidental fund to the Capital Projects Fund. Paragraph 165.011.5(d), RSMo limits those transfers to the leasing of nonathletic, classroom, instructional facilities. Subsection 165.011.2., RSMo authorizes expenditures from the incidental fund to include expenditures for classroom instructional capital outlay. These provisions were contained in Senate Bill 676, which was passed by the 87th General Assembly and signed by the governor.

(1) The term nonathletic, classroom, instructional facilities shall mean facilities or parts of facilities used for instructional purposes or in support of the instructional process as provided in the approved curriculum of the school district for students under twenty-one (21) years of age, but shall not include football, baseball, track, soccer, swimming or other athletic facility, gymnasium or auditorium used primarily for nonacademic extracurricular activities.

(2) The term classroom instructional capital outlay shall mean expenditures for apparatus used within a classroom or other instructional area or in direct support of a teacher engaged in the instructional process that is necessary for or enhances that process. Direct support activities may include guidance, psychological speech, library resource or other related services. Classroom instructional capital outlay shall not include expenditures for furniture.

5 CSR 30-660.070 Video Programming in Schools

PURPOSE: The purpose of this rule is to define the use of video programming in schools.

(1) The school term and the school day shall meet the requirements pursuant to state laws and regulations. Time allocated to the general mandatory use, by all or a major portion of students enrolled in a school, of a video or audio program or other offering which is not directly related to the curriculum of the school and the class may not be considered in meeting the eligibility requirements for state aid pursuant to applicable state laws and regulations or the minimum school term requirements pursuant to applicable state laws and regulations.

(2) School districts may not count toward meeting the time allocations for a course the time allocated to the general mandatory use, by all or a major portion of the students enrolled in the course, of a video or audio program or other offering which is not directly related to the curriculum of the class.
