**8 CSR 10-4.030 Contribution and Wage
Reports and Payment of Contributions**

PURPOSE: This rule prescribes as to the filing of quarterly tax and wage reports, the reporting of temporary employment, extension of time for filing, establishment of receipt date and exemption from filing reports. This rule implements sections 288.090 and 288.130, RSMo. This rule was previously known as regulation no. 10.

(1) On or before the last day of the month following each calendar quarter each employer shall complete and file contribution and wage reports with division containing, along with other relevant information, data as to the wages paid by that employer, and to whom paid, within the calendar quarter, on forms to be obtained from, or approved by, the division.

(2) On or before the last day of the month following each calendar quarter, each employer shall pay the contributions due with respect to the wages paid by it in that quarter.

(3) Employers required to report quarterly wage information due on magnetic media tape or diskette pursuant to section 288.090, RSMo, must report in a format prescribed by the division. Employers not required to report quarterly wage information due on magnetic media tape or diskette pursuant to section 288.090, RSMo, may elect to do so upon approval by the division and in a format prescribed by the division. If an employer that has elected to report quarterly wage information by magnetic media fails to report in the prescribed format, the division may at any time cancel the approval through written notification.

(4) Any employer desiring to submit wage reports on forms other than those furnished by the division shall submit to the division a sample of the form proposed. The use of the form may be approved if it is printed on a satisfactory grade of white paper, eight and one-half inches by eleven inches (8 1/2" × 11")

in size and if it supplies all required information in a satisfactory manner; provided, however, that the division's quarterly summary wage report form shall always be used as the first page of these reports. This approval may be canceled at any time at the option of the division.

(5) Upon the written request of an employer made on or before the due date of any report or contribution payment, the division may, for good cause shown, grant an extension of time for the filing of a report or the payment of contributions, but no such extension shall exceed three (3) months.

(6) Whenever it appears that an employer will employ no workers and pay no wages for a material period, the employer may file an application for exemption from filing contribution and wage reports. If the application is approved by the division, no reports need be filed so long as no wages are paid by the employer during the period covered by the approval. When any wages are paid for either past or current periods, the exemption shall be automatically canceled.

8 CSR 10-4.080 Joint Accounts

PURPOSE: This rule prescribes how joint accounts will be established and the consequences of that action. This rule implements section 288.100, RSMo. This rule was previously known as regulation no. 17.

(1) Any employer may make application in writing to the division to participate in a joint account with one (1) or more other employers.

(2) The division shall approve those applications that meet the requirements of this rule.

(3) Any application to participate in a joint account must be filed by the first day of April of the calendar year in which the applicant-employer's membership in the joint account is to become effective. In addition, all contributions, interest and penalties due from the applicant-employer must be paid prior to the division approving the applicant-employer's membership in the joint account.

(4) All such applications shall be accepted only on the condition that the applicant waives all rights to its individual employer account under the law when the division approves the application and merges its individual account in a joint account for experience rating purposes.

(5) Each applicant-employer shall agree to assume joint and several liability for any contributions, interest and penalties accruing on the part of any one of the employers participating in the joint account during the duration of the account in consideration for the division granting the applicant-employer the right to participate in it.

(6) Each employer participating in a joint account agrees to maintain a sufficient record of its own employment in order that the employer can furnish the division with information necessary to enable the division to make proper certification to the Bureau of Internal Revenue of the United States Treasury under the Federal Unemployment Tax Act and to enable the division to determine any benefit charges against the separate account.

(7) No reduced rate of contributions shall be established for any joint account until each participating employer is individually eligible for the calculation of a contribution rate.

(8) All joint accounts will be maintained only on a calendar-year basis and those accounts must be maintained for a minimum period of

two (2) calendar years unless terminated sooner by action of the division.

(9) All contribution credits for all employers in a joint account will be calculated together. All benefit payments chargeable against all employers in a joint account will be calculated together. The average annual payroll of the joint account will be the average of the annual payrolls of all employers participating in the account.

(10) If any individual, type of organization or employing unit succeeds to the business of an employer participating in a joint account under conditions which would require the transfer of any separate account of that employer to the successor, the successor shall be *ipso facto* a member of the joint account.

(11) Withdrawal from a joint account by any participating employer may be approved if the request for withdrawal is made in writing to the division on or before December 31 of the year prior to the year for which the withdrawal is to be effective. The withdrawing employer, as of the effective date of withdrawal, shall be treated in all respects as a newly liable employer, regardless of all prior contributions or benefit payment experience. The remaining employer or employers shall continue to constitute the joint account. The withdrawal or termination of all except one (1) member shall not dissolve the joint account, unless and until that last member shall withdraw or terminate.

(12) Participation in a joint account shall not affect the right of any employer to terminate its liability, but after termination, the employer, in all respects, shall be treated as a withdrawing employer under this rule.

Such an election may be filed, with respect to an individual, with any participating jurisdiction in which any part of the individual's services are performed; the individual has his/her residence; or the employing unit maintains a place of business to which the individual's services bear a reasonable relation.

(B) The agency of the elected jurisdiction (thus selected and determined) shall initially approve or disapprove the election. If the agency approves the election, it shall forward a copy to the agency of each other participating jurisdiction specified, under whose unemployment compensation or employment security law the individual(s) in question, in the absence of an election, might be covered.

Each interested agency shall approve or disapprove the election, as promptly as practicable; and shall notify the agency of the elected jurisdiction accordingly. In case its law so requires, any such interested agency, before taking action, may require from the electing employing unit satisfactory evidence that the affected employees have been notified of and have acquiesced in the election.

(C) If the agency of the elected jurisdiction, or the agency of any interested jurisdiction, disapproves the election, the disapproving agency shall notify the elected jurisdiction and the electing employing unit of its action and of its reasons.

(D) Such an election shall take effect as to the elected jurisdiction only if approved by its agency and by one (1) or more interested agencies. An election approved shall take effect, as to any interested agency, only if it is approved by the agency.

(E) In case any election is approved only in part, or is disapproved by some of the agencies, the electing employing unit may withdraw its election within ten (10) days after being notified of the action.

(4) Effective Period of Elections.

(A) Commencement. An election duly approved under this rule shall become effective at the beginning of the calendar quarter in which the election was submitted, unless the election, as approved, specifies the beginning of a different calendar quarter. If the electing unit requests an earlier effective date than the beginning of the calendar quarter in which the election is submitted, the earlier date may be approved solely as to those interested jurisdictions in which the employer had no liability to pay contributions for the earlier period in question.

(B) Termination. The application of an election to any individual under this rule shall terminate, if the agency of the elected jurisdiction finds that the nature of the services customarily performed by the individual for the electing unit has changed, so they are no longer customarily performed in more than one (1) participating jurisdiction. The termination shall be effective as of the close of the calendar quarter in which notice of the finding is mailed to all parties affected. Except as provided, each election approved shall remain in effect through the close of the calendar year in which it is submitted and after that until the close of the calendar quarter in which the electing unit gives written notice of its termination to all affected agencies. Whenever an election under this rule ceases to apply to any individual, the electing unit shall notify the affected individual accordingly.

(5) Reports and Notices by the Electing Unit.

(A) The electing unit shall promptly notify each individual affected by its approved election on the Form MODES-2020 supplied by the elected jurisdiction and shall furnish the elected agency a copy of the notice.

(B) Whenever an individual covered by an election under this rule is separated from his/her employment, the electing unit shall again notify him/her as to the jurisdiction under whose unemployment compensation law his/her services have been covered. If at the time of termination the individual is not located in the elected jurisdiction, the electing unit shall notify him/her as to the procedure for filing interstate benefit claims.

(C) The electing unit shall report immediately to the elected jurisdiction any change which occurs in the conditions of employment pertinent to its election, such as cases where an individual's services for the employer cease to be customarily performed in more than one (1) participating jurisdiction or where a change in the work assigned to an individual requires him/her to perform services in a new participating jurisdiction.

(6) Delegation of Authority to Approve Elections. The director delegates to the chief of contributions authority to approve or disapprove coverage elections in accordance with this rule.

PURPOSE: This rule establishes procedures for complying with the surety bond or securities aspect of section 288.032.2(2), RSMo.

(1) Each lessor employing unit shall maintain a listing of its client lessees and a listing of employees leased to each client lessee. Each lessor employing unit shall file with its quarterly contribution and wage report the listing of its client lessees. The listings of client lessees and employees leased to each client lessee shall be available for audit and inspection by the Division of Employment Security.

(2) Any lessor employing unit desiring to post a surety bond with the Division of Employment Security in accordance with section 288.032.2, RSMo of the Missouri Employment Security Law, Chapter 288, RSMo shall execute a surety bond in the amount set forth in section 288.032.2, RSMo. The surety bond shall be on a form provided, or approved, by the division. Any bond not on the form provided by the division shall be submitted to the division for approval prior to its being executed.

(3) The surety bond must be issued by an insurance company licensed for bonding in the state on behalf of the applicant. The form must bear the seal of the insurance company, the effective date and be accompanied by a power of attorney letter signed by the attorney-in-fact and it must also contain the signature of the applicant.

(4) The Division of Employment Security may reject a surety bond issued by an insurance company which has been suspended by the Missouri Department of Insurance. The division may require a lessor employing unit which has a surety bond issued by an insurance company suspended by the Missouri Department of Insurance to replace that bond with a new surety bond issued by a company

in good standing with the Missouri Department of Insurance. The replacement bond must be bought by the lessor employing unit within thirty (30) days of notification by the division.

(5) Any lessor employing unit depositing securities with the Division of Employment Security in accordance with section 288.032.2, RSMo shall also execute an Assignment and Escrow Agreement provided by the division. The agreement shall contain a provision in which the lessor employing unit consents to an audit of its records prior to the release or cancellation of the securities tendered with the agreement.

(6) Any securities deposited in a depository designated by the director of the Division of Employment Security pursuant to section 288.032.2, RSMo shall be accompanied by the signed statement of a licensed broker identifying each security and setting forth its current market value. Should the combined value of those deposited securities be less than the required amount, the lessor employing unit shall immediately deposit additional securities to raise the value to the required amount. After that, the lessor employing unit shall submit with its quarterly contribution and wage reports—

(A) A statement signed by a licensed broker setting forth the market value on the first business day of that month of each security so deposited; and

(B) An attestation by the broker stating that s/he has no interest in and is not affiliated in any way with the lessor employer or the corporation(s) that issued the stocks included in the market value statement.

(7) Pursuant to section 288.032.2, RSMo, a lessor employing unit, in lieu of a surety bond or securities, may obtain a certificate of deposit issued by any state or federally chartered financial institution in an amount equivalent to the amount required for a surety bond. The certificate of deposit shall be made payable jointly to the employing unit and the Division of Employment Security. The lessor employing unit shall forward the certificate of deposit, along with an executed Assignment and Escrow Agreement, to the division. The lessor employing unit shall forward to the division the certificate of deposit and an executed Assignment and Escrow Agreement on a form provided by the division.

(8) The director of the Division of Employment Security shall notify any lessor employing unit who has posted a corporate surety bond, deposited marketable securities,

or obtained a certificate of deposit, of the dollar amount required for that year to comply with the provisions of section 288.032.2, RSMo. The notification shall be mailed to each lessor employing unit not later than the end of February of each calendar year.

(9) Neither the obligation for payment nor the bond, securities, or certificate of deposit securing payment of unemployment contributions pursuant to section 288.032.2, RSMo of the Missouri Employment Security Law shall be released until the Division of Employment Security is satisfied, either by audit or otherwise, that all contributions liability on account of the bond, securities or certificate of deposit has been paid. This section of this rule shall not be construed to increase the liability of the surety in excess of the face amount of the bond regardless of the period of time the bond remains in effect, nor shall it be construed to affect the right of any surety to terminate the bond in accordance with the terms of the bond.

(10) The forms provided by the division to be used to comply with this rule may be obtained by contacting the division at 573-751-3331; by writing the Division of Employment Security, Attention Liability Unit, P.O. PURPOSE: This rule establishes procedures for complying with the irrevocable letter of credit aspect of section 288.032(2), RSMo.

(1) A letter of credit, issued by a commercial bank chartered under the laws of Missouri or chartered pursuant to the National Banking Act, may be submitted to the Missouri Department of Labor and Industrial Relations, Division of Employment Security, (hereinafter the division) in lieu of a surety bond or securities as required by section 288.032, RSMo. The letter of credit must be in an amount equal to the otherwise required bond or securities.

(2) The letter of credit shall be irrevocable and the beneficiary shall be the division. Payment shall be made immediately upon presentment of a demand for payment signed by the director of the division or his/her designated representative.

(3) All letters of credit shall conform to a required format. A standard letter of credit form embodying this format shall be provided by the division. All letters of credit shall be accompanied by an authorization for release of confidential information allowing the director of the division or his/her designee to release confidential information to the issuing bank.

(4) A demand for payment upon a letter of credit may be presented for payment only upon reasons that bond proceeds would be demanded.

(5) All letters of credit must be negotiable at a financial institution located within Missouri.

(6) Letters of credit shall have a term of one (1) year and shall be automatically renewable on an annual basis for an additional five (5) years. A letter of credit may be canceled by the issuer sixty (60) days after written notice is delivered to the division. Upon this notice the lessor employing unit shall be required to substitute a surety bond within sixty (60) days. If the required bond is not received within that time period, the client lessees will be jointly and severally liable and required to separately report as provided in section 288.032, RSMo.

(7) The division shall not release the letter of credit until it is satisfied, either by audit or otherwise, that no claims exist against the letter.

(8) A lessor employing unit shall be required to augment letters of credit in any situation where the lessor employing unit would be required to increase its coverage under a surety bond. This additional bonding requirement may be satisfied by increasing the letter of credit, submitting an additional letter of credit, submitting an additional surety bond, depositing additional securities, or submitting an additional certificate of deposit. Failure to increase the letter of credit amount when required will result in the client lessees being jointly and severally liable and required to separately report as provided in section 288.032, RSMo.

8 CSR 10-4.180 Coverage of Indian Tribes

PURPOSE: This rule implements the federal-ly mandated coverage of Indian tribes under the Missouri Employment Security Law, Chapter 288, RSMo.

(1) Definitions. As used in this rule, except as otherwise required for the content, the following terms shall have the meanings ascribed:

(A) Director—The administrative head of the Division of Employment Security.

(B) Division—The Division of Employment Security.

(C) Indian tribe—The meaning given to such term in section 3306 of the Federal Unemployment Tax Act (26 U.S.C. 3306).

(D) Employer—Includes any Indian tribe for which service in employment as defined in section 288.034, RSMo is performed.

(E) Employment—Includes service performed in the employ of an Indian tribe, provided such service is excluded from employment as defined in the Federal Unemployment Tax Act solely by reason of section 3306(c)(7) of the Federal Unemployment Tax Act, and is not otherwise excluded from employment under Chapter 288, RSMo. For purposes of this rule, the exclusions from employment in subsection 9 of section 288.034, RSMo shall be applicable to services performed in the employ of an Indian tribe.

(2) Benefits. Benefits based on service in employment of an Indian tribe shall be payable in the same amount, on the same terms and subject to the same conditions as benefits payable on the basis of other service subject to Chapter 288, RSMo. The provisions of subsection 3 of section 288.040, RSMo pertaining to services performed at an educational institution while in the employ of an “educational service agency” shall apply to services performed in an educational institution or educational service agency wholly owned and operated by an Indian tribe or tribal unit.

(3) Contributions. Indian tribes or tribal units (subdivisions, subsidiaries or business enterprises wholly owned by such Indian tribes) subject to this chapter shall pay contributions under the same terms and conditions as all other subject employers, unless they elect to pay into the state unemployment fund amounts equal to the amount of benefits attributable to service in the employ of the Indian tribe. An Indian tribe and all tribal units of such Indian tribe shall be jointly and severally liable for any and all contributions, payments in lieu of contributions, interest,

penalties, and surcharges owed by the Indian tribe and all tribal units of such Indian tribe.

(4) Payments in Lieu of Contributions. Indian tribes electing to make payments in lieu of contributions must make such election in the same manner and under the same conditions as provided in subsection 3 of section 288.090, RSMo pertaining to state and local governments and nonprofit organizations subject to Chapter 288, RSMo. Indian tribes will determine if reimbursement for benefits paid will be elected by the tribe as a whole, by individual tribal units, or by combinations of individual tribal units. Termination of an Indian tribe’s coverage pursuant to subsection (C) of this section shall terminate the election of such Indian tribe and any tribal units of such Indian tribe to make payments in lieu of contributions.

(A) Indian tribes or tribal units will be billed for the full amount of benefits attributable to service in the employ of the Indian tribe or tribal unit on the same schedule as other employing units that have elected to make payments in lieu of contributions.

(B) Any Indian tribe or tribal unit that elects to become liable for payments in lieu of contributions shall be required, prior to the effective date of its election, to post with the division a surety bond issued by a corporate surety authorized to do business in Missouri in an amount equivalent to the contributions or payments in lieu of contributions for which the Indian tribe or tribal unit was liable in the last calendar year in which it accrued contributions or payments in lieu of contributions, or one hundred thousand dollars (\$100,000), whichever amount is the greater, to ensure prompt payment of all contributions or payments in lieu of contributions, interest, penalties and surcharges for which the Indian tribe or tribal unit may be, or becomes, jointly and severally liable pursuant to this chapter.

(C) Failure of the Indian tribe or tribal unit to maintain the required surety bond, including the posting of an additional surety bond or a replacement surety bond within ninety (90) days of being directed by the division, will cause services performed for such Indian tribe to not be treated as “employment” for purposes of Chapter 288, RSMo.

(D) The director may determine that any Indian tribe that loses coverage under subsection (C) of this section, may have services performed for such tribe again included as “employment” for purposes of Chapter 288, RSMo if all contributions, payments in lieu of contributions, penalties, interest, and surcharges have been paid. Upon reinstatement of coverage under this subsection, an Indian tribe or any tribal unit may elect, in accor-

dance with the provisions of this section, to make payments in lieu of contributions.

(E) If an Indian tribe fails to maintain the required surety bond by posting an additional surety bond or a replacement surety bond within ninety (90) days of being directed by the division, the director will immediately notify the United States Internal Revenue Service and the United States Department of Labor.

(F) Notices of surety bond deficiency to Indian tribes or their tribal units shall include information that failure to post an additional surety bond or a replacement surety bond within the prescribed time frame will cause:

1. The Indian tribe to be liable for taxes under the Federal Unemployment Tax Act;

2. The Indian tribe to be excepted from the definition of “employer,” as provided in section (1) of this rule, and services in the employ of the Indian tribe, as provided in section (1) of this rule, to be excepted from “employment.”

(5) Failure to Make Payments. Failure of the Indian tribe or tribal unit to make any payments required in Chapter 288, RSMo, including assessments of interest and penalty, within ninety (90) days of receipt of the bill will cause services performed for such Indian tribe to not be treated as “employment” for purposes of Chapter 288, RSMo.

(A) The director may determine that any Indian tribe that loses coverage under this section, may have services performed for such tribe again included as “employment” for purposes of Chapter 288, RSMo if all contributions, payments in lieu of contributions, penalties, interest, and surcharges have been paid.

(B) If an Indian tribe fails to make required payments (including assessments of interest and penalty) within ninety (90) days of a final notice of delinquency, the director will immediately notify the United States Internal Revenue Service and the United States Department of Labor.

(C) Notices of payment and reporting delinquency to Indian tribes or their tribal units shall include information that failure to make full payment within the prescribed time frame will cause:

1. The Indian tribe to be liable for taxes under the Federal Unemployment Tax Act;

2. The Indian tribe to be excepted from the definition of “employer,” as provided in section (1) of this rule, and services in the employ of the Indian tribe, as provided in section (1) of this rule, to be excepted from “employment.”

(6) Extended Benefits. Extended benefits paid that are attributable to service in the employ of an Indian tribe and not reimbursed by the federal government shall be financed in their entirety by such Indian tribe.
