PURPOSE: This rule defines terms and establishes policies and procedures to be followed by all facilities operated by the Department of Mental Health and by other department-related facilities for assuring the rights of residents and patients to participate in and direct health care decisions affecting them.

(1) Terms defined in sections 630.005, 631.005, 632.005 and 633.005, RSMo are incorporated by reference for use in this rule. Also, as used in this rule, unless the context clearly indicates otherwise, the following terms shall mean:
(A) Adult—an individual eighteen (18) years of age or older;
(B) Advance directive—a written instrument, such as a living will or durable power of attorney for health care, relating to the provision of health care for an individual when that individual is in a terminal condition or is incapacitated;
(C) Attending physician—the physician selected by or assigned to an individual and who has primary responsibility for the treatment and care of the individual. If more than one (1) physician shares that responsibility, any of those physicians may act as the attending physician;
(D) Attorney-in-fact—an individual or corporation appointed to act as an agent of a principal (resident or patient) in a written
power of attorney for health care allowed under law;
(E) Competent—not having been adjudicated incapacitated;
(F) Death-prolonging procedure—any medical procedure or intervention that, when applied to an individual, would serve only to artificially prolong the dying process and where, in the judgment of the attending physician pursuant to usual and customary medical standards, death will occur within a short time whether the procedure or intervention is used. Death-prolonging procedures shall not include administration of medication or performance of a medical procedure considered necessary to provide comfort or care or to alleviate pain, or the performance of any procedure to provide nutrition or hydration;
(G) Decision-making capacity—ability to make choices that reflect an understanding of the nature and effect of treatment options as well as the consequences of choices;
(H) Department facilities—facilities operated by the department;
(I) Durable power of attorney for health care—a written instrument executed by a competent adult, notarized and expressly giving an agent or attorney-in-fact the authority to consent to or to prohibit any type of health care, medical care, treatment or procedures to the extent authorized in sections 404.800–404.865, RSMo;
(J) Health care—any treatment, service or procedure to diagnose or treat the physical or mental condition of a resident or patient;
(K) Health care facility—an individual or agency licensed, certified or otherwise authorized or permitted by law to administer health care in the ordinary course of business or professional practice;
(L) Incapacitated—unable by reason of any physical or mental condition to receive and evaluate information or to communicate decisions to an extent that an individual lacks capacity to meet essential requirements for food, clothing, shelter, safety or other care such that serious physical injury, illness or disease is likely to occur;
(M) Living will—a written instrument executed by a competent adult under sections 459.010–459.055, RSMo and declaring direction for the withholding or withdrawal of death-prolonging procedures and becoming operative if the adult is in a terminal condition;
(N) Patient—an individual under observation, care, treatment or rehabilitation by any hospital or other mental health facility pursuant to the provisions of Chapter 632, RSMo;
(O) Resident—a person receiving residential services from a facility, other than a mental health facility, operated by the department;
(P) Terminal condition—an incurable or irreversible condition that, in the opinion of the attending physician, is such that death will occur within a short time, regardless of the application of medical procedures; and
(Q) Voluntary resident or patient—a person who has willingly chosen or consented to receive services from the department and who is receiving services in a department facility, or a person for whom a guardian has been appointed under Chapter 475, RSMo and the guardian has been authorized to admit the resident or patient for services from the department.

(2) The department shall honor the right of all competent adult voluntary residents and patients to make decisions regarding their health care, including the right to accept or refuse medical or surgical treatment, except that if a Division of Comprehensive Psychiatric Services facility’s clinical staff determines that an emergency exists because a resident or patient is likely to do physical harm or present life-threatening behavior to him/herself or other residents or patients, the staff may administer psychotropic medication without the resident’s or patient’s consent. All competent adult residents and patients shall have the right to execute advance directives without regard to their voluntary or involuntary status. No department facility shall condition the provision of care or treatment, or otherwise discriminate against a resident or patient based on whether the individual has executed an advance directive.

(3) Using materials prepared by the department, all department facilities shall provide staff and community education about advance directives and the department’s policy on carrying out those directives by department facilities.

(4) Except as provided in sections (5) and (6), at the time an adult resident or patient is admitted to a department facility, the facility’s staff shall—
(A) Provide written information about resident’s or patient’s rights to accept or refuse death-prolonging procedures and to execute advance directives;
(B) Provide written information about the department’s policy on advance directives;
(C) Ask the resident or patient if s/he has executed an advance directive; and
(D) At his/her request, refer a competent adult resident or patient without an advance directive for assistance in completing one.

(5) If, at time of admission, department facility staff determine that a competent adult resident or patient lacks decision-making capacity, for example, due to intoxication or an acute episode of mental illness, the staff shall—
(A) If the resident or patient is accompanied by a friend, relative or guardian, discuss health care decisions and advance directives with that person as set out in section (4) of this rule; and
(B) Document the lack of decision-making capacity in the resident’s or patient’s medical record and the discussion of health care decisions and advance directives with the friend, relative or guardian rather than the resident or patient;

(C) If the resident or patient is unaccompanied, delay a discussion of health care decisions and advance directives; and

(D) Document the lack of decision-making capacity in the resident’s or patient’s medical record and that a discussion of health care decisions and advance directives was delayed.

(6) For a resident or patient with whom department facility staff did not discuss health care decisions and advance directives at the time of admission as set out in section (4) because the resident or patient lacked decision-making capacity, when the staff determine that the resident or patient has regained decision-making capacity, the staff shall hold the discussion and document it in the resident’s or patient’s medical record, regardless of whether the resident or patient was accompanied at time of admission.

(7) Staff of department facilities shall document in each adult resident’s or patient’s medical record whether the resident or patient has executed an advance directive. If a resident or patient has executed an advance directive, staff shall presume the resident or patient was competent when the advance directive was executed and that the advance directive was properly executed unless a court determines otherwise. Upon permission of the resident or patient, guardian or attorney-in-fact, if a copy of the advance directive is provided by the resident or patient, guardian or attorney-in-fact, staff shall place a copy of the advance directive in the resident’s or patient’s medical record.

(8) Because the department has a statutory mission to habilitate, treat or rehabilitate its residents and patients in department facilities, it shall not withhold or withdraw—
(A) Food, hydration, antibiotics or anti-seizure medication for the purpose of ending life;
(B) Psychotropic drugs essential to treatment of mental illness that are otherwise authorized by law or department rule; or

(C) Any medication, medical procedure or intervention that, in the opinion of facility staff, is necessary to prevent the suicide of a resident or patient.

(9) When it is determined that a resident or patient is incapacitated or in a terminal condition and that the resident or patient has an advance directive, department facility staff shall carry out the advance directive in the facility where the resident or patient resides unless—

(A) The resident’s or patient’s advance directive specifies procedures prohibited under the department policy set out in section (8);

(B) The resident’s or patient’s attorney-in-fact under a durable power of attorney for health care requests procedures prohibited under the department policy set out in section (8);

(C) The resident or patient is pregnant and has a living will that calls for withdrawing or withholding treatment; or

(D) The head of the facility determines that the facility is not equipped to provide acute and specialized medical care needed by the resident or patient.

(10) If based upon section (9) of this rule, the head of a department facility determines that the facility shall not carry out a resident’s or patient’s advance directive in the facility, the department facility staff, in conjunction with the resident or patient or the resident’s or patient’s guardian or attorney-in-fact, shall take all reasonable steps to transfer the resident or patient to a health care facility that is equipped and willing to carry out the resident’s or patient’s advance directive. At a minimum, these steps shall include, if necessary, assistance from department facility case managers in locating a health care facility that is equipped and willing to carry out the advance directive and case managers’ assistance with transferring the resident or patient to the health care facility.

(11) If a resident or patient with an advance directive is transferred from a department facility to another health care facility at the request of the department, the department will pay for transportation to and care in the health care facility if all other resources available to the resident or patient have been exhausted.

(12) A resident or patient may revoke an advance directive at any time and in any manner by which s/he is able to communicate, regardless of mental or physical condition. If an incapacitated resident or patient or a resident or patient in a terminal condition revokes an advance directive, department facility staff shall notify the resident’s or patient’s attorney-in-fact or legal guardian of the revocation and the manner by which the advance directive was revoked.

(13) If any resident or patient notifies department facility staff in any manner by which s/he is able to communicate that s/he wishes to revoke an advance directive, department facility staff shall immediately document the revocation in the resident’s or patient’s medical record and the manner by which the advance directive was revoked and shall notify orally any other staff known to be involved in the resident’s or patient’s health care.

(14) An advance directive also shall be revoked upon execution of a subsequent advance directive by the resident or patient.

(15) No department employee may recommend or otherwise suggest to a resident or patient that the resident or patient alter or revoke his/her advance directive.

(16) Department facility staff shall act upon a revocation of a resident’s or patient’s advance directive when the resident or patient is incapacitated or in a terminal condition and is not able to make treatment decisions if—

(A) The revocation is documented in the resident’s or patient’s medical record; or

(B) The staff member in charge of the resident’s or patient’s treatment at that time has actual knowledge of the revocation.

(17) Department facility staff shall periodically review the status of resident’s and patient’s advance directives as necessary or when requested by the resident or patient or the guardian or attorney-in-fact.

(18) Except to the extent the right is limited by the durable power of attorney for health care or any federal law, an attorney-in-fact under a durable power of attorney for health care has the same right as the resident or patient to receive information about health care proposed for the resident or patient, to receive and review the resident’s or patient’s medical records and to consent to disclosure of the medical records, except that the right of access to medical records is not a waiver of any evidentiary privilege.

(19) No employee of a department facility shall serve as an attorney-in-fact under a durable power of attorney for health care for any resident or patient receiving care or treatment at the facility at which the employee works unless that employee is related by marriage or consanguinity within the second degree or unless the employee and resident or patient are members of the same community of persons who are bound by vows to a religious life and who conduct or assist in the conducting of religious services and actually and regularly engage in religious, benevolent, charitable or educational ministry, or the performance of health care services.

AUTHORITY: section 630.050, RSMo 1986.*
Original rule filed June 30, 1992, effective April 8, 1993.

*Original authority: 630.050, RSMo 1980.
agency. Specifically, this category includes facilities licensed by the Children’s Division of the Department of Health and Senior Services; also included are intermediate care facilities/mental retardation (ICF/MR). Facilities and agencies included in Category II are subject to rules regarding criminal record review as promulgated by the state agency which licenses or certifies them and are not subject to sections (2) through (6) of this rule. However such agencies are subject to sections (7), (8), (9) and (10).

(2) This rule applies to—
(A) Staff;
(B) Volunteers who are recruited as part of an agency’s formal volunteer program but does not apply to volunteers who assist individuals as a friend would by providing assistance with shopping, transportation, recreation, etc.; and
(C) Members of the provider’s household who have contact with residents or clients, except for minor children.

(3) Each residential facility, day program or specialized service defined under Category I above shall make the following inquiries for all new employees and volunteers:
(A) An inquiry with the Department of Health and Senior Services to determine whether the new employee or volunteer having contact with residents or clients is listed on the employee disqualification list of the Department of Social Services or the Department of Health and Senior Services;
(B) An inquiry with the Department of Mental Health to determine whether the new employee or volunteer is on the DMH disqualification registry; and
(C) A criminal background check with the State Highway Patrol. The request for the background check shall not require fingerprints and shall be in accordance with requirements of the State Highway Patrol under Chapter 43, RSMo. The facility, program or service may use a private investigatory agency to conduct this review.

(4) The criminal background check and inquiries required under section (3) of this rule shall be initiated prior to the employee or volunteer having contact with residents, clients or patients.

(5) Each residential facility, day program and specialized service included under Category I shall require all new applicants for employment or volunteer positions involving contact with residents or clients to—
(A) Sign a consent form authorizing a criminal record review with the highway patrol, either directly through the patrol or through a private investigatory agency;
(B) Disclose his/her criminal history, including any conviction or a plea of guilty to a misdemeanor or felony charge and any suspended imposition of sentence, any suspended execution of sentence or any period of probation or parole; and
(C) Disclose if s/he is listed on the employee disqualification list of the Department of Social Services or the Department of Health and Senior Services, or the DMH disqualification registry.

(6) Each agency shall develop policies and procedures regarding the implementation of this rule and the disposition of information provided by the criminal record review. At a minimum the guidelines shall address—
(A) Procedures for obtaining the criminal record review;
(B) Procedures for confidentiality of records; and
(C) Guidelines for evaluating information received through the criminal record review which establish a clear boundary between those convictions which, by statute, must exclude an individual from service, and those convictions which would not automatically exclude an individual.

(7) Offenses which under section 630.170, RSMo disqualify a person from service are as follows:
(A) A person shall be disqualified from holding any position in the agency if that person—
   1. Has been convicted of, found guilty of, pled guilty to or nolo contendere to any of the following crimes.
      A. Physical abuse or Class I Neglect of a patient, resident or client; or
      B. Furnishing unfit food to patients, residents or clients.
   2. Is listed on the DMH disqualification registry;
   3. Is listed on the employee disqualification list of the Department of Health and Senior Services or Department of Social Services.
(B) A person who has been convicted of, found guilty to, pled guilty to or nolo contendere to any of the following crimes shall be disqualified from holding any position having contact with patients, residents or clients in the agency. The crimes listed below are not disqualifying unless they are felonies, except for failure to report abuse and neglect to the Department of Health and Senior Services, which is a Class A misdemeanor. The disqualifying crimes are:
   1. First or second degree murder;
   2. Voluntary manslaughter (includes assistance in self-murder);
   3. Involuntary manslaughter;
   4. First or second degree assault;
   5. Assault while on school property;
   6. Unlawful endangerment of another;
   7. First or second degree assault of a law enforcement officer;
   8. Tampering with a judicial officer;
   9. Kidnapping;
   10. Felony restraint;
   11. False imprisonment;
   12. Interference with custody;
   13. Parental kidnapping;
   14. Child abduction;
   15. Elder abuse in the first degree or the second degree;
   16. Harassment;
   17. Stalking;
   18. Forcible rape;
   19. First or second degree statutory rape;
   20. Sexual assault;
   21. Forcible sodomy;
   22. First or second degree statutory sodomy;
   23. First or second degree child molestation;
   24. Deviate sexual assault;
   25. First degree sexual misconduct;
   26. Sexual abuse;
   27. Endangering the welfare of a child;
   28. Abuse of a child;
   29. Robbery in the first degree or second degree;
   30. Arson in the first or second degree;
   31. First or second degree pharmacy robbery;
   32. Incest;
   33. Causing catastrophe;
   34. First degree burglary;
   35. Felony count of invasion of privacy;
   36. Failure to report abuse and neglect to the Department of Social Services as required under subsection 3 of section 198.070, RSMo; or
   37. Any equivalent felony offense.

(8) Any person disqualified from employment under this rule may request an exception from the DMH Exceptions Committee in accordance with 9 CSR 10-5.210 Exceptions Committee Procedures.

(A) The right to request an exception under this subsection shall not apply to persons who are disqualified due to being listed on the employee disqualification registry of the Department of Social Services or Department of Health and Senior Services, nor does it apply to persons who are disqualified due to any of the following crimes:
   1. First or second degree murder;
2. First or second degree statutory rape;
3. Sexual assault;
4. Forcible sodomy;
5. First or second degree statutory sodomy;
6. First or second degree child molestation;
7. Deviate sexual assault;
8. Sexual misconduct involving a child;
9. First degree sexual misconduct;
10. Sexual abuse;
11. Incest;
12. Causing catastrophe;
13. Abuse of a child;
14. First degree pharmacy robbery; or
15. Forcible rape.

(9) For the purposes of this rule, a verdict of not guilty by reason of insanity (NGRI) is not per se disqualifying. A suspended imposition of sentence (SIS) or suspended execution of sentence (SES) is disqualifying.

(10) A provider shall not hire any person who has committed a disqualifying crime as identified in section (7) of this rule, unless the person has received an exception from the department. However, the provider retains the discretionary authority to deny employment to persons who—
(A) Have committed crimes not identified as disqualifying;
(B) Have received an exception from the Exceptions Committee; or
(C) Have received a verdict of Not Guilty by Reason of Insanity.

**AUTHORITY: sections 630.170 and 660.317, RSMo Supp. 2003 and 630.655 and 630.710, RSMo 2000.**

---

**9 CSR 10-5.200 Report of Complaints of Abuse, Neglect and Misuse of Funds/Property**

**PURPOSE:** This rule prescribes procedures for reporting and investigating complaints of abuse, neglect and misuse of funds/property in a residential facility, day program or specialized service that is licensed, certified or funded by the Department of Mental Health (department) as required by sections 630.135, 630.167, 630.168, 630.655 and 630.710, RSMo. The rule also sets forth due process procedures for persons who have been accused of abuse, neglect and misuse of funds/property.

1. The following words and terms, as used in this rule, mean:
   (A) Class I neglect, failure of an employee to provide reasonable or necessary services to maintain the physical and mental health of any consumer when that failure presents either imminent danger to the health, safety or welfare of a consumer, or a substantial probability that death or physical injury would result;
   (B) Class II neglect, failure of an employee to provide reasonable or necessary services to a consumer according to the individualized treatment or habilitation plan, if feasible, or according to acceptable standards of care. This includes action or behavior which may cause psychological harm to a consumer due to intimidating, causing fear or otherwise creating undue anxiety;
   (C) Consumer, individual (client, resident, patient) receiving services directly from any program or facility contracted, licensed, certified or funded by the department;
   (D) Medications.
   1. “Medication Error,” a mistake in prescribing, dispensing, or administering medications. A medication error occurs if a consumer receives an incorrect drug, drug dose, dosage form, quantity, route, concentration, or rate of administration. This includes failing to administer the drug or administering the drug on an incorrect schedule. Levels of medication errors are:
      A. “Minimal,” medication error is one in which the consumer experiences no or minimal adverse consequences and receives no treatment or intervention other than monitoring or observation;
      B. “Moderate,” medication error is one in which the consumer experiences short-term reversible adverse consequences and receives treatment and or intervention in addition to monitoring or observation; and
      C. “Serious,” medication error is one in which the consumer experiences life-threatening and/or permanent adverse consequences or results in hospitalization.
   2. “Serious” medication errors may be considered abuse or neglect and shall be subject to investigation by the Department of Mental Health.
   (E) Misuse of funds/property, the misappropriation or conversion for any purpose of a consumer’s funds or property by an employee or employees with or without the consent of the consumer;
   (F) Physical abuse—
      1. An employee purposefully beating, striking, wounding or injuring any consumer; or
      2. In any manner whatsoever, an employee mistreating or maltreating a consumer in a brutal or inhumane manner. Physical abuse includes handling a consumer with any more force than is reasonable for a consumer’s proper control, treatment or management;
   (G) Sexual abuse, any touching, directly or through clothing, of a consumer by an employee for sexual purpose or in a sexual manner. This includes but is not limited to:
      1. Kissing;
      2. Touching of the genitals, buttocks or breasts;
      3. Causing a consumer to touch the employee for sexual purposes;
   4. Promoting or observing for sexual purpose any activity or performance involving consumers including any play, motion picture, photography, dance, or other visual or written representation;
   5. Failing to intervene or attempting to stop inappropriate sexual activity or performance between consumers; and/or
   6. Encouraging inappropriate sexual activity or performance between consumers; and
   (H) Verbal abuse, an employee using profanity or speaking in a demeaning, nontherapeutic, undignified, threatening or derogatory manner to a consumer or about a consumer in the presence of a consumer.

(2) This section applies to any director, supervisor or employee of any residential facility, day program or specialized service, that is licensed, certified or funded by the Department of Mental Health. Facilities, programs and services that are operated by the department are regulated by the department’s operating regulations and are not included in this definition.

(A) Any such person shall immediately file a written complaint if that person has reason to believe that a consumer has been subjected to any of the following misconducts while under the care of a residential facility, day program or specialized service:
   1. Physical abuse;
   2. Sexual abuse;
   3. Misuse of funds/property;
   4. Class I neglect;
   5. Class II neglect;
   6. Verbal abuse; or
   7. Serious medication error.
(B) A complaint under subsection (A) above shall be made to the head of the facility, day program or specialized service, and to the department’s regional center, supported community living placement office or district administrator office. If the allegation results in an investigation, the head of the facility shall make reasonable arrangements with respect to the alleged perpetrator to assure the safety of all of the facility’s consumers. Such arrangements may include but are not limited to leave with or without pay, or transfer to a position where there is no client contact.

(C) The head of the facility, day program or specialized service shall forward the complaint to—

1. The Children’s Division if the alleged victim is under the age of eighteen (18); or
2. The Division of Senior Services and Regulation if the alleged victim is a resident or client of a facility licensed by the Division of Senior Services and Regulation or receiving services from an entity under contract with the Division of Senior Services and Regulation.

(D) Failure to report shall be cause for disciplinary action, criminal prosecution, or both.

(3) The head of the facility, day program or specialized service that is licensed, certified or funded by the department shall immediately report to the local law enforcement official any alleged or suspected—

(A) Sexual abuse; or
(B) Abuse or neglect which results in physical injury; or
(C) Abuse, neglect or misuse of funds/property which may result in a criminal charge.

(4) If a complaint has been made under this rule, the head of the facility or program and all employees of the facility, program or service shall fully cooperate with law enforcement authorities and with department employees or employees from other agencies authorized to investigate the complaint. Failure to cooperate may result in contract termination or dismissal of the employee.

(5) A department investigator shall gather facts and conduct an investigation regarding the alleged abuse or neglect. The investigation shall be conducted in accordance with the procedures and time frames established under the department’s operating regulations. Upon completion of the investigation, the investigator shall present written findings of facts to the head of the supervising facility.

(6) Within ten (10) working days of receiving the final report from the investigator, if there is a preliminary determination of abuse, neglect or misuse of funds/property, the head of the supervising facility or department designee shall send to the alleged perpetrator a summary of the allegations and findings which are the basis for the alleged abuse/neglect/misuse of funds or property; the provider will be copied. The summary shall comply with the constraints regarding confidentiality contained in section 630.167, RSMo and shall be sent by regular and certified mail.

(A) The alleged perpetrator may meet with the head of the supervising facility or department designee, submit comments or present evidence; the provider may be present and present comments or evidence in support of the alleged perpetrator. If the alleged perpetrator wishes to have this meeting, s/he must notify the head of the supervising facility or department designee within ten (10) working days of receiving the summary.

(B) This meeting shall take place within ten (10) working days of notification, unless the parties mutually agree upon an extension.

(C) Within ten (10) working days of the meeting, or if no request for a meeting is received within ten (10) working days of the alleged perpetrator’s receipt of the summary, the head of the supervising facility or department designee shall make a final determination as to whether abuse/neglect/misuse of funds or property took place. The perpetrator shall be notified of this decision by regular and certified mail; the provider will be copied. If the charges do not meet the criteria in sections (11) and (12), the decision of the head of the supervising facility or department designee shall be the final decision of the department.

(D) If the charges meet the criteria in sections (11) and (12), the letter shall advise the perpetrator that they have ten (10) working days following receipt of the letter to contact the department’s hearings administrator if they wish to appeal a finding of abuse, neglect or misuse of funds/property.

(E) If there is no appeal, the decision of the head of the supervising facility or department designee shall be the final decision of the department.

(F) The department’s effort to notify the alleged perpetrator at his/her last known address by regular and certified mail shall be sufficient notice of the department’s determination.

(7) If an appeal is requested, the hearings administrator shall schedule the hearing to take place within thirty (30) working days of the request, but may delay the hearing for good cause shown. At the hearing, the head of the supervising facility or designee, or other department designee shall present evidence supporting its findings of abuse, neglect, misuse of funds/property, or all. The provider or perpetrator may submit comments or present evidence to show why the decision of the head of the supervising facility or department designee should be modified or overruled. The hearings administrator may obtain additional information from department employees as s/he deems necessary.

(8) The decision of the hearings administrator shall be the final decision of the department. The hearings administrator shall notify the perpetrator, and the head of the supervising facility or department designee by certified mail of the decision within fourteen (14) working days of the appeal hearing; the provider will be copied.

(9) The opportunities described in sections (6), (7) and (8) of this rule regarding a meeting with the head of the supervising facility and an appeal before the department’s hearings administrator apply also to providers and alleged perpetrators in an investigation of misuse of funds/property.

(10) For those charges in sections (11) and (12), an alleged perpetrator does not forfeit his/her right to an appeal with the department’s hearings administrator when s/he declines to meet with the head of the supervising facility under subsections (6)(A) and (B) of this rule.

(11) If the department substantiates that a person has perpetrated physical abuse, sexual abuse, class I neglect, or misuse of funds/property, the perpetrator shall not be employed by the department, nor be licensed, employed or provide services by contract or agreement at a residential facility, day program or specialized service that is licensed, certified or funded by the department. The perpetrator’s name shall be placed on the department Disqualification Registry pursuant to section 630.170, RSMo. Persons who have been disqualified from employment may request an exception by using the procedures described in 9 CSR 10-5.210 Exception Committee Procedures.
PURPOSE: This rule prescribes procedures for documenting, reporting, analyzing and addressing certain events that affect individuals in residential facilities, day programs or specialized services that are licensed, certified or funded by the Department of Mental Health as required by sections 630.005, 630.020, 630.165, 630.167 and 630.655, RSMo.

(1) The following words and terms, as used in this rule, mean:
(A) Consumer, individual receiving department funded or contracted services directly from any program or facility;
(B) Corrective Action Plan, the document a provider submits to the department in response to the results of an event or events which outlines those measures that are intended to reduce the likelihood that the event(s) will recur or to remediate a deficiency. Such actions include but are not limited to: removal of an individual receiving services or staff from a provider; staff training; improvements in the physical plant; revision of operating procedures;
(C) Department, the Department of Mental Health’s local regional center, district administrator, or supported community living office, depending on the division providing service;
(D) Guardian, individual who is legally responsible for the care and custody of the consumer;
(E) “On call” system, procedure of the specific regional department personnel being available to receive notification of events during nonbusiness hours. A telephone number is provided to verbally relay this information to the individual representing the specific region and division providing service;
(F) Provider—
1. A residential facility, day program or specialized service that is licensed, certified or funded by the Department of Mental Health;
2. Provider does not include facilities licensed by the Department of Health and Senior Services under Chapter 198, RSMo unless the facility is also licensed by the Department of Mental Health. In this case this rule applies only to consumers that have a primary diagnosis of mental illness and whose board and care are funded by the Department of Mental Health.
(F) Provider—
3. Duties of the provider under this rule are the responsibility of the chief administrative officer of the residential facility, day program or specialized service, or his/her designee;
(G) Reportable events, those specific incidents and medication errors identified on the applicable department report form dependent on the division providing service to the consumer; and
(H) Report form, Department of Mental Health form identifying reportable events and the timelines for reporting such events to the department. The form is used for data entry into the department Incident and Investigation Tracking System for statewide data collection. This form is identified as DMH-9719A (Divisions of Alcohol and Drug Abuse and Comprehensive Psychiatric Services) or DMH-9719B (Division of Mental Retardation/Developmental Disabilities), dependent on department division of service, which is included herein.

(2) This section applies to event notification and reporting requirements for employees of providers, as defined under section 630.005, RSMo. Facilities, programs and services that are operated by the Department of Mental Health are regulated by the department’s operating regulations and are not included in this definition, because this rule does not apply to Department of Mental Health operated facilities.

(A) Providers must maintain written policies requiring their employees to report events under this regulation and those events identified in 9 CSR 10-5.200. The policies must make clear that administrative or disciplinary sanctions may result from failure to report. Providers must ensure that their employees and those who support the agency are educated about the department’s notification and reporting requirements.

(B) It is the responsibility of the provider to—
1. Notify the department with a written or verbal report of all events reportable under this regulation involving consumers as identified on the report form. For those events requiring immediate notification, if a verbal report, it will be followed up in writing on the report form and faxed or otherwise transmitted to arrive within one (1) business day to the appropriate department office. All other events not requiring immediate notification shall be provided in writing on the report form in the time frame specified on the report form.
2. Notify the department using the department’s “on call” system after 5:00 p.m. or on weekends/holidays for those events on the report form requiring immediate department notification, and any event resulting in extensive property damage or major disruption of the program or service the consumer receives; and
3. Within twenty-four (24) hours of knowledge of an event that requires immediate department notification, verbally notify the legal guardian or parent (if consumer is a minor) of the specifics regarding the event. The provider shall also communicate that the event has been reported to the department. The only exception to this verbal notification...
is if the parent(s) or legal guardian is the suspected primary person involved that forms the basis for the reported event. If the provider is unable to verbally contact the guardian/parent, the provider shall document on the report form all efforts made to comply.

(3) The provider shall ensure that patterns and trends of reportable events, specific to a consumer, are included and addressed in the consumer’s personal/treatment plan upon approval by the planning team. To the extent that specific consumer issues are identified, the department staff may meet with the provider to discuss action steps to address and resolve issues, including submission of corrective action plans.

(4) The department may request a corrective action plan be provided by the provider based on the facts surrounding the event. This plan is subject to approval by the department within a time frame specified by the department. This plan must be carried out as specified.

(5) Programs licensed or certified by the Department of Mental Health must maintain internal records of similar events or information for individuals who do not receive department funded or contracted services, for purposes of quality review to assure that problems are identified and resolved. Non-identifying event records or non-identifying analysis of these events must be available for review by the department as needed for monitoring or licensure/certification activities. This section does not apply to facilities licensed under Chapter 198, RSMo.

(6) Failure to follow the above referenced regulations may result in administrative sanctions up to and including contract cancellation or licensure/certification revocation.

DMH-9719A
### REPORTABLE EVENTS

- Consumer Death (Regardless of cause, including all known deaths of discharged consumers up to and including 30 days post-discharge from a residential program)
- Elapse of/Unauthorized Absence (The timeframe for reporting shall be when this absence raises reasonable concern for the safety of the consumer or others, or concern that the consumer will not return. For the Division of Alcohol and Drug Abuse, this applies to adolescents and involuntary commitments only)
- Alleged or Suspected Abuse/Neglect:
  - Alleged or Suspected Verbal Abuse
  - Alleged or Suspected Physical Abuse
  - Alleged or Suspected Sexual Abuse
  - Alleged or Suspected Neglect
- Alleged or Suspected Misuse of Consumer Funds/Property
- Medication Error (Occurring in residential programs or programs in which medication is administered or self administration is observed by agency staff)
  - Moderate Medication Error: Treatment and/or intervention is needed in addition to monitoring or observation
  - Serious Medication Error: Life threatening and/or permanent adverse consequences
- Serious Injury (Injury to a consumer requiring medical inpatient hospitalization)

DMH-9719B
9 CSR 10-5.210 Exceptions Committee Procedures

PURPOSE: This rule establishes procedures for requesting an exception from the administrative rules of the Department of Mental Health.

(1) Definitions. The following terms are defined as follows:

(A) Disqualifying incident, a crime which under 9 CSR 10-5.190 results in a person being disqualified from employment, or one (1) or more administrative findings of abuse, neglect or misuse of client funds which, under 9 CSR 10-5.200 leads to a person being listed on the Department of Mental Health disqualification registry;

(B) Exception, a decision by the department not to enforce an administrative rule under the individual circumstances described in the request for an exception and the conditions described in the approval. None of the following are subject matter of an exception:

1. A contention that the rule is not valid;
2. A contention that the provider is in fact in compliance with the rule; and
3. A request for an interpretation of a rule.

(2) Rules Subject to an Exception. Only the following rules may be the subject of an exception:

(A) Licensure rules for residential facilities and day programs promulgated under 9 CSR 40;

(B) Certification rules for alcohol and drug abuse programs and psychiatric programs promulgated under 9 CSR 10-7 and 9 CSR 30;

(C) Certification rules under 9 CSR 45 for Specialized Services licensed or funded by the department.

(D) Any other administrative rule promulgated by the Department of Mental Health that specifically allows for an exception; and

(E) Rules related to disqualification from employment under 9 CSR 10-5.190 and 9 CSR 10-5.200. In the context of employment disqualification the following apply.

1. A person may not request an exception until twelve (12) months have passed since the sentence of the court or since the department gave official notice of the person’s name being added to the Department of Mental Health disqualification registry.

2. The exception option under this administrative rule does not replace or substitute for the appeal procedures afforded under Department Operating Regulation (DOR) 2.205 and 9 CSR 10-5.200 or any other administrative process. A person is not required to exhaust the appeal procedures as a prerequisite to requesting an exception; however, an exception will not be considered while an appeal is pending.

(3) Who may apply for an exception?

(A) A chief executive officer, or designee, on behalf of a residential facility, day program or specialized service, or an employee thereof.

(B) An individual may request an exception on his or her own behalf with respect to disqualification from employment under 9 CSR 10-5.190 and 9 CSR 10-5.200.

(C) A facility operated by the department on behalf of a residential facility, day program or specialized service licensed or funded by the department.

(D) Any other person or entity affected by an administrative rule under subsection (2)(E) of this rule.

(4) How to request an exception.

(A) A person may request an exception by sending to the exceptions committee a written request which—

1. Cites the rule number in question;
2. Indicates why and for how long compliance with the rule should be waived; and
3. Is accompanied by supporting documentation, if appropriate.

(B) In addition, the following additional items must be part of a request under 9 CSR 10-5.190, related to disqualification from employment.

1. A letter from the disqualified person containing the following information:
   A. A description of the disqualifying incident;
   B. When the disqualifying incident occurred;
   C. If the disqualifying incident was a crime, the sentence of the court;
   D. Mitigating circumstances, if any;
   E. Activities and accomplishments since the disqualifying incident;
   F. The names and dates of any relevant training or rehabilitative services;
   G. The type of service and/or program the applicant wishes to provide for mental health clients;
   H. Identification of the type of employment or position the applicant wishes to maintain or obtain and the name of the mental health program in which he or she wishes to work or continue working; and

1. Changes in personal life since the disqualifying incident (e.g., marriage, family, and education);

2. References, i.e., written recommendations from at least three (3) persons who verify the applicant’s assertions; and

3. Work history, with particular emphasis on work in the mental health field.

(C) Request for exceptions should be sent to Exceptions Committee Coordinator, Office of Quality Management, Department of Mental Health, PO Box 687, Jefferson City, MO 65102.

(5) Response. Within forty-five (45) calendar days of receiving a request for an exception, the exceptions committee shall respond in writing. The committee may approve a request, require the person to meet certain conditions, or deny the request. The decision of the exceptions committee is final; however persons aggrieved by a decision may modify and appeal to the DOR.

(6) Decisions of the exceptions committee are subject to appeal. However, persons aggrieved by a decision may modify and appeal to the DOR. Persons requesting an exception under 9 CSR 10-5.190 must wait twelve (12) months before repeating a request.

(7) Documentation. A recipient of an exception shall maintain documentation of all approved exceptions and make the documentation available for review upon request by authorized staff of the department.

(8) Expiration Date for an Exception. (A) An exception becomes null and void without any further action by the department under any of the following circumstances.

1. An expiration date is announced in the letter of approval.

2. The subject for whom the exception was granted changes employment.

3. There are changes in other circumstances described in the request.

(B) If an exception expires under this section, it may be renewed by submission of a new request.
(9) Rescinding Decisions. The exceptions committee may rescind any exception if, in its judgment, any of the following occur:

(A) The provider failed to meet a condition of the exception, or to maintain documentation required under section (7);

(B) It is discovered that the request contained misleading, incomplete or false information; or

(C) The exception results in poor quality of care, or risk/harm to a client or resident.

(10) If the committee rescinds an exception, the committee shall provide all concerned parties with a notice of rescission with an effective date. There shall be no appeal of a rescission of an exception.

9 CSR 10-5.220 Privacy Rule of Health Insurance Portability and Accountability Act of 1996 (HIPAA)

PURPOSE: This rule alerts providers to the possible HIPAA Privacy Rule requirements if the provider has determined that it is a covered entity as defined by HIPAA. Once that is established, this rule lists policies and procedures that the HIPAA Privacy Rule requires for each covered entity.

(1) This rule applies to all programs licensed, certified or funded by the Department of Mental Health.

(2) Definitions.

(A) HIPAA: the Health Insurance Portability and Accountability Act of 1996 (45 CFR parts 160 and 164) as it relates to Privacy.

(B) Protected Health Information (PHI): As defined by HIPAA (45 CFR section 164.501), PHI is individually identifiable health information that is—

1. Transmitted by electronic media;

2. Maintained in any medium described in the definition of electronic media; or

3. Transmitted or maintained in any other form or medium.

(C) Individually identifiable health information: As defined by HIPAA (45 CFR section 160.103), individually identifiable health information is any information, including demographic information, collected from an individual that is—

1. Created or received by a healthcare provider, health plan, employer, or healthcare clearinghouse; and

2. Related to the past, present, or future physical or mental health or condition of an individual; the provision of healthcare to an individual; or the past, present, or future payment for the provision of healthcare to an individual, and which identifies the individual, or with respect to which there is reasonable basis to believe that the information can be used to identify the individual.

(D) Business associate: As defined by HIPAA (45 CFR section 160.103), a person who, on behalf of the covered entity or provider or of an organized healthcare arrangement in which the covered entity participates, but other than in the capacity of a member of the workforce of such covered entity or arrangement, performs, or assists in the performance of:

1. A function or activity involving the use or disclosure of individually identifiable health information, including claims processing or administration, data analysis, processing or administration, utilization review, quality assurance, billing, benefit management, practice management, and repricing; or

2. Any other function or activity regulated by this subchapter; or provides, other than in the capacity of a member of the workforce of such covered entity, legal, actuarial, accounting, consulting, data aggregation, management, administrative, accreditation, or financial services to or for such covered entity, or to or for an organized healthcare arrangement in which the covered entity participates, where the provision of the service involves the disclosure of individually identifiable health information from such covered entity or arrangement, or from another business associate of such covered entity or arrangement, to the person.

(3) All providers who determine that they qualify as covered entities must comply with the provisions of the Privacy Rule of the Health Insurance Portability and Accountability Act of 1996 (HIPAA). A covered entity is defined as a healthcare provider, who transmits any health information in electronic form in connection with a transaction covered by this subchapter (section 160.103 of 45 CFR part 160), a health plan or a clearinghouse. The effective date of the Privacy Rule is April 14, 2003. IF this provider is a covered entity, THEN HIPAA requires the appropriate policies and procedures be in place to comply with the HIPAA Privacy Rule. HIPAA requires such policies and procedures to include, but not be limited to, the following topics: Notice of Privacy Practices, Amendment of Protected Health Information (PHI), Client Access to PHI, Accounting of Disclosures, Workforce Training, Verification, Authorizations for Disclosures of PHI, HIPAA Complaint Process, Marketing (if applicable), Research (if applicable), Audit and Monitoring of HIPAA compliance, and Business Associates Agreements with those companies providing goods and services which require the disclosure of PHI, etc. Where existing confidentiality protections provided by 42 CFR part 2, related to the release of alcohol and drug abuse records, are greater than HIPAA, then the department anticipates that the provider will consider any such provision of 42 CFR part 2 as the guiding law.
