To Major Genl. Jno. B. Clark

Sir,

Your communication by express
of Oct. 30th. enclosing one from Major Generals Atchison and
Lucas of the 28th. Oct. has been recd.. It is impossible for me
to leave here, the near approach of the meeting of the Legis
-lature renders it necessary that every moment of my time be
employed in preparation to meet them. It was considered
by me that full and ample powers were vested in you
to carry into effect my former orders, the case is now a
very plain one, the Mormons must be subdued and peace
restored to the community; you will therefore proceed
without delay to execute the former orders, full confidence
is reposed in your ability to do so, your force will be
amply sufficient to accomplish the object; Should you
need the aid of artillery I would suggest that an
application be made to the Commanding Officer of
Ft. Leavenworth for such as you many need, you are
Authorized to request the loan of it in the name of the
State of Missouri. My presence there could effect nothing,
I therefore again repeat that you are authorized
and full power is given you to take whatever steps
you deem necessary and such as the circumstances of the
case may seem to demand to subdue the insurgents and
give peace and quiet to the country. The ringleaders
of this rebellion should be made an example of and

and if it should become necessary for the public
peace the Mormons should be exterminated or
expelled from the State.

In order that no difficulty
may arise in relation to the command, I must inform
you that neither Generals Atchison or Lucas have been

called into Service under this late order (except Genl Lucas was directed to raise 400 in his division and to place them under the command of a Brigadier General. The privilege was offered him of commanding the troops from his own division, though subject to your orders—All the troops now under orders and those that may arrive at the seat of War are placed under your command.

You will report to me by express and keep me regularly informed of any thing of importance which may occur. The near approach of winter requires that your operations [“may” crossed out] should be hastened. After having restored, quiet you will cause the people of Davis County who have been driven from their homes to be reinstated

I am respectfully
your obdt. svt.
