the Civil authoritiez are wholly inadequate.

Resolved, that heretofore as Citizens desireing to abide by the laws of the

land we have been disposed to see this People called mormons dealt with for their Offensez by the civil authoritiez; but that in the opinion of this meeting from their past and present lawlesz course, a resort to the laws will be worse than uselesz, and wholly insufficient to afford the country that protection to which it is entilled.

Resolved, that we appeal to the Governor of this State to give the people of upper Missouri Protection from thiz

fearful body of thievez and robberz.

Resolved, That it would at this time be inexpedient to take any offensive Step, but that we should at present act on the defensive.

Resolved, That all who have in good faith renounced the mormon religion Should be protected, either those in this county or in Caldwell during the present excitement.

Resolved, That some men should now be raised to go to the most northern border of this County, and guard it from intrusion by the Mormons, to act entirely on the defensive for the present; and that Genl.
