Dewitt, County of Carroll and
State of Missouri. 2^d Ind. Sept. 1838.

To his excellency Silburn W. Boggs, Governor
of the State of Missouri &c.

Your Petitioners; Citizens
of the County of Carroll, do hereby petition your
Excellency praying for relief. That whereas
your petitioners have on the 20th inst. been
sorely aggrieved by being beset by a lawless
mob certain inhabitants of this and other Coun-
ties, to the injury of the good Citizens of
this and the adjacent places, that on the aforesaid
day came from one hundred to one hundred
and fifty armed men & threatened with force
& violence to drive certain peaceable citizens
from their homes in defiance of all law
& threatened them to drive said Citizens out of the County,
but on deliberation concluded to give them said
Citizens till the first of October next to leave
said County, & threatened if not gone by that
time to exterminate them without regard
to age or sex and destroy their chattels, by throw-
ing them in the river - We therefore pray you
to take such steps as shall put a stop to all
lawless proceedings - and we your petitioners
will ever pray &c.
