The Missouri Press Association is an organization of newspapers in the state.

Organized May 17, 1867, as the Editors and Publishers Association of Missouri, the name was changed in 1877 to the Missouri Press Association (MPA). In 1922, the association became a nonprofit corporation, and a central office was opened under a field manager whose job was to travel the state and help newspapers with problems.

The association, located in Columbia, became the fifth press association in the nation to finance its headquarters through member contributions. The MPA’s building was purchased in 1969.

As a founder of institutions, the Missouri Press Association aided in the establishment of the Confederate Soldiers’ Home, the building of the normal schools, support of the public school system and advancement of the University of Missouri.

The association founded the State Historical Society of Missouri in 1898 and today several of its members serve on the board of trustees. Greatest among its achievements is the establishment of the first school of journalism in the world in 1908. The Missouri School of Journalism at the University of Missouri in Columbia continues as the largest and foremost school of its kind. It celebrated its centennial in September 2008. The association led the drive to fund the chair in Community Newspaper Management at the School of Journalism and its donations helped fund the student lounge in the school’s Lee Hills Hall.

Through their association, the publishers in Missouri have worked to keep the press free and alert, as well as responsible; to keep it financially independent so it can render impartial public service; and to understand changing trends in business and in reader needs. Activities of the association include setting up workshops, seminars, conventions, publishing of a magazine, The Missouri Press News, supplying information to members, helping newspapers find skilled personnel and assisting with the placement of students.

On the occasion of its 100th anniversary in 1967, the association re-established the old Saline County Herald newspaper office in historic Arrow Rock and maintains a newspaper equipment museum with it.

The Missouri Press Foundation administers and funds seminars and workshops for newspaper people, supports Newspapers in Education programs, funds scholarships and internships for Missouri students studying community journalism in college and helps fund the Missouri Photojournalism Hall of Fame in Washington, Missouri.

Membership in the association is voluntary. All daily newspapers in the state are members, and 99 percent of the weekly newspapers are members. In 2011, there were 244 weekly newspaper members and 44 daily members. The association also has 185 associate and sustaining members. It is supported wholly by dues paid by these members.

The central office in Columbia has eight employees. Doug Crews serves as executive director by appointment of the board of directors.

**Show-Me Press Association**

The Show-Me Press Association was formed in June 1995 at Lake Ozark when members of the Central Missouri Press and Northeast Missouri Press associations voted to combine their organizations with one board of directors.

The Central Missouri Press Association was organized February 27, 1925, in Jefferson City with 30 charter members. Edgar C. Nelson, then owner and publisher of the Booneville Advertiser, was elected the first president. The district extended from St. Louis County on the east to Jackson, Cass and Bates counties on the west and included all 28 counties through the central part of the state bordering the Missouri River on both sides. In these counties are located the State Capitol, University of Missouri, State Fair Grounds and the University of Central Missouri. The first organizational meeting of Northeast Missouri Publishers was held in Hannibal in November 1889. Meetings of this group were held through 1896, after which the organization disintegrated and was succeeded by the Northeast Missouri Press Association, organized in 1920 in Kirksville with Charles H. Weisenborn, editor of the Macion Daily Chronicle-Herald as its first president.

Democratic Editors of Missouri

The present Democratic Editors of Missouri organization had its beginning on June 5, 1894. A meeting of leading party editors of that day was held at Pertle Springs, a well-known resort near Warrensburg, and the first Democratic Press Association was formed. H. Martin Williams was the first president and U.A. McBride, then editor of the Warrensburg Journal-Democrat, was chosen secretary. It was named the Democratic Editorial Association of Missouri.

Ten years later a statewide meeting of Democratic editors held in St. Louis changed the name to Missouri Democratic Press Association. George H. Scruton of the Sedalia Democrat was named president and served until his death two years later. For many years John C. Stapel of the Atchison County Mail at Rock Port was president. He was followed by W.C. Hewitt of the Shelby County Herald of Shelbyville.

The interest of Mark R. Holloran, national Democratic committee man from Missouri, in a strong party press led to the reorganization of the Democratic Editors of Missouri. He appeared at a breakfast meeting during a Missouri Press Association meeting in Kansas City in November 1955 and called for an active Democratic press in Missouri. An advisory committee was named including: Edgar Blanton, Shelbina Democrat; Kay Miles, Benton County Guide; John Henry Cox, Atchison County Mail; Jess Stewart, Farmington Press; James C. Kirkpatrick, Windsor Review; and Ben F. Weir, Nevada Daily Mail. The organizational meeting was held March 24, 1956, in Jefferson City with the following officers elected: President, James C. Kirkpatrick; vice president, Edgar Blanton; secretary, Kay Miles; and treasurer, Lane Davis, Houston Herald.

Officers:

President: Richard Fredrick, Paris;
First vice president: Bob Cunningham, Moberly;
Secretary: Beth McPherson, Weston;

Missouri Professional Communicators, National Federation of Press Women

Missouri Press Women (MPW) was organized in Columbia on May 5, 1937. The original purpose of the group, as set forth in its constitution, is to secure the benefits of organized efforts; to foster mutual improvement through association; and to promote the highest ideals of journalism. Anyone residing or working in Missouri who qualifies as a professional communicator actively engaged in any aspect of the field of communications, for remuneration, for at least one year immediately prior to application, may be eligible for active membership.

Missouri Press Women became a charter member of the National Federation of Press Women, established in Chicago, Illinois, in 1937, on the date of the Missouri group’s founding. Three Missouri members have served as national presidents: Bertha Bless, Weston, founding president of Missouri Press Women; Mattie Dykes, Maryville; and Mildred Plantenhoudt Michie, St. Clair.

Officers:

President: Colene McEntee, St. Charles;
Secretary: Peggy Koch, Barnhart;
Treasurer: Roxanne Weindl, Ballwin;

Membership officer: Linda Briggs-Harty, St. Louis;
Archivist: Dee Rabey, Granite City, IL;
Quest directors: Susan Fadem, St. Louis; Marge Polcyn, St. Louis;
Contest director: Janice Denham, Kirkwood.

In April 1999, the St. Louis chapter became the Missouri affiliate, taking responsibility for state functions. Members throughout the state may participate in professional workshops, seminars, programs and field trips planned by the Missouri affiliate. The state group sponsors a Communicator of Achievement who is honored at the National Federation of Press Women meeting biennially. Each May, the Press Women gives the Virginia Betts White Quest Awards to professional communicators who excel and continuously represent the quest of the highest standards of professional ethics and excellence in the field of communications. The Missouri affiliate sponsors annual contests for members and high school journalism students. Categories are specified in all fields of communication. First-place winners in the state contest are entered automatically in the national contest. In 1971, MPW received the Sweepstakes Award for earning the most points in the national competition.

In 1999, the St. Louis chapter, now the Missouri affiliate, established an educational scholarship fund for a mature woman pursuing a career in journalism, with matching funds provided by the Press Club of Metropolitan St. Louis and administered through the Journalism Foundation of Metropolitan St. Louis.

The association initiated the movement to secure a field secretary for the Missouri Press Association and started the plan to advertise Missouri which led to the founding of the Greater Missouri Association.

In 1962, the association dedicated a student lounge in Neff Hall at the University of Missouri School of Journalism, which it completely equipped and furnished.

At one time, the group met twice each year. One was a social gathering, usually in the fall at some resort in the area. The business meeting was held during the spring, at which time members and their families discussed newspaper problems and trends, saw exhibits by newspaper supply companies and heard speakers prominent in journalism and other fields. The Missouri Broadcasters Association (MBA) was formed August 15, 1948, in Kansas City, Missouri. The second state to have a full-time broadcast association. North Carolina’s association was formed earlier that same year. From its offices in Jefferson City, the MBA works for the broadcasters of Missouri, as well as allied organizations, to provide a variety of services.

The MBA is governed by a four-person executive committee and an eight-person board of directors representing radio and television broadcasters. Board members are elected for two-year terms and may seek re-election for one additional term. In addition, there are four standing committees, each responsible for a specific area of service. There are a total of 42 members serving on these committees. The committees have three roles: to represent member interests in state and federal legislative and regulatory processes; maintain the MBA office as a resource center for training, revenue expansion, cost control and information; and encourage the highest standards in broadcasting.

Since 1968, the Missouri Broadcasters Association has maintained a communications center on the first floor of the state capitol. These facilities are available to radio and television broadcasters to aid in their coverage of state news. These facilities are also available to state officials and legislators for the recording of information to be sent to radio and television stations in Missouri. Currently, plans are being made to update this facility with the latest technology to better serve these purposes.

### Academy of Missouri Squires

An organization unique among the states, the Academy of Missouri Squires was founded in the fall of 1960 by Governor James T. Blair Jr., who established it with a ceiling of 100 members. Governor Blair's purpose was to establish an organization to honor Missourians for their accomplishments at all levels—community, state or nation.

Governor Blair appointed the first class of 10 Squires after consulting leaders in every section of the state. Each succeeding class has been elected by the membership of the Academy, after receiving nominations from the public as well as from the membership of the Academy. The governor and former governors of Missouri are automatically members.

Squires are listed by class. Present addresses are noted in parentheses when different from address at time of election.

Foreign Consulates in Missouri

Consulates are the offices established by countries for their representatives (consuls) living in certain foreign cities and serving the country’s citizens and business interests there. The Missouri Consular Corps is compromised of foreign service officers from nations maintaining friendly relations with the United States. These officials are recognized by the U.S. State Department. They perform trade and diplomatic services for their own citizens and for United States citizens. This information was obtained from: Foreign Consular Offices in the United States by the United States Department of State (Revised May 24, 2011).

The Missouri Local Government Employees’ Retirement System (LAGERS) was established under legislation that became effective August 13, 1967, to provide retirement, disability, and survivor benefits for employees of local government employers. More than 50,000 employees and retirees of more than 600 political subdivisions are presently participating. The system is governed by a board of trustees, which includes three members elected by governing bodies of participating subdivisions; three members elected by employee members and one public member appointed by the governor.

The Public School Retirement System of Missouri includes the public school districts of Missouri, except St. Louis and Kansas City; public junior community colleges in Missouri; and certificated members and employees of the board of the system. The system began operations on July 1, 1946, and as of June 30, 2010, the system had 90,872 active members and 45,632 retirees.

The system is financed by contributions of members and the employing school districts in equal amounts and by interest earned on investment of contributions. Administering the program is a seven-member board of trustees. Three members are appointed by the governor, and four are elected for four-year terms by the members and retirees.

As of June 30, 2010, it included 66,978 active employees and 20,158 retirees of public school districts, except those in St. Louis and Kansas City. The Missouri Consolidated Health Care Plan (MCHCP) provides coverage to employees and retirees of most state agencies. Public entities such as school districts, counties and adult services may also join MCHCP. Nearly 100,000 state and public entity members are covered through two types of medical plans - preferred provider organization (PPO) plans and high deductible health plans (HDHP) with health savings accounts (HSA). MCHCP also offers a dental plan, vision plan, wellness and disease management programs and an employee assistance program to eligible members.

Established January 1, 1994, MCHCP is a statutorily created body corporate and organization with the State of Missouri. The MCHCP Board of Trustees includes: three ex officio members (1 – the director of the Department of Insurance, Financial Institutions and Professional Registration, 2 - the director of the Department of Health and Senior Services, and 3 - the commissioner of the Office of Administration); two members from the House of Representatives (one from each party); two from the Senate (one from each party); and six members appointed by the governor (three of the six are members of the plan and the remaining three are not members of the plan).

The Missouri State Employees’ Retirement System (MOSERS) was established by law in 1957. The system is responsible for the administration of the retirement program for all state employees (other than employees of the Highway Commission, the Highway Patrol and the University of Missouri). Flag Etiquette

The following are some of the rules of flag etiquette regarding the time and manner of display and disposal of the flag of the United States of America pursuant to Title 4, Chapter 1 of the United States Code.

It is the universal custom to display the flag only from sunrise to sunset on buildings and on stationary flagstaffs in the open. However, when a patriotic effect is desired, the flag may be displayed 24 hours a day if properly illuminated during the hours of darkness.

No other flag or pennant should be placed above or, if on the same level, to the right of the flag of the United States of America, except during church services conducted by naval chaplains at sea, when the church pennant may be flown above the flag during services for the personnel of the Navy.

No person shall display the flag of the United Nations or any other national or international flag equal, above, or in a position of superior prominence or honor to, or in place of, the flag of the United States at any place within the United States or any territory or possession thereof; provided, that nothing in this section shall make unlawful the continuance of the practice heretofore followed of displaying the flag of the United Nations in a position of superior prominence or honor, and other national flags in positions of equal prominence or honor, with that of the flag of the United States at the headquarters of the United Nations.

When flags of states, cities, or localities, or pennants of societies are flown on the same halyard with the flag of the United States, the latter should always be at the peak. When the flags are flown from adjacent staffs, the flag of the United States should be hoisted first and lowered last. No such flag or pennant may be placed above the flag of the United States or to the United States flag’s right.

The flag of the United States of America, when it is displayed with another flag against a wall from crossed staffs, should be on the right, the flag’s own right, and its staff should be in front of the staff of the other flag.

The flag of the United States of America should be at the center and at the highest point of the group when a number of flags of states or localities or pennants of societies are grouped and displayed from staffs.

When the flags of two or more nations are displayed, they are to be flown from separate staffs of the same height. The flags are to be of approximately equal size. International usage forbids the display of the flag of one nation above that of another nation in time of peace.

When displayed either horizontally or vertically against a wall, the union should be uppermost and to the flag’s own right, that is, to the observer’s left. When displayed in a window, the flag should be displayed in the same way, with the union or blue field to the left of the observer in the street.

When used on a speaker’s platform, the flag if displayed flat, should be displayed above and behind the speaker. When displayed from a staff in a church or public auditorium, the flag of the United States of America should hold the position of superior prominence, in advance of the audience, and in the position of honor at the clergyman’s or speaker’s right as he faces the audience. Any other flag so displayed should be placed on the left of the clergyman or speaker or to the right of the audience.

The flag, when flown at half-staff, should be hoisted to the peak for an instant and then lowered to the half-staff position. On Memorial Day the flag should be displayed at half-staff until noon only, then raised to the top of the staff. By order of the President, the flag should be flown at half-staff upon the death of principal figures of the United States government and the governor of a state, territory, or possession, as a mark of respect to their memory. In the event of the death of other officials or foreign dignitaries, the flag is to be displayed at half-staff according to presidential instructions or orders, or in accordance with recognized customs or practices not inconsistent with law.

In the event of the death of a present or former official of the government of any state, territory, or possession of the United States, the governor of the state, territory, or possession may proclaim that the national flag shall be flown at half-staff.

- The flag should be hoisted briskly and lowered ceremoniously.
- The flag should be displayed in or near every polling place on election days.
- The flag should be displayed during school days in or near every schoolhouse.
- The flag, when it is such that it is no longer a fitting emblem for display, should be destroyed in a dignified way, preferably by burning.
