

## CHAPTER 7

# MISSOURI ELECTIONS

*"It is hard to imagine a day when my voice would not have had the impact that it has today. I am thankful for the 19th amendment, the opportunities it has allowed me to pursue and the accomplishments it has helped me achieve."*

*Senator Sandy Crawford (R-28)*

---

*"We are a nation founded on the belief that all people are created equal and endowed by our Creator with unalienable rights. The 19th Amendment continues to allow women like me to fight for the preservation of these rights and raise our voice in support of freedom for generations to come."*

*Representative Chris Dinkins (R-144)*

# Missouri Voting and Elections

## Who registers to vote in Missouri?

Citizens living in Missouri must register in order to vote. Any U.S. citizen 17 years and 6 months of age or older, if a Missouri resident, may register and vote except:

- A person who is adjudged incapacitated.
- A person who is confined under sentence of imprisonment.
- A person who is on probation or parole after conviction of a felony until finally discharged.
- A person who has been convicted of a felony or misdemeanor connected with the right of suffrage. (115.133, RSMo)

## How do Missourians register?

Qualified citizens may register at [sos.mo.gov/elections/govotemissouri/register](https://sos.mo.gov/elections/govotemissouri/register), in person at the office of their local election authority, by mail, at the driver's license fee office or at participating state agencies. Registration in person is accomplished by filling out registration forms with information on identity, residence and qualifications which are signed and sworn to, then witnessed by the election authority or a designee. (115.155, RSMo)

Registration by mail, at the driver's license fee office or at the participating state agencies requires submission of an application stating qualifications. A verification or rejection of registration is sent by the election authority within seven working days. (115.155 and 115.159, RSMo)

## When do Missourians register?

An unregistered citizen may register to vote at [sos.mo.gov/elections/govotemissouri/register](https://sos.mo.gov/elections/govotemissouri/register), at the local election officials' place of business, by requesting an application by mail from the election authority, when renewing a Missouri driver's license or when receiving services from a participating state agency. Special registration sites and dates may be utilized prior to major elections.

The deadline for registration is the fourth Wednesday prior to an election. New Missouri residents may register immediately. (115.135, RSMo)

## When do Missourians vote?

The statutes require that all public elections be held on the general election day, the primary election day, the general municipal election

day, the first Tuesday after the first Monday in November, or on another day expressly provided by city or county charter and in nonprimary years on the first Tuesday after the first Monday in August. (115.123.1, RSMo)

The general election day is the first Tuesday after the first Monday in November in even-numbered years. The primary election day is the first Tuesday after the first Monday in August in even-numbered years. (115.121 (1 & 2), RSMo)

Elections for cities, towns, villages, school boards and special district officers are held the first Tuesday after first Monday in April each year, known as "general municipal election day." (115.121.3, RSMo)

A statewide presidential preference primary shall be held on the second Tuesday after the first Monday in March of each presidential election year. (115.755, RSMo)

Additional elections such as special elections or run off elections could also be held for voters.

## Who conducts registration and elections?

Voter registration and the conduct of elections are the responsibilities of boards of election commissioners in the counties of Clay, Jackson, Platte and St. Louis; and in the cities of Kansas City and St. Louis; and of the election authority in St. Charles County. The county clerk serves as the election authority in all other counties of the state.

## Special voting provisions

Disabled voters and persons prevented from voting at the polls because of absence or illness may vote absentee. Persons with permanent disabilities may apply for permanent absentee ballot status by making application with the local election authority. (115.284, RSMo) Curbside voting is permitted in Missouri, or voters may be transferred to more accessible precincts. Local election officials should be contacted about absentee federal service balloting or "new resident" ballots for residents who arrive after the registration deadline.

## What forms of identification are acceptable?

**Option 1:** Show your valid Missouri Driver License, Missouri Nondriver License, Passport or Military ID.

**\*Option 2:** Show one of the following: Missouri Voter Registration Card, ID issued by Missouri, ID issued by the US Government, ID issued by a Missouri university, college, vocational or technical school, utility bill, bank statement or government check and then sign a statement affirming your identity.

**Option 3:** If you do not possess any of these forms of identification, but are a registered voter, you may cast a provisional ballot.

More information about the photo voter ID requirement is available online at [www.ShowIt2Vote.com](http://www.ShowIt2Vote.com). If you do not have an approved form of identification from Option 1 above, the Secretary of State's Office will help you obtain the documents needed for a free photo ID (Missouri Nondriver License). Any questions may be directed to the Show It 2 Vote Hotline at 866-868-3245. (115.427, RSMo)

### Elections and political parties

Missourians do not register under party affiliation. Hence, at primary elections, voters may choose which "established party" they vote within. Party nominees—and independent candidates—are then listed on the general election ballot.

There are presently five "established political parties" statewide—the Republican, Democratic, Libertarian, Constitution and Green parties. Persons may seek the nomination of these parties for any elective office from the county level and above. In order to become "established," a party must have received more than two percent

of the votes cast statewide for at least one of its candidates. New parties are formed by petition and may exist on the county, district or state level. They must meet the same standard as any other party to remain "established."

At the time of primary elections, voters select county committee members of established parties in Missouri. Those committee people, thus elected, have certain duties and responsibilities. They serve, as appropriate, as members of legislative, senatorial, judicial and congressional district committees. County, district or state committee members may be called on to fill candidate vacancies on party ballots or to select nominees for special elections from time to time. The state committees are selected, indirectly, by local committee persons. The state committees become especially important when delegates to presidential nominating (national) conventions are being selected.

\*Option 2: The signing of a statement is the subject of a pending litigation.

**Constitutional Amendment No. 1***Proposed by Initiative Petition*

Shall the Missouri Constitution be amended to:

- change process and criteria for redrawing state legislative districts during reapportionment;
- change limits on campaign contributions that candidates for state legislature can accept from individuals or entities;
- establish a limit on gifts that state legislators, and their employees, can accept from paid lobbyists;
- prohibit state legislators, and their employees, from serving as paid lobbyists for a period of time;
- prohibit political fundraising by candidates for or members of the state legislature on State property; and
- require legislative records and proceedings to be open to the public?

State governmental entities estimate annual operating costs may increase by \$189,000. Local governmental entities expect no fiscal impact.

**Constitutional Amendment No. 2***Proposed by Initiative Petition*

Shall the Missouri Constitution be amended to:

- allow the use of marijuana for medical purposes, and create regulations and licensing/certification procedures for marijuana and marijuana facilities;
- impose a 4 percent tax on the retail sale of marijuana; and
- use funds from these taxes for health and care services for military veterans by the Missouri Veterans Commission and to administer the program to license/certify and regulate marijuana and marijuana facilities?

This proposal is estimated to generate annual taxes and fees of \$18 million for state operating costs and veterans programs, and \$6 million for local governments. Annual state operating costs are estimated to be \$7 million.

**Constitutional Amendment No. 3***Proposed by Initiative Petition*

Shall the Missouri Constitution be amended to:

- allow the use of marijuana for medical purposes, and create regulations and licensing procedures for marijuana and marijuana facilities;
- impose a 15 percent tax on the retail sale of marijuana, and a tax on the wholesale sale of marijuana flowers and leaves per dry-weight ounce to licensed facilities; and
- use funds from these taxes to establish and fund a state research institute to conduct research with the purpose of developing cures and treatments for cancer and other incurable diseases or medical conditions?

This proposal is estimated to generate annual taxes and fees of \$66 million. State governmental entities estimate initial implementation costs of \$186,000 and increased annual operating costs of \$500,000.

**Constitutional Amendment No. 4***Proposed by the 99th General Assembly (Second Regular Session) HJR 59*

Do you want to amend the Missouri constitution to:

- remove language limiting bingo game advertising that a court ruled unenforceable; and
- allow a member of a licensed organization conducting bingo games to participate in the manage-

ment of bingo games after being a member of the organization for six months instead of the current two years?

State and local governmental entities estimate no costs or savings from this proposal.

**Proposition B***Proposed by Initiative Petition*

Do you want to amend Missouri law to:

- increase the state minimum wage to \$8.60 per hour with 85 cents per hour increase each year until 2023, when the state minimum wage would be \$12.00 per hour;
- exempt government employers from the above increase; and
- increase the penalty for paying employees less than the minimum wage?

State and local governments estimate no direct costs or savings from the proposal, but operating costs could increase by an unknown annual amount that could be significant. State and local government tax revenue could change by an unknown annual amount ranging from a \$2.9 million decrease to a \$214 million increase depending on business decisions.

**Proposition C***Proposed by Initiative Petition*

Do you want to amend Missouri law to:

- remove state prohibitions on personal use and possession of medical cannabis (marijuana) with a written certification by a physician who treats a patient diagnosed with a qualifying medical condition;
- remove state prohibitions on growth, possession, production, and sale of medical marijuana by licensed and regulated facilities, and a facility's licensed owners and employees;
- impose a 2% tax on the retail sale of medical marijuana; and
- use funds from this tax for veterans' services, drug treatment, early childhood education, and for public safety in cities with a medical marijuana facility?

State government entities estimate initial and one-time costs of \$2.6 million, annual costs of \$10 million, and annual revenues of at least \$10 million. Local government entities estimate no annual costs and are expected to have at least \$152,000 in annual revenues.

**Proposition D***Proposed by the 99th General Assembly (Second Regular Session) SS 2 HB 1460*

Shall Missouri law be amended to fund Missouri state law enforcement by increasing the motor fuel tax by two and one half cents per gallon annually for four years beginning July 1, 2019, exempt Special Olympic, Paralympic, and Olympic prizes from state taxes, and to establish the Emergency State Freight Bottleneck Fund?

If passed, this measure will generate at least \$288 million annually to the State Road Fund to provide for the funding of Missouri state law enforcement and \$123 million annually to local governments for road construction and maintenance.

**Proposition A**

[Referendum ordered by Petition]

Do the people of the state of Missouri want to adopt Senate Bill 19 ("Right-to-Work") as passed by the general assembly in 2017, which prohibits as a condition of employment the forced membership in a labor organization (union) or forced payments of dues in full or pro-rata (fair-share); make any activity which violates employees' rights illegal and ineffective; allow legal remedies for anyone injured as a result of another person violating or threatening to violate employees' rights; and which shall not apply to union agreements entered into before the effective date of Senate Bill 19?

State and local government entities expect no costs or savings.
