# Missouri Voting and Elections

## Who registers to vote in Missouri?

Citizens living in Missouri must register in order to vote. Any U.S. citizen 17 years and 6 months of age or older, if a Missouri resident, may register and vote except:

- A person who is adjudged incapacitated.
- A person who is confined under sentence of imprisonment.
- A person who is on probation or parole after conviction of a felony until finally discharged.
- A person who has been convicted of a felony or misdemeanor connected with the right of suffrage. (115.133, RSMo)

## How do Missourians register?

Qualified citizens may register at [sos.mo.gov/elections/govotemissouri/register](https://sos.mo.gov/elections/govotemissouri/register), in person at the office of their local election authority, by mail, at the driver's license fee office or at participating state agencies. Registration in person is accomplished by filling out registration forms with information on identity, residence and qualifications which are signed and sworn to, then witnessed by the election authority or a designee. (115.155, RSMo)

Registration by mail, at the driver's license fee office or at the participating state agencies requires submission of an application stating qualifications. A verification or rejection of registration is sent by the election authority within seven working days. (115.155 and 115.159, RSMo)

## When do Missourians register?

An unregistered citizen may register to vote at [sos.mo.gov/elections/govotemissouri/register](https://sos.mo.gov/elections/govotemissouri/register), at the local election officials' place of business, by requesting an application by mail from the election authority, when renewing a Missouri driver's license or when receiving services from a participating state agency. Special registration sites and dates may be utilized prior to major elections.

The deadline for new registration is the fourth Wednesday prior to an election. New Missouri residents may register immediately. (115.135, RSMo).

## When do Missourians vote?

Chapter 115.123 of the *Missouri Revised Statutes* (RSMo) requires that all public elections be held on the first Tuesday following the first Monday of the month the election is held.

During even-numbered years, the general election day is the first Tuesday after the first Monday in November and the primary election day is the first Tuesday after the first Monday in August. During odd-numbered years, these dates are available for public elections.

Elections for cities, towns, villages, school boards and special district officers are held the first Tuesday after the first Monday in April each year; known as the "general municipal election day."

Bond elections may be held on the first Tuesday after the first Monday in February, but no other issue shall be included on the ballot for such election.

Additional elections, such as special elections or run off elections could also be held for voters.

## Who conducts registration and elections?

Voter registration and the conduct of elections are the responsibilities of boards of election commissioners in the counties of Clay, Jackson, Platte and St. Louis; and in the cities of Kansas City and St. Louis; and of the election authority in St. Charles County. The county clerk serves as the election authority in all other counties of the state.

## Special voting provisions

Disabled voters and persons prevented from voting at the polls because of absence or illness may vote absentee. Persons with permanent disabilities may apply for permanent absentee ballot status by completing an application with their local election authority. (115.284, RSMo) Curbside voting is permitted in Missouri, or voters may be transferred to more accessible precincts. Local election officials should be contacted about absentee federal service balloting or "new resident" ballots for residents who arrive after the registration deadline.

## What forms of identification are acceptable?

Show your valid Missouri Driver License, Missouri Nondriver License, United States Passport or Military ID.

If you do not possess any of these forms of identification, but are a registered voter, you may cast a provisional ballot.

More information about the voter ID requirement is available online at [sos.mo.gov/voterid](https://sos.mo.gov/voterid). If you do not have an approved form of identification from above, the Secretary of State's Office will help you obtain the documents needed for a free photo ID (Missouri Nondriver

License). Any questions may be directed to (866) 868-3245. (115.427, RSMo)

### Elections and political parties

Missourians do not have to register under party affiliation. Hence, at primary elections, voters can choose which “established party” they vote within. Party nominees—and independent candidates—are then listed on the general election ballot.

There are presently three “established political parties” statewide—the Republican, Democratic and Libertarian parties. Persons may seek the nomination of these parties for any elective office from the county level and above. In order to become “established,” a party must have received more than two percent of the votes cast statewide for at least one of its candidates. New parties are formed by petition and may exist on

the county, district or state level. They must meet the same standard as any other party to remain “established.”

At the time of primary elections, voters select county committee members of established parties in Missouri. Those committee people, thus elected, have certain duties and responsibilities. They serve, as appropriate, as members of legislative, senatorial, judicial and congressional district committees. County, district or state committee members may be called on to fill candidate vacancies on party ballots or to select nominees for special elections from time to time. The state committees are selected, indirectly, by local committee persons. The state committees become especially important when delegates to presidential nominating (national) conventions are being selected.
