

CHAPTER 7

MISSOURI ELECTIONS

Missouri Voting and Elections

Missouri Voting and Elections

Who registers to vote in Missouri?

Citizens living in Missouri must register in order to vote. Any U.S. citizen 17 years and 6 months of age or older, if a Missouri resident, may register and vote except:

- A person who is adjudged incapacitated.
- A person who is confined under sentence of imprisonment.
- A person who is on probation or parole after conviction of a felony until finally discharged.
- A person who has been convicted of a felony or misdemeanor connected with the right of suffrage. (115.133, RSMo)

How do Missourians register?

Qualified citizens may register at sos.mo.gov/elections/govotemissouri/register, in person at the office of their local election authority, by mail, at the driver's license fee office or at participating state agencies. Registration in person is accomplished by filling out registration forms with information on identity, residence and qualifications which are signed and sworn to, then witnessed by the election authority or a designee. (115.155, RSMo)

Registration by mail, at the driver's license fee office or at the participating state agencies requires submission of an application stating qualifications. A verification or rejection of registration is sent by the election authority within seven working days. (115.155 and 115.159, RSMo)

When do Missourians register?

An unregistered citizen may register to vote at sos.mo.gov/elections/govotemissouri/register, at the local election officials' place of business, by requesting an application by mail from the election authority, when renewing a Missouri driver's license or when receiving services from a participating state agency. Special registration sites and dates may be utilized prior to major elections.

The deadline for registration is the fourth Wednesday prior to an election. New Missouri residents may register immediately. (115.135, RSMo).

When do Missourians vote?

The statutes require that all public elections be held on the general election day, the primary election day, the general municipal election day, the first Tuesday after the first Monday in November, or on another day expressly provided by city or county charter and in nonprimary years on the first Tuesday after the first Monday in August. (115.123.1, RSMo)

The general election day is the first Tuesday after the first Monday in November in even-numbered years. The primary election day is the first Tuesday after the first Monday in August in even-numbered years. (115.121 (1 & 2), RSMo)

Elections for cities, towns, villages, school boards and special district officers are held the first Tuesday after first Monday in April each year, known as the "general municipal election day." (115.121.3, RSMo)

Additional elections such as special elections or run off elections could also be held for voters.

Who conducts registration and elections?

Voter registration and the conduct of elections are the responsibilities of boards of election commissioners in the counties of Clay, Jackson, Platte and St. Louis; and in the cities of Kansas City and St. Louis; and of the election authority in St. Charles County. The county clerk serves as the election authority in all other counties of the state.

Special voting provisions

Disabled voters and persons prevented from voting at the polls because of absence or illness may vote absentee. Persons with permanent disabilities may apply for permanent absentee ballot status by making application with the local election authority. (115.284, RSMo) Curbside voting is permitted in Missouri, or voters may be transferred to more accessible precincts. Local election officials should be contacted about absentee federal service balloting or "new resident" ballots for residents who arrive after the registration deadline.

What forms of identification are acceptable?

Show your valid Missouri Driver License, Missouri Nondriver License, United States Passport or Military ID.

If you do not possess any of these forms of identification, but are a registered voter, you may cast a provisional ballot.

More information about the voter ID requirement is available online at www.sos.mo.gov/voterid. If you do not have an approved form of identification from above, the Secretary of State's Office will help you obtain the documents needed for a free photo ID (Missouri Nondriver

License). Any questions may be directed to 866-868-3245. (115.427, RSMo)

Elections and political parties

Missourians do not have to register under party affiliation. Hence, at primary elections, voters can choose which “established party” they vote within. Party nominees—and independent candidates—are then listed on the general election ballot.

There are presently three “established political parties” statewide—the Republican, Democratic and Libertarian parties. Persons may seek the nomination of these parties for any elective office from the county level and above. In order to become “established,” a party must have received more than two percent of the votes cast statewide for at least one of its candidates. New parties are formed by petition and may exist on

the county, district or state level. They must meet the same standard as any other party to remain “established.”

At the time of primary elections, voters select county committee members of established parties in Missouri. Those committee people, thus elected, have certain duties and responsibilities. They serve, as appropriate, as members of legislative, senatorial, judicial and congressional district committees. County, district or state committee members may be called on to fill candidate vacancies on party ballots or to select nominees for special elections from time to time. The state committees are selected, indirectly, by local committee persons. The state committees become especially important when delegates to presidential nominating (national) conventions are being selected.

Registered Voters in Missouri, 2016–2024

*This is the number of registered voters from the Missouri Centralized Voter Registration list as of the Nov. 5, 2024, General Election. This number is subject to change as the local election authorities continue to conduct their ongoing list maintenance activities.

Constitutional Amendment No. 2

[Proposed by Initiative Petition]

Do you want to amend the Missouri Constitution to:

- allow the Missouri Gaming Commission to regulate licensed sports wagering including online sports betting, gambling boats, professional sports betting districts and mobile licenses to sports betting operators;
- restrict sports betting to individuals physically located in the state and over the age of 21;
- allow license fees prescribed by the Commission and a 10% wagering tax on revenues received to be appropriated for education after expenses incurred by the Commission and required funding of the Compulsive Gambling Prevention Fund; and
- allow for the general assembly to enact laws consistent with this amendment?

State governmental entities estimate onetime costs of \$660,000, ongoing annual costs of at least \$5.2 million, and initial license fee revenue of \$11.75 million. Because the proposal allows for deductions against sports gaming revenues, they estimate unknown tax revenue ranging from \$0 to \$28.9 million annually. Local governments estimate unknown revenue.

Constitutional Amendment No. 3

[Proposed by Initiative Petition]

Do you want to amend the Missouri Constitution to:

- establish a right to make decisions about reproductive health care, including abortion and contraceptives, with any governmental interference of that right presumed invalid;
- remove Missouri's ban on abortion;
- allow regulation of reproductive health care to improve or maintain the health of the patient;
- require the government not to discriminate, in government programs, funding, and other activities, against persons providing or obtaining reproductive health care; and
- allow abortion to be restricted or banned after Fetal Viability except to protect the life or health of the woman?

State governmental entities estimate no costs or savings, but unknown impact. Local governmental entities estimate costs of at least \$51,000 annually in reduced tax revenues. Opponents estimate a potentially significant loss to state revenue.

Constitutional Amendment No. 5

[Proposed by Initiative Petition]

Do you want to amend the Missouri Constitution to:

- allow the Missouri Gaming Commission to issue one additional gambling boat license to operate on the portion of the Osage River from the Missouri River to the Bagnell Dam;
- require the prescribed location shall include artificial spaces that contain water and are within 500 feet of the 100-year base flood elevation as established by the Federal Emergency Management Agency; and
- require all state revenues derived from the issuance of the gambling boat license shall be appropriated to early-childhood literacy programs in public institutions of elementary education?

State governmental entities estimate one-time costs of \$763,000, ongoing costs of \$2.2 million annually, initial fee revenue of \$271,000, ongoing admission and other fee revenue of \$2.1 million annually, and annual gaming tax revenue of \$14.3 million. Local governments estimate unknown revenue.

Constitutional Amendment No. 6

*[Proposed by 102nd General Assembly]
(Second Regular Session) SS SCS SJR 71*

Shall the Missouri Constitution be amended to provide that the administration of justice shall include the levying of costs and fees to support salaries and benefits for certain current and former law enforcement personnel?

State and local governmental entities estimate an unknown fiscal impact.

Constitutional Amendment No. 7

*[Proposed by 102nd General Assembly]
(Second Regular Session) SS SJR 78*

Shall the Missouri Constitution be amended to:

- Make the Constitution consistent with state law by only allowing citizens of the United States to vote;
- Prohibit the ranking of candidates by limiting voters to a single vote per candidate or issue; and
- Require the plurality winner of a political party primary to be the single candidate at a general election?

State and local governmental entities estimate no costs or savings.

Proposition A

[Proposed by Initiative Petition]

Do you want to amend Missouri law to:

- increase minimum wage January 1, 2025 to \$13.75 per hour, increasing \$1.25 per hour each year until 2026, when the minimum wage would be \$15.00 per hour;
- adjust minimum wage based on changes in the Consumer Price Index each January beginning in 2027;
- require all employers to provide one hour of paid sick leave for every thirty hours worked;

- allow the Department of Labor and Industrial Relations to provide oversight and enforcement; and
- exempt governmental entities, political subdivisions, school districts and education institutions?

State governmental entities estimate one-time costs ranging from \$0 to \$53,000, and ongoing costs ranging from \$0 to at least \$256,000 per year by 2027. State and local government tax revenue could change by an unknown annual amount depending on business decisions.

Constitutional Amendment No. 1

*Proposed by 102nd General Assembly
(First Regular Session) SJR No. 26*

Shall the Missouri Constitution be amended to allow places where individuals, corporations, organizations, and associations provide childcare outside of the child's home to be exempt from property tax? This is intended to make childcare more available, which would support the well-being of children, families, the workforce, and society as a whole.

State governmental entities estimate the state's Blind Pension Fund could have annual lost revenue of up to \$400,000. Local governments expect an unknown fiscal impact.

Constitutional Amendment No. 4

*Proposed by 101st General Assembly
(Second Regular Session) SS 2 SJR No. 38*

Shall the Missouri Constitution be amended to authorize laws, passed before December 31st, 2026, that increase minimum funding for a police force established by a state board of police commissioners to ensure such police force has additional resources to serve its communities?

This would authorize a law passed in 2022 increasing required funding by the City of Kansas City for police department requests from 20% of general revenue to 25%, an increase of \$38,743,646, though the City previously provided that level of funding voluntarily. No other state or local governmental entities estimate costs or savings
