In the matter of the estate and) Order of Sale of Real Estate.
Curatorship of Helen Easter, a minor.)

On this day comes John C. Brown, Curator of the estate of Helen Easter, a minor about the age of 13 years, and filed his petition for the sale of real estate of said minor therein described, setting forth that his ward is the owner of the following described real estate situate in the County of Daviess, State of Missouri, to-wit:-

An undivided one half interest in and to that part of the Southwest quarter of the Southeast quarter of Section Thirty (30) in Township Fifty-nine (59) of Range Twenty-eight (28), in Daviess County, Missouri, lying within the following boundaries:- Beginning at a point Forty (40) feet east of the Northeast corner of Block Nineteen (19) in Easter's First Addition to the town of Altamont in said Daviess County and running thence east to the east line of said S.W. $\frac{1}{4}$ of S.E. $\frac{1}{4}$; thence north on the line between S.W. $\frac{1}{4}$ of S.E. $\frac{1}{4}$ and the S.E. $\frac{1}{4}$ of S.E. $\frac{1}{4}$ of said Section 30, to the South line of the right of way of the C. R. I & P. Railway Company; thence in a northwesterly direction along said right of way line to a point where the East line of Cottage Street in said Easter's Addition intersects said right of way line; thence South to the place of beginning.

Petitioner further shows that because of the fractional interest held by said ward in said real estate, and because of the fact that as it is now situated and located, said real estate produces no income for said ward, that it would be for the benefit of said ward that her interest in said real estate be sold and the proceeds derived therefrom, put on interest for the benefit of said ward.

Wherefore, petitioner prays for an order for the sale of said real estate at private sale and on such terms as the court may direct.

And the court having heard said petition and the evidence in relation thereto, is satisfied that said order should be granted. It is therefore ordered by the Court that said Curator be and is hereby authorized and empowered to sell the said real estate at private sale (first having had the same appraised according to law) for cash in hand, and that said Curator report said sale and his proceedings therein to this court at the next term thereof.

That he believes it will be for the best interest of his said ward's estate to sell the said 14 acre strip and to apply the proceeds, or a part thereof, to the payment of said mortgage and to make necessary repairs on the said 40 acre tract, so that they will be relieved from the burden of paying interest on the said mortgage and make said land yield a greater profit to them.

And the Court having heard the petition and evidence in relation thereto, is satisfied that said order should be granted. It is therefore ordered by the court that said Curator be, and he is hereby authorized and empowered to sell the said real estate at either public or private sale, (first having had the same appraised according to law), for not less than three-fourths of the appraised value thereof, for cash in hand, and that said curator report said sale and his proceedings therein to this court at the next term thereof.

And upon a full examination of the foregoing it is ordered by the Court that said Curator be, and he is hereby required before making such sale to enter into bond in the sum Twelve hundred and fifty dollars to conduct such sale with fidelity to the interests of his wards and faithfully to account for the proceeds of such sale according to law.
