In the matter of the estate of Riley Fields, deceased. In the Probate Court of Daviess County, Missouri, February Term 1915.

OBJECTIONS TO APPROVAL OF REPORT OF SALE.

Comes now David Fields, one of the heirs of said Riley Fields, deceased, he being a son of said deceased, and files in said Probate Court these his objections to the approval and confirmation of the report of said of real estate filed in this court by John W. Fields and Mary J. Fields administrators of the estate of said Riley Fields, deceased, on Feb. 4th, 1915, in so far as said report relates to the sale of certain land in Dekalb County, Missouri, described as follows:- The Southwest quarter of the Southeast Quarter and the Southeast quarter of the Southwest quarter of Section 12 and the West half of the Northeast quarter of Section 13, all in township 60 of Range 30, said report stating therein, among other things, that the land above described has been sold to George A. McDonald and William T. McDonald for the price and sum of \$8800, Five hundred of which sum is cash, \$1551.20 by note of said parties due March 1st, 1915, without interest till maturity and the remainder of said purchase price by the assumption by the purchasers of a mortgage covering said land amounting to \$6748.80, the said note for \$1551.20 to be considered for the purposes of said report as cash, which objections to said report are as follows:-

FIRST. Said report shows upon its face that said land, above described, was appraised by J. J. Assel, C. C. Potter and C. A. Reed, three householders of Daviess County, Missouri when said land is situated in Dekalb County, Missouri and, under section 166 R. S. 1909, it should have been appraised by three householders of said Dekalb County Missouri.

SECOND. This objector, David Fields, is informed and believes and so states the fact to be that said administrators long prior to the filing of said report of sale, were informed that perfectly reliable and responsible parties were willing to buy said land and pay a price therefor greatly in excess of the price at which it is reported to this Court to have been sold.

THIRD. That, if said report of sale is approved and confirmed, said land will be sold for less than what it is worth and for a less price than could have been obtained for same, had said administrators exercised the diligence and prudence required of them by law.

In the Probate Court, Daviess County, Missouri, Saturday February 13, 1915, February Term.

FOURTH. That there is now on file in this court and has been since February 9th, 1915, the bid or offer of one Nearest Sperry to said Administrators and to this court, to take the 80 acres above described in Section 12, at the price of \$57.50 per acre, together with his check for \$500 in part payment on said bid, which is a price of \$2.50 per acre in excess of the price at which said land is reported to have been sold to George A. McDonald and William T. McDonald; that said Nearest Sperry is solvent and is able, ready and willing to make his bid good by the payment of the balance of the purchase price at any time it may be desired.

FIFTH. That there is now on file in this court and has been since February 9th, 1915, the bid or offer of one W. E. Ward to said Administrators and to this court, to take the 80 acres above described in Section 13, at the price of \$60 per acre, together with his check for \$500 in part payment on said bid, which is a price of \$5.00 per acre in excess of the price at which said land is reported to have been sold to said George A. McDonald and William T. McDonald; that said W. E. Ward is solvent and is able, ready and willing to make his bid good by the payment of the balance of the purchase price at any time it may be desired.

WHEREFORE, your petitioner, this objector, prays that said Probate Court may by its order entered of record, disapprove said report and reject the same and that said administrators be ordered to again expose said land to sale under the order of said court directing the sale of said land.

Fields and Mary J. Fields, Administrators of the estate of said Riley Fields, deceased, on the-----day of -----1915, in so far as said report relates to the sale of certain land in Daviess County, Missouri, described as follows:

All the land described in the report of sale, made by said Administrators aggregating 292-94 acres reported as having been sold to S. L. Hardinger for \$12900.00
For the reasons:

(a) That said sale is at less than the appraised value.

b) That one of the Administrators told the undersigned that the land described in said report of sale would not be sold at this time.

In the Probate Court, Daviess County, Missouri Tuesday March 2, 1915, February Adjourned Term.

c) That the price at which said land is reported to have been sold is wholly sufficient. ⁱⁿ

d) That said land is badly divided so that other adjoining scraps of land are left that could not be made to bring their real value.

e) That a sale at the price reported would mean a great sacrifice to the estate; that the price is wholly inadequate and that it would be unjust to the parties interested in the estate for said sale to be approved.

And the undersigned prays a hearing on these objections, at a day to be fixed when evidence can be offered.

Petitioner further states that by the terms of said will, one Elisha L. Frost was appointed as executor thereof and he has accepted said appointment and has qualified and is now acting as such executor in the administration of the estate of said George R. Allen.

Petitioner further states that at the time of the taking of the inventory in said estate, there was not on hand and provided for the support of myself and grain, meat, groceries or other provisions, for the ensuing year, except.

Petitioner further states that under the law she is entitled to an appropriation out of the assets of said estate sufficient to provide her with meat, flour, groceries and all other provisions for one year and avers that the sum of two hundred dollars would be a reasonable amount for such purpose and, further, that she is entitled under Section 116 R. WHEREFORE your petitioner prays that this court may, by its order of record appropriate from the assets of said estate such sum as it may deem reasonable and just for the years support of this petitioner and direct said executor to pay the same to her and that he also be directed to pay to her, said special dower of Four hundred dollars.

IN THE PROBATE COURT OF DAVIESS, COUNTY MISSOURI.

MAY TERM A. D. 1915.

Renewing

In the matter of the estate of William C. Lowrey, deceased;) Order of sale of Real Estate.

Comes now Clarence H. Lowrey administrator of the above estate and shows to the Court that at the February Term A. D. 1914 of said Probate Court upon the petition of said administrator and a proper showing as required by law for the sale of certain Real Estate situate in Section Twenty Three, Township Sixty One, of Range Twenty Nine in said Daviess County Missouri, more particularly described in said petition and belonging to the estate of the said Wm C. Lowrey, deceased, said Court made its order authorizing the sale of said land; that thereafter at the May Term A. D. 1914 of said Court said Order of sale was renewed; that thereafter said administrator acting under and by virtue of said order of sale, sold said land to one John Ulrich and entered into a contract in writing with him the said John Ulrich, whereby he the said John Ulrich became the purchaser of said land at and for the price and sum of \$6847.59, agreed to be paid upon the delivery to him by said administrator of a proper deed conveying said land and an abstract of title thereto showing a merchantable title to said land in said deceased;

That at the August term A. D. 1914 said administrator made report of said sale which was duly approved and an administrator's deed conveying said land was tendered to said purchaser; that upon an examination of the title to said land it was discovered that the land owned by said deceased and intended to be conveyed by said deed was not properly described in said Administrators deed, petition for sale and in said order of sale; that thereupon it became necessary to have said land surveyed in order to have same correctly described and that thereafter said administrator again filed his petition for the sale of said lands intended to be sold in said former proceedings, which petition correctly described said land as determined by said survey; that said petition was filed at the November Adjourned Term of said Probate Court, due notice of the filing and pendency of said petition to all persons interested in said estate was given by publication as required by law and resident heirs of the said William C. Lowry were personally served with such notice and upon proof of such publication and service said probate Court at the February Term 1915 thereof again ordered a sale of said land; that said administrator believing the former contract for the sale of said land to the said John Ulrich, to be still operative and binding made his report of sale to said Court at said February term A. D. 1915, on the 15th day of said month and on the 27th day of said month said report of sale was by said Court duly approved and in accordance with the order of said Court in confirming said sale said administrator executed and tendered to the said John Ulrich his Administrator's deed in due form conveying said land; that the said John Ulrich refused to accept said deed or to release or pay to said administrator the purchase price of said land as agreed in said contract of sale, claiming that the delay in perfecting the title to said land had rendered it

In the Probate Court, Daviess County, Missouri, June 5, 1915, May Adjourned Term.

it impossible for him to further comply with said contract; that said administrator has made repeated efforts to induce the said John Ulrich to accept said deed and pay^{er} said purchase price as agreed ~~but~~ that said purchaser still refuses to either release to said administrator that part of the purchase price placed in escrow to bind said sale or to pay any part of the purchase price as agreed; that the said John Ulrich has since the execution of said contract, disposed of all his tangible property and that in the opinion of this administrator any attempt to enforce the provisions of said contract of sale by suit for specific performance thereof would be attended with great expense to said estate and would be uncertain as to results.

Said administrator further represents that although the report of sale in said matter as above referred to states that the purchase price of said lands agreed upon had been paid to said administrator by said purchaser, in fact only a part of said purchase price had been placed in escrow awaiting the consummation of said sale and that said purchaser has refused and still refuses to release to said administrator said money so placed in escrow; that no part of said purchase price has in fact been paid to said administrator. Wherefore said administrator states that by virtue of the premises as above set out said sale as heretofore reported to this Court has wholly failed; that there are still many unpaid obligation out-standing against said estate as set out in the original petition in this matter; that a sale of said land is still imperative and necessary. He therefore prays that the order confirming the sale heretofore made in said cause, be set aside and for a renewal of the order of sale heretofore made.

And now the court having heard the evidence submitted in support of said application and it appearing that the sale to said John Ulrich as heretofore reported has wholly failed and cannot be enforced-----and believing it to be the best interest of said estate to sell said land as follows to-wit: The Northwest Quarterth ($\frac{1}{4}$) of the Southwest Quarter ($\frac{1}{4}$), except one and one-sixteenth acres out of the Northwest corner thereof; also beginning the Northwest corner of the Northeast quarter ($\frac{1}{4}$) of the Southwest Quarter ($\frac{1}{4}$), run thence south 680 feet; thence east 652 feet; thence North 280ft; thence east 362 ft; thence South 510 feet; thence East 1596 feet; thence North 900 feet; to the Northwest corner of the Northeast Quarter ($\frac{1}{4}$) of the Southeast Quarter ($\frac{1}{4}$) thence west to the place of beginning. Also beginning at the Northwest corner of the Northeast Quarter ($\frac{1}{4}$) of the Southwest Quarter ($\frac{1}{4}$); thence North 620 feet, to big creek, thence in a southeasterly direction following the meanderings of said creek to where said creek cuts the east and west center section line; thence West along said center section line to place of beginning; all of said lands being situate in Section twenty-three (23), in Township sixty-one (61); Range Twenty-nine (29); in Daviess County, Missouri for the purpose of paying the debts of said estate of the aforesaid. It is therefore ordered that the order heretofore made confirming the sale of said lands to the said John Ulrich be and the same is hereby set aside and that the order of sale of said lands as heretofore made be and the same is hereby renewed.

In the Probate Court, Daviess County, Missouri June 5, 1915, May Adjourned Term.

In-Re of the Estate of George S. Price, deceased,) An Order For Partial
George B. Koch, Administrator.) Distribution.

Comes now Herbert L. Songer an other like creditors of the estate of George S. Price, deceased in person and by attorney and shows to the court that George S. Price, deceased departed this life more than two years last passed; and that said estate has been in progress of administration for more than two years and no settlement or distribution of any kind made with the said creditors or has the court by order of record suspended the time allowed by law for making said distribution with the creditors of said estate. Wherefore, the said creditors above described prays the court to require the said administrator George B. Koch to make a distribution of the money now in his hands among creditors of said estate as required by law. And that the court enforce said order by execution upon the said administrator above described. And the court takes up said petition as above written and from the knowledge the court have in the matter believes that said distribution asks for ^{what made} and is hereby ordered that said administrator proceed to make said distribution as prayed for, as far as the assets will extend except cost of the administration of said estate.

Now at this 5th day of June 1915, and at the May Adjourned Term, and during the sitting of this court comes Mary J. Fields and John W. Fields, administrators of Riley Fields, deceased. And the court takes up the report of sale of Real Estate belonging to said estate filed in this court May 25, 1915, prior to this date; by which it appears that said administrators did sell on the 24th day of May 1915, at Private Sale to Sanson L. Did on Monday the 24th day of May 1915; first having had the same appraised as the law directs; and it appearing to the court that said sale of Real Estate was sold for more than three-fourths of the appraised value. The court is further advised that said Real Estate would bring at least three hundred dollars more money, but now comes by her attorney, Lewis Gillihan Mary J. Fields, widow of said deceased of Riley Fields, and states to the court that she refuses to sign her dower's rights to said Real Estate unless, the court confirms said sale as reported sold to Sanson L. Hardinger for the sum and price of \$8900.00; And the court realizing that said Real Estate would not bring the above price if sold subject to the widow dower's rights therein.

Furthermore the court takes position that if the administrators Mary J. Fields and John W. Fields wishes to take the responsibility of sacrificing the sum of at least \$300.00 on said sale of Real Estate; the court makes an order (under protest); confirming said sale, and instructs said administrators to make execute, acknowledge and deliver a deed to the said purchaser, Sanson L. Hardinger all of the rights and title of the Real Estate as described above conveying to him the said Sanson L. Hardinger his heirs and assigns all the rights title and interest which the said Riley Fields, deceased, had at the time of his death in said Real Estate.
