In the matter of the Estate of George Sterling Price, deceased, }
George B. Koch, Administrator. } ORDER TO ADJUST CLAIMS.

Comes now George B. Koch, administrator of the estate of George Sterling Price, deceased, duly qualified and acting as such, and represents and states to the court that during the lifetime of said George Sterling Price, he executed and delivered to the Commercial Bank of Jamesport, Missouri, a banking corporation, his two several negotiable promissory notes for value received, one of said notes being for \$450.00, dated December 10th, 1912, due four months after date, with interest from maturity at the rate of eight per cent per annum and one for the sum of \$1200.00, payable on demand, dated April 16th, 1913, with interest from date at the rate of eight per cent per annum, and at the date of the execution and delivery of the latter note, said Price endorsed and delivered to and pledged with said bank as collateral security to secure the payment of said \$1200.00 note so given by him, a certain note for \$1200.00, dated February 26th, 1913, executed by Miner C. Stephens and Lillie B. Stephens due March 1st, 1918, with five interest coupons attached thereto, each for the sum of Seventy-two dollars, said coupons due respectively, on March 1st, 1914, March 1st, 1915, March 1st, 1916, March 1st, 1917 and March 1st, 1918, said note being secured by deed of trust on real estate.

Petitioner further states that on the 10th day of June, 1913, said Commercial Bank presented to this court and had allowed as a demand against said estate, the said two notes for \$450 and \$1200 and the same, together with accumulated interest due on said notes in the sum of \$12.50, were on said last mentioned date, allowed against said estate in favor of said bank in the sum of \$1662.50, as claim No. 8, class 5; that, by virtue of an order of this court, this administrator made a partial distribution of the assets in his hands to the creditors of said estate and there was paid by him on said demand No. 8, Class 5, the sum of \$53.35, said 10% so paid to said bank having been calculated and paid only on the \$450.00 note and accrued interest, and that at the February Adjourned Term, on March 8th, 1916, said administrator took credit for said sum so paid said bank, along with other credits asked and allowed in said settlement.

Petitioner further states that his said settlement shows that he will not have sufficient assets in his hands to pay the demand of said bank in full, in fact, that only a very small per cent can ever be paid on the unpaid demands of said estate; that, as yet, the only payment made on said demand of said bank, is the payment above mentioned; that said bank yet holds as collateral the said Miner C. Stephens note for \$1200 and the interest coupons above mentioned, or the interest called for by them, if the same, or any of them, have been paid; that there is yet due on said demand to said bank the amount for which the same was allowed (\$1662.50), together with accumulated interest at the rate of 8% per annum, compounding annually since the date of allowance, June 10th, 1913, less only the payment of \$53.35 above mentioned; that this administrator believes it would be for the best interests of the estate for him to permit said bank to apply said Miner C. Stephens note and interest due thereon, at the face value thereof, as a credit on the amount due said bank on their said demand, if such an arrangement can be made with said bank, and thus avoid waiting till the maturity of said Stephens note; also avoiding the possibility that said bank might have to apply to the Circuit Court of said County for authority to sell said note in order to realize on it as security.

Wherefore, your petitioner, this administrator, prays the court that it by its order entered of record in this cause, authorize and direct him to settle and adjust the mutual claims and rights as between said bank and said estate as set forth in this petition, that is, by arranging with said bank to credit said Miner C. Stephens note at its full value on the demand due said bank from said estate, or such other arrangement or adjustment as may be equally advantageous to said estate.

Now at this day comes Homer Feurt, Curator of the estates of Robert A. Kirkpatrick, May Blanch Kirkpatrick and Olin E. Kirkpatrick, Minors, and states to the Court, that said Robert A. Kirkpatrick is the owner in fee of an undivided one-fourth of the following described real estate situate, lying and being in the County of Daviess--and State of Missouri, to-wit:

The North half of the Southwest quarter of Section Thirty-three (33) in Township Sixty-one (61) of Range Twenty-seven (27), containing Eighty (80) acres, more or less, subject however to the curtesy or life estate of his father Henry Kirkpatrick therein.

That said real estate is deteriorating and these minors have no estate from which they are able to pay their part or portion of the debt aforesaid to said Prudential Insurance Company of America, or the interest due thereon, maturing annually, or to make needed repairs to the improvements on said real estate.

That this Curator believes he can sell the interests of all of said minors at this time at a great advantage to the estates of said minors, and that the proceeds of said sale can be loaned out for a good rate of interest.

Said Curator further states to the court that it would be for the benefit of said minors and their estates that all their right, title and interest in and to the above described real estate be sold and that the proceeds of such sale be put on interest; that said Curator believes he will be able to realize from five to six per cent per annum on such proceeds.

Wherefore the undersigned Homer Feurt, Curator of the Estates of said Robert A. Kirkpatrick, May Blanch Kirkpatrick and Olin E. )

Now on this 16th day of November, 1916, the same being the third day of the November Term of said Court for the year 1916, comes Homer Feurt, Curator of the estates of Robert A. Kirkpatrick, May Blanch Kirkpatrick and Olin E. Kirkpatrick, minors, and presents to the court his petition, praying the court to make an order authorizing and directing him to sell all the right, title and interest of said minors in and to the following described real estate, situate, lying and being in the County of Daviess and State of Missouri, to-wit:

The North half of the Southwest quarter of Section Thirty-three (33) in Township Sixty-one (61) of Range Twenty-seven (27), containing eighty (80) acres more or less.

And the court having read said petition and having fully investigated the same, and after full examination, on the oath of credible and disinterested witnesses, it appears to the court, and the court finds that from the nature, character and quantity of said real estate, and the interests of said minors therein, said Robert A. Kirkpatrick, being the owner of an undivided one fourth of said real estate subject to the life estate or curtesy of Henry Kirkpatrick in said land; and the said May Blanch Kirkpatrick and Olin E. Kirkpatrick being each the owner of an undivided one eighth of said real estate, subject to the life or curtesy estate of said Henry Kirkpatrick therein.

That said curator has been and is now unable to derive any rent or other income from the interests of said minors in said real estate; that said real estate is encumbered by a trust deed given to secure to the Prudential Insurance Company of America a debt of Two thousand dollars, which bears interest payable annually; which encumbrance was placed on said land by Margaret Kirkpatrick from whom each of these minors derived his or her title to said real estate.

That said real estate and the improvements thereon are deteriorating, and that said minors have no estate from which they or their curator are able to pay their portion of the debt aforesaid to the Prudential Insurance Company of America, or to make needed repairs to the improvements on said real estate.

That said curator should be able to sell the interests of said minors in and to said real estate at a great advantage to said minors and to their estates, and the proceeds of such sale be loaned out for a reasonable rate of interest.

And the court further finds that it would be for the benefit of said minors and their estate, that all their right, title and interests in and to all of said real estate be sold and that the proceeds of such sale be put out at or on interest.

Wherefore it is hereby ordered that said curator, be and he is hereby authorized and directed to sell all the right, title and interest of all of said minors in and to all of the real estate hereinbefore described; that such sale be made at private sale, for cash, in hand, subject to the provisions of the statutes of this state and particularly under the regulations and conditions and subject to the provisions of Article 17, of Chapter 2 of the revised statutes of Missouri, of the year 1909, relating to the sale of real estate of minors, and the court is of the opinion and finds that no bond is necessary other than the bond already given by said curator as such.

And the Court having read said Petition, and having fully investigated the same, and after full examination, on the oath of Credible and Disinterested witnesses, it appears to the Court, and the Court finds that from the nature, character and quantity of said Real Estate, and the interest of said Minors therein, said Minors being each $\frac{1}{4}$ the owner of an undivided one twenty-fifth ($\frac{1}{25}$) of said Real Estate; that said Minors derived their title to said Real Estate by descent and inheritance from the Estates of John Pliley and Sallie Pliley, deceased, their grand father and grand mother.

Said Curator has been, and is now, unable to rent the same or derive any income whatever therefrom; that the interest of said Minors in said Real Estate is subject to taxation and other expenses; that said Minors have no other Real Estate or property from which said taxes and other expenses could be paid.

That the interest of said Minors in said Real Estate in Gallatin, is subject to a Mortgage to secure the payment of a School Fund Bond of the sum of \$350.00, bearing six per cent interest per annum, payable annually.

That said Minors have no available estate or property from which they can pay their proportion or part due on said debt secured by said Mortgage, or interest due thereon.

And the Court further finds that it would be for the benefit of said Minors and their Estates, that all their right, title and interest in and to all the Real Estate above described, situate in said Section Two (2), be sold, and that the proceeds of said sale be paid upon the debt and encumbrance now upon the said home place in the City of Gallatin, Missouri.

That such sale and payment would be in preservation of the estates of said Minors.

Wherefore it is hereby ordered that said Curator be and he is hereby authorized and directed to sell all the right, title and interest of all of said Minors in and to all the Real Estate, hereinbefore described as in Section Two (2) Township Sixty-one (61) of Range Twenty-seven (27), and that the proceeds of said sale be paid upon the debt secured by the Mortgage, aforesaid, now upon the Real Estate in the City of Gallatin, ~~constituting~~ the home of said Minors.

That such sale be made at private sale, subject to the provisions of the Statutes of this State, particularly under the Regulations and conditions and subject to the Provision of Article 17, Chapter 2, of the Revised Statutes of the State of Missouri, of the year 1909, Relating to the Sale of Real Estate of Minors, and as to the Court shall be considered suited to the case.

And the Court is of the opinion and finds that no bond is necessary other than the bond given heretofore by Curator as such.

That said Minor has no other property or estate or means for the proper education, support and maintainance of said Minor.

That this Guardian and Curator is unable, and can not rent or derive income from said Minor's interest in said Real Estate sufficient for the proper education, support and maintainance of said Minor.
