I, *Isaac E. Wampler*, the above named *Guardian*  
being first duly sworn, upon my oath, state that the above and foregoing statement contains a just and true account of all moneys by me collected, the date when collected, from whom  
collected, and on what account collected, since my last settlement (or appointment), whether on claims charged in the inventory, or for property sold otherwise, showing the exact amount  
of principal and interest collected on each claim; and showing, also, the amount and date of each expenditure or distribution, and to whom and for what paid; and that said settlement  
also shows what interest has been obtained by me upon any funds in my hands, and when obtained, on what accounts, for what time, and at what rate per centum.

Subscribed and sworn to before me, this *17th* day of *November* 191*5*.

I, *Lewis B. Gillihaw*, the above named *Curator*  
 being first duly sworn, upon my oath, state that the above and foregoing statement contains a just and true account of all moneys by me collected, the date when collected, from whom collected, and on what account collected, since my last settlement (or appointment), whether on claims charged in the inventory, or for property sold otherwise, showing the exact amount of principal and interest collected on each claim; and showing, also, the amount and date of each expenditure or distribution, and to whom and for what paid; and that said settlement also shows what interest has been obtained by me upon any funds in my hands, and when obtained, on what accounts, for what time, and at what rate per centum.

Subscribed and sworn to before me, this *17th* day of *November* 191*5*

 collected, and on what account collected, since my last settlement (or appointment), whether on claims charged in the inventory, or for property sold otherwise, showing the exact amount  
 of principal and interest collected on each claim; and showing, also, the amount and date of each expenditure or distribution, and to whom and for what paid; and that said settlement
