In the matter of the Estate and ~~the~~ Order of Sale of Real Estate
Curatorship of Charles DeVoiss, a minor

On this day comes William L Thompson curator of the Estate of Charles DeVoiss a minor about sixteen years of age and files his petition for the sale of Real Estate of said minor therein described, setting forth, that said ^{land} is im-
proved, about seventy acres being in cultivation and meadow and balance in
pasture, and has a dwelling house smoke house, and two sheds used for stock
of little value, and an orchard of about fifty bearing apple trees, that said dwell-
ing consists of two rooms about 15 feet square each, and is in only fair condition
while the other buildings aforesaid are worthless, that said orchard is becoming
less valuable each year, and the fencing is in a dilapidated condition and
will be wholly insufficient to protect the crops grown on said land with-
out making large repairs, that said lands are rented out from year to
year and principally cultivated in corn, which is impoverishing the soil.
That petitioner has no funds belonging to said minor to put said land
in tenable repairs, and that said land is deteriorating in value for
the reasons aforesaid, and it is not for the best interest of said ward
to continue to rent said land, as the income after paying taxes and
keeping up necessary repairs will be very small. Your petitioner fur-
ther states that said land is worth thirty five dollars per acre, and that
the interest of his said ward would be greatly promoted by a sale of the
said property and putting the proceeds of said sale on interest, viz: The
undivided one half ($\frac{1}{2}$) interest in the following described Real Estate:
The $\frac{1}{2}$ of the $\frac{1}{2}$ of the $\frac{1}{4}$ of section thirteen (13) Township sixty (60) of Range
twenty six (26) containing 40 acres more or less, situated in Daviess County
Missouri. And the $\frac{1}{2}$ of the $\frac{1}{4}$ of section eighteen (18) Township (60)
sixty of Range twenty five (25) situate in Grundy County Missouri, and
containing 80 acres more or less, subject to the dower interest of his mother
— Thompson. And the Court having heard the petition and evidence
in relation thereto, is satisfied said order should be granted. It is therefore
ordered by the Court that said curator be and he is hereby authorized and
empowered to sell the said Real Estate at private sale, (first having had
the same appraised according to law) for not less than three fourths of the
appraised value thereof on the following terms, to wit: One half of the purchase
money in four years from time of making and delivering deed to purchaser
Balance in five years from time of delivering said deed, The entire purchase
money to bear ^{6%} compound interest from the first day of March 1896 until
paid and secured by Deed of Trust on land sold and conveyed, and that said
curator report said sale and his proceedings thereon to this Court at its next term thereafter
