SECTION 451.020—Certain Marriages Prohibited.—Official Issuing Licenses to Certain Persons Guilty of Misdemeanor.—All marriages between par-
 ents and children, including grand-parents and grand-children of every degree, between brothers and sisters of the half as well as the whole blood, between
 uncles and nieces, aunts and nephews, first cousins, white persons and negroes or white persons and Mongolians, and between persons either of whom is

 official having authority to issue marriage licenses to issue such marriage licenses to the persons heretofore designated, and any such official who shall
 issue such licenses to the persons aforesaid, knowing such persons to be within the prohibition of this section shall be deemed guilty of a misdemeanor;
 and this prohibition shall apply to persons born out of lawful wedlock as well as those in lawful wedlock.

SECTION 451.040—License Required.—1. Previous to any marriage in this state, a license for that purpose shall be obtained from the officer authoriz-
 ed to issue same, and no marriage hereafter contracted shall be recognized as valid unless such license has been previously obtained, and unless such

2. Before applicants for a marriage license shall receive a license, and before the Recorder of Deeds shall be authorized to issue a license, the parties

4. Any person violating the provisions of this section shall be deemed guilty of misdemeanor.

5. Common law marriages hereafter contracted shall be null and void.

6. Provided, however, that no marriage shall be deemed or adjudged invalid, nor shall the validity thereof be in any way affected on account of any

 or either of them, that they were lawfully joined in marriage.

SECTION 451.050—Serological Test.—1. It shall be unlawful for the Recorder of Deeds of any County or City to issue a marriage license, to any
 person, unless such person presents and files with such Recorder of Deeds a report of a negative laboratory serological test for syphilis and an affidavit
 signed by the applicant that to his or her best knowledge and belief he or she is free from syphilis; or unless, in the case of an applicant with a
 positive test, such applicant presents and files a certificate from a physician duly licensed to practice in the State of Missouri stating that to his or her
 best knowledge and belief, after having made a thorough physical examination of such applicant, he or she is not infected with syphilis, or if so
 infected is not in the stage of the disease wherein it is communicable either to the spouse or the offspring, which said physician's certificate shall have
 attached thereto a laboratory report of the test for syphilis made by such laboratory; or unless a duly licensed physician presents a certificate stating that

SECTION 451.020—Certain Marriages Prohibited.—Official Issuing Licenses to Certain Persons Guilty of Misdemeanor.—All marriages between par-
 ents and children, including grand-parents and grand-children of every degree, between brothers and sisters of the half as well as the whole blood, between
 uncles and nieces, aunts and nephews, first cousins, white persons and negroes or white persons and Mongolians, and between persons either of whom is
 insane, mentally imbecile, feeble-minded or epileptic, are prohibited and declared absolutely void; and it shall be unlawful for any city, county or state
 official having authority to issue marriage licenses to issue such marriage licenses to the persons heretofore designated, and any such official who shall
 issue such licenses to the persons aforesaid, knowing such persons to be within the prohibition of this section shall be deemed guilty of a misdemeanor; and
 this prohibition shall apply to persons born out of lawful wedlock as well as those in lawful wedlock.

SECTION 451.040—License Required.—1. Previous to any marriage in this state, a license for that purpose shall be obtained from the officer authoriz-
 ed to issue same, and no marriage hereafter contracted shall be recognized as valid unless such license has been previously obtained, and unless such
 marriage is solemnized by a person authorized by law to solemnize marriages.

2. Before applicants for a marriage license shall receive a license, and before the Recorder of Deeds shall be authorized to issue a license, the parties
 to the marriage must, at least three days before the date they desire such license to be issued, present an application for the license to the Recorder of

4. Any person violating the provisions of this section shall be deemed guilty of misdemeanor.

5. Common law marriages hereafter contracted shall be null and void.

6. Provided, however, that no marriage shall be deemed or adjudged invalid, nor shall the validity thereof be in any way affected on account of any
 want of authority in any person so solemnizing the same under section 451.100, if consummated with the full belief on the part of the persons so married,
 or either of them, that they were lawfully joined in marriage.

SECTION 451.050—Serological Test.—1. It shall be unlawful for the Recorder of Deeds of any County or City to issue a marriage license, to any
 person, unless such person presents and files with such Recorder of Deeds a report of a negative laboratory serological test for syphilis and an affidavit

 positive test, such applicant presents and files a certificate from a physician duly licensed to practice in the State of Missouri stating that to his or her
 best knowledge and belief, after having made a thorough physical examination of such applicant, he or she is not infected with syphilis, or if so
 infected is not in the stage of the disease wherein it is communicable either to the spouse or the offspring, which said physician's certificate shall have

SECTION 451.040—LICENSE REQUIRED.—1. SECTION 451.040—LICENSE REQUIRED.—1. Previous to any marriage in this state, a license for that purpose shall be obtained from the officer authorized to issue the
